Gold...
forever!

ALMA MATER

Alma Mater, Hall of Knowledge,
How we love your name!
Standing through long years of service,
Ever gaining fame.

Old Peabody, now and ever,
We will honor you;
Long you've stood here ever faithful,
School our fathers knew.

- - Andrew Barksdale
1942

DEDICATION

"I like the way she teaches, because it's not boring like a lot of classes. And you always know when you're in trouble, because she gives you a weird look and does her eyebrows real funny."

"She explains everything thoroughly. She is strict, but not everything is strict. She makes us laugh and also makes us learn."

These comments by two of her students are tributes to Mrs. JoAnn Chilcutt and the twenty-two years she has drilled Peabody students in spelling and grammar. She has pushed them to improve their English skills and learn to appreciate literature. While serving as Beta Club sponsor she has taken students to both state and national conventions and had successful candidates.

In recognition of her dedication to our school the 1987 Golden Torch is dedicated to Mrs. Chilcutt.

IN MEMORY
OF
CARLA RENA NOLAN

Feb. 3, 1970 — Aug. 29, 1986

They never quite leave us, our friends who have passed
Through the shadows of death to the sunlight
above;

A thousand sweet memories are holding them fast
To the places they blessed with their presence and love.
The work which they left and the books which they read
Speak mutely, though still with an eloquence rare,
And the songs that they sang, the words that they said,
Yet linger and sigh on the desolate air. —

— Margaret E. Sangster

THIS WAS THE YEAR THAT —

* "Assertive discipline" and pink slips began at P.H.S.

* There were no space flights, but lots of accusations following the explosion of space shuttle "Challenger" Jan. 28, 1986 which killed teacher Christa McAuliffe.

* Corazon Aquino became president of the Philippines after Ferdinand Marcos was ousted.

* Tennessee Homecoming '86 made us proud of our heritage and gave us reason for celebration.

* The refurbished State of Liberty gave the U.S. a renewed patriotic spirit and an occasion for a big birthday bash July 4, 1986.

* The income tax law was "simplified."

* President Reagan and Mikail Gorbachev met in Reykjavik, Iceland to begin negotiations on nuclear arms limitations with little success.

* Corruption was exposed on Wall Street.

* Drug testing became routine for athletes, servicemen, pilots, air traffic controllers, etc.

* Tip O'Neill retired as Speaker of the House, and Democrats gained control of Congress.

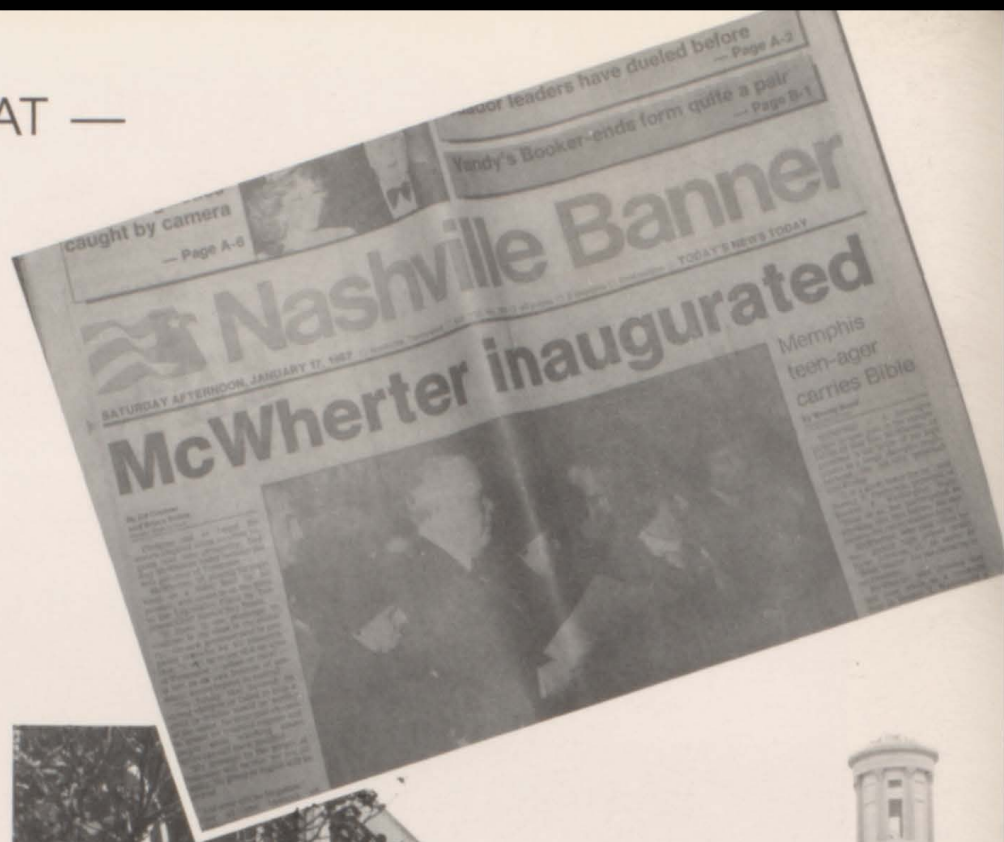

* The U.S.F.L. folded and Herschel Walker became a Dallas Cowboy.

* Miss Tennessee, Kellye Cash, became Miss America, and our band director, Mr. Wood, a "friend of the family", went to Atlantic City to see her crowned.

* Ned McWherter defied the polls and was elected Governor of Tennessee.

* President Reagan was criticized for selling arms to Iran in arranging for the release of hostages.

* A Trenton girl, Genia Crafton, married British pop singer/composer Steve Winwood in New York City.

GOLDEN TORCH STAFF OF '86-87

ANNUAL STAFF

When we began this year we, the Golden Torch Staff, never dreamed we would put so much effort into this book. Along with the effort came quite a bit of laughter and disagreement. I do not think we shall ever forget what a ladder diagram or a cropping pencil is. We had fun days when we laughed about "Miss Donna" and liquid paper, and we experienced difficult days when our ideas clashed. We made it, however, and somehow we managed to learn a great deal.

So, here it is, the 1987 Golden Torch, presented to you, Peabody Students, with much love and sacrifice. We'll never forget the memories we shared and the memories this book holds.

The Distributive Education Clubs of America is a student centered organization whose program of leadership is designed specifically for students enrolled in vocational marketing education programs. Each year DECA hosts exciting events such as I.G.A. Anniversary Days, Adopt-a-Child, and the Powder Puff Football game. A new and challenging public relations event has been added to our list of undertakings. We are aiding the Trenton Police Department in organizing a Neighborhood Watch Program. These activities have a tremendous positive, psychological effect upon the attitudes of students. DECA helps students evaluate themselves as well as explore opportunities. Through this organization students learn to serve as leaders and followers. They have an opportunity to gain local, state, and national recognition.

The National Beta Club is dedicated to academic excellence, leadership and service. This year those things were richly exemplified in our club. At state convention our president, Donna Grear, ran for the state secretary and won. John Prince, our club's treasurer, plans to run for state president in 1987. We didn't stop at state participation. We attended national convention in Washington, D.C. in July, 1986. We, as Beta members, have put our abilities into action. We are the "youth on the fringe of a golden era", and we intend to continue moving forward.

ART CLUB

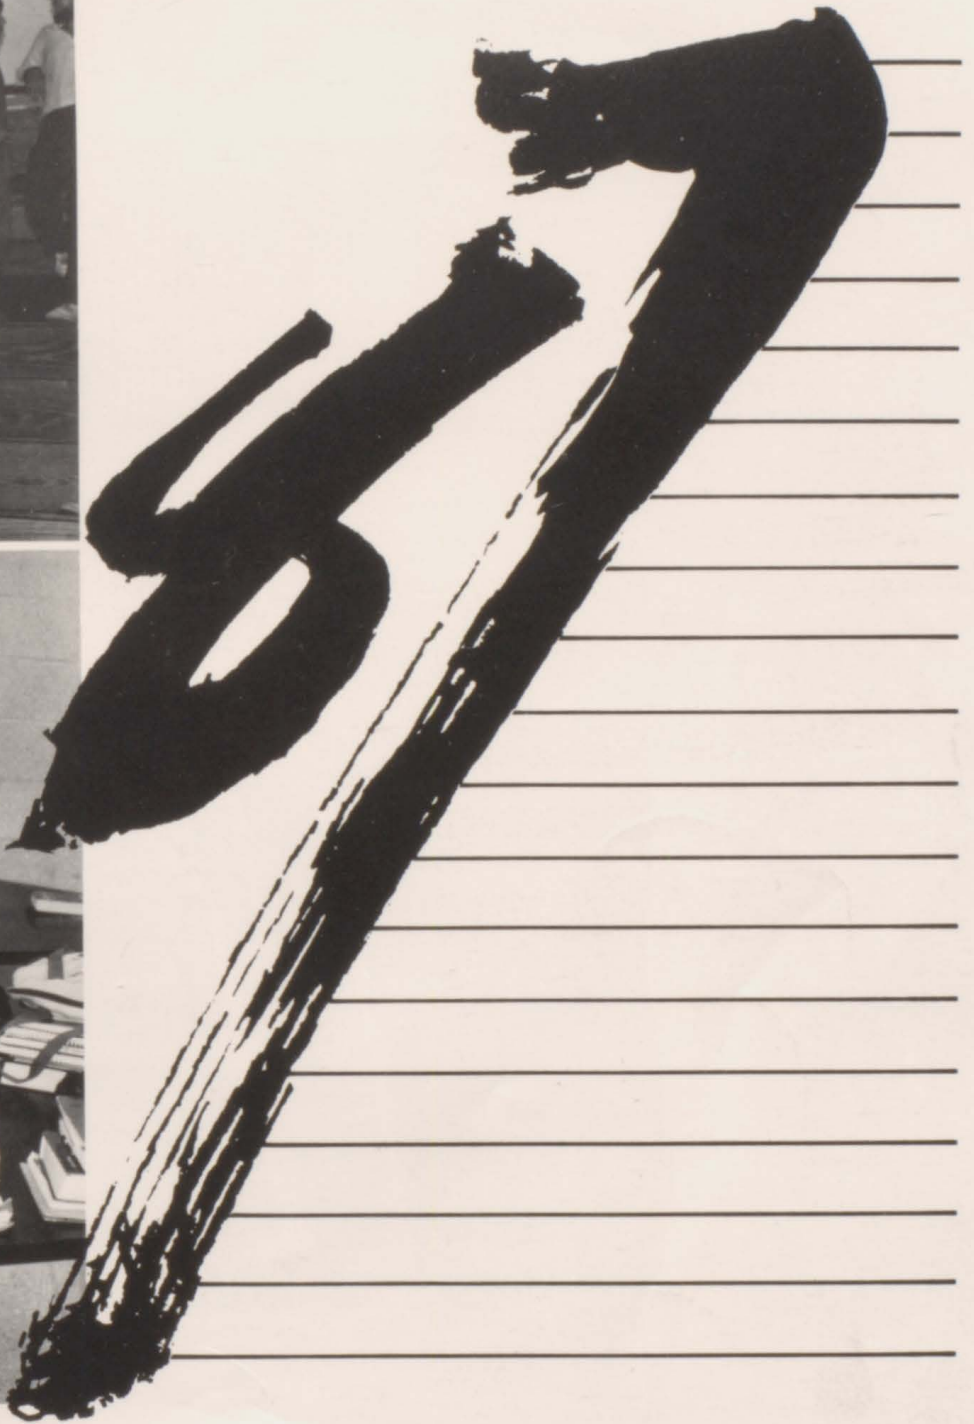

The Art Club exposes students not only to the basics of drawing, but to the new and different aspects of the art world. The main objective of the art course is to teach students to see the way an experienced artist sees.

A highlight of this year was Oct. 9, 1986 when Mrs. Shaw and Mrs. Jetton took eighteen students to Nashville to the Tennessee State Museum to see the art exhibit "Red Grooms Retrospective: 1957-1986". This exhibit was part of the Tennessee Homecoming '86 Celebration. Many of the 170 works on display were mechanized the large enough to walk through. Others were small paintings; all together it was a colorful and exciting experience.

Just
For
A
Moment
...

We Laughed until we
had to cry
We loved right down to
our last good-bye
We were the best
I think we've ever been
We had it all —
For just a moment.

We chased those
dreams we never found
And sometimes we let
one another down.
But the love we made,
made everything all right
We shone so bright —
For just a moment.

Times go by —
People touch and then
they're gone.
But you and I will
never really end
We'll never love again
Like we did then.

Some day when we all reminisce
We'll find there wasn't too much we
missed,
And through the tears we'll smile'
When we recall
We had it all —
For just a moment.

— Cynthia Weil

"THE WAY WE WERE"

"The Golden Years"

Nature's first green is
gold,
Her hardest hue to hold.
Her early leaf's a flower
But only so an hour.

Then leaf subsides to leaf.
So Eden sank to grief.
So Dawn turns into Day
Nothing gold can stay.
— Robert Frost

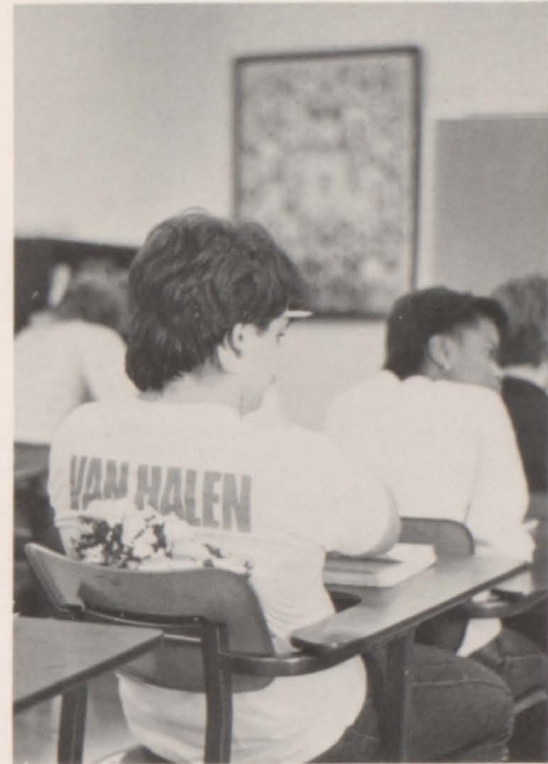

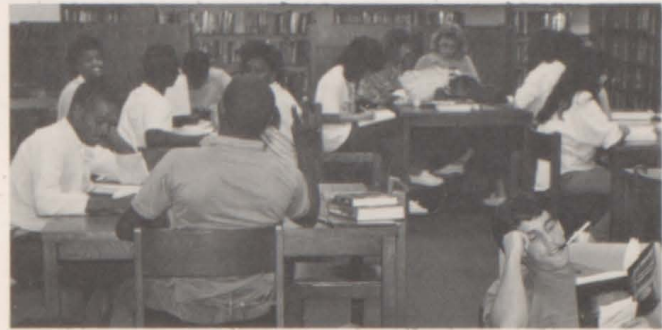

— when people have light in themselves, it will shine out from them. Then we get to know each other as we walk together in the darkness, without needing to pass our hands over each other's faces, or to intrude into each other's hearts.

— Albert Schweitzer

Golden Moments

"Class of '87"
 We've grown together
 Since day one;
 Twelve years ago
 We'd just begun.
 Through victories and let downs
 We've stuck together as one.
 Does anyone really realize
 All we've said and done?
 No one could ever know
 How close we have grown
 In such a short time —
 Now we're on our own.
 The bond this class shares —
 No way could it fade;
 Just think of the good times
 And the memories we've made.
 Keep us together, God
 In Your unique way;
 Never let us forget
 Each special day.

And the friends that we've known
 —
 Keep us in Your heart
 Though we'll still be together
 We'll be far apart.
 Time has come to let go;
 One last look at the past.
 We've proved ourselves winners;
 Our winning will last,
 For "Look out, World!" —
 We're on our way
 To fulfill our dreams
 The best that we may.
 Friends forever we'll be
 We know deep inside,
 Hold back the tears
 That are so hard to hide;
 There's one thing for sure,
 There's no way in Heaven
 They come any better
 Than the "CLASS OF '87."

— Paige Jones

DONNA GREAR: "Far better is it to dare mighty things, to win glorious triumphs, even though checkered by failure, than to rank with these poor spirits who neither enjoy much or suffer much, because they live in grey twilight that knows not victory nor defeat." — Teddy Roosevelt

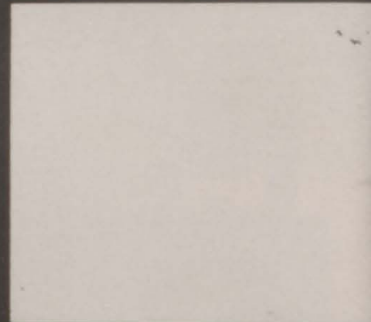

This recognition is one of the most prestigious awards given at Peabody. These students are selected by the faculty for their performance over four years. The criteria for this recognition are dependability, leadership, academic endeavor, attitude and participation in school activities.

CHRISTY GRANT: "If I had to choose between betraying my friend and my country, I should hope I would have enough courage to betray my country." — R.K. Christenberry

T. TAYLOR: "Aerodynamically the bumble bee shouldn't be able to fly, but the bumble bee doesn't know it so it goes on flying anyway." — Mary Kay Ash

DEE ANN BUNCH: "The future belongs to those who believe in the beauty of their dreams." — Eleanor Roosevelt

SHELLY PHELAN; "Being powerful is like being a lady. If you have to tell people you are, you aren't." — Margaret Thatcher

LISA GRIFFIN; "Ninety-eight percent of the adults in this country are decent, hard-working, honest Americans. It's the other lousy two percent that get all the publicity. But then we elected them." — Lily Tomlin

Students are nominated for the award and then rated by the faculty on each criterion. Students who have the highest average scores are given this recognition.

ANNA MOORE; "No one can make you feel inferior without your consent." — Eleanor Roosevelt

PATRICK DOLLAR; "We, the willing, lead by the unknowing, are doing the impossible, for the ungrateful. We have done so much for so long, with so little, we are now qualified to do anything with nothing." — Unknown

IF

If you can keep your head when all about you
Are losing theirs and blaming it on you,
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated, don't give way to hating'
And yet don't look too good, nor talk too wise:

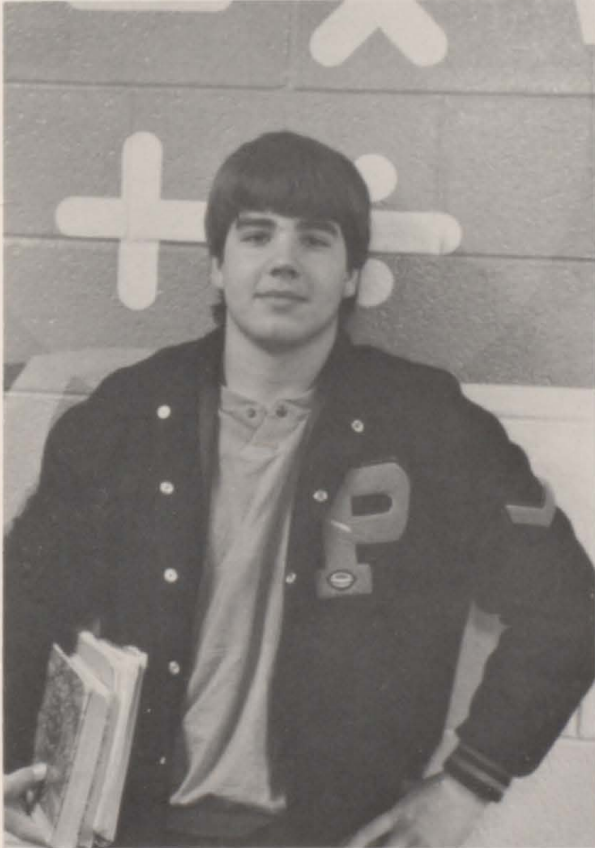

If you can dream — and not make dreams your master;
If you can think — and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools:

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

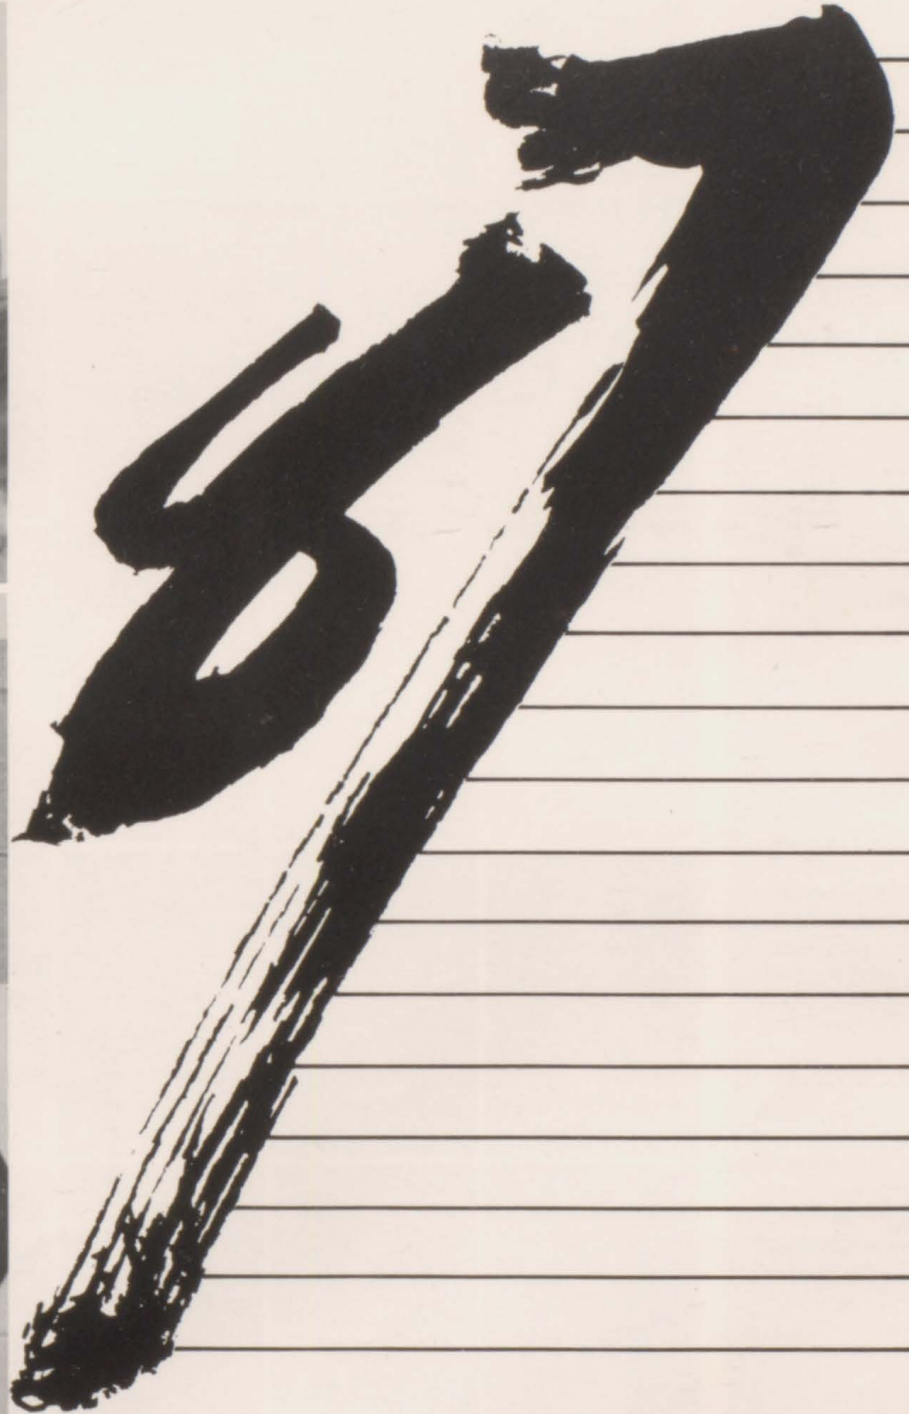

If you can talk with crowds and keep your virtue,
Or walk with Kings — nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And — which is more — you'll be a Man, my son!
— Rudyard Kipling

When you think of a big class you don't think of it as being united, but we're not an ordinary class. Whenever there is something to be done, we always seem to pull together.

Our class certainly has an abundance of school spirit. With our winning spirit and competitiveness, we are looking forward to our senior year with enthusiasm. It will be our best at Peabody!

Due to the fact we are one of the largest classes ever to pass through Peabody, we can certainly say we offer a lot of variety. We claim artists, musicians, actors, athletes and honor students. Over the years we have learned to put all of our assets together. We have proven we can work together to accomplish good things.

Our class has a lot of spirit and pride in our school, and we hope to prove this to present and future students of Peabody. We have come a long way since last year, and we plan to go much further as the Class of '89.

To many freshmen it was a scary experience coming to high school. We thought that the upper classmen would really give us a hard time, but they didn't. They were helpful if we had a problem finding classes.

We are an enthusiastic class with a lot of Tide Pride. We enjoyed a successful Homecoming, with help from the freshmen class sponsors.

Several teachers have said we, as freshmen, have adjusted well to the change in schools. We are learning how to handle more realistic problems and how to handle embarrassments, too.

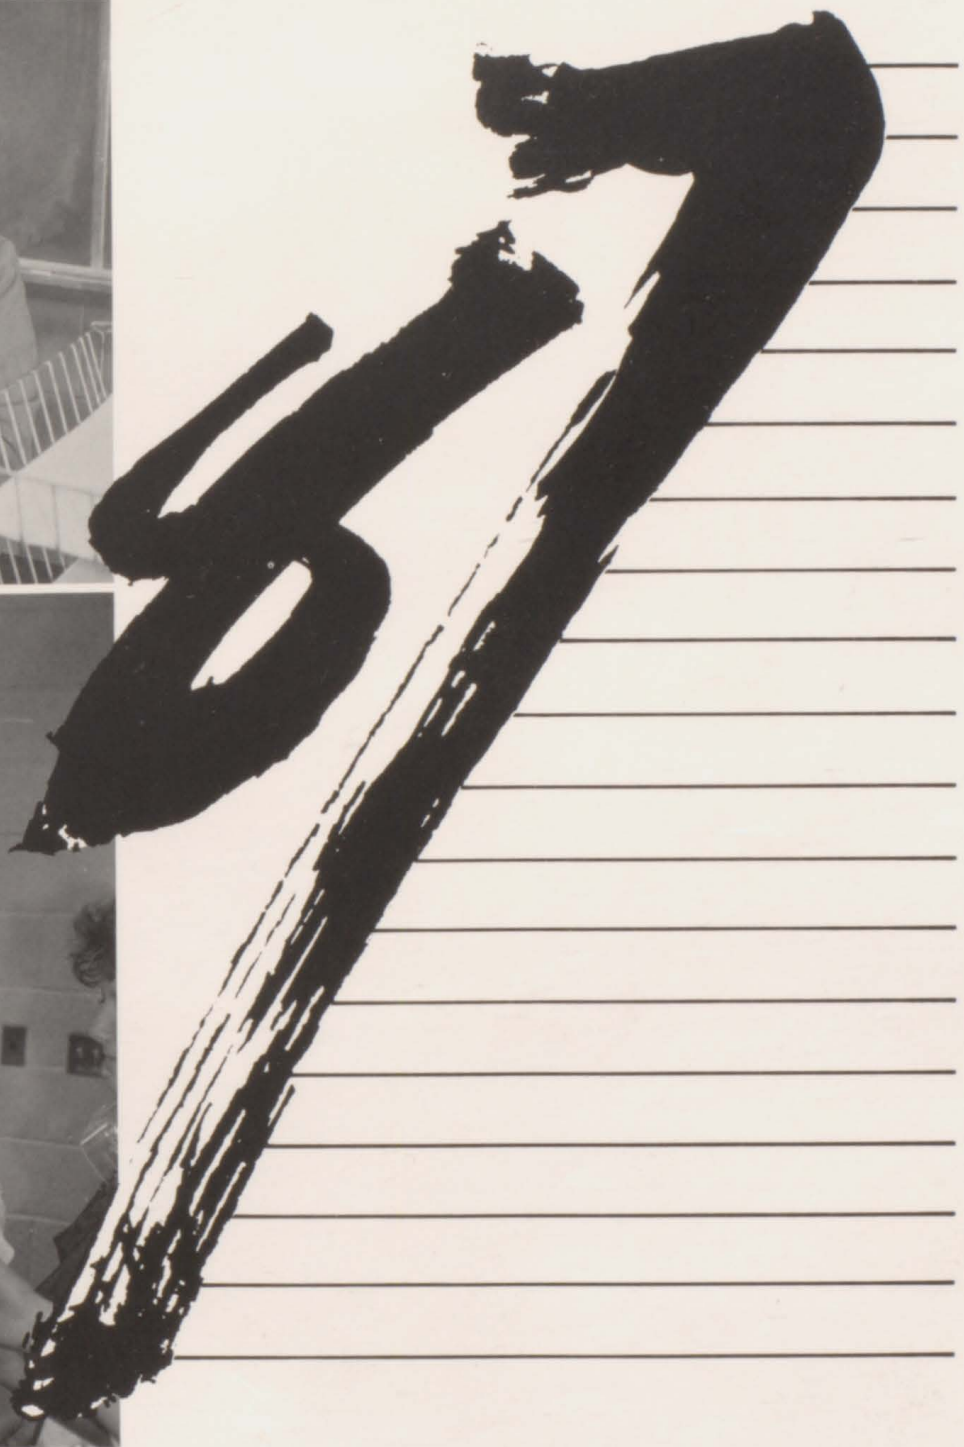

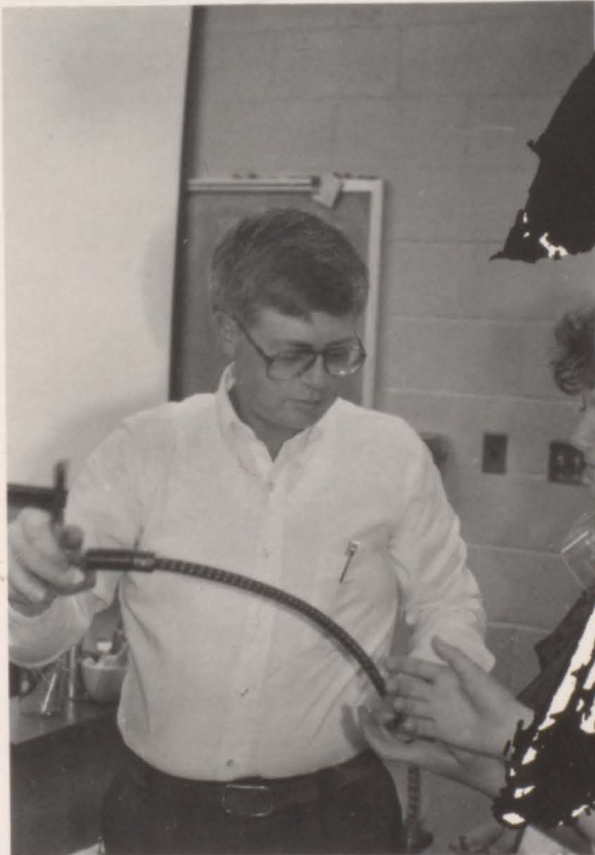

The world is waiting for us and demands a great deal of competency from us. We consider our present assignments seriously, making the most of our present opportunities and looking forward to a glorious future!

ATHLETICS

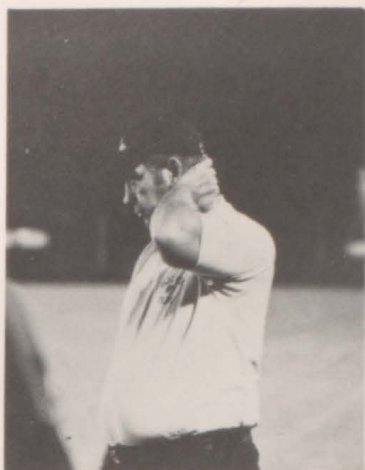

HOMECOMING '86

The Golden Tide met the Covington Mustangs October 17 in our Homecoming '86 game. All week we had worked on floats. The freshmen class built their float in the ag building, the sophomores at Jessica Phillips' house, the juniors at the armory and the seniors at the Alternative School. The results were some of the best floats ever at P.H.S. Sophomores won first place, freshmen won second and seniors were third. Although we lost the game, the Tide Spirit came through and made it a time of celebration — a time of gold!

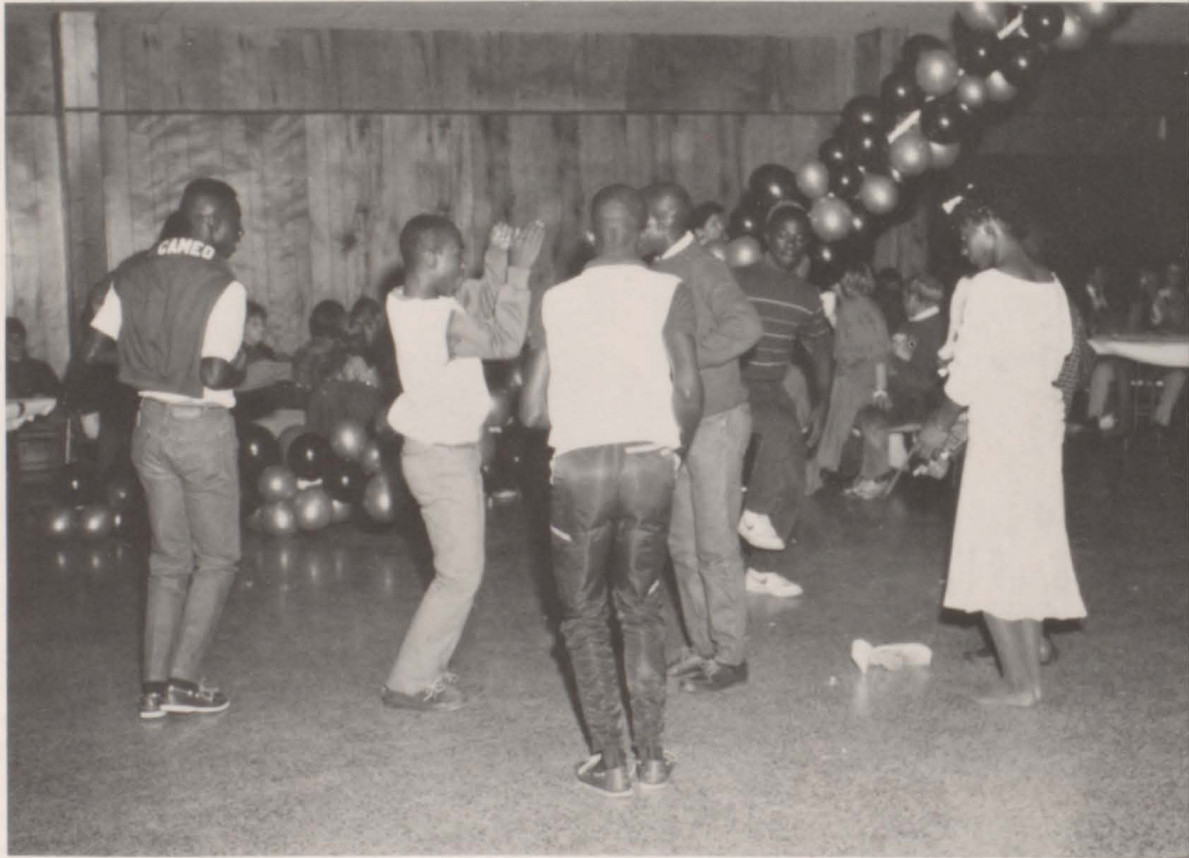

HOMECOMING '86

The V.F.W. was filled with arches of black and gold balloons and streamers for the Homecoming '86 dance. Couples posed for pictures and music videos were provided by T & D Entertainment from Jackson. Someday years from now we won't remember the score of the game or who won or lost, but we will remember the golden moments we shared together. Homecoming '86 wasn't an event — it was a feeling.

FOOTBALL

This year's Golden Tide was a young squad having only seven seniors; three of these saw playing time last year. A new coach, a brand new offense and a virtually new defense had many hard breaks after the first two games. But they stayed in there, pushing on through the season and gaining experience for next year. We wish it could have turned out better.

Seniors with the Challenge Trophy

Peabody's Band of Gold made a name for itself this year. In a season of competition it placed no lower than first.

The first contest was in Milan where it was first in band and auxiliary categories. In Lexington it earned first in band and auxiliary, and at Gibson County it won first and received a superior rating. At North Side's contest it placed first in band and auxiliary, received a superior rating and brought home the magnificent Challenge Trophy.

Band members, parents and friends worked hard all year to raise the \$26,000. needed for the June '87 trip to Florida.

The photograph shows the exterior of a Hays Foods store. The building has a dark, textured roof. A large white sign with the store's name is mounted on the front. Below the sign is a decorative horizontal band with a repeating pattern of white and dark rectangles. The storefront features several glass doors and windows. To the right, a white delivery van is parked, with 'Dr Pepper' and 'Coke' logos visible on its side. The ground in front of the store is a dark, paved area.
