DEDICATION

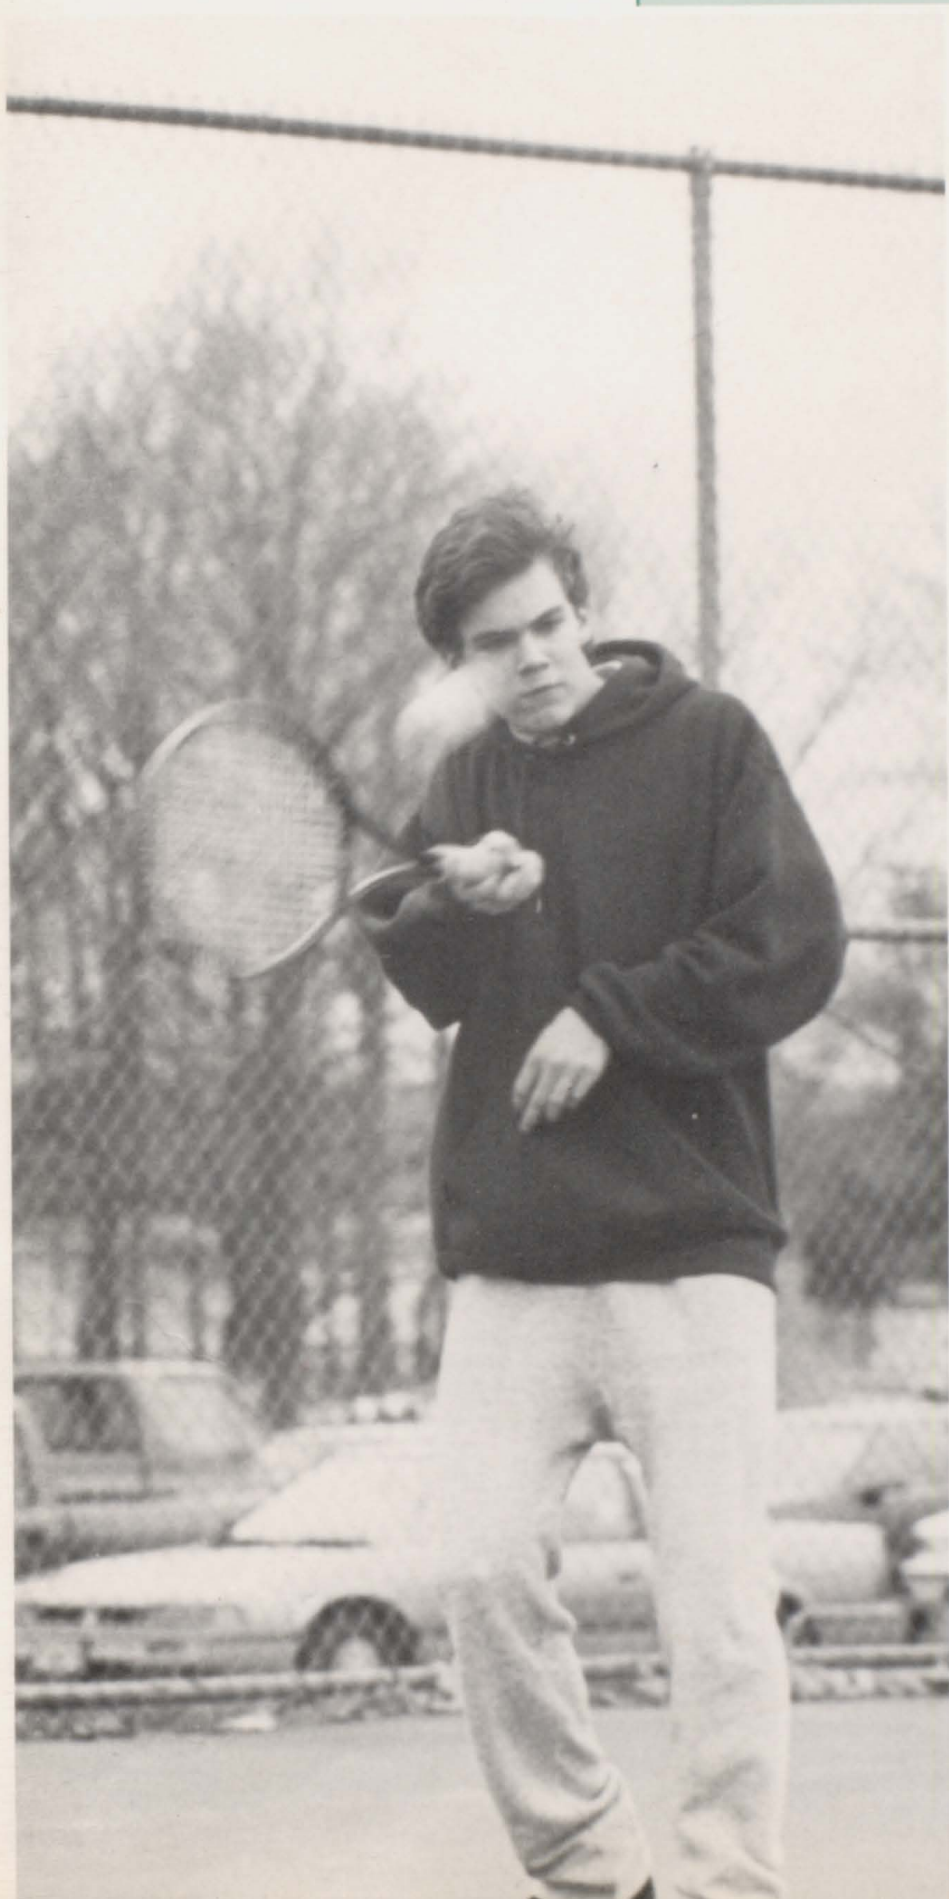

"He's our biggest sports fan." "He's stuck with the teams through thick and thin." "He's a dependable man that you can trust and rely on." These are a few ways that the students and staff characterize Mr. Bill Reed. While we at P.H.S. are all equally proud of our school, none could be more proud than he. By taking care of our school's needs with long hours of hard work and dedication, he also sees to the students needs with kind words and friendly smiles.

As one of Peabody's staunchest sports fans, he has cheered us on through countless wins and supported us in defeat.

Mr. Bill Reed has brightened the halls of P.H.S. for 14 years and will be just as inspirational to new students in coming years.

Joseph Peeples appears to be on the mark with this stroke.

OPENING

LEAVING OUR MARK

If you could travel in a time machine to your ten-year high school reunion and could eavesdrop unseen on your classmates, what do you think they would say about you?

Would they remember you as the shy one or the class clown? Maybe they would say that you were the one who always wore a smile, or perhaps they would remember how flirtatious you were. Would what your classmates said about you surprise you?

As you probably already realize, the way you behave now is the way others will think of you later in life.

As you turn the page, keep this in mind: when you leave your mark, make it bold! Don't be afraid to stand out; it is not a crime to be unique.

DISASTERS of '93-94

Flood, Fire, Earthquake and Ice!

Mississippi Floods; Malibu Burns; Los Angeles Hit by Quake

In the summer of 1993 the Midwestern U. S. was devastated by the Great Flood on the Mississippi and Missouri Rivers. Caused by excessive rain, it covered eight million acres over nine states; 12 million more were too wet to plant. Property damages totalled over \$12 billion and 70,000 people lost their homes. Congress passed a \$6.2 billion flood-relief package which President Clinton signed in August.

October 26 fire raged through six counties in Southern California burning over 186 acres and 700 homes. Less than a week later more fires swept over Malibu and Topanga Canyon killing three and burning another 300 homes. Thousands were evacuated.

It continued into 1994. January 17 an earthquake of 6.6 magnitude hit the Los Angeles area before day-break on what would have been a holiday for many (Martin Luther King Day) causing highways to crumble and an apartment house to collapse. More than 60 were killed, thousands injured and over three million people lost electricity. Water mains broke and gas line breaks erupted in fires. After-shocks kept thousands living outdoors for weeks afraid their damaged homes might yet collapse.

In Tennessee, Arkansas and Mississippi an ice storm hit on February 9 and worsened February 12. Thousands lost electricity due to falling tree limbs and utility poles. Streets and roads were blocked by trees; walking and driving were nearly impossible in places. Southern Tennessee and Mississippi were worst hit and required weeks to get electric service back to normal.

OTHER EVENTS of '93-94

Feb. 26 New York's World Trade Center was heavily damaged by a car bomb planted by Muslim fundamentalists; 6 die, over 1,000 injured.

Feb. 28 the raid on David Koresh's Branch Davidian compound near Waco, Texas resulted in 4 A.T.F. agents' deaths, a long siege and burning of the compound in April.

Mar. 10 Dr. David Gunn was killed as he entered an abortion clinic in Pensacola, FL by a pro-life demonstrator.

June 23 Lorena Bobbitt was arrested for mutilating her husband after years of abuse. In later trials both were acquitted of charges but made front pages for months.

June 30 in Marion, IN Julia Roberts wed Lyle Lovett.

July 19 Pres. Clinton announces homosexuals will be allowed to serve in military services with restrictions.

Aug. 22 Michael Jackson is charged with child abuse while on a world tour. He settled a lawsuit out-of-court.

Aug. 30 David Letterman opened his Late Show on C.B.S.

Sept. 22 Amtrak's worst wreck occurred in LA killing 47 when a derailed train went into a bayou.

Oct. 3 in Somalia 12 American soldiers were killed and 75 injured. Helicopter pilot Michael Durant of Clarksville, TN was captured and released a few days later.

Oct. 7 Toni Morrison wins the Nobel Prize for literature.

Nov. 20 N.A.F.T.A. passed Congress in spite of Ross Perot's debate against it with V.P. Al Gore on TV.

Jan. 1, '94 Gov. McWherter's TennCare Program replacing Medicaid goes into effect.

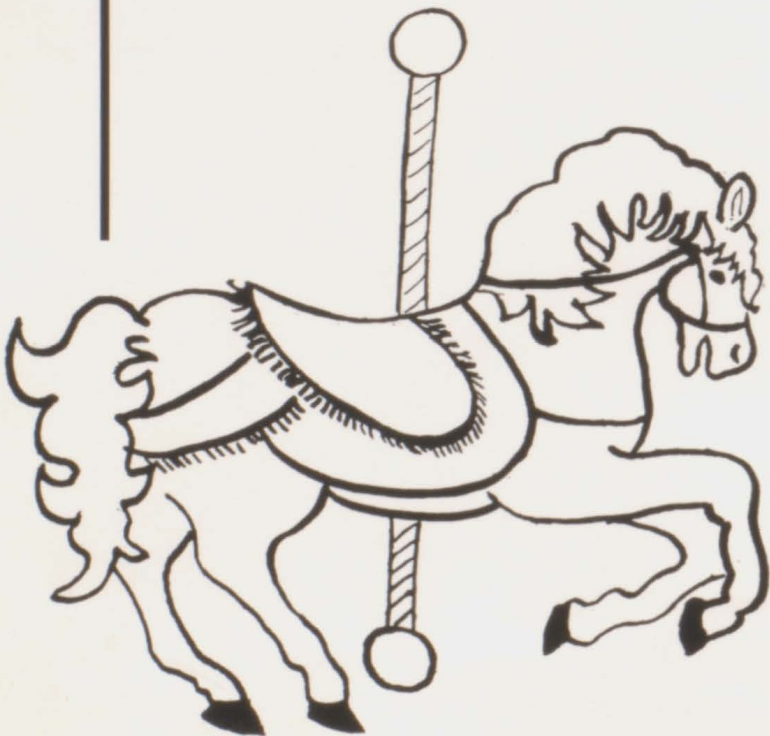

Feb. 4 Jesse Misskelley, first of 3 teens to be tried for deaths of 3 boys last summer, in West Memphis, AR, was found guilty after testimony involving Satanism.

Leaving Our Mark

Life is like a carrousel running all
the time
It's your decision where to get on and
which horse to ride.
The tune that is playing is up to
imagination to feel;
It personifies how we react to life
and how we value it as real.
The higher notes represent the happy
times in life,
And the bass notes represent
the trial and strife.
The people on the other horses,
leading a different way,
Represent our friends who are
always there and always know
what to say.
Every horse is different, just like the
Class of '94.
It's up to us to Leave Our Mark
And be remembered forevermore.

CHRISTINA PRUNA

Our Fourth Exchange Student Arrives In January from Bucharest, Romania.

Christina takes time out of English class for a friendly smile.

I am 17 years old and I obtained a scholarship offered by Soros Foundation in collaboration with Open Door Student Exchange for a five month stay in the U.S.A. I wanted the scholarship because I enjoy meeting new people and learning about various lifestyles and cultures.

My father is an engineer and my mother is an economist. My sister is 18 and we attend the same school. Bucharest is a city of about 2,000,000 people.

There are similarities and differences between Romanian and American schools. We start school at age six and finish at 18. Our school day starts at 7:30 a.m. and ends at 1:30 p.m. because we don't have a break for lunch. We have a ten minute break between classes when we can go to the school buffet and buy something to eat. High school students in Romania usually have six classes a day, but these are different each day because we study 14 different subjects. The grades are also different. We get grades from 1 to 10 and 5 or above is a passing grade.

Although I have lots of homework to do (up to six hours a day), I still have time for fun. After school I usually go with friends to the city center where we buy something to eat or go to a movie. I go to the British Council Library or American Cultural Center where I can read magazines or borrow a book. Weekends I love taking long walks in a beautiful park in Bucharest. On Saturday we usually have parties that last well into the night.

My plans for the future include university and maybe a career in computers.

Map showing the hometown and country of Christina.

Although she loves to meet new people, she takes time to study.

PEABODY'S CZECH CONNECTION

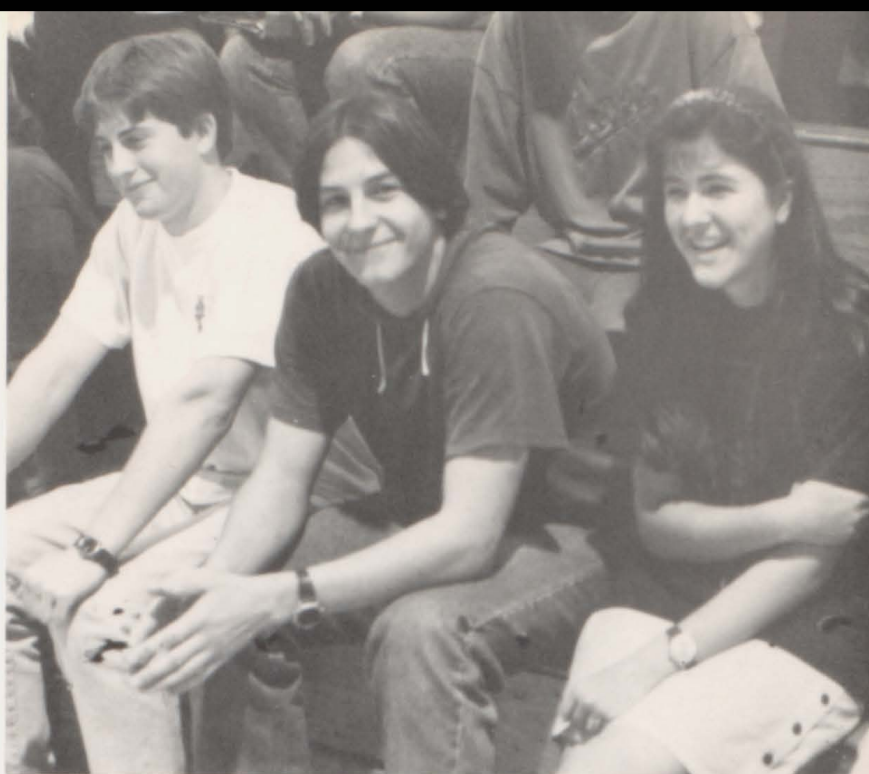

Not One But Two Exchange Students

Erik Blasen, host student, Jaromir Kohout and Jana Jandusova', exchange students, Jennifer Lopez, host student, were introduced at the first assembly of the '93-94 year.

My Name is Jara Kohout and I am a foreign exchange student. I came to the United States through the Open Door Foundation with twenty other students from the Czech Republic. My home is in Prague, the capital of our Republic. It has approximately one and one-half million inhabitants. Prague, like most European cities, is much older than American cities. It was officially founded at the beginning of the 13th century, although it was first settled as a market place on the banks of the Moldau River much earlier.

In Prague I attended Gynazium Nad Aleji, a high school with special classes taught by English speaking instructors. My school has about 800 students interested mainly in academic educations. The length of time required for getting academic titles is shorter, because the information taught is more concentrated than in American schools. Students enrolled in vocational or technical programs attend different types of high schools. Another difference is our schools do not have school affiliated sports teams. We participate in organized sports sponsored by companies in our leisure time after school.

I appreciate the friendliness of the students and the faculty and I am really enjoying my time here. I would like to thank my family in Prague for giving me the opportunity to visit this country and my host family in Trenton for their warm hospitality during my stay.

St. Elizabeth Cathedral in Kosice was built at the end of the 14th century on the site of an older building and was finished about a century later.

Jana in U.S. History class.

Jara in Chemistry class.

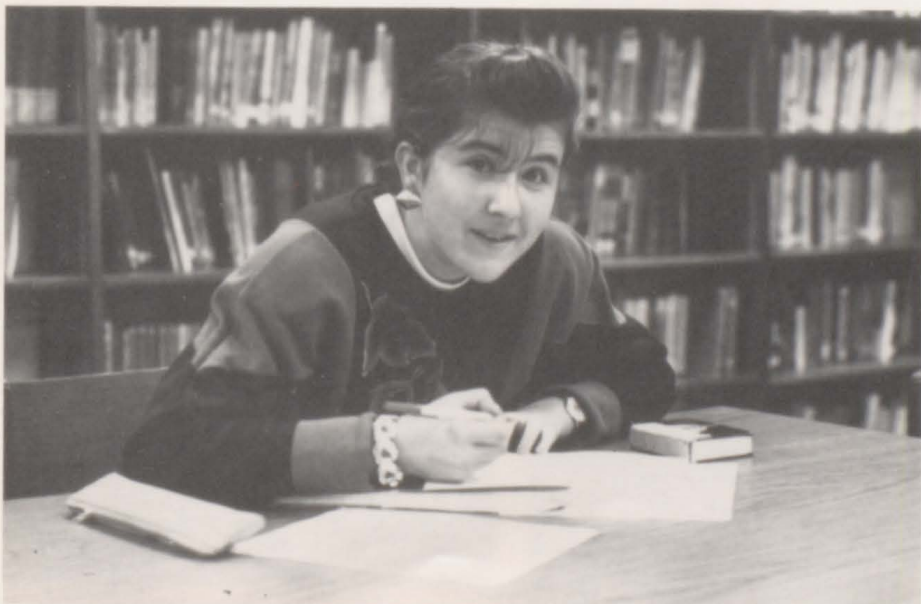

(Jana) My home country is the Czech Republic. The capital of my country is Prague and it is where my family lives. Prague is a large and old city, founded in the 10th century.

My family lives in a calm quarter of Prague. We have a house with a large garden. I have one sister, 19 years old; she studies law. My father is a financial officer and my mother is a patent officer. We have two cats at home. Our whole family has one major hobby: horses.

My school is one of the larger schools. There are about 800 students. This kind of school is called "gymnasium" and gives you a general education. It is attended four years. To attend high school students have to pass exams on math and the Czech language.

The schools in my country are more difficult. Teachers give oral exams and written tests. Twice a year students get a report card.

Each class has a made schedule. Students study subjects for four years, but have about 13 subjects in a week, not every day the same. At the end of the fourth year, they have to pass exams from four subjects they choose to graduate. Then they can go to university or get a job.

Jana studies in the library.

- AND IRINA MAKES THREE

She Arrived Oct. 18
From Russia

Dressed for an interview, Irina, Laura Vickers and Penny Davis wait for their call in Marketing I class.

My name is Irina Lobodina. I am from Russia, Kalmyk Republic, town of Elista. Elista is the capital of the Kalmyk Republic. I am 15 years old. My father's name is Alexander and my mother's name is Tamara. I have a sister, Oxana. She is 19 years old. My father is the chief of the republic police department. My mother is the headmaster of the town school. My sister is studying in Rostov-on-Don Institute with her husband. I have a dog. She is very small and her name is Laska.

There are 150,000 people in my town. Elista is a political, economical and cultural center of the republic. There are several plants and factories, four theaters, cinemas, large park, 22 schools and our White House. We have our own president. He was elected April 11, 1993. He is very young and rich. We don't have taxes in the Kalmyk Republic now. He is concerned about our wealth.

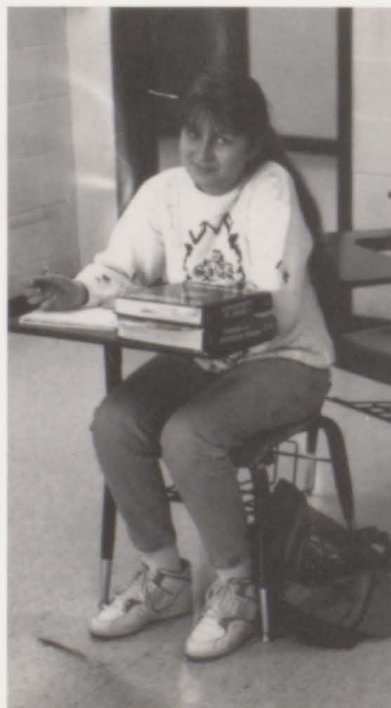

I am studying in the town lyceum. There is only one lyceum in the republic. Our high school is not big. There are 210 students. We have large competitions before we can study there. There are 20 students in my class. We have four types of classes: physics/advanced mathematics, chemistry/biology, humanities and esthetics. You may attend one course for three years. We study six days a week.

Mr. B.'s class gets a slight smile.

CLUBS & ORGANIZATIONS

ANNUAL STAFF

When we started planning the yearbook last year, we decided that we wanted a book that was different, a book that only took a quick glance at its spine to figure out the year it represented. That was the main reason we chose Leaving Our Mark as this year's theme. It gave us the drive we needed to break a few traditions.

I want to thank the Golden Torch staff for working hard and for sacrificing some of their free time in order to finish the yearbook. I also want to thank Mrs. Sylvia Jetton for providing us with guidance, even when we thought we did not need it. I hope that you will enjoy the annual.

SCHEDULED STAFF - Mrs. Sylvia Jetton, Jaime Hendrix, Jody McHugh, Erik Blasen, Bridget Barron, Chauncey Lowery, Filonna Thomas, Susan Henson, Mistina Walker, Samantha Sheffield, Catherine Weems

Jaime Hendrix and Samantha Sheffield debate on which divider page to use.

Mistina Walker and Erik Blasen get ideas from older Golden Torch annuals.

Filonna Thomas listens to the artist from the Walsworth Publishing Company give advice.

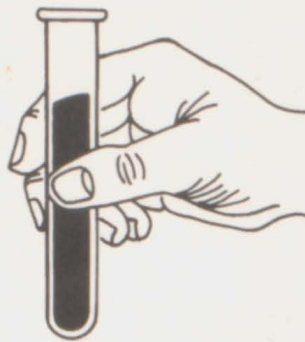

Jaime Hendrix, Samantha Sheffield, and Erik Blasen listen as Mr. Johnny Cole explains what the annual cover design will look like.

Filonna Thomas and Mr. Johnny Cole watch as the artist draws a sketch of the yearbook cover.

SCIENCE CLUB

Students are eligible to join the Science Club if they are enrolled in physics or chemistry. The physics class serves as the executive council and builds the Homecoming Bonfire each year. They look into ways science is used in industry.

Kim Bufford and Teresa Brown work together on a lab experiment.

OFFICERS: Bobby Copley, treasurer; Jara Kohout, secretary; Chad Edwards, vice-president; Owen Barker, president.

MATH CLUB

Algebra II, Advanced Math or Calculus students are eligible to join the Math Club. Dr. John Manson of Tennessee Technological University made a presentation in November to members of both the Math and Science Clubs about careers in these fields.

MATH CLUB OFFICERS: Karla Russom, secretary; Jaime Hendrix, treasurer; Jason Burress, vice-president; Mr. Jim Dunavan, sponsor; Chad Edwards, president.

¡VIVA EL CLUB ESPANOL!

Mrs. Andrea Joyner supervises a translation exercise.

Spanish students learn of Spanish culture and take part in activities and contests through the Spanish Club. In March 1994 we took part in the Spanish Feria sponsored by Dyersburg State Community College along with several other area high schools. P. H. S. students traditionally do well in this competition. This year was no exception.

Cooking and sampling Spanish foods is another enjoyable activity of the Spanish Club.

OFFICERS: Meredith Brewer, vice-president; Sarah Reed, president; Christy Ford, secretary/treasurer.

ODYSSEY OF THE MIND

OM was founded to give students an opportunity to solve problems in creative ways. It requires many hours of effort and dedication, but the performance in competition makes it worthwhile.

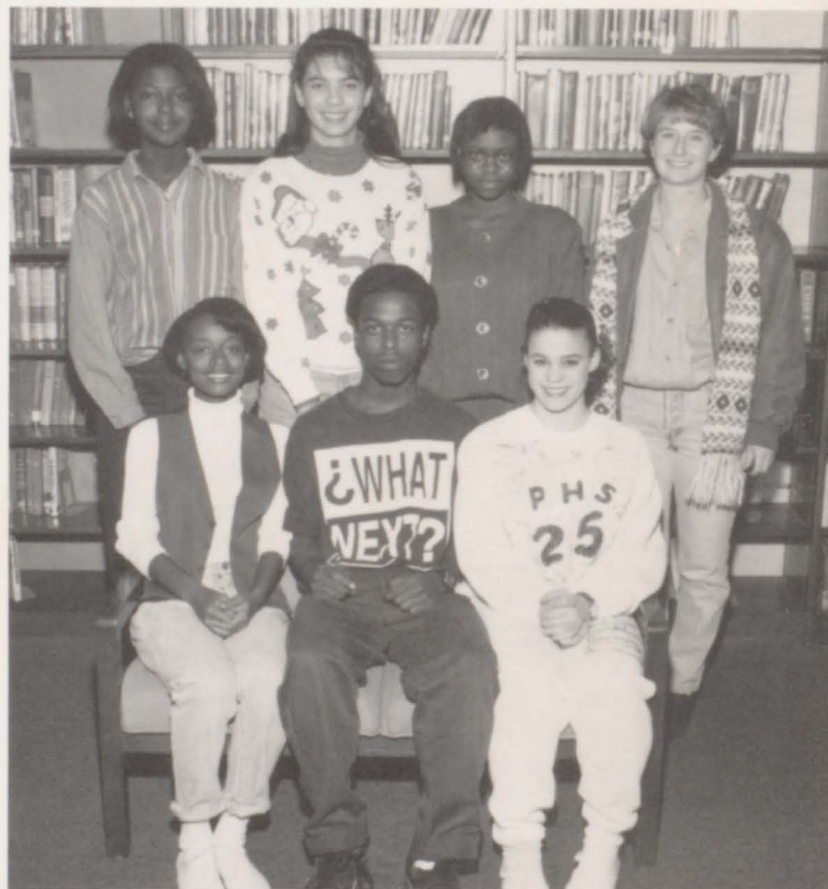

There were more participants this year than in the past. Trenton had 14 teams and three were in P. H. S.

Peabody hosted Regional Competitions March 12. On April 16, 1994 the top three teams in each division went to state competition at David Lipscomb University in Nashville.

OM "BELIEVABLE MUSIC" TEAM: Shannon Johnson, Owen Barker, David Peeples, Carnell Dowell, Joseph Peeples, Chad Edwards, Keith Stewart.

OM "SET IT FREE" TEAM: Kerrie Crossnoe, Rob Patterson, Samantha Sheffield, Filonna Thomas, Catherine Weems, Irena Lobodina, Kacey Jewell.

OM "THE ILLIAD" TEAM: Matia Powell, Nicole Blackwell, LaTosha Walker, Jennifer Morris, Tasma Graham, Shaur Fields, Teresa Jones.

FUTURE HOMEMAKERS OF AMERICA

In October, F.H.A. and F.F.A. held a Halloween party together.

In November F.H.A. had a food drive in cooperation with the Gibson County Food Pantry. They also had a sundae party for new members. In December F.H.A. provided a needy child with Christmas gifts. In April F.H.A. traveled to Nashville for the state convention.

F. H. A MEMBERS

The F.H.A. officers were installed on November 23.

Preston Black gives everyone a tip on becoming a woman.

F.H.A. OFFICERS: Misty Todd, parliamentarian; Susan Henson, treasurer; Misty Hillard, chief executive; Mandy Blackwell, reporter; James Kimble, secretary; Tammy Grooms, vice-president; Deonza Wright, president; Kelli Hopper, historian.

FUTURE FARMERS OF AMERICA

Ten F.F.A. students, Mr. and Mrs. Gregory and Karen attended the national convention Nov. 9-12 in Kansas City. They were Michael Allen, Jennifer Allen, Chris Mathenia, Eric Talley, Penny Davis, Micki Taylor, Shauna Rinkines, Tracy Gilmer, Lana Clifton and Misty Todd.

Our soil judging team won 2nd in the district Oct. 7 and later placed 13th in the region. Micki Taylor scored highest assisted by Michael Allen, Shauna Rinkines, Tracy Gilmer, Rasheen Triplett and Kevin Hayes.

Our state runner-up meats judging team members were Michael Allen, Tracy Gilmer, Misty Todd and Lana Clifton.

Oct. 28 our livestock judging team competed and Micki Taylor, our highest scoring team member, placed 22nd out of more than 100 participants.

Establishing grass waterways on campus was our community service project. City and school equipment was used with F.F.A. members' labor to clean up scrub, sow grass, spread straw and construct straw dams to prevent erosion until the grass began to grow. Over 100 bales of straw was used.

Spring of '93 was our first experience with the greenhouse. This operation was expanded and more varieties of plants were sold in '94. This is an educational as well as fund raising project.

FUTURE BUSINESS LEADERS OF AMERICA

The Future Business Leaders of America is composed of students enrolled in office education classes. In 1993, Tiffany Tomlin was elected West Tennessee Vice-President at FBLA Convention. One of her many jobs is to speak to F.B.L.A. members at the workshops that she attends. This is a great honor for Tiffany as well as for Peabody High School.

As an annual fundraiser, F.B.L.A. members sold Tom Watt. The members attended the state convention in the spring.

OFFICERS: Kelly Richardson, president; Jody McHugh, vice-president; Filonna Thomas, reporter; Timeaka Robinson, secretary; Mrs. Judi Reasons, advisor; Julie Davis, historian; Tiffany Tomlin, West TN vice-president; Cindy Jones, treasurer; Kim Bufford, parliamentarian; Kelly Halbrook, reporter

Timeaka Robinson works diligently on an assignment in her word processing class.

VOCATIONAL INDUSTRIAL CLUBS OF AMERICA (VICA)

OFFICERS: Robert Webber, president; Shannon Joyce, vice-president; Junior Milan, secretary and treasurer; Salina Ashburn, reporter; James Kimble, Chaplin

JOBS FOR WEST TN GRADUATES

OFFICERS: CoCo Banks, coordinator of leadership development; Timeaka Robinson, secretary; Junior Milan, president; Shauna Rinkins, vice-president; Adrian Doaks, coordinator of social affairs; Carla Swift, coordinator of career preparation; Misty Hillard, co-leader of social affairs; Salina Ashburn, co-leader of leadership development; Nancy Tate, co-leader of career preparation; Ms. Charlotte Doaks, advisor

The goal of Jobs for West Tennessee Graduates (JTG) is to help students be successful in the labor force. Students are taught how to handle conflicts and problems related to getting and keeping a job.

On November 16, JTG advisor, Ms. Charlotte Doaks, along with a few of her students, attended the Tennessee Career Association Officers' Leadership Conference held in Jackson. It was there that Timeaka Robinson was chosen as regional secretary and Latoshia Walker was chosen as coordinator of leadership development. The conference gave them the opportunity to sharpen their leadership skills as regional officers.

Jobs For West Tennessee Graduates is supervised and funded by the Job Training Partnership Act (JTPA).

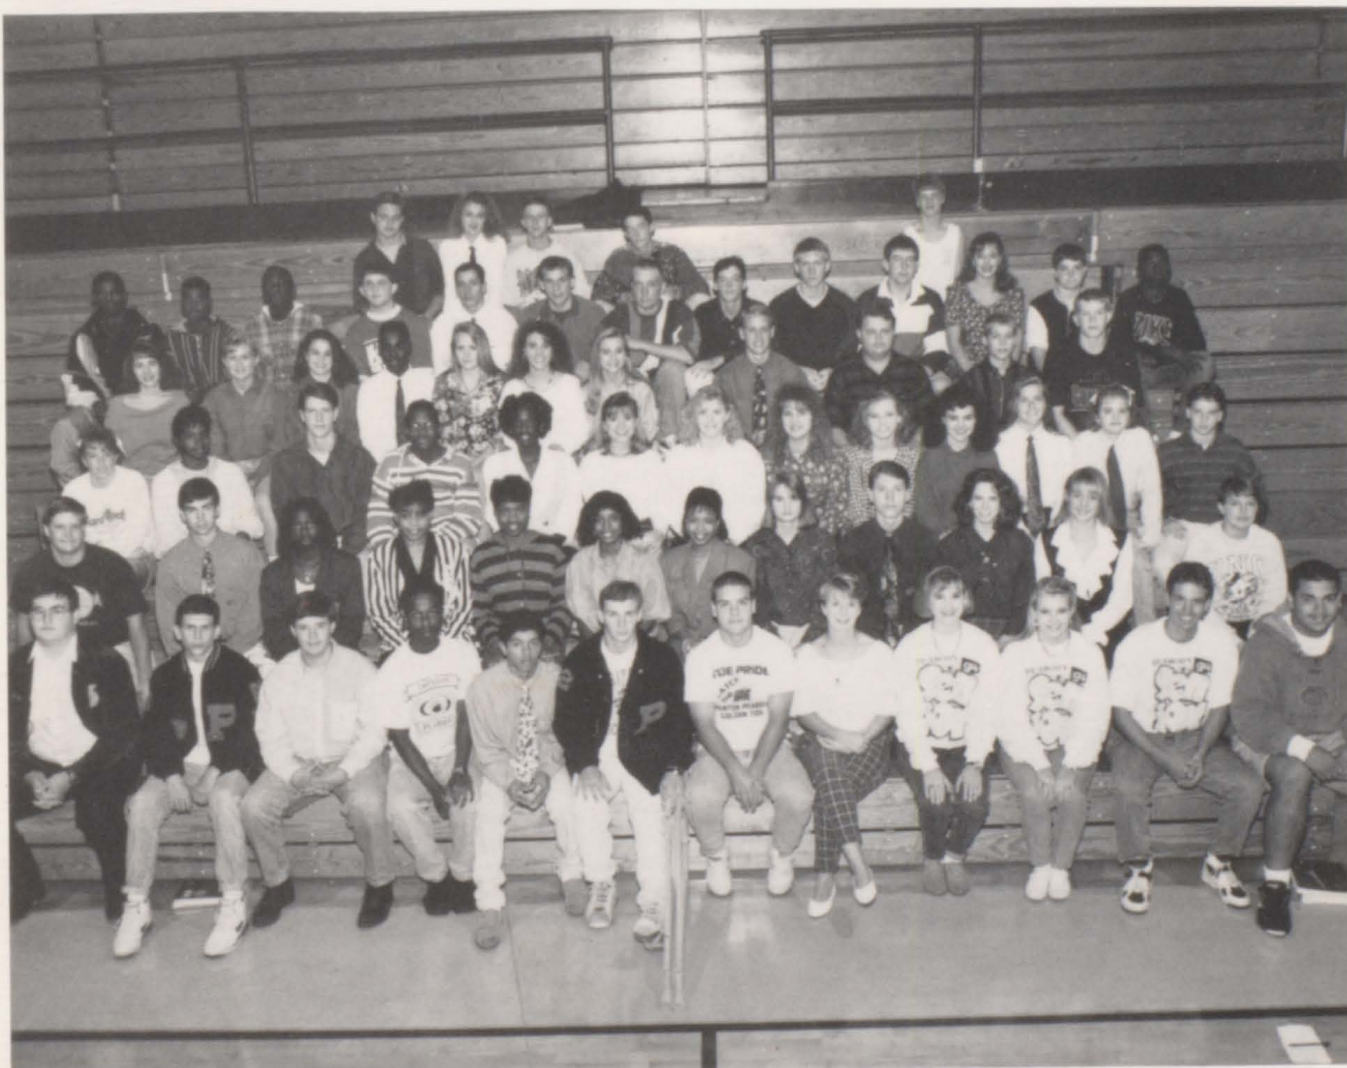

FELLOWSHIP OF CHRISTIAN ATHLETES

The mission of the Fellowship of Christian Athletes is "to present to athletes, coaches and all whom they influence, the challenge and advantage of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and the fellowship of the Church."

In order to accomplish this mission, F.C.A. - consisting of football and basketball players, cheerleaders, and band members - has meetings once a month at 7:30 a.m. These meetings include programs or speakers presented by area pastors or Peabody F.C.A. officers.

In addition to having meetings, F.C.A. also participate in fundraisers. This year, the main purpose of the fundraisers is to raise money for a county-wide youth crusade that is to occur in the summer.

OFFICERS: Lisa Finch, treasurer; Stan Nunley, vice-president; Patrick Horner, co-president; Shaun Fields, activity director; Catherine Weems, co-president; Christy Ford, secretary

STUDENT COUNCIL

The Student Council, Peabody's Student Government, participates in a variety of services and activities for the school and the community. They started the year with an A & W root beer float sale for Piggly Wiggly. They sold balloons and mums at Homecoming, helped plan Homecoming and Spirit Week events, and made treats for Teacher Appreciation Day. They also sold T-shirts bearing this year's motto "Catch the Wave," at the Elementary and Middle schools as well as the high school.

Kelly Richardson and Karla Russom pose in front of the Homecoming dance decorations.

During a schoolwide assembly Student Council members model appropriate and inappropriate school clothes for P.H.S.

GOVERNOR'S SCHOOL

GOVERNOR'S SCHOOL ATTENDEES 1993: David Peeples, School of Humanities; Samantha Sheffield, School of International Studies; Chad Edwards, School of the Sciences.

One month during the summer students across the state of Tennessee are given the opportunity to participate in Governor's School. There are six schools from which to choose. There is the school for prospective teachers in Chattanooga, a school of Tennessee studies in Jonesboro, a school of science in Knoxville, a school of humanities in Martin, one for international studies at Memphis State and a school of art and music in Murfreesboro. Each school accepts 150 students except for the school of art and music which takes 300, the school for prospective teachers which takes only 30 and the Tennessee studies program which takes 80.

PHS BAND OF GOLD LEAVING A MUSICAL MARK

The Peabody High School Band of Gold is one of the hardest-working organizations in high school. Although most people associate the band with halftime shows and marching contests, the band's musical involvement with the school and the community begins almost a month before the school year starts and ends when the school year ends.

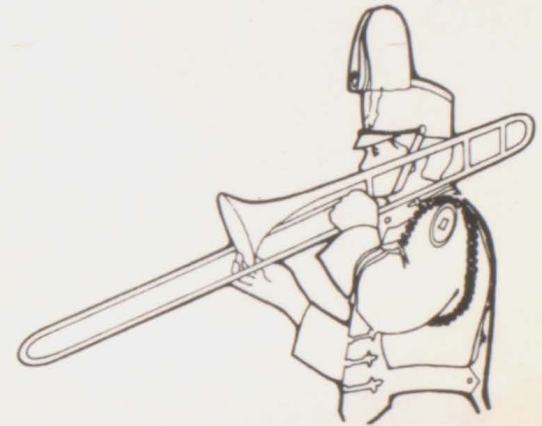

For example, the Peabody band prepared for the rigorous marching season by attending a two week camp which began July 26 and ended Aug. 6. The band worked hard during that time, and the effort was worth it.

The first marching contest was the Vanderbilt Marching Invitational. There, Peabody received a participation plaque. Next, the band went to the Gibson County Marching Band Invitational. At that contest, Peabody won first place and the percussion placed second. The third contest was the West Memphis Marching Classic where the band placed third and the color guard placed first overall.

The final contest was the Franklin Classic A Band Championship. There, the band won the 2nd place trophy, a trophy that they affectionately call "granddaddy". It was donated by the country music star, Wynonna Judd.

In addition to the marching contests, the band had fundraisers, such as selling fruit in the winter. This fundraiser helped the band purchase instruments, pay bills, and buy new uniforms for the Trenton Rosenwald Middle School junior band.

Peabody also performed in a Christmas concert Dec. 12, and they had a concert in the spring. In May, the band held their annual Band Banquet at the Elks Lodge.

P.H.S. MAJORETTES

OFFICERS: Laura McMinn, color guard co-captain; Carol Stewart, co-field commander; Tina Stockton, majorette captain; Mandy Blackwell, co-field commander; Jaime Hendrix, color guard co-captain; Karla Russom, band co-captain; Patrick Horner, band co-captain; Tommy Hicks, 2nd lieutenant; Owen Barker, 3rd lieutenant; Steven Pulley, percussion captain

BETA CLUB

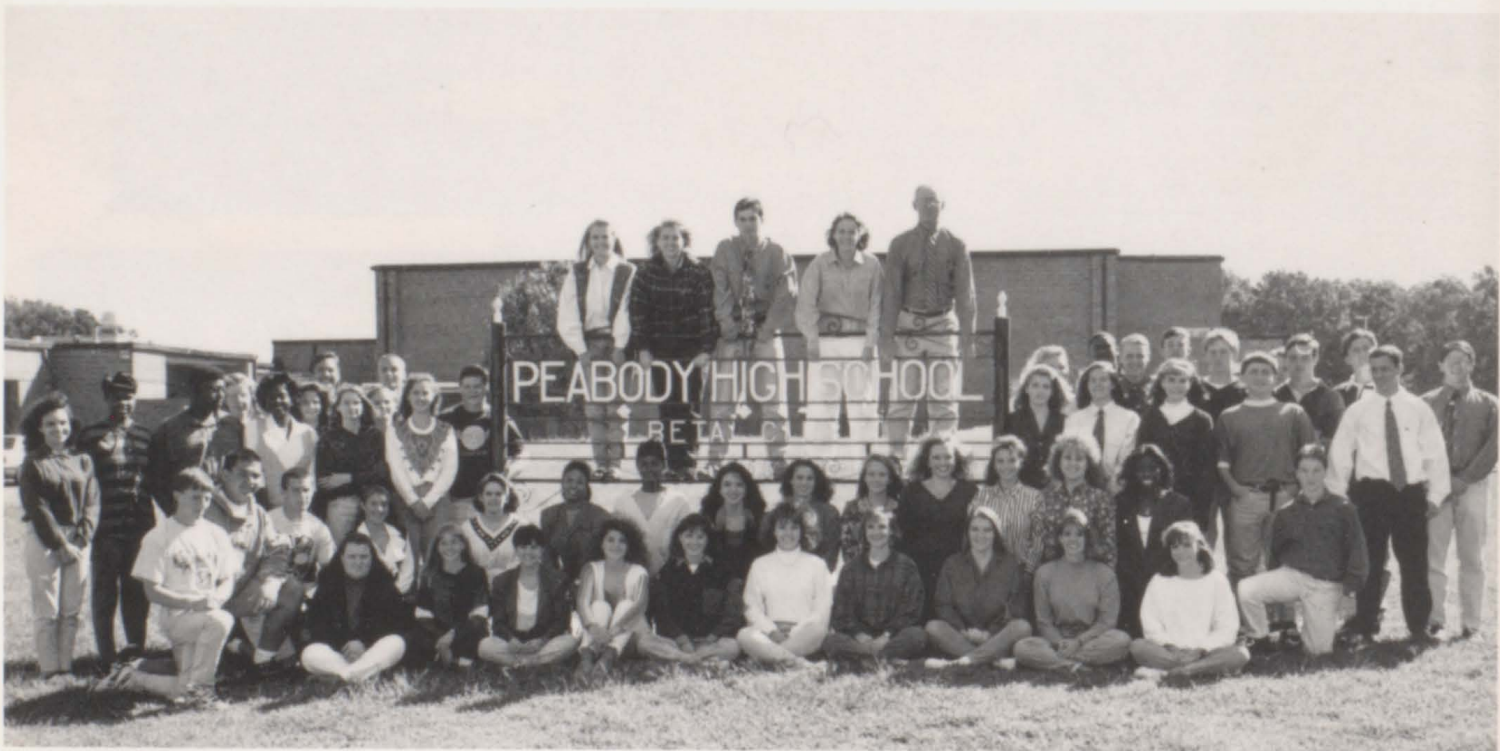

For a third year, Mr. Jim Dunavan and Mrs. Judy Nunley have sponsored the Peabody Chapter of Beta Club. Together, they have enabled the club to become more involved with their community and their school.

For example, the Beta Club sold candy bars for a fund raiser and also held a school-wide talent show that is always popular among the students and faculty alike. In addition to that, the club does community service projects such as collecting money for the American Red Cross.

In mid-April, about forty Beta Club members attended the annual Beta convention held in Nashville. They participated in individual competitions, a quiz bowl, and a group talent show, which featured Carol Stewart, Jaime Hendrix, and Amanda Hamilton. They also participated in the campaign and skit to promote our candidate for Beta Club state vice-president, David Peeples.

OFFICERS: Jody McHugh, president; Karla Russom, secretary; Patrick Horner, vice-president; Kelly Richardson, treasurer

DECA

Distributive Clubs of America, is an active club of 44 students who are currently taking Marketing class I and II.

In October, DECA sold Back Woods Boys' steak sandwiches at the Ingram's IGA Anniversary Sale. They did this to raise money for the Muscular Dystrophy Association. The club raised \$300 for their efforts. October 27 DECA held the Region IV Fall Leadership Conference

at Peabody.

In December the club sponsored a child for Adopt-a-Angel, and they made a banner for the National Guard.

Some of DECA's other activities are selling candy to raise money for the club and participating in the Adopt-a-Highway Program. In February, the DECA Regional Competition was held at U.T. Martin and the DECA State Competition was held in Nashville.

OFFICERS: Joe Brentise, treasurer; Shaun Fields, parliamentarian; Chad Phelan, vice-president; Jenny Morris, reporter; Torry Smith, secretary; Dina Paspalas and Samantha Sheffield, co-presidents

Club members Laura McMinn, Cindy Jones, Sally Pipkin, Teara Wright, and Tiffany Tomlin serve refreshments at the Regional DECA Conference that was held at Peabody High School.

BOYS' AND GIRLS' STATE

Sponsored by the American Legion, Boys' and Girls' State offer the chance for juniors chosen across the state of Tennessee to learn more about their state government.

Once the students arrive and register at Boys' or Girls' State, they become citizens who are assigned to one of twelve "cities" — dormitory floors — where they live for the duration of their stay.

In addition to being elected to city, county, or state offices, students can also participate in the band or the chorus.

Although the delegates live together at Boys' or Girls' State for only a week, they learn how to effectively work together and how to better understand their Tennessee government. They also make many worthwhile friendships.

Boys' State was held at Tennessee Tech in Cookeville from May 23 to May 29 and Girls' State was held at Middle Tennessee State University in Murfreesboro from May 31 to June 5.

Girls' State: Karla Russom, Filonna Thomas, Maranda Blackwell, delegates. Samantha Sheffield, Celeste Harper, Jody McHugh, Timeaka Robinson, alternates.

Boys' State: Owen Barker, Patrick Horner, Chad Edwards, Adrian Doaks, delegates. LaAron Banks, Nathan Wright, alternates.

Chad Edwards, Tommy Hicks, and Jason Burress watch an engineering technology demonstration.

CAREER DAY

On November 10, 30 representatives from area colleges, and vocational schools, 25 local professional people and twelve out-of-town business people were represented at Career Day.

During this event, the Distance Learning class held sessions over the system. They included Health Occupations, Engineering/Space, Broadcasting, Wildlife Management, and Computer Science. About 25 students attended the sessions in the DL room.

Jamme Fuentes and Robert Webber listen closely to a National Guard representative.

Timeaka Robinson and Carla Swift talk with a Mid-South Home Health Care representative.

A Merchants State Bank representative converses with Susan Henson and Mike Counihan.

Dudley Schleifer and Dawn Coffman talk with a local highway patrolman.

Samantha Sheffield and Filonna Thomas discuss law with Tom Crider.

Seniors listen to a presentation from ITT and Devry Technical Institute.

Latoshia Walker enjoys a visit with Union University.

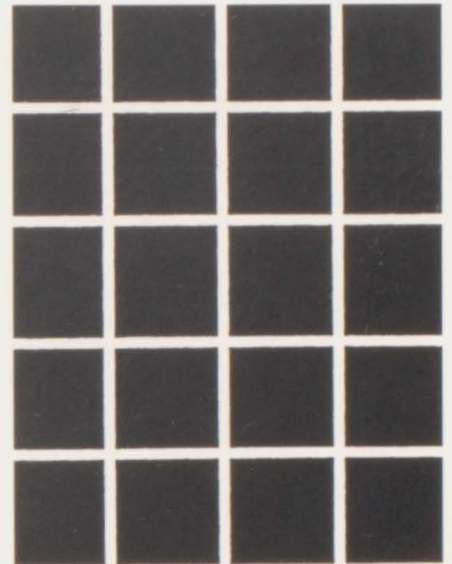

FACULTY & STAFF

The theme of our annual is "Leaving Your Mark". This applies in particular to the seniors who will be graduating and moving on to other endeavors. There is also meaning in this theme for all students because you are now "Making your mark".

Two questions come to mind about this year's theme. The question "What does your mark stand for?" is the first. When people could not write, they were asked to "make your mark". "Making your mark" meant a personal commitment; in other terms, it was a visible statement of your word. Before a mark was placed, one had to be sure that he or she was willing to follow through with a commitment. This requires some forethought and planning.

The next question that is to be considered is, "What is your mark?" Each generation leaves its mark on society, like drops of water that individually seem so insignificant, but collectively determine what "marks" a generation will leave.

I believe that this generation of our young people has the power to accomplish great things as you "make your mark". Use your education as the foundation to prepare to make this mark and it will be more than a simple "X"; it will be a beautiful signature that you and others can view with pride.

FRESHMEN

As we, the Class of 1997, first entered the halls of Peabody we were anxious and excited, for we were embarking upon a new journey. We have learned to set goals for our class to mature and grow together. Each day has become a learning process as we display our own talents and individualities. As we participate in school events, we learn to depend on one another, and we express a desire to achieve. We learn from our mistakes and take great pride in our accomplishments. We have made new friends, had fun and discovered each others' abilities. We know that to succeed as a class we must be united.

SOPHOMORES

We, the Class of 1996, have dreams beyond comparison. As we stand on the brink of our futures, we approach each day with hard work and dedication. In everything we do we give our all.

As each day goes by, we realize how important our individual goals are toward achieving the goals of the class. Our spirit and enthusiasm show in our accomplishments, both in class and during extracurricular activities.

We are individuals, yet we are a family striving to make our class the best it can possibly be. Although the last two years have been memorable, the best is yet to come!

As we continue to leave our mark of achievement at P.H.S., one thing is certain: we will not be forgotten. Bonded in spirit, we shall strive,
We're the Class of '95!

A FALL HOMECOMING FOR PHS

It was a time for getting together with old and new friends. It was also a time for celebration and for realizing defeat.

During the week of Sept 27 - Oct 1, Peabody High School celebrated Homecoming '93. Almost everyone in the school either worked on a class skit or display, or they participated in special events.

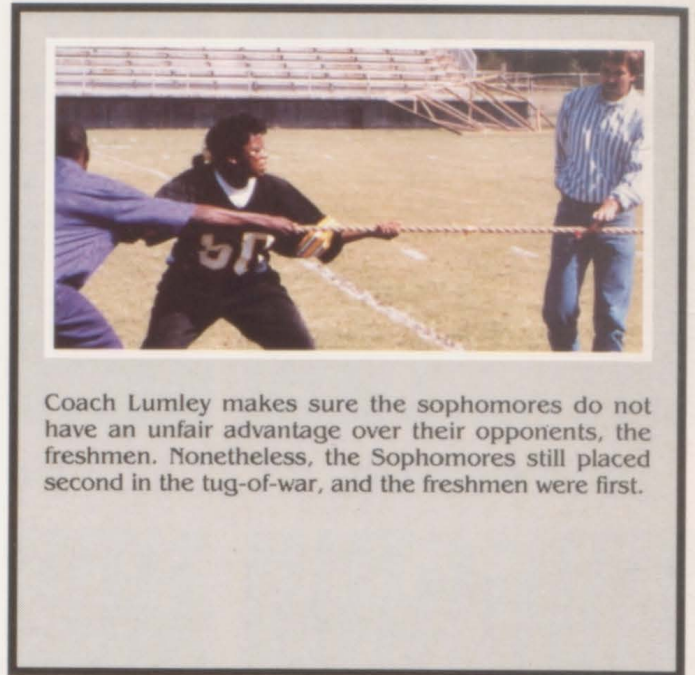

One of the special events was Theme Day, and all participating students dressed to represent each daily theme.

Some of the other spe-

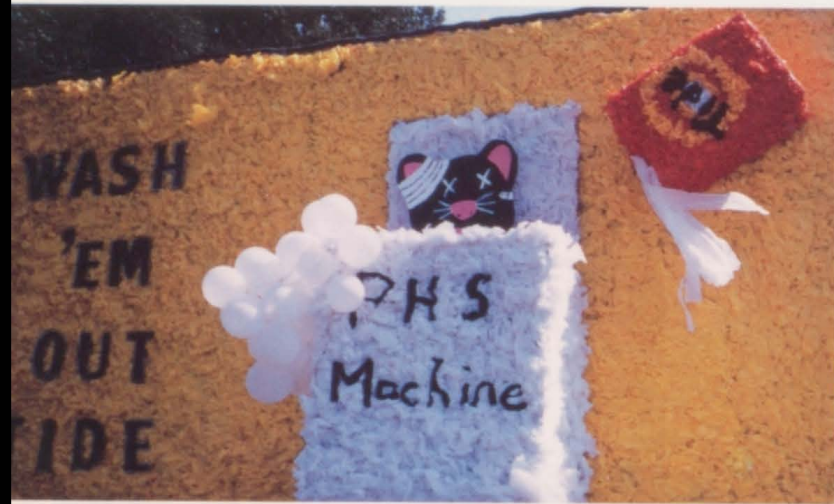

cial events were the bonfire/pep rally, the tailgate picnic, and the Clash of the Classes. Friday night at 7 p. m. the Homecoming royalty was introduced, and Jaime Hendrix was crowned Homecoming queen.

At 7:30 the football game against the Riverside Panthers began. Although the Tide played hard, they were defeated by Riverside.

After the game, a dance was held at the Elks Lodge. Although the Tide had lost, everyone still had a good time.

Coach Lumley makes sure the sophomores do not have an unfair advantage over their opponents, the freshmen. Nonetheless, the Sophomores still placed second in the tug-of-war, and the freshmen were first.

"Wash 'Em Out Tide," the junior display, won first place.

They are the faces behind the concession stands at the ball games. They are the ones who shout loudly and boldly wave black and gold pom-poms as their favorite band marches across the field. They are the ones who enthusiastically participate in fund drives so that students may go on trips and have new equipment not in the school budget. Who are they? They are the unsung heroes of Peabody High School. They are the Booster Clubs, headed by concerned parents who want to be actively involved in their teenagers extracurricular activities.

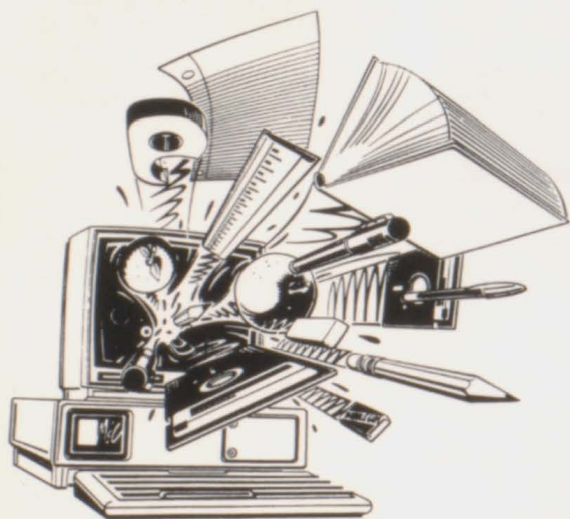

The three Booster Clubs at Peabody are Athletic Boosters, Band Boosters and Odyssey of the Mind Boosters.

ATHLETIC BOOSTER OFFICERS: Mr. Richie Cannon, Mr. Terry Brown, vice-presidents for Golden Boosters; Mt. Lynn Thompson, president; Mrs. Cheryl Crider, treasurer; Mr. Bobby Hill, vice-president/spring sports; Mr. Thomas Davis, vice-president/football.

FRESHMAN FOOTBALL

The 1993-94 freshman football team ended their season with a 5-0 winning streak.

In all of Coach John Jones years of coaching the football team, he had only had one other undefeated freshman team. That team played in the 1989-90 season.

With such a successful year, it will not be a surprise if the freshman team can bring their luck and skill to the 1994-95 varsity team. Next year's varsity football season will definitely be one to closely watch.

F ootball

They began with a victory, they ended with a victory, and in between, they did the best they could.

This is an accurate summation of the Peabody High School Golden Tide football team's 4-5 season. Although the Tide lost more games this year than they won, they still had a great season filled with much hard work and determination.

As Tide football coach Tim Haney said, "This was a year in transition. We have to get through [this year] in order to compete [successfully] with other groups [in the years to come]."

This year, the football team moved up from Class I A to Class II A, which meant that they would have to play against better quality teams than they had in the past.

Also, the Tide only had three seniors who had to work extra hard to provide leadership. Known as the Tri-captains, they were Junior Milan, Scott Griffin, and Owen Barker.

However, there were some bright spots in their bittersweet season.

In the first football game of the season, the Tide won, for a

fifth consecutive year, a victory against archrival Gibson County. This was also the third consecutive year that the Tide had played a shutout game against them.

Also, the Tide football coach believed that the "effort, desire, and hustle [this season] was consistent with previous winning teams".

The Tide also participates in fundraising. An example of this is the annual Lift-a-Thon held in the spring to improve the football facilities and to buy equipment.

On November 18, the Peabody Football Awards Banquet was held at the Trenton Elks Lodge. This was sponsored by the Peabody Athletic Booster Club.

The winners were as follows: Best offensive lineman, Stan Nunley; Best offensive back, Keith Johnson; Best defensive lineman, Cornelius Barnett; Best defensive back, Undre Phelps; Best practice player, Scott Griffin; Pepsi Tide Pride Award, Owen Barker; and Head Hunter (leading tackler), Keith Stewart.

SPIRIT WEEK

Basketball at P. H. S. was highlighted the week of Jan. 31-Feb. 4. Tuesday was Black and Gold Day. A special pep rally with a mini-concert by the stage band featured solos by Owen Barker, David Peeples and Patrick Horner and numbers such as "Jailhouse Rock", "Born to be Wild" and "Higher Love". Only those who wore black and gold were admitted. That night the P. H. S. Chorus sang the national anthem for the first time at our games against G. C. H. S. Unfortunately we lost both games.

Friday the displays were put up and judged after long hours of work. In the competitive events pep rally at 1:30 p. m. juniors placed first overall, but sophomores won the tug-of-war.

During the games against Sharon that night parents of all cheerleaders and team members were recognized. Both the Tide and the Tidettes won this time.

CONGRATULATIONS

- to the Toronto Blue Jays for defeating the Philadelphia Phillies 4- 2 for their second straight World Series win.
- To the Chicago Bulls for winning their third straight N.B.A. title after defeating the Phoenix Suns.
- to the Dallas cowboys for winning their second consecutive Super Bowl over the Buffalo Bills.
- to Emmitt Smith for capturing his third straight rushing title and being named MVP of the N.F.L. and the Super Bowl.
- to Florida State for winning the national collegiate title in football.

GOODBYE

- to Heath Shuler who decided to leave the Tennessee Volunteers to play for the pros.
- to Howie Long of the Los Angeles Raiders who retired after an 11 year pro football career.
- to Michael Jordan of the Chicago Bulls who retired after nine seasons of pro basketball.
- to the New York Jets coach Bruce Coslet, fired because of the teams' inability to maintain leads and come back from large defeats.
- to Buddy Ryan, one of the slugging coaches of the Houston Oilers, who left to become head coach of the Phoenix Cardinals. The Cardinals coach, Joe Bugle, was fired due to a third straight losing season.
- to Lawrence Taylor of the New York Giants who ended his 13 year pro football career.
- to Nolan Ryan, pitcher for the Texas Rangers, who retired.

FANS: How Far Will They Go?

Everyone has an idol, but some carry their admiration too far - even to injure an idol's opponent so that the idol can be victorious. Such was the case of Guinter Parche, whose idol is Steffi Graf. At a tennis match in Hamburg, Germany, Parche did what Steffi was unable to do: beat Monica Seles. Parche ran onto the court and stabbed Seles, putting her tennis career on hold for a while.

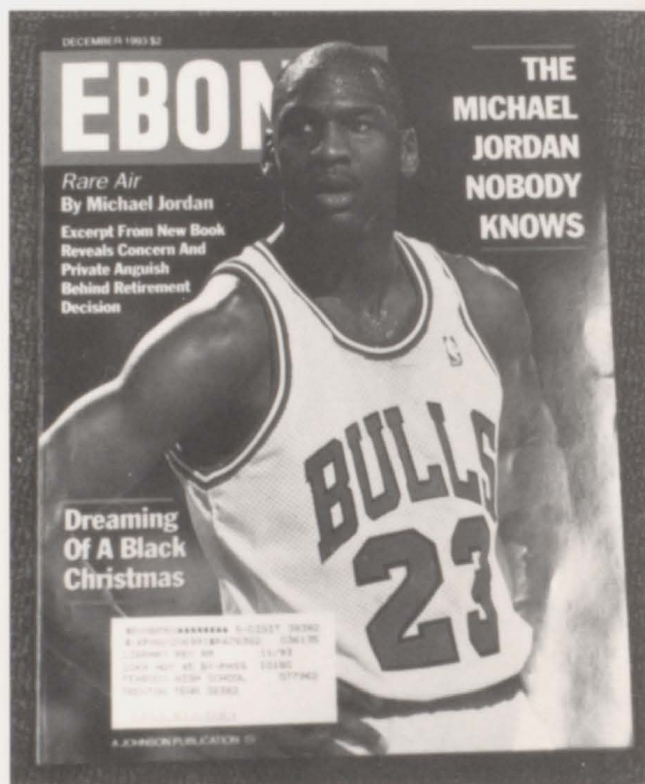

Fans can celebrate victories to an extreme, also. In June of 1993 after the Chicago Bulls won the N.B.A. title their fans went on a rampage that resulted in 700 arrests.

Oct. 30, 1993 the University of Wisconsin celebrated its first football victory over the University of Michigan in 12 years. Fans (12,000) stormed the field, tore down goals and injured more than 60, three critically. It may be safer just to watch games on TV!

OLYMPICS '94: Nancy, Tonya, Moe

Before the games started strange news hit the media. In Detroit preparing for the nationals, figure skater Nancy Kerrigan was attacked by a baton wielding man who injured her knee. Police arrested four men, one the ex-husband of Tonya Harding, Nancy's biggest rival for a place on the Olympic team. What was Tonya's role in the plot? Her ex pled guilty. Both skaters eventually went to Lillehammer, but the public was made aware of the intense rivalry for the big bucks a gold medal may bring and what some will do to eliminate competition.

Alaskan Tommy Moe made the U.S.A. proud on Sunday, Feb. 13 when he unexpectedly won the gold in men's downhill skiing, the first American to win it since 1984. Thursday, Feb. 17 he won a silver for the super-giant slalom. U.S. skier Diann Roffe-Steinrotter won the gold on Tuesday for the women's super-G. Yea for Tommy and Diann!

SURPRISE!

When announcing his retirement from basketball in October Michael Jordan was still grieving for his father who was found murdered in South Carolina in August. In January he was sighted at practice with the Chicago White Sox and rumors were he would go to spring training with them. BASEBALL? He later said "I've never been afraid to fail. — But I couldn't accept not trying". He felt a need for a new challenge in life, and manager Ron Schueler said the odds were a million-to-one. He signed a AAA minor league contract Feb. 7 with the Nashville Sounds and reported to spring training Feb. 14. The Sounds ticket sales went through the roof!

MOVIES '94

Steven Speilberg's film "Jurassic Park" opened with over \$100 million in sales in a record nine days. By October it had beat Speilberg's "E.T." with \$712 million world wide ticket sales, making it the highest grossing movie of all time.

"It had good visual effects" - Kerrie Crossnoe

"I loved it! It was the best movie! I was on the edge of my seat the entire time!" - J.M.

"Sleepless in Seattle", starring Tom Hanks and Meg Ryan, was a tear jerker.

"I cried through the entire movie."-C.S.

"It was very romantic." R.P.

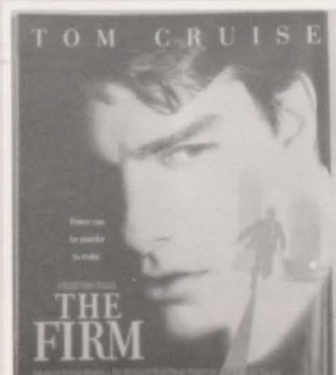

"I didn't like it because it didn't show what happened after they met."-Misty M.

"I liked the fact that there was no violence, bad language or nudity."-Ms. Fron

"It was cute but not realistic."-Ragan Elliott

"The Age of Innocence" was not very popular in this area, but it was a big hit with critics. The movie, as well as its stars, Daniel Day Lewis and Michelle Pfeiffer, were nominated for an Oscar.

"The Firm" was very popular in West Tennessee because it was filmed in Memphis. It hit home with a lot of people.

"Law is prejudice to society."- LaTosha Walker

"The book was much better than the movie."-Beth Davis

"It was very suspenseful - I liked Tom Cruise's car."- Carla Swift

THE ART DEPARTMENT

These artists from Peabody were recognized in the U.S. Art Awards Yearbook: Charity Brannon, Bobby Copley, Jody McHugh, Erik Blasen, Catherine Weems, Amanda Hamilton, Mistina Walker, Wade Eddings and Julie Davis. Bobby Copley and Charity Brannon have two paintings each selected for the Brooks Museum Mid-South Exhibition in Memphis; Bobby received a Silver Key on both his entries.

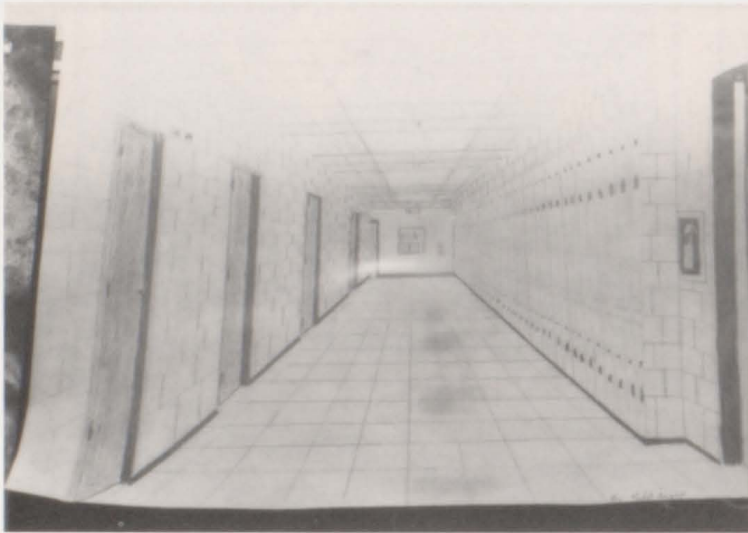

Brandi Doss works on sculpture.

Charity Brannon shows one of her paintings that was not in Memphis.

BLACK HISTORY MONTH

February is Black History Month, which gives an opportunity for African-Americans to celebrate their heritage and to learn more about contributions made to this nation by their people.

This year P.H.S. had planned activities throughout the month. Ms. Charlotte Doaks and Ms. Sonya Dodd organized materials and rehearsed students in their roles. On Feb. 9 students presented a program to the entire student body at an assembly in the gym. Students participating were: LaToshia Walker, Shannon Johnson, Adrian Doaks, Timeaka Robinson, Kila Washington, Devin Link, Shanida Rose, Junior Milan, Cornell Dowell, Adolphus Walker, LaAron Banks, Shaun Fields, Christy Ford, Sarah Hyde and Bridgett Anderson. They profiled great Black Americans, recited poetry and sang.

Black leaders of the town were invited, given certificates of appreciation for their work and served lunch, which was a special menu planned for the day.

MARKING THE

Memorable moments and faces of 1993-94.

THE DAYS at PHS

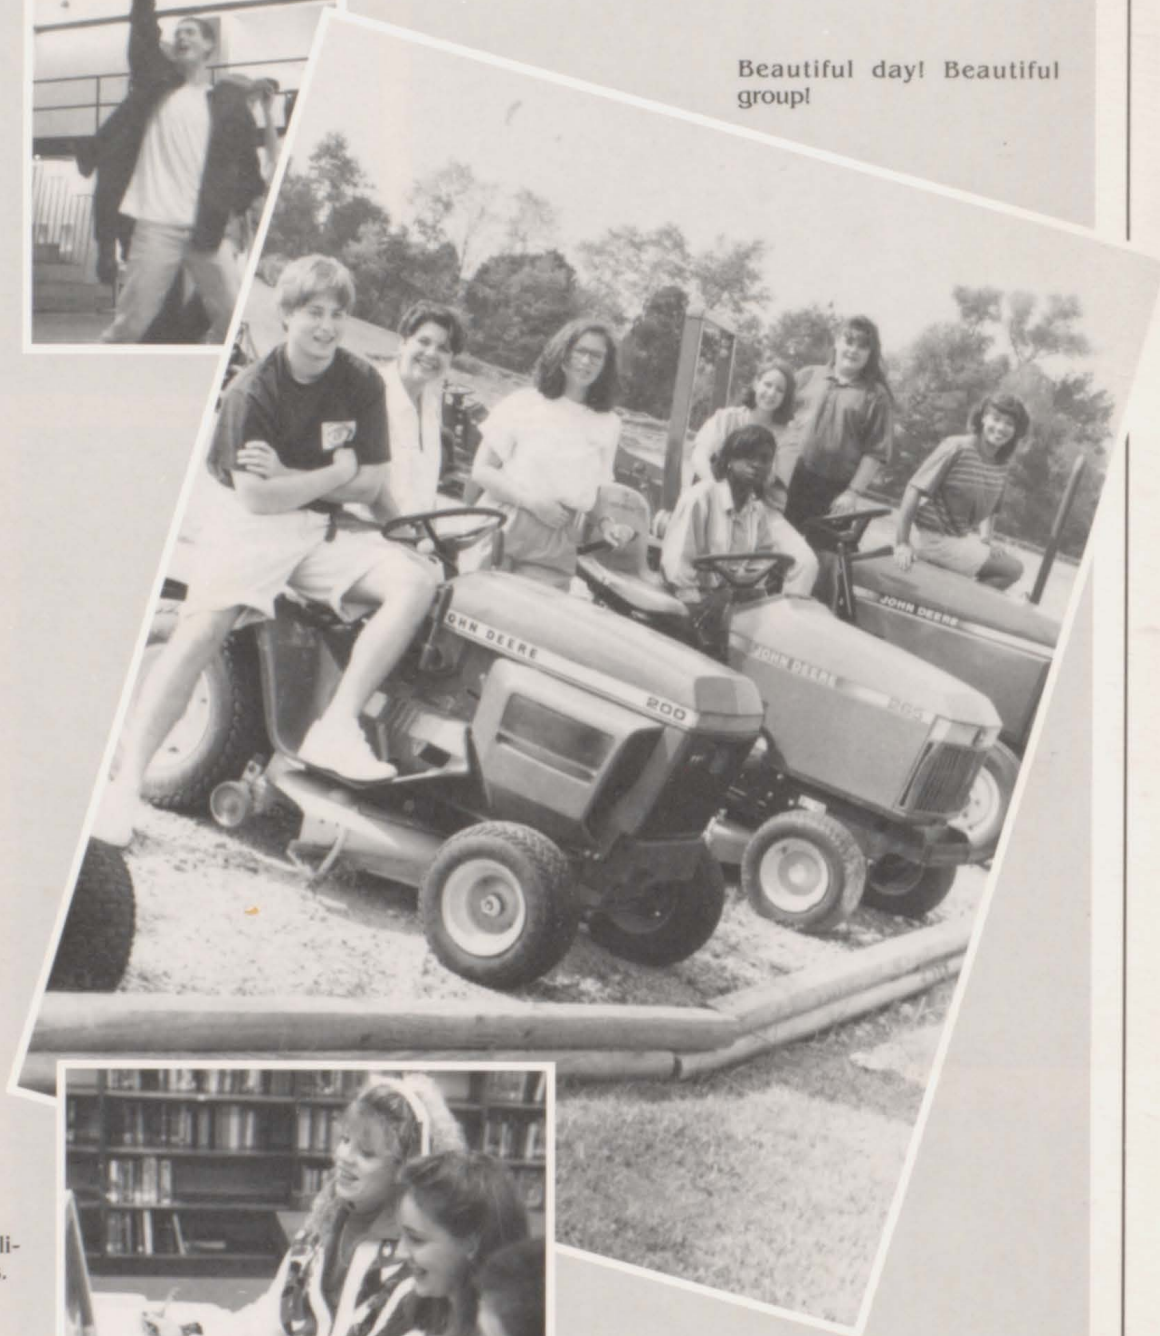

The many moods of '94 - some sweet, some sour.

IN CLOSING

There is a time to laugh, a time to cry, a time to smile and say good-bye. It isn't always easy, but anything worth doing never is. We have learned to deal with success and failure. Perhaps when a future class looks through this annual, they will see what we have done and appreciate what we left.

The big man is out o'here!

Beautiful day! Beautiful group!
