DEDICATION

For four years he has pushed P. H. S. students to do their best. He may be tough on his band members and students, but he cares very much about each one of them. He is a very important part of our school, giving us entertainment at half-time, setting up the gym for assemblies, teaching the basics of music and always stressing discipline and reaching our goals.

Mr. Tony Burriss is very dedicated to his work which makes him very special to P. H. S. students.

You must not be afraid to travel
 Where there are no roads
 You must not give in to the darkness
 When there is no sign of light.
 You must not be afraid to grow wings
 When you are tired of the ground.
 You must not be afraid to swim
 When you are nothing but a stone.
 If experience is the child born of
 risk, then
 Acceptance is the old man born of
 dreams.

- - Nancy Ward

HOMECOMING '94

The amoeba race begins during the Clash of the Classes.

This year Homecoming was a little different. Monday was Halloween, and what could be more right than to have the theme as Halloween? Everyone dressed in costumes. Tuesday was "Twinkie Twin Day" and Wednesday was Flannel Day, when everyone wore something made of flannel. Thursday we wore a sweat-shirt with a logo of our college preference on it. Finally, on Friday, we proudly wore our class T-shirts.

Friday the weather was nice enough for us to have the Clash of the Classes, which the juniors won, on Freed Field. Skits were given in the gym before we left, and the juniors won. Seniors won the Spirit Loop competition.

That night Peabody was victorious over the Adamsville Cardinals, 40-8. Last, but not least, we celebrated the victory with the dance at the Elks Lodge.

The 5 - 1 season was marred only by their single loss to Milan. The schedule was:
 McKenzie - 27 - 6
 Obion-Central - 31 - 8
 Milan - 16 - 36
 Huntingdon - 18 - 13
 Gibson Co. - 42 - 0
 Dyer Co. - 32 - 6
 After winning seasons as a middle school team, their hopes were up for more of the same, but with a new coach and more competition, they did not know what to

expect. These excellent young athletes worked hard, but their good record this year will not assure them success on the varsity unless they continue to improve. Nevertheless, there are "great expectations" for their future at Freed Field.

Coach Massey watches the Gibson Co. game from the sideline.

"We worked hard and learned a lot of football from Coach Massey," said Frederick Agee, freshman quarterback.

THE GOLDEN TIDE

The 1994 Golden Tide became the first P. H. S. football team to qualify for the state playoffs in the AA Division. The regular season ended 6 - 3, but they continued to roll on to a 32 - 0 win over Evangelical Christian School in Memphis. In the second round of T. S. S. A. State Playoffs we lost to Lewis Co. H. S. at Hohenwald by a score of 12 - 14.

GIRLS' BASKETBALL

Beginning in mid-November the Tidettes got off to a running start with a new coach, Mr. Ricky Hooker. With a large group of freshmen, every Tidette played hard throughout the season to a record of 12-14. Inexperience and injuries prevented a better record, but laid the ground work for a better '95-96 season.

Coach Ferguson continued the Tide's winning tradition by finishing 21-5. With the defense of Jeremy McEwen and offense of Eric Wilkes, Travis Brooks, Kevin Easley, the Tide hoped for another trip to the state tournament.

SPIRIT WEEK

Spirit Week was "squeezed" this year! Three games in the week chosen with the last one on Thursday meant we only had 3 days to get banners drawn, painted and up. Then snow hit on Tuesday, school was out and that left 2 days, but they were up by noon Thursday. Monday was Hat Day, Wednesday we dressed in our "Sunday best" and Thursday was Theme Day. Each class dressed to illustrate their theme. Seniors, "The Best Over-all", wore overalls with their class T-shirts and sunflowers, their class flower. Juniors, with their theme "Wear Them Outside", wore their clothes inside out. Sophomores' theme was "You Can't Sweat the Best", and wore sweat suits. Freshmen theme was "Swat the Yellow-jackets" and they wore jerseys. Thursday class competitions were held with the seniors coming in first, juniors second and freshmen and sophomores tied for third. That night both teams won their games against Greenfield: the girls by a score of 49-35 and the boys by 84-56.

Thursday night was Parent Night for both teams and the cheerleaders.

BOYS' AND GIRLS' STATE

Boys' and Girls' State is a wonderful opportunity for rising seniors to learn more about their state government. Sponsored by the American Legion, four boys and three girls spend a week operating a mock city, county and state government.

Girls' State was held from May 28 - June 4 at Middle Tennessee State University, and Boys' State delegates met at Tennessee Tech from May 22 - May 28.

Upon arriving each delegate is assigned to a city, or dorm floor, in which they reside for the week. City, county and state officials are elected ending with the final election of governor at the end of the week. Each delegate plays a vital role in this process. Not only do students learn how to effectively run a government, they make lasting friendships.

GIRLS' STATE DELEGATES: Mistina Walker, Tiffany Tomlin, Kim Bufford, alternates. Catherine Weems, Torry Smith, Lisa Finch, delegates.

"I'll never forget when everyone in my city sang to the cafeteria lady because someone from my city had a crush on her." - Keith Stewart

Facing the "real world" - what a challenge!

How many times have our seniors heard "Just wait until you are out of high school - then you will get to see what the real world is like"? True, there will be more responsibilities and several important decisions to make; but there will also be wonderful opportunities and challenges. It is my wish that as you teeter on the "edge of reality" you position yourself to be ready to spring to higher ground rather than drop into a downhill tumble. It is my hope that you use your experiences from your education as a springboard to a wonderful life.

SENIOR CLASS OFFICERS

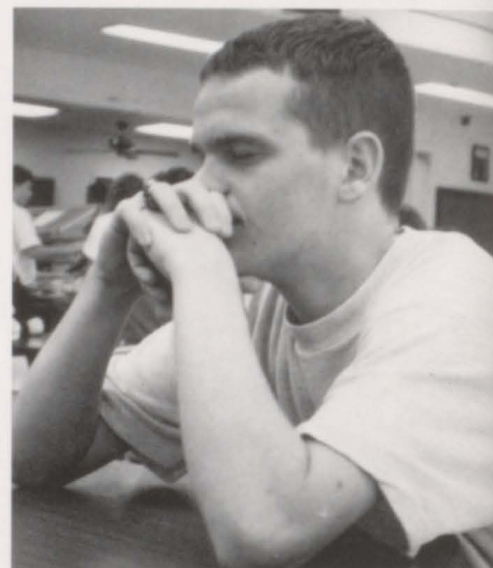

There were mixed emotions for a group of ninety students August 16 because for them, it was the beginning of the end. Their years of hard work and determination had paid off, and they had earned the title SENIORS. As they realized exactly what it meant to be a senior, they were hit with anxiety, excitement, fear and pride. The 1995 Senior Class is different due to many unique and talented individuals. At times we have conflicts over ideas, but we always manage to unite to be the best. Along the way we experienced victory and defeat, but no matter what the outcome, we grew closer and stronger.

Our days at P.H.S. will soon come to an end and bring the reality of adult life, but the memories we have made will last a lifetime.

After graduation, as days evolve into weeks, months and years, one thing is certain - the Class of '95 will not be forgotten!

Our feelings for one another grow stronger everyday, which is proven in things we do. We are individuals, yet we are a family working together to be the best that ever entered Peabody. On the right side, there is a vertical strip of black material with a jagged, sawtooth-like edge that separates the marbled paper from the rest of the page. FRESHMEN CLASS OFFICERS

With a little apprehension and tremendous excitement, our class is honored to join the P. H. S. family. In a rapidly changing world, we come to learn, to achieve and participate in the total high school experience. As individuals, we want to attempt to be the best that we can be. As a group, we will endeavor to function as an integral part of, not only our school, but our community as well for the next four years. Our strengths lie in our diversity and independent thought and our friendships will endure a lifetime. Our goals are clearly defined. We must strive to uphold the tradition of high standards and the pursuit of excellence set by those who have preceded us down these hallowed halls. We come to expand our horizons and prepare to face the realities of modern American society. We will reach for the stars while keeping our feet firmly planted on the ground.

FRIENDS MEMORIES WE'LL NEVER FORGET FRIENDS

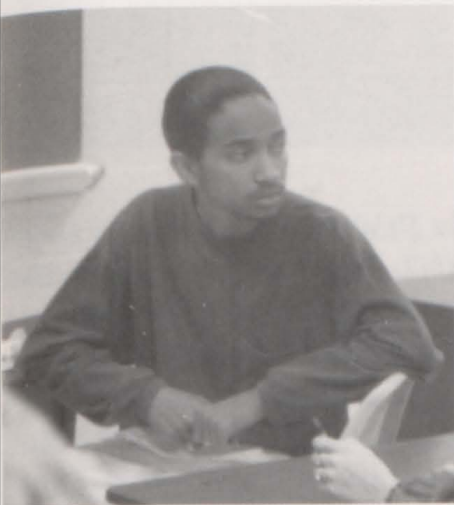

PATHWAYS

Memory builds a pathway
That goes winding through my heart.
It's a lovely, quiet, gentle trail
From other things apart;
I only meet when traveling there
The folks I like the best
For this road I call remembrance
Is hidden from the rest;
But I hope I'll always find you
In my memory rendezvous
For I keep this little secret place
To meet with folks like you.

OUR VERY LAST DAY

Our very last day is drawing near,
the final day of our senior year.
A time to laugh, a time to cry,
but never time to say goodbye.
It seems like only yesterday
when we went out on our first date.
Do you remember what our parents
said when we were late?
The very next day our friends
were all curious,
to see if our parents were furious.
Our friends were always there
to get us through the day,
and somehow they always knew
the right things to say.
Now the day has come,
the day is finally here.
We always thought we couldn't wait
but now we're all in tears,
because we want just one more day
to tell our friends goodbye.
It could be awhile before
we see them again
and we can't help but cry.
We're not completely sure of
what to do or say,
but if we had a wish,
We'd wish for another day.

Dedicated to our daughter,
Betsy Rene' Keel
Class of '95

A daughter is like a flower-
A rose to be exact,
Or maybe like a brand new gate
That never comes unlatched.
A daughter is like an owl,
Both beautiful and wise
Or perhaps a daughter is like
a ghost,
Whose spirit never dies.

Love, Mom and Daddy
