# MARC LAMOUREUX AMERICAN FIELD SERVICE EXCHANGE STUDENT

Marc, from Boucherville, Quebec, Canada, made his home with Chuck Hill and his family, while in Trenton. Marc's enthusiasm and pleasant personality contributed much to the senior class of '79.

Yes, now I'm a Senior at Peabody.  
This is the year I have looked forward  
to,  
I've longed for it.  
This is the year I'll look back on with  
fond memories.  
It's the turning point in my life.  
Yet, now, while I'm in it  
This year is scary.  
Where will I be next year?

## SENIOR CLASS HISTORY

In 1975 the "Class of '79" walked through the doors of good "Ole Peabody." Our curiosity was at its highest peak. All through the 8th grade we had been warned about the vicious Juniors and the mighty Seniors and now it was time to meet them. The year rolled by with lots of spirit, pride, and class. Those vicious Juniors and mighty Seniors knew we had arrived!

Through our Sophomore year we gained experience and lots of it! We entered sports, clubs, and any activities that were available to us. Those green pieces of paper that said we were sixteen arrived in the mail and new cars seemed to pop up in the student parking lot. Before we knew it, our Junior year had arrived. We were those vicious Juniors. We lived every day to its fullest and enjoyed every minute of it. Our Senior rings came and we knew it would only be a short time and we would be (at last) the Seniors of '79!

The summer went by quickly and we were back in school, but somehow it was different. Everyone was busy sending off applications and making decisions about their future. Only a few were realizing that they would never sit in those classrooms again. Our high school years have been fantastic and we know memories of it will be carried with us throughout our lives. We would like to wish everyone Good Luck, lots of Happiness, and a few words of wisdom ————— enjoy the years while you can!

Farewell and Best Wishes from the Mighty Seniors of '79!!!
