DEDICATION

"She is the best thing that has ever happened to this school. She is full of joy, energy, and the love of God."

"Mrs. Nunley is never too busy for anyone or anything. I can honestly say she has never said a cross word to me." "Whatever job she tackles, she gives it all she has."

These are expressions of how P.H.S. students and staff feel about Mrs. Judy Nunley. Although she has only been here three years, she has become an indispensable part of our school.

Administration and Staff

Memories are made during your high school years. For some, high school marks the end of formal education; for others, it is merely a foundation for further educational endeavors. Regardless of each student's intentions, I hope your "one last look" will be one filled with fond memories of Trenton Peabody High School.

What Will You Be Doing Ten Years From Now?

Brandi Doss: I will be a graduate of Union University. I am going to be a child psychiatrist. I will be twenty-five and don't plan to get married until several years later. My parents will be old and I plan to spend my time taking care of them. I will live in an area with my family and people I care about. I plan to have one child because, honestly, I don't think I could handle more than one.

Jason Denton: I will be in Africa doing some archaeological research. I will discover something that no one else has heard of and be a rich man because of this find. I'll never have to get out and sift through the dirt again. I will teach at a nice college, and share my knowledge with others. I'll have two or three children running around my two hundred acre estate.

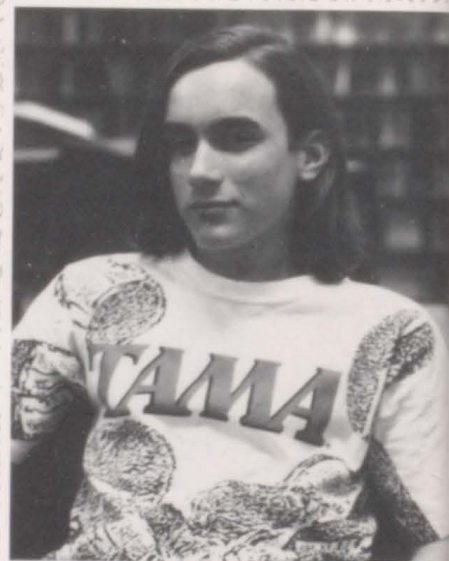

Brad Phillips: I will own a dating service. I will be another Chuck Woolery. I will be married, living in California, and have three children.

Bridgett Barron: I'll probably be in Iraq or Moscow working undercover for the F.B.I. My assignment will be to listen to their government's phone conversations and to translate them to English so that the United States will know if they're planning to overthrow the world.

Jennifer Morris: I hope to be in Africa with the Peace Corp to help build schools, churches, medical facilities, and homes. I plan on dedicating all of my life to volunteer services all over the world. In my spare time I would like to study anthropology to better understand the reason for existence of man.

Jason Burrell: I will be the drummer for the best metal band in the world. I will collect rare possum furs. I will display them on my Harley Davidson motorcycle every Thursday afternoon.

What Will You Be Doing Ten Years From Now?

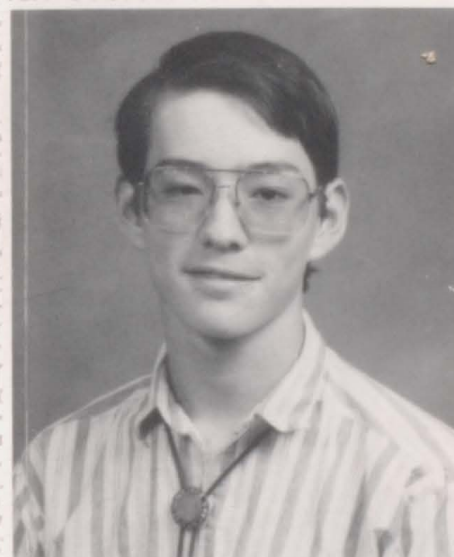

Tommy Hicks: I'll be out of engineering school and looking for a job as an electrical engineer. I hope I will be living in a state that doesn't have many economic troubles and it doesn't cost an arm and a leg to put gas in my truck.

Dale Pugh: In ten years I will have already knocked Coach Haney out of a job, and I will be head coach at Peabody.

Shaun Fields: I hope to have graduated from high school and college. I would later like to work in gospel music with my aunt. I would like a wife, two boys, and a girl.

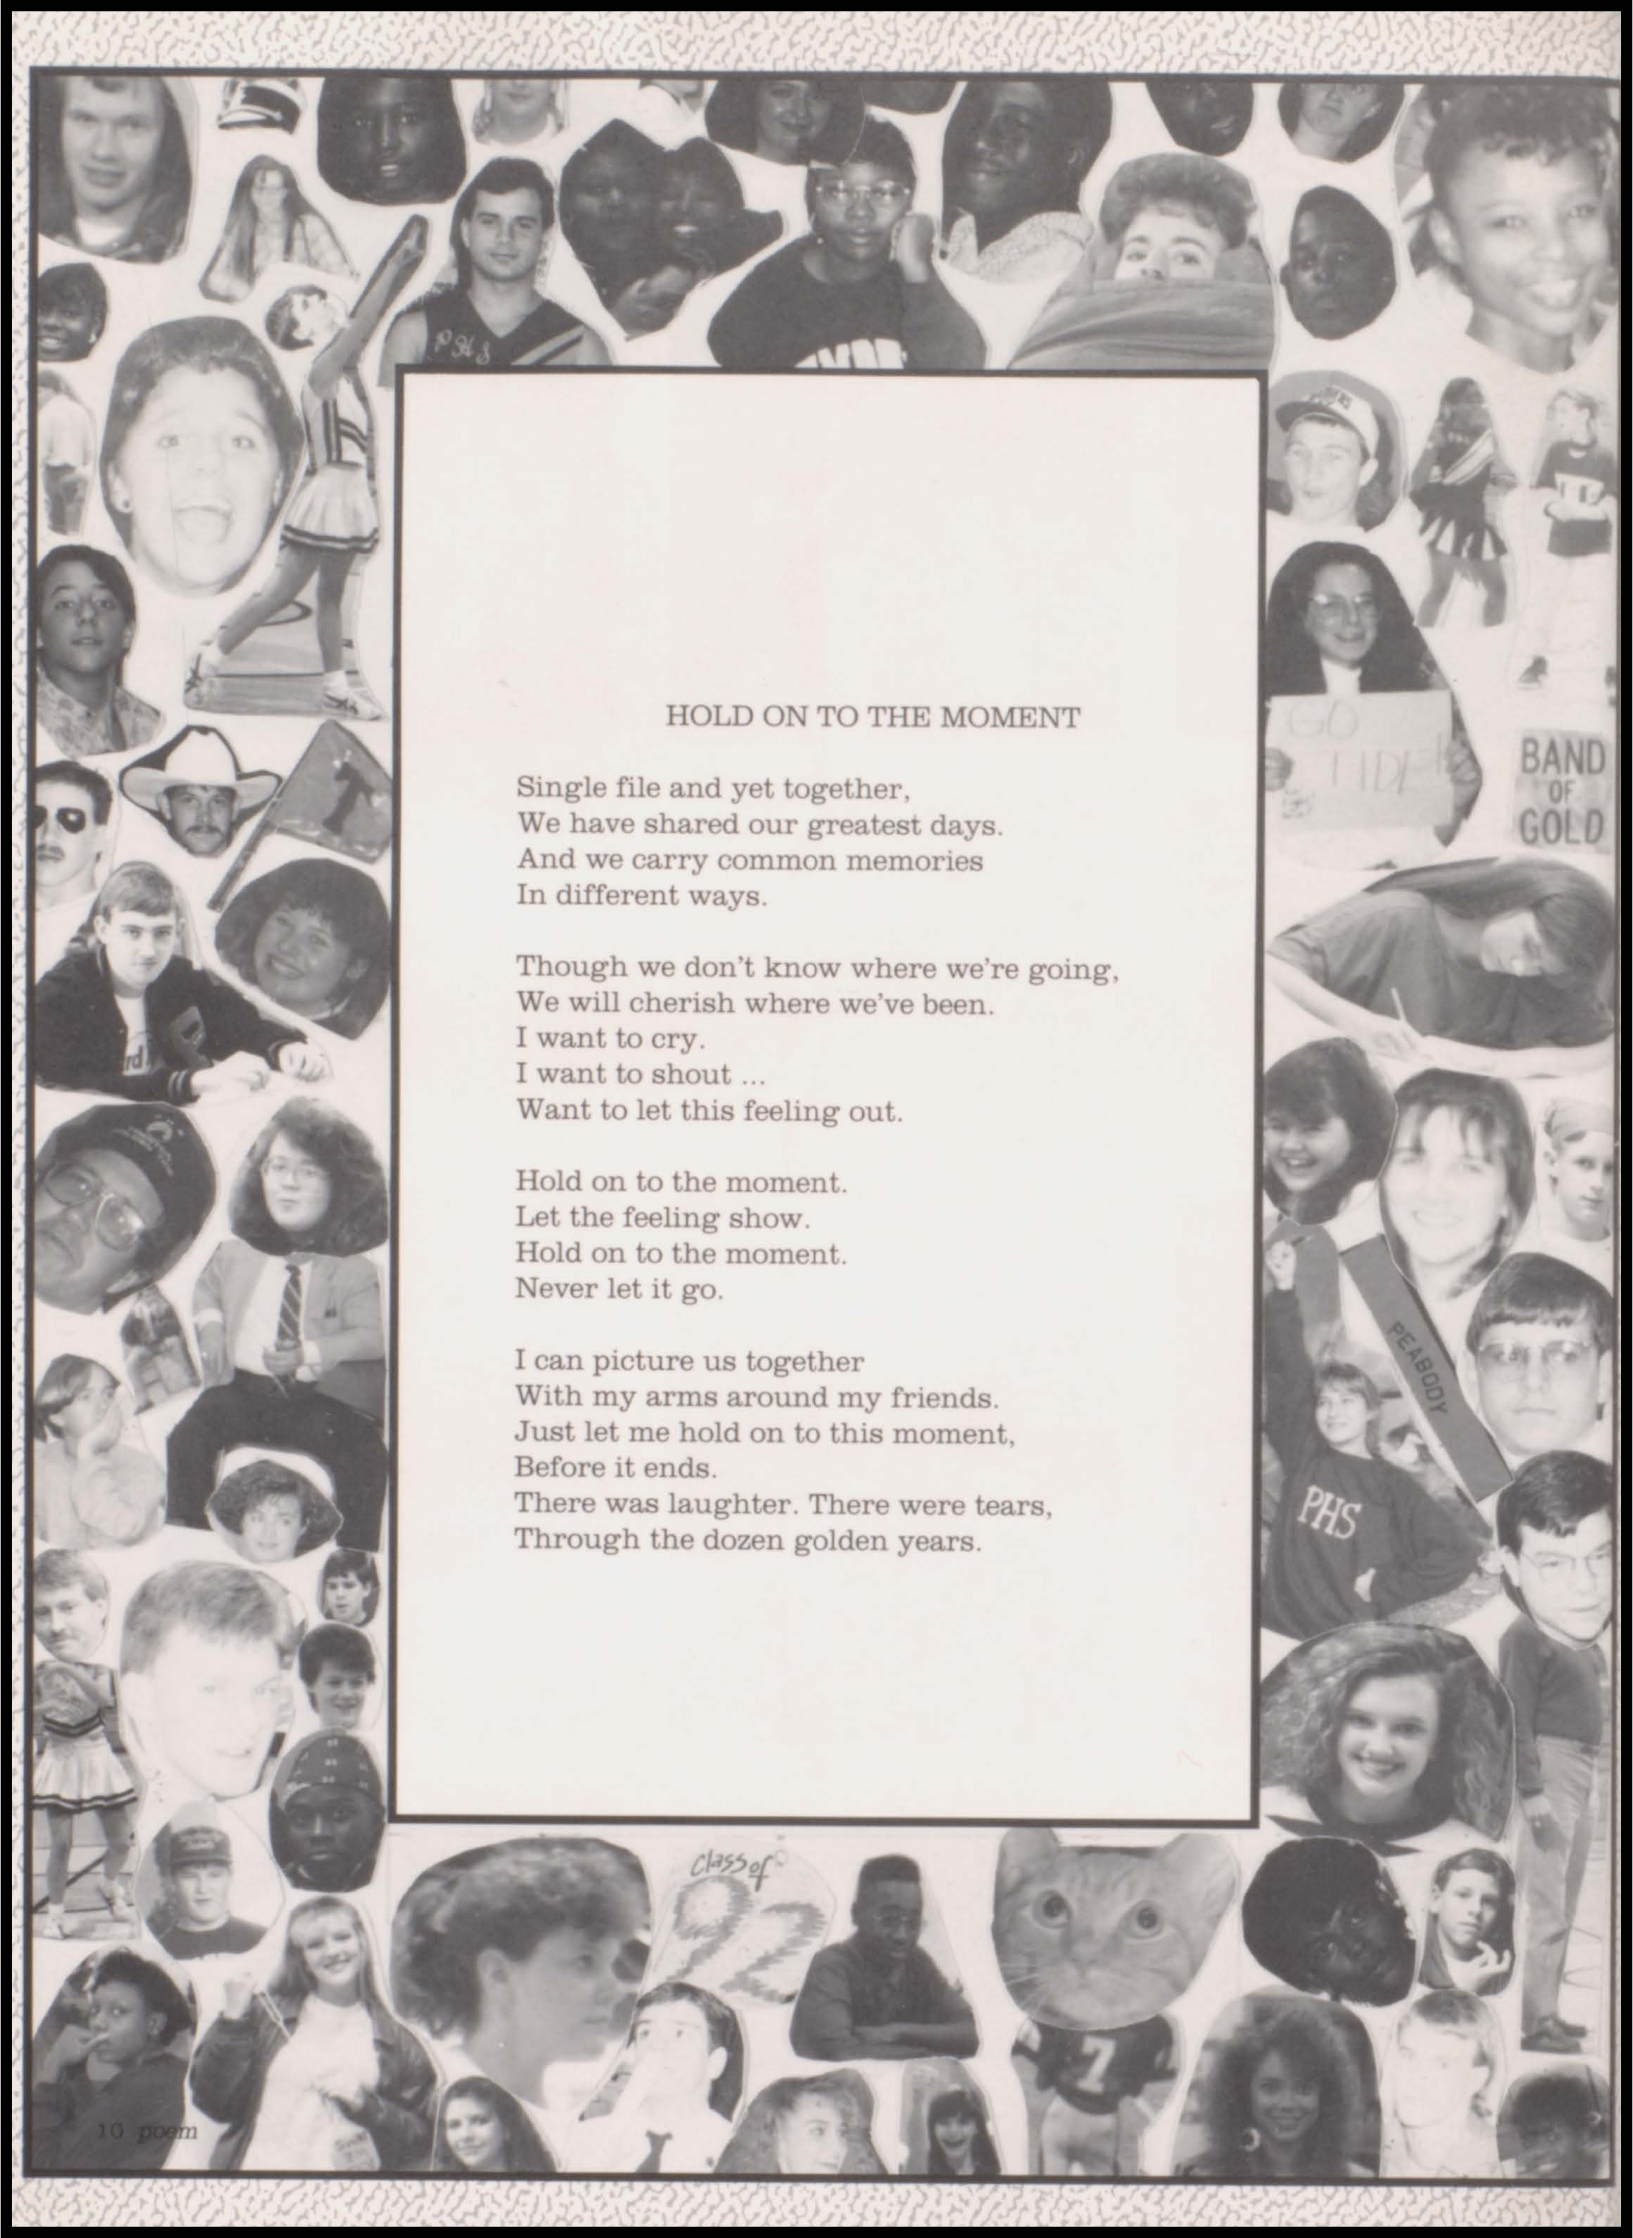

Scott Griffin: I will be living in Washington State working for Boeing or working at an automotive company helping make new types of cars.

Steve Williams: I'm going to be in Hawaii getting a sun tan and watching the natives do the Hula. I'll also be a civil engineer.

Chauncey Lowery: In ten years I hope to be a corporate lawyer. If not I plan to follow in my mother's footsteps to be a senior manager at Federal Express. I hope to have a nice house in east Memphis and a small family. For a car I would like a Lexus.

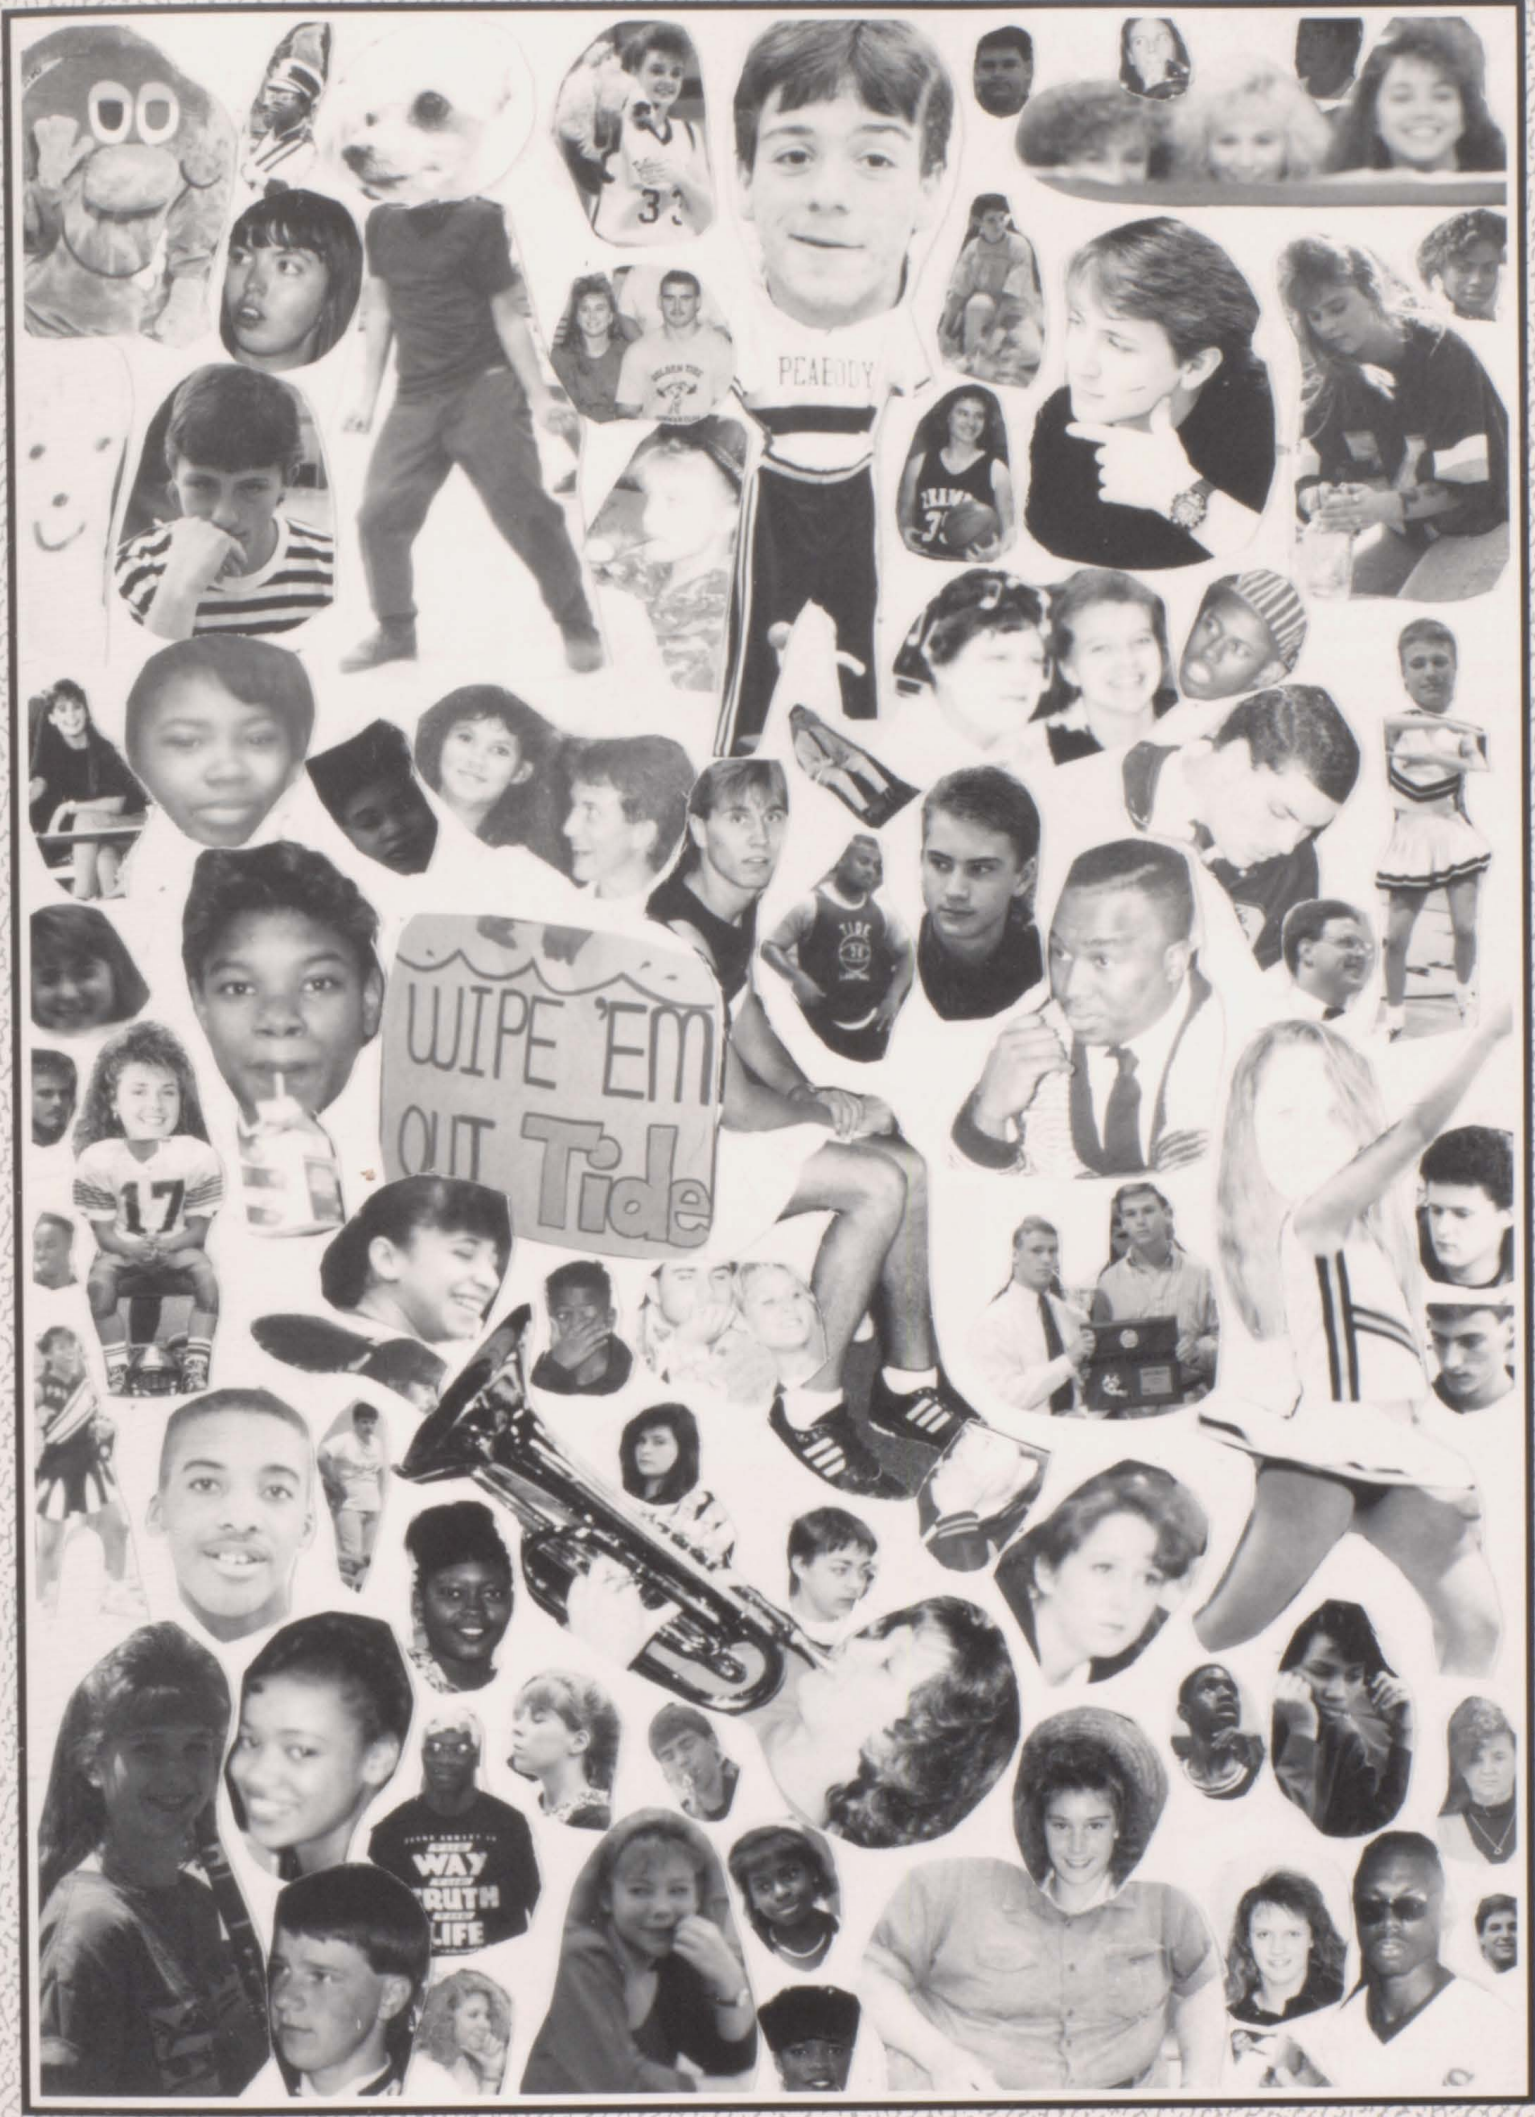

HOLD ON TO THE MOMENT

Single file and yet together,
We have shared our greatest days.
And we carry common memories
In different ways.

Though we don't know where we're going,
We will cherish where we've been.
I want to cry.
I want to shout ...
Want to let this feeling out.

Hold on to the moment.
Let the feeling show.
Hold on to the moment.
Never let it go.

I can picture us together
With my arms around my friends.
Just let me hold on to this moment,
Before it ends.
There was laughter. There were tears,
Through the dozen golden years.

MEMORABLE MOMENTS

Memorable Moments may be when something special or unusual happened or simply a pleasant everyday occurrence. These pictures capture some of those times.

Part of Homecoming Week activities was a Powder Puff football game with varsity players as coaches.

Everyone there will always remember when the Golden Tide ran onto the field at Vanderbilt Stadium for the final game of the state playoffs.

The grand finale of the band's field show caused Patrick Horner some discomfort when he was "clotheslined" one night by the 40 ft. banner.

Excitement at the Bruceton game wasn't all from football! A truck came through the fence onto the field. Five people were slightly injured.

Marvelle Mays and Greg Lenon leave for the Clinic Bowl game. Sonia Ward sees them off.

The Homecoming Dance was enjoyed by all!

The fan support for the Tide was great - even in cold weather.

The Pep Band sounded great at the basketball games!

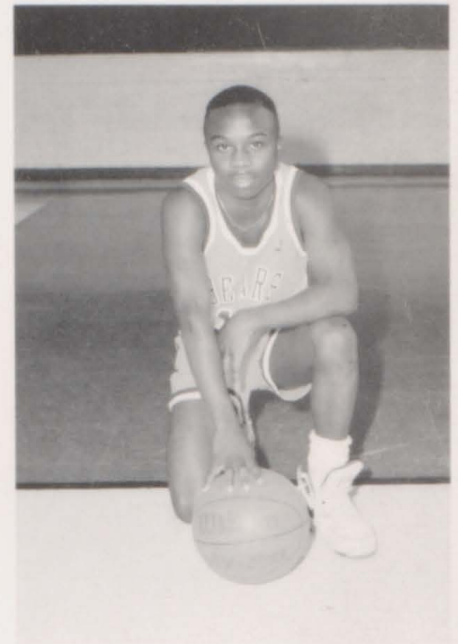

In Memory Of James H. Johnson, Jr.

Sept. 7, 1975 - Dec. 22, 1991

A well-liked freshman student at Peabody, James was a promising athlete who took part in school activities. He played football, basketball and ran in the relay race during Homecoming activities.

"Though lost from sight, to memory
dear
thou ever wilt remain."

- George Linley

As I take ONE LAST LOOK back, I feel a great sense of pride and accomplishment for the Class of 1992. We came into Peabody four years ago scared and apprehensive. Almost immediately we learned how to work together. We matured together, and now I feel we are one of the best classes ever at Peabody High School.

My wish for the Class of 1992 is that we can continue our closeness and love for one another throughout the rest of our lives. I feel honored to be a member of this class and hope that each and every member will achieve their highest goals and dreams.

JUNIORS

Time passes so quickly. Soon it will be our turn to take a last look at our years spent at P.H.S. However, we are not gone yet. We have added many new memories and done things that "couldn't be done." this year. We have truly made a lasting impact on P.H.S. and Trenton, but the best is yet to come.

When it is our turn to take that "one last look", our academic and athletic excellence, along with our spirit, will allow the Class of '93 to look back at our achievements with pride for a job well done.

FRESHMEN

FRESHMEN CLASS OFFICERS: Stan Nunley, treasurer; Steve Williams, president; Laura McMinn, vice-president; Tiffany Tomlin, secretary.

We are the beginners. Like babies we have lots to learn and want to enjoy this "new world". Many different individuals make up our class, but most are hard-working, determined, involved, outgoing, courteous, honest and face the world each day with a positive attitude. Competition seems to bring out our best; we face challenges head on.

Since we are the largest class, we have more of everything, including broken bones and creative ideas. We have our own style, and we're never dull or boring!

"We've got spirit,

"We're alive!

"We're the Class of '95".

Freshmen

New faces, new names, new place, new experiences: this sums up our beginning of the freshman year. We had much to learn in a hurry. For the first time we were actually taking part in Homecoming activities and their preparations. We didn't do so well in parts of the "Class of the Classes." Lack of experience we thought, but we made up for it by winning first place with the class display.

BAND

EXPLOSIVE WIN TOPS BAND SEASON

The year was an exciting one for the Peabody High School Band of Gold, beginning with the announcement that Mr. Tony Burriss was to become our new band director.

During September and October the band attended four marching contests.

First was the West Tennessee School Band and Orchestra Association Contest in Millington, TN, September 28th. The percussion section received a superior rating and the band a overall rating of two.

The second contest was in Dyersburg, October 8th. The drum line got the Division I 1st place rating while the majorettes placed 2nd in Division I Blue Class 3rd place went to the band.

During the next week the band prepared for the long trip to Russellville, Alabama, October 12th to defend the Mayors Cup. In Russellville we competed in the Northeastern Alabama Marching Classic. The band, majorettes, drum line, and color guard all received superior ratings. The drum line also received "Best Over All" in the contest. In Class AA the band received Best in Class and the Mayors Cup. After this badly needed win the band took some time off before they began to make preparations for Tennessee State Competition in Franklin, October 26th.

Competing in state competition for the first time, the band gave an excellent performance. Placing 6th in state and receiving a superior rating in Division I ended the bands competition year with a blast.

With the football team advancing to state play-offs, the band had to play two roles during the months of November and December. On the 7th of December several freshman competed in the All-West Tennessee Junior High Band Contest and on the 15th the entire band gave our Christmas concert for parents and the community.

Returning to school after Christmas break the band came back to a full calendar of events. On January 11th, sophomores, juniors, and seniors competed in the All-West Tennessee Senior High Competition. On the 24th and 25th the freshman who made the All-West Honor Bands left school to perform. The juniors and seniors ended January with UTM Honors Band on the 31st.

February brought Solo and Ensemble Festival on the 14th, followed by Memphis State Honors Band performances by select juniors and seniors on the 21st and 22nd. Quad-State Honors Band followed on the 28th and 29th.

In March members of the sophomore, junior, and senior classes whom had made All-West Senior High Honor Bands took part in the All-West Tennessee Senior High Clinic on the 5th, 6th, and 7th. On the 19th-21st selected band members took part in the All-State Band Concert, followed by the UTM Concert Contest Festival on the 27th.

April brought a breath of fresh air to the band's daily routine and along with it the annual Spring Concert on the 12th.

May ended the band season with the Strawberry Festival and the Band Banquet on the 8th, followed by the Teapot Festival on the 16th. Also in May the band performed at graduation exercises.

The year has been one of excitement, adversity, sorrow and joy, but triumphs outnumber disappointments.

Future Business Leaders of America

The Future Business Leaders of America organization is made up of students that are enrolled in office education classes. These include typing, word processing, and accounting.

FBLA was first founded in Tennessee. In 1992, FBLA will celebrate it's 50th anniversary.

Dina Jones was elected FBLA state reporter, and traveled to the Leadership Series last summer in Washington, D. C. On October 8, 1991 Mrs. Reasons and FBLA officers attended a Leadership Conference in Jackson, TN. FBLA sponsors many events throughout the year. Their fund raising and biggest project is the sale of Tom-Wat merchandise. Other projects include taking fruit to the Golden Door and the Harlan Morris Home during Thanksgiving and Christmas.

At registration, citizens are assigned to one of twelve cities, where they live for the duration of their stay. City, council, and state officials are elected and each citizen plays a vital part in this process. All delegates lived together as self-governing citizens. In an instant, friendships were made that may last a lifetime.

VARSITY CHEERLEADERS

Roll Tide! P.H.S. cheerleaders led the fans through spirited and victorious seasons. In order to lead the Tide fans in cheers, they attended N.C.A. camp at U.T. Martin in June. But there's more to these girls' jobs than just cheering.

They worked cleaning houses and taught a cheerleading clinic December 7 to raise money for suits and supplies. Their biggest job is making signs for every football and basketball game. Signs are put in the school, gym, and players homes. Signs directed the fans on the road to Bruce-ton for the playoff game. Cheer-leaders are often called upon by members of the school and com-munity to aid in spreading Tide spirit.

VARSITY CHEERLEADERS: Penny Berry, Lisa NcEwen, Kim Guy, Dina Jones, Amy Chandl, Jody McHugh, Monica Kiser, Kim Wade, LaToya Phelps, Donna Moore, Taryn Ridings, Jan Graves.

HOMECOMING '91

Cold Night - Warm Memories

Creativity, hard work, determination, and fun filled the week of November 4-8. It ended Friday with Black and Gold Day, the Clash of the Classes, and the Homecoming game and dance.

Thursday night things heated up with a huge bonfire pep rally that ended with the crowd circling the fire and singing the Alma Mater.

Friday began with set up of displays, decoration of the Elks Lodge, and our tail-gate picnic indoors because of the cold weather. Nevertheless, each class remained

spirited and gave their all to the events. At 7:00 p. m. Homecoming Royalty was announced to cold fans. Amy Williford and Sonia Ward were crowned co-queens. The Tidemen rolled over Greenfield 37-0 in a district game.

After the game the dance gave everyone a chance to celebrate a hard-earned place in the state playoffs for the first time ever!

Donna Moore and Sherry Hicker-son succeed in drenching their partners with eggs.

The sophomore's display takes 4th place.

Sid Barker dries off after a nice "eggbath".

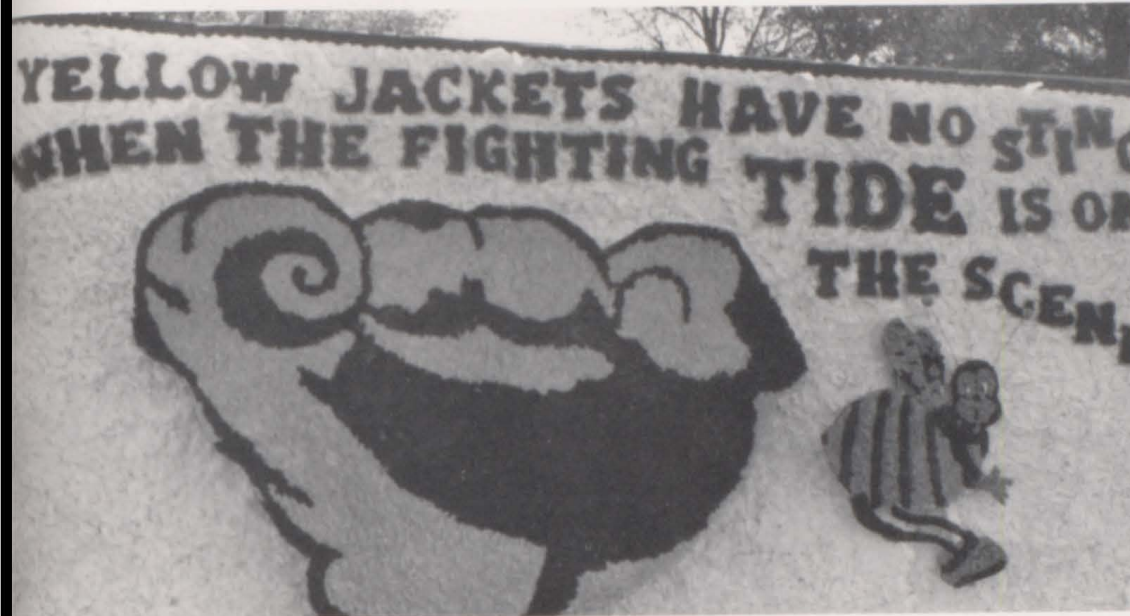

Carol Stewart and Michael Cloyd stare into each others eyes during the Homecoming dance.

The seniors' display places 2nd.

The freshmen's display receives first place.

Brad Phillips concentrates on puffing the sophomore display.

The juniors' display takes 3rd place.

Kim Wade, Donna Moore, Monica Kiser, and Janet Graves lead the fans in a cheer to support the Tide.

Seniors show their spirit during the Homecoming pep rally.

Sid Barker and Chris Bunch say swat 'em Tide while posing with their fly swatters on Theme Day.

The Homecoming Royalty of 1991 manages a smile although it was the coldest night of the football season.

Chris Bunch is working hard on the junior display.

Homecoming '91

Kristie Brown and Alana Carter are working hard puffing the sophomore display while Shanna Hooper is taking a break.

While the Tidemen huddle, they plan their next strategy.

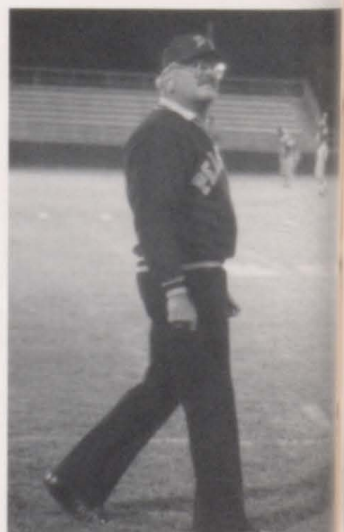

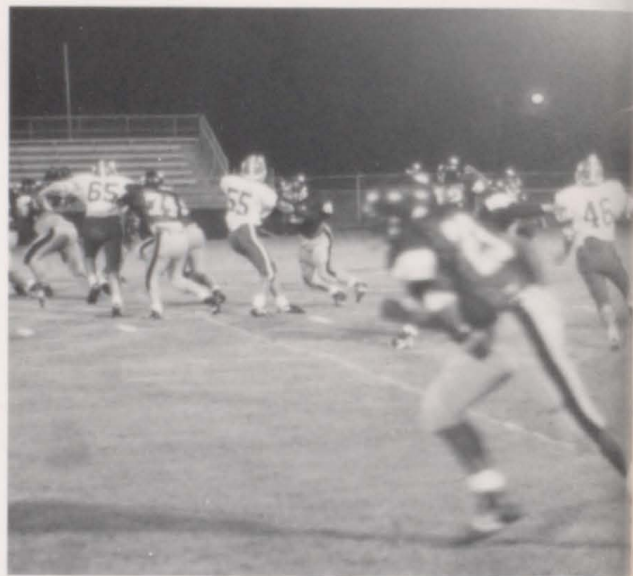

Julie Cotham, Sharriod Thomas, Penni Doolin, Greg Samples, and Sonia Ward pull the seniors into third place during the tug-of-war event.

Donald Bullock holds sign for the junior skit.

FRESHMEN FOOTBALL

Freshmen football season was successful with a 3-1 record. Pictures below were made October 19 at the Obion-Central game. Stand-outs were Shannon Johnson, Steve Williams, Stan Nunley, Kevin Bolton, Keith Stewart, Jerry Jones, Paul Juhl, and Cornelius Barnett, part of the '92 varsity team.

"All the way to victory" had a special meaning this year. As a first year Class A school, our team lost only one regular season game (to Halls 15-14) and was second in the state. "We conquered adversity together" said Phillip Jones. Certainly this team will always remember '91 - and will be remembered by us!

More than 1,500 fans were there to see the Tide meet Franklin Road Academy for the second time. This time we were not victorious, but everyone agreed it was great to have been there! Final score: 27-8

BOYS' BASKETBALL TEAM

After getting off to a late start due to football playoffs and having to reschedule games, our Tide teams had a GREAT season. The week of Jan. 13-17 included 4 games followed by a 3 game week! The tough Tide and Tidettes did not let fatigue affect their play and won their games, setting an example in discipline and endurance. The 1991-92 basketball teams will long be remembered.

For the Lord seeth not as man seeth; for
man looketh upon the outward appear-
ance, but the Lord looketh on the heart.
- I Samuel 16:7

Look beneath the surface; let not the
several quality of a thing nor its worth
escape thee.
- Marcus Aurelius

As the ancients
Say wisely, have a care o' th'
main chance,
And look before you ere
you leap.
For as you sow, ye are like
to reap.
- Samuel Butler

RULE OF THE HARRY WADSWORTH

To look up and not down
To look forward and not back
To look out and not in, and
To lend a hand.
- Edward Everett Hale

I bid him look into the lives of men as
though into a mirror, and from others
take an example for himself.
- Terence

You gain strength, courage and confi-
dence by every experience in which you
really stop to look fear in the face.
- Eleanor Roosevelt

Things always seem fairer when we
look back at them, and it is out of that
inaccessible tower of the past that long-
ing leans and beckons.
-James Russell Lowell

The optimist sees the doughnut,
but the pessimist sees the hole.

EXTRA! EXTRA! EXTRA!

TIDE GOES TO MURFREESBORO

After winning the District and Regional Championships, being ranked first in Class A and being known for a quick, trapping defense, the Tide felt confident going into the state tournament, but soon found that their opponent, Mt. Pleasant, remembered too well their loss to Peabody in the state football play-offs. Their height advantage and our cold shooting resulted in a 19 point deficit before the Tide made a rally. Time ran out with the Tide still down by 4 points, 78-74.

The last trip the Tide made to the state tournament was 1973. In spite of a disappointing loss, this team gave us pride in our school and many exciting victories.

Duane Miller scores 2 points.

Charles Duncan goes for a reverse lay-up.

The Tide fans were there to be heard!

The mood on the bench was somber, while Greg Lenon attempted 3 points.
