TRENTON, TENNESSEE
VOLUME 26

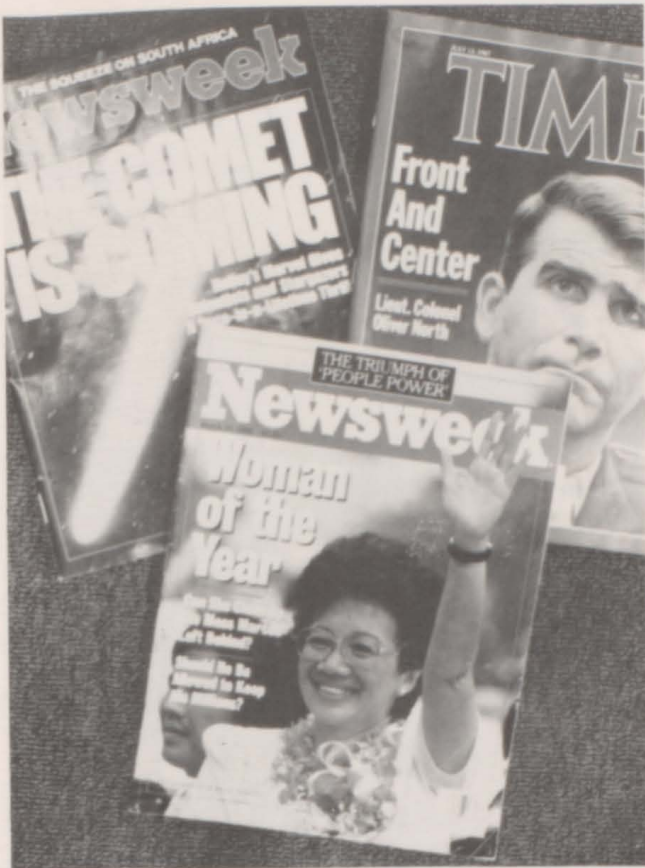

Dedication

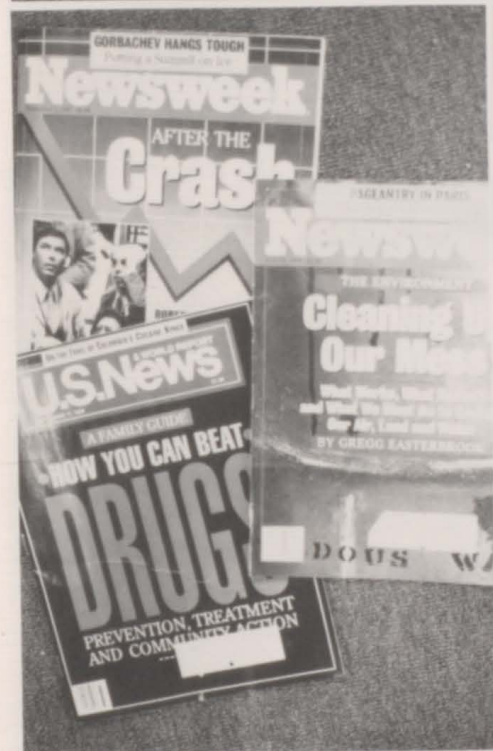

This year we dedicate the 1989-90 Golden Torch to Mr. Frederick Culp, one of our most faithful customers. Mr. Culp has taught for 39 years, both here and at Gibson Wells. He served as Gibson Co. historian and is the author of Gibson County: Past and Present. If you want to know about history, he is the one to ask. With his wonderful sense of humor, you can't help but enjoy his classes. His students know they can always go to him for help at anytime. As time goes by, we may forget some of the things here at P.H.S., but we won't forget Mr. Culp and his classes.

1980-

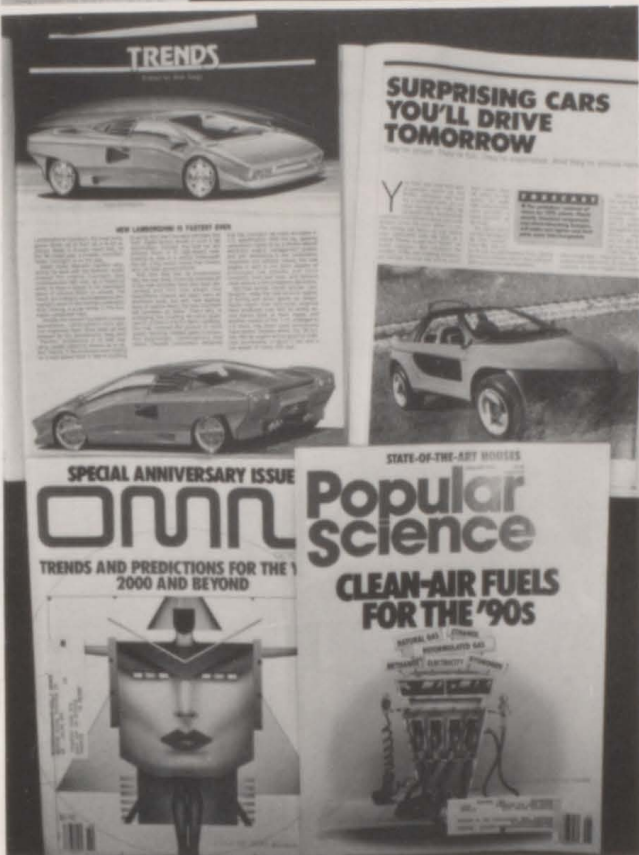

FUTURE

Predictions for the 1990s are:

- *Employment growth will slow down; increases will come in service and high tech industries, decreases in manufacturing and retail sales.
- *The government will take steps to control rising medical costs. More artificial parts will increase health and create "super people".
- *There will be lay-offs of workers in the auto and defense industries.
- *Agriculture profits will be up, but the number of farmers will go down. Changes will be in automated equipment, genetically engineered plants and animals, less pesticides and herbicides.

- *Advertising, communications and entertainment industries will depend on more sophisticated special effects.
- *Magnetic repulsion vehicles will be used for rapid transit and increase commuting.
- *Housework will be done by robots, which will cut needs for man-power in many areas.
- *The most used material in auto manufacturing will be plastics.
- *Textbooks will come on computer disks and almost half of service workers will be used in collecting, storing and retrieving information.
- *Most population growth will be in the south and the west.
- *Our diets will include synthetic foods and new vegetables not now known for less calories and cholesterol.
- *Bulky computer keyboards and monitors will be replaced by smaller, voice-activated ones — but will they correctly interpret a southern drawl?

We may see:

- *Microwave clothes dryers
- *Walking TV sets that come when you call
- *Round refrigerators
- *Self-weeding lawns and robot lawnmowers
- *Portable translators
- *Videotaped funerals (made before death)

P.H.S. PREVIEW 1989-90

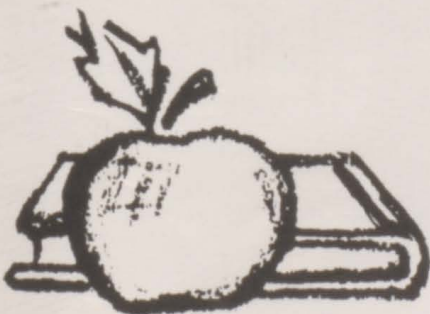

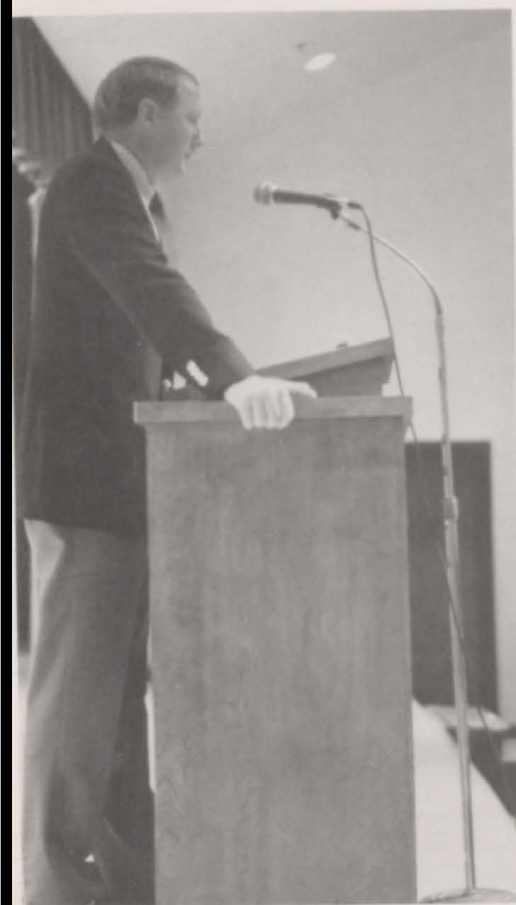

Registration

F i r s t D a y

With the approach of a new school year, many students became excited, others nervous. Registration Day was August 16, with the first day of classes Friday, August 18. The halls were filled with new and anxious faces.

This year proved to be a great one with the enactment of the Student Council's theme, "Tide Pride is Hard to Hide". Peabody assured everyone that the 1989-90 school year would be "A Time for a New Beginning".

CAREER DAY

and Assemblies

Tuesday, March 14, 1989, Congressman Ed Jones was guest speaker at the Honors Banquet. He spoke about success in life, in school and in work.

Congressman John Tanner visited the school Wednesday, March 29, 1989. At the assembly, he spoke about challenges of the future and encouraged students to get excited about participating in new opportunities open to them.

Tuesday, November 14, 1989, was Career Day, with vocational schools, colleges and armed services represented. Peabody juniors and seniors talked with them about the opportunities and costs of higher education and the job market. Mrs. Judy Nunley, was in charge. It was her second day at Peabody.

Administration And Staff

Time for a New Beginning

Entering the decade of the nineties will bring many new challenges for the people of our nation, especially our youth. We are reminded daily of the great strides being made in technology and the need to equip our young people for these changes. Indeed, we are in a competitive world market; and, in order for this country to keep pace, our youth must be prepared.

It is our hope that in this competitive thrust our young people will maintain a new concern for such old values as honesty, character, and a genuine concern for one's fellow man. This will assure a quality to the lives of our future generations.

SENIORS

Four years ago a group of expectant freshmen came through the doors of Peabody High School. As we grew older and wiser, we developed a bond of friendship that will endure. This bond has been tested, but in times of need we have pulled together. As we near the end of our senior year, we look forward to new challenges in a promising future.

Our talents make P.H.S. what it is. Our legacy of leadership preserves the tradition that future classes will enjoy. Each class member has contributed to making us a united group — the Class of 1990. Whatever the future holds, we can take pride in our accomplishments as we look forward to a Time for a New Beginning.

Since children so young
We were all bound
By destiny's grip so tight.
And with our departure,
Our spirit will burn
Like an ongoing flame in the night.
For so many days,
In all passing years,
We've been part of each other's lives.
We were united in laughter,
United in tears,
United in victory cries.
Like brothers and sisters
We've grown up together
Thru arguments and fights.
But when it came time
To all act as one,
We put aside our peeves and dislikes.
Down this rough road
That we've traveled thus far,
We continue to be strong.
We live and we love
Because in our hearts,
We know we don't have very long.
As the time passes
And we near our last days,
We begin to feel sadness inside.
We look back in our minds
And we relive old memories
And think "Oh, how time really flies."
We will overcome all,
We will live out our lives
And mark each bridge as we pass it.
And we'll yell to the world
To get ready and make room
For us — The class of the classes.
We will outshine the stars
Up so high in the sky,
The ones we see sparkle nightly,
And no one will top
Or even come close,
To the graduating Class of "90" .

Juniors

CLASS OFFICERS: Angie Harris, secretary; David Brown, vice-president; Meg Hartfield, treasurer; Steve Nunley, president.

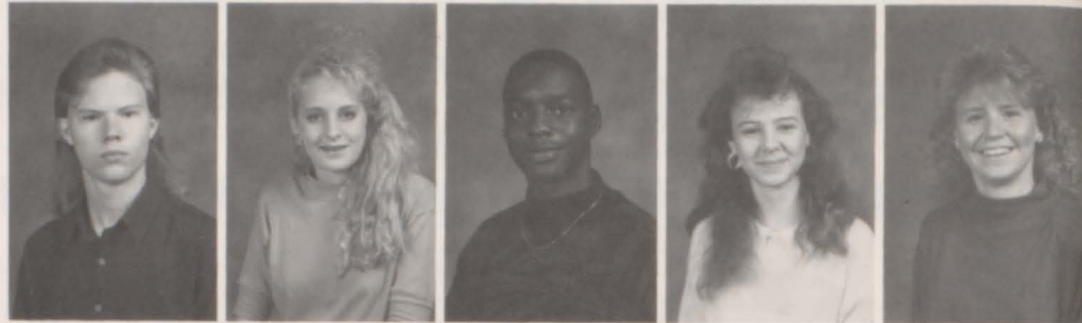

We are a small class with a bad reputation, but even with these two strikes against us, we will come through. The juniors are a strong asset to the athletic programs; we had eight who started on the varsity football team last year. Several juniors are strong academically, yet each is different with different ideas and goals. As juniors we have grown in maturity, and we feel that we are a special group.

"The Class of '91 is the class that has the fun!"

We are not at the bottom of the heap anymore, and don't have to put up with being called "silly freshmen." We are now "sassy sophomores," the smallest class at Peabody. Our class is always looking for ways to excel, and will continue to support our school. In the future, those who enter Peabody will look back at the Class of 1992 as the class that had CLASS!

CLASS OFFICERS: Lisa McEwen, vice-president; Scott Summors, president; Kim Guy, secretary; Jason Edmonds, treasurer

The Class of 1993 is a remarkable one. We have a very positive attitude, and we are willing to work together. Our football team has been undefeated for 18 games straight. Our basketball team lost only one game last year. This is the first year we have been allowed a freshmen pep rally.

Overall we have a good bunch of smart students and that makes our class outstanding.

Regional competitions were Saturday, March 3, 1990 at Harding Academy in Memphis. The theme was "Classics: The Seven Wonders of the World." Students were challenged to recreate one of the ancient wonders of the world and to create a model of a modern "wonder of the world."

ANNUAL STAFF

Scheduled Staff

We hope we have been able to capture some of the best memories here at P.H.S. this year. Putting this annual together has created many memories in itself. We have worked hard to try to meet deadlines and produce the best book possible. We have worked through arguments, diversity and laughter. We would like to thank Mrs. Jetton for all her patience and understanding. We couldn't have produced this book without her. We hope that when all the work is done, the finished product may be one that we may be proud of and cherish through the years.

1989-1990 GOLDEN TORCH STAFF: Mrs. Sylvia Jetton, Tonya Bufford, Melissa McFadden, Carla Hayes, co editor; Jenny Blasen, co-editor; Carla Litton, Sheila Elliott, Elizabeth Coleman, David Brown, Mike Mullin, Andrea Bailey, Betsy Arnold, Holly Richardson, Allen Garner.

BOYS' AND GIRLS' STATE

BOYS' STATE: Doug Hall, Brian Pipkin, Tripp Davis, alternates; Eric Milan, delegate, Andy Smith, alternate; Chas Weems, Andy Thompson, Jeremy Dunn, delegates.

Boys' and Girls' State, sponsored by The American Legion, gives students a chance to see how the government of Tennessee works. In 1989 the boys met in Cookeville at Tennessee Tech June 10-17 and the girls met at M.T.S.U. in Murfreesboro June 3-10.

At registration citizens are assigned to one of twelve cities, where they live for the duration of their stay. City, county and state officials are elected and each citizen plays a vital part in this process. All delegates live together as self-governing citizens.

During the week much is learned about government and responsibility.

Friendships are made in an instant, but may last a lifetime.

GIRLS' STATE: Melissa McFadden, Tonya Bufford, Holly Richardson, Stacy Pope, alternates; Melinda Welch, Anne Peebles, Jenny Blasen, delegates.

FELLOWSHIP OF CHRISTIAN ATHLETES

OFFICERS: Janet Graves, secretary; Meg Hartfield, co-president; Eric Milan, activities coordinator; Steve Nunley, co-president; Allen Garner, treasurer; Chas Weems, vice-president.

Members enjoy a beautiful song by former student, Ms. Leigh Ann Lowery.

Members participate in a few "ice breakers" before a meeting.

Mr. Mike Sparks gives a moving speech at the January 8th meeting.

BAND OF GOLD

STAGE BAND

FIELD COMMANDER
Angie Harris

MAJORETTES

The band did an outstanding job this year. With every performance they demonstrated a spirit which enabled them to inspire and thrill the crowd the entire marching season. The songs in the show consisted of "Malgvena", "The Color Purple" and "Precious Lord".

September 30 The Band of Gold went to Milan for the first contest of the year. The band placed 2nd and Angie Harris won a superior rating for field commander.

October 7 the band traveled to Dyersburg where the band placed 2nd and the color guard and majorettes were named Most Outstanding. The band also took home the Mayor's Cup.

SENIORS

October 14 the band placed 2nd again at Gibson Co. The color guard placed 2nd and superior ratings went to the field commander and percussion section.

At Northside October 21 the band tied for 2nd place and the color guard won 1st place. In all it was a successful marching season.

The Christmas Concert was December 10. A new addition this year were choral numbers by the band auxiliaries.

The stage band began practice at the end of the marching season and played at half-time and between basketball games.

HOMECOMING '89

The week of Oct. 9-13 was packed full of fun and surprises. Things were a little different this year.

Throughout the week hours of effort went into class displays. Classes were busy planning, designing and making these displays. Each day students dressed differently, with Friday being Black and Gold Day.

Thursday night students were rising as the bonfire took place. The bonfire was made by Mr. Weems and the Science Club; they did a fantastic job.

1st place: Freshmen Display

3rd place: Senior Display

Tug-of-war

Egg Drop Contest

4th place: Sophomore Display

Friday morning classes ended at 10:30 for the Tide Tail-gate Picnic behind the school. Then the games began as the school assembled at Freed Field for the "Clash of the Classes". At 1:30 the elementary students joined us for the pep rally.

The night proved to be victorious, as The Golden Tide defeated the Obion Rebels 20-6, in spite of it being Friday the 13th. Homecoming ended with the dance at the Elks Lodge.

The memories of this Homecoming will live long after this week in the hearts and minds of all who helped in making it what it was.

Spirit Week 1990

BANNERS: Sophomores, 4th place; freshmen, 3rd; juniors, 2nd; seniors, 1st.

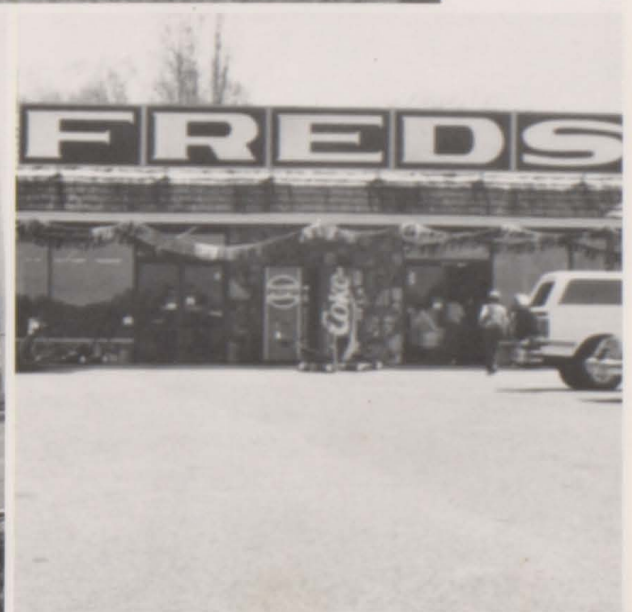

Spirit Week had many surprises. We started by decorating doors. Juniors took first place with "Don't Worry — Be Hoopy!" Wednesday we began working on banners to hang in the gym for the game Friday night. Thursday classes competed in a competitive pep rally, which included relays and tug-of-war. Friday each class presented a skit. Skit winners were juniors, first; freshmen, second; seniors, third; sophomores, fourth. The banners were judged and winners announced after the skits. A good crowd came to see the Tide beat Lexington 61-46. The Tidettes lost their game. A Spirit Dance in the commons area ended the activities. Joe Whitmere, DJ from Memphis 103, provided the music.
