PROFILES  
OF  
PEABODY

We are so very different, yet so very much alike. We have come from different worlds, we are going different places. Yet for one small time, we were bound together in this space. We were one. We were Peabody.

PEABODY  
HIGH SCHOOL

CLASS OF 1983

When was the last time you  
stopped — and looked  
around — to see what is  
here — right now?

From far left: 1. Page Cole likes what she sees. 2. Michelle Bolden, Paul Berry, Penny Fields between classes. 3. Richie Gibson and Jeff Oliver are ready! 4. David Hill and Jeff Crawley just want to start the game. 5. Janet Crockett isn't sure, but Jim Gregory likes it.

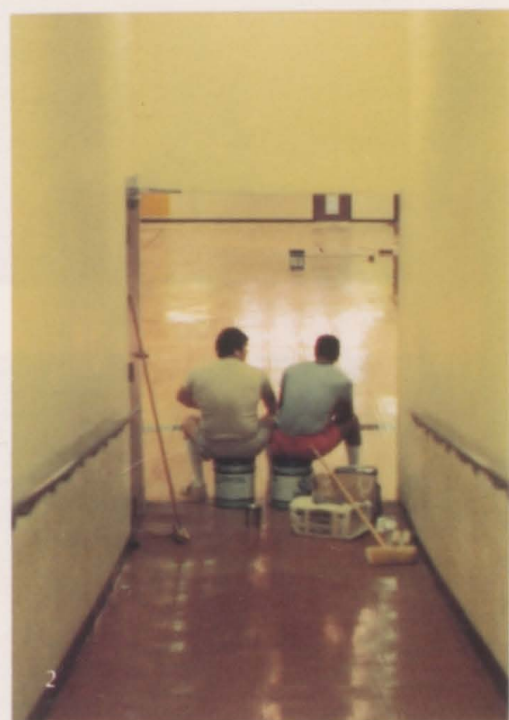

Peabody is full of diverse groups of people: musicians, athletes, clowns, and achievers. The intermixing of these groups produces our school's identity.

Clockwise from right: Michelle Milligan and Sherry Aymett show how they feel about school lunch. 2. Tanya Goodrich, Janet Crockett, Kevin Scott, and Rhonda Gibson rest on the hill. 3. PUNK. Danny Ridings, Penny Dorsett, Greg Hall, Stephanie Mannon, Charlotte Jones, and Georgia Davis. 4. Does the Advanced Math Class ever work?

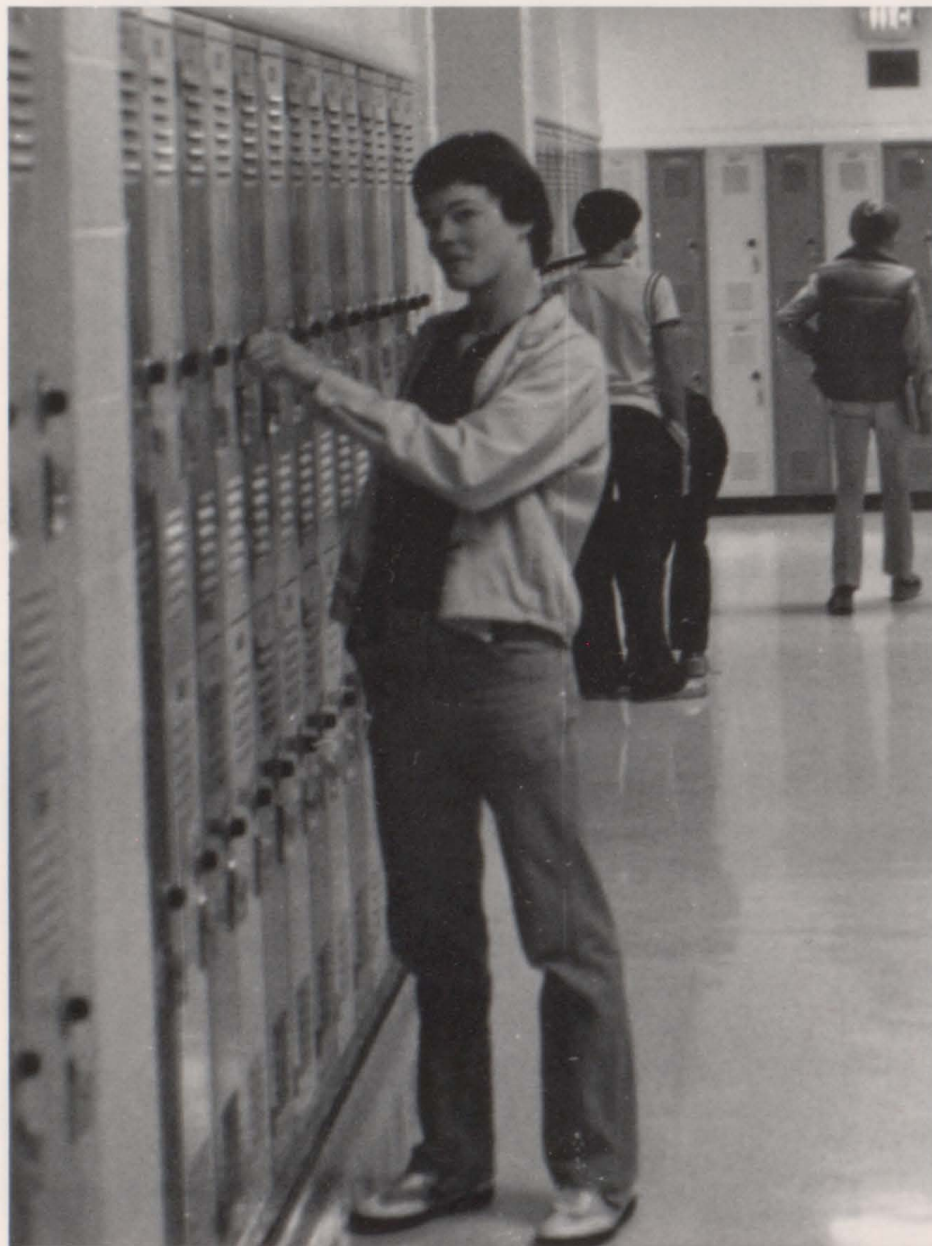

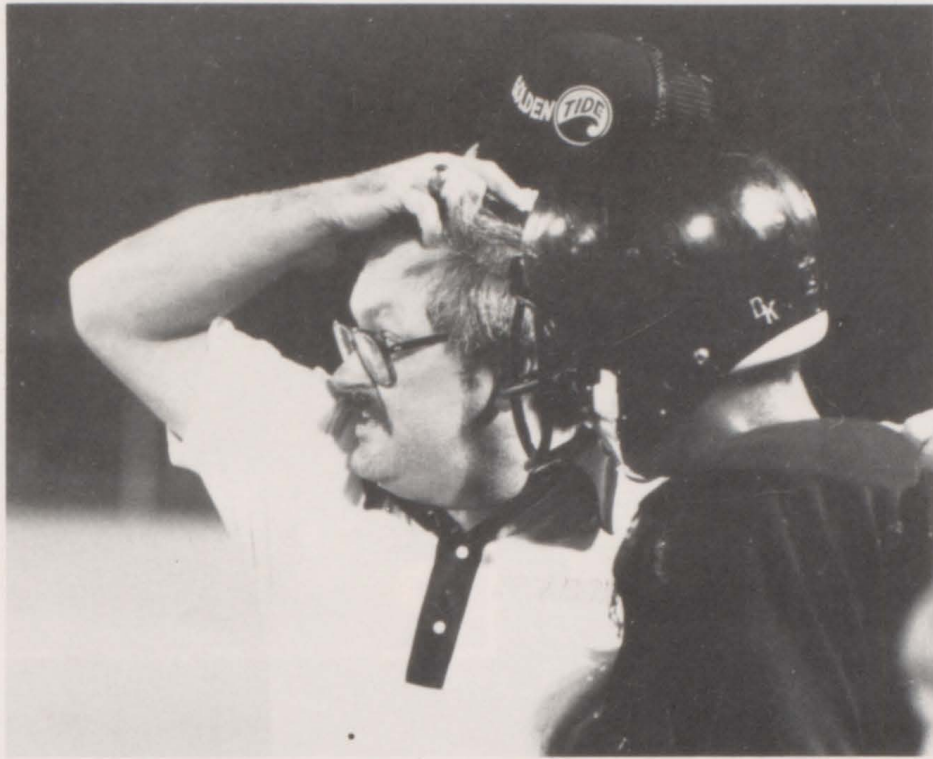

1. Jeff Crawley beats another Freshman. 2. Coach Crossnoe and Coach Collins have nowhere to go. 3. Greg Hall and Michael Page eat lunch. 4. Georgia Davis and Joey Maitland stick close. 5. Carla Baker, Jeri Prince, and Fairrae Fields ready a car for the parade.

Beyond the groups: the individuals. The people who are P.H.S.

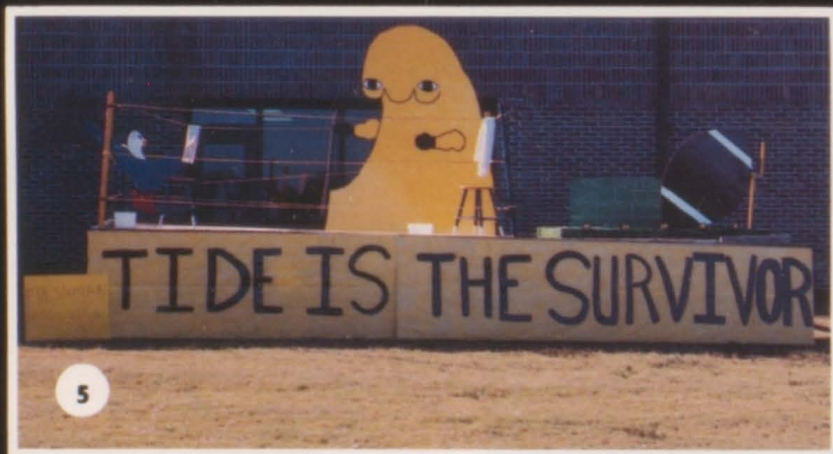

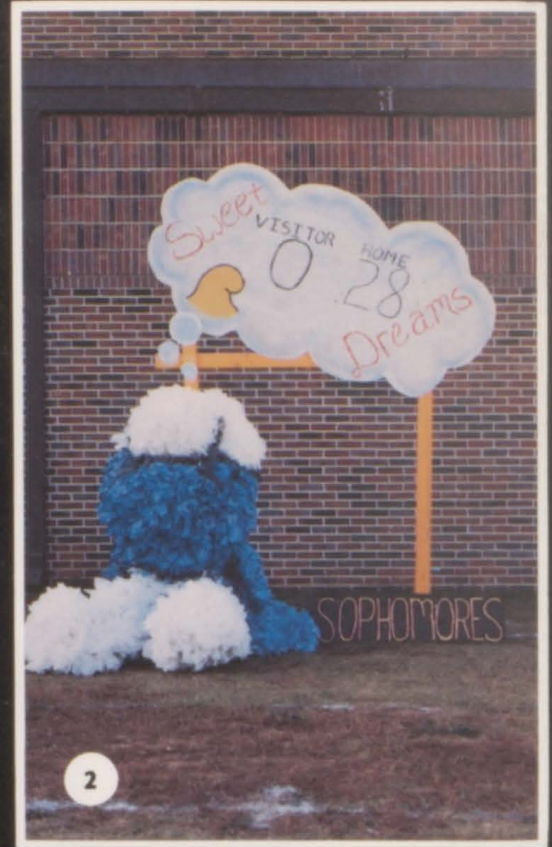

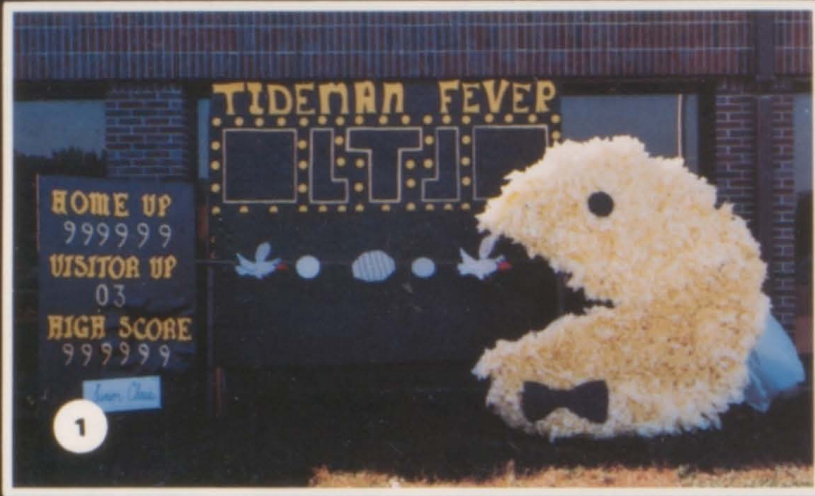

Clockwise from far left: Jeri Prince at half-time.  
Coach Jones makes a tough decision.  
Amanda George types away.  
Phyllis Johnson in class.  
Jeff Crawley runs with the ball.  
Scotty Riggs skips class.

1. 1st place Homecoming display — Juniors.
2. 4th place Homecoming display — Sophomores.
3. Connie Winginton clowns around before Homecoming parade.
4. 3rd place Homecoming display — Seniors.
5. 2nd place Homecoming display — Freshmen.
6. Amanda Puckett — Is it raining?

1. Senior Homecoming royalty. Dina Mainord, Queen — Jacinta Pigue, Gay Cotham. 2. Peabody Band of Gold. 3. The Bonfire. A Homecoming tradition. 4. Homecoming Court and escorts. K. Wade, T. Harris, J. Smith, R. Rauchle, K. Burnett, N. Bowens, J. Maitland, G. Cotham, J. Pigue, J. Bolden, D. Mainord, M. Page, T. Duncan, S. Williams, M. Shivers, T. Johnaon, G. Rauchle, D. Partee. 5. David Partee congratulates Gwen Rauchle.

# FALL FAIR

From far left: 1. A Jeff Crawley sandwich. 2. Bridgette Wade hard at work. 3. Carla Carr and David Hill? 4. Jimmy Cotham — It's a bird! 5. Kathy Baker — Shy as always. 6. Tammy Helms as Tinkerbell.

# FALL FAVORITES

Fall Favorites, a new award this year, were nominated and voted upon by the students of each class. These elections gave the students an opportunity to recognize classmates. This award is the only honor for outstanding underclassmen voted upon by students.

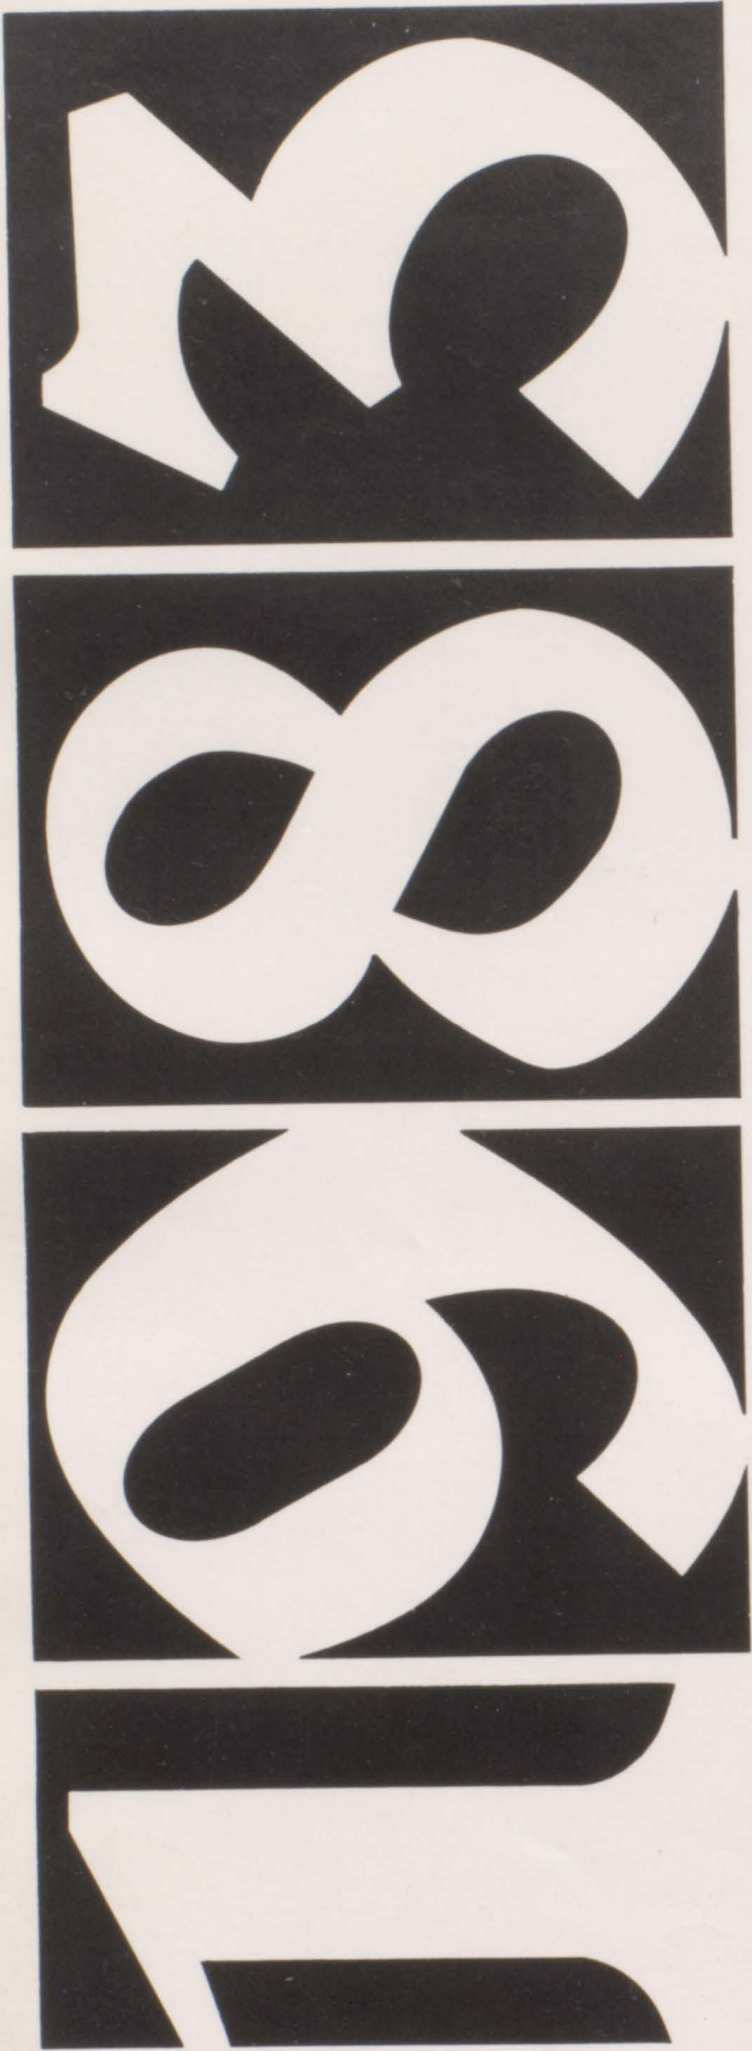

Clockwise from left: Seniors Page Cole and Bob Duncan spread the word. Page has twice been a member of the Homecoming royalty, and is a band officer. Bob is Math Club President and Student Council Vice-President.

Sophomores Fairrae Fields and John Page admire the trophies. Fairrae was a Freshman Class officer and Homecoming representative, and is a Student Council member. John plays the trumpet in the Peabody Band of Gold and is the a Student Council representative.

Freshmen Gwen Rauchle and Tim Fields play hide and seed. Gwen is a Freshman cheerleader and Homecoming representative. Tim plays Freshman football.

Juniors LeAnn Phelan and Michael Whitehead make a grand entrance. LeAnn kis a Beta Club officer and Student Council member. Michael is Junior class Vice-President.

FACULTY

Larry Ridings, Superintendent; Darrell Wilson, Principal; Willie Poston, Asst. Principal.

It's all a matter of principal . . . Sit down with Principal Darrel Wilson for a few minutes and you'll more than likely be interrupted by a few phone calls, but you will definitely begin to understand just who is behind the smooth running system at Peabody High.

At home you can find Mr. Wilson sitting down to a steak dinner with his wife, Jan, his daughter, Jana, and son, Brent.

Mr. Wilson's main goal is "To be a part of providing the best possible education for the student body at PHS." The fine job being accomplished by Mr. Wilson is only one of the many signs that he undoubtedly is on his way to fulfilling that goal.

Most teachers (\_\_\_\_\_ percent) grew up in the Peabody area. \_\_\_\_\_ came from other states. Most teachers (\_\_\_\_\_ percent) live in town though \_\_\_\_\_ percent commute to Peabody. Did you notice the good looks? or all the gray hair . . . ? they averaged \_\_\_\_\_ years of age!!!

Who Ya Rootin' For? PHS! As cheerleaders went through their routine on the field, it looked so easy to the spectators; but the spirit leaders devoted many hours to practicing cheers, chants, pyramids, and stunts. The skills were a result of strenuous practice, cheerleading camps, and clinics. Despite injuries, cold and rainy weather, the cheerleaders supported their team and kept the crowds enthusiastic. They shared the excitement of victory and the sorrow of defeat.

# DECA

The Distributive Education Clubs of America (DECA) is a student-centered organization whose program of leadership and personal development is designed specifically for students enrolled in Vocational Distributive Education programs offered by State Departments of Education and local school boards throughout the nation. DECA is a non-profit, non-political, and non-sectarian youth organization.

Any student enrolled in any Marketing Distributive Education instructional program in the nation is eligible for membership in DECA at the local, state, and national level. At the local level, M/DE students form a Chapter of DECA and elect their own student officers. The M/DE Teacher-Coordinator serves as a Chapter Advisor. Nearly all chapters are self-supporting with members paying local, state, and national dues.

DECA is recognized by the United States Office of Education (USOE) as being an integral part of the total Marketing/Distributive Education program. M/DE students have common objectives and interests in that each is studying for a specific career objective. DECA activities have a tremendous psychological effect upon the attitudes of students and many have no other opportunity to participate in school activities or to develop responsibilities of citizenship. DECA members learn to serve as leaders and followers, and have opportunity for local, state, and national recognition that they might not otherwise have. Each local chapter is the "show window" for student achievement and progress in acquiring job competencies for successful careers in the field of distribution, and in many cases is the public relations' arm of the M/DE instructional program.
