Dedication

This year our dedication is to someone very special. She is very close to a certain group of students. She joined our class when we began middle school and left us to go to High School. Two years later, we were reunited with our well-respected friend and librarian. She is greatly appreciated by each staff member. Many of us thought she had an easy job, but this year we've realized how much she does to keep things running smoothly. The Annual Staff would like to say "Thank you", for all you have done. This year the 2000-2001 Annual Staff dedicates this year's annual to Ms. "Mary" Lee Sharp.

Ms. Sharp's favorite sayings; "Get your feet off the table", " Don't lay down, Coach Ferguson will see you", " The library IS NOT a hallway!"

SENIOR OFFICERS: Angela Coble, Liz Etheridge, Eric Howell, & Marquessa Johnson

I want to thank the faculty who have been here from the start with their hands upon our shoulders guiding us along our way.

As the end of this journey draws near, I would like for everyone to stop and look back at all the good and bad times we have had with one another because these are memories we will never forget. I can remember graduating in kindergarten like it was yesterday. We've come a long way from graduating in garbage bags to graduating in a real cap & gown!

Many classes have walked the halls of Peabody High School, but none as prestigious as the class of 2001! Our lives are changing and we must choose new paths to follow. I wish success and luck to my fellow classmates and thanks for making this a great Senior Year!

Boys' and Girls' State

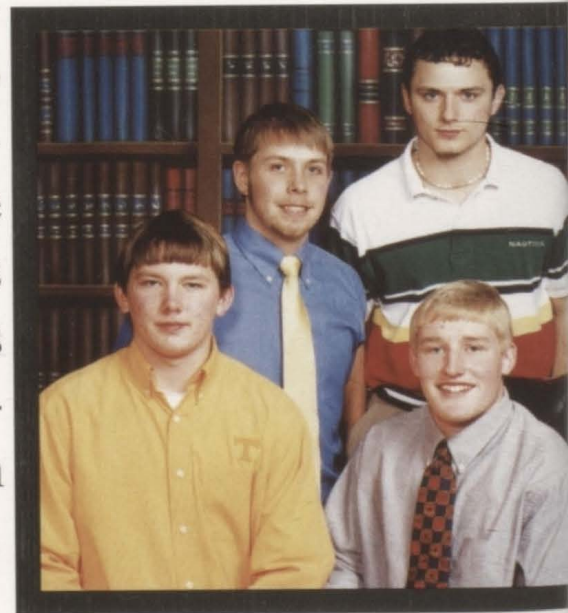

Last summer Sunni Ferguson, Laura Cavadel, and I visited Volunteer Girls' State in Murfreesboro. This experience helped learn about our government. When we arrived at VGS we were each assigned to a city dorm floor. During the week we elected government officials. We had opportunities to run for these offices. Besides the elections, we had fun playing VGS Olympics and the fashion song competition. It was a learning experience to learn more about our government. It was a fun and exciting week.

Marquessa Johnson
Girls' State Delegate

This past summer Mitchell Griffin, Vincent Remkus, Brett Whaley, and I were rewarded with the opportunity to expand our knowledge of Tennessee Government. We went to the Tennessee Tech. campus along with 400-500 other guys and studied government. We enjoyed listening to great speakers such as Don Sundquist. We made many new friends and enjoyed our stay at Tennessee Tech University. We would like to thank the American Legion and the teachers that nominated us.

*Jennifer Bobbitt-President,

First, I want to thank the sophomore class for a wonderful year and for voting for me. Our class has been through a lot together. We are going to continue to grow as a whole. As sophomores, we have matured into young adults. We are halfway down the road in high school. I really had fun working with the other officers and student council members. I was very excited to follow in the footsteps of a wonderful leader. As she always said, "I can do all things through Christ who strengthens me." Hopefully, I will be following her footsteps again next year.

In Loving Memory
of
Cynkenya Diane Cole
Nov. 30, 1984 - April 27, 2000

A well known and admired freshman student at Peabody, Cynkenya was a promising athlete who took part in school activities. She was also a very loyal class president who took charge and took her position seriously. Cole's favorite bible verse is, Phil. 4: 13 - I can do all things through Christ which strengthens me. This kept her reaching for her goals and achieving every obstacle that came her way.

In Memory of her friends & fellow classmates.

To my fellow freshman class members of 2000-2001, first of all let me say that I personally feel blessed to have represented you as your president this year. You are a very special group and the potential of leadership is great among you all. The way we started out with seven or eight of us running for president speaks to that fact. This potential was also served in the selecting of other class officers that could help get the job done. I was very pleased how our class pulled together as one, as we worked on the display and were rewarded with 1st place. (Which was great people!) So, in closing, I say thanks to the Peabody teaching staff for a great first year, and to my classmates that supported and stood by me. So to the Upper Classmen we say, look out. Because if you don't know, you better ask somebody....

This year the annual staff worked very hard at designing pages for the yearbook. Creating articles, taking pictures, inputting names, and selling ads are only a few of the tasks that had to be accomplished this year. This year we gained many new members. We try to diversify our annual each year. This year we used digital technology to increase involvement among staff members. As annual staff members, we work hard and take on difficult responsibilities that we never thought imaginable.

We work diligently to provide the school with a book of timeless and unforgettable memories. We hope that this annual gives you a chance to take one last look at the previous year and to treasure these priceless moments of life. We strive to make every moment at Peabody an everlasting memory. We hope the annual is as special to you as it is to us!

Staff Assistants

The office assistants are always prepared to do different tasks. They run errands, duplicate papers, and answer the phone in the office. They are of great help to the office workers.

The guidance assistants help Mrs. Nunley prepare for upcoming events and special occasions. The guidance assistants run various errands allowing Mrs. Nunley to help the other students.

The library assistants help Ms. Sharp by filing books, checking books in and out, and updating the magazine racks. They also help Ms. Sharp help the students locate the books they need.

The bookstore assistants come early in the morning just to help the students get the supplies they will need the day. They sell notebooks, pencils, pens, graph paper, rulers, folders, poster boards, and index cards, as well as many other items.

Student Council

The 2000-2001 Student Council members definitely exemplified the aspects of outstanding overall individuals. Our Student Council put together this year's Homecoming activities and dance. The Junior Rotary Club is a community organization sponsored by The Trenon Rotary Club and Mrs. Nunley. The club's main objective is to provide service for our community. The club has participated in many various community projects this year. We have collected can goods for needy families, baked cookies to show appreciation for people in our community, and raked leaves for shut-ins. The club's main goal is "to give back to the community, for the community has given so much to us."

The Bible Club had a good start this year. We had a lot of people to join. At Christmas we sponsored some children. We raised a good bit of money for the children. This activity turned out well. The money came from the students at lunch. We still meet every Thursday and have a devotional. We would like to wish all Seniors Good Luck.

CREATIVITY IS THE MIND'S SEARCH FOR THE ORIGINAL. IN ART WE VALUE CREATIVITY AND THE MIND'S SEARCH. WE OFTEN HEAR THAT HAPPINESS IS FOUND ON THE JOURNEY NOT IN THE DESTINATION. THIS IS ALSO TRUE FOR PEABODY ART STUDENTS. WHILE WE ARE ALWAYS PROUD OF THE FINISHED PRODUCT, WE REALLY ENJOY THE STEP BY STEP PROCESS INVOLVED IN MAKING THE FINAL PRODUCT. WE INVITE YOU TO TAKE AN ART CLASS AND FIND OUT FOR YOURSELF.

On behalf of the annual staff we would like to thank Barbara Cole for helping us meet the deadlines for the annual, and for being so patient with us. She kept in contact with Ms. Sharp to make sure the right pages were done and sent off in time to meet the deadlines.

We appreciate all you have done to help us!

Pep Club & Pep Band

It has been many years since Peabody has had a Pep Club. This year we decided to bring that tradition back. The Pep Club members payed seven dollars for membership. With this fee, we received a t-shirt and a less expensive ticket to all the home football and basketball games. The Pep Club made the pep rallies more fun by including the student body in games and contest!. We hope that the Pep Club will be around for many years to come!

2000 GOLDEN TIDE FOOTBALL

THIS SEASON, EVEN THOUGH WE DIDN'T HAVE A GREAT RECORD, WE STRIVED TO DO OUR BEST. WE STARTED OUT WITH A 2-5 RECORD, BUT CAME BACK TO 4-5. WE LOST A HARD FOUGHT GAME TO HUMBOLDT, AND FINISHED THE SEASON WITH A BIG WIN OVER GIBSON COUNTY! WE ENDED THE SEASON 4-6.

ALTHOUGH WE HAD A COUPLE OF TOUGH LOSSES, WE STILL HAD A FEW GREAT WINS. WE WOULD HAVE LIKED TO HAVE DONE BETTER. WE THANK THOSE OF YOU WHO SUPPORTED US. I HOPE PLAYERS TO COME HAVE AS MUCH FUN AS WE DID.

HOMECOMING WEEK 2000

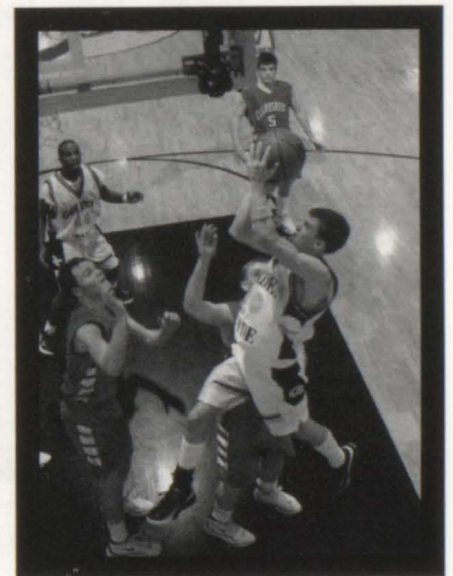

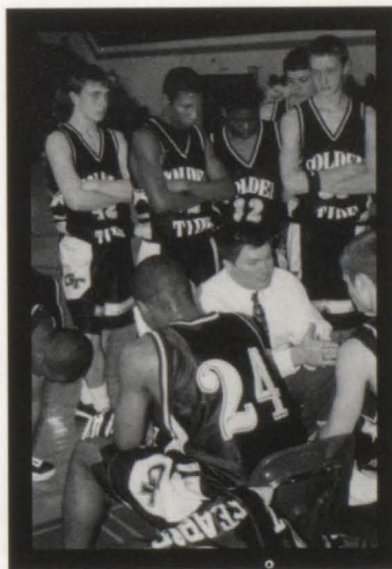

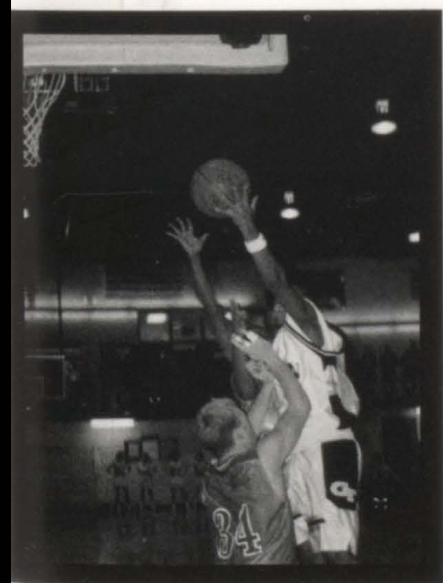

BOY'S BASKETBALL

This season a lot of playing time was seen by young players. Having two juniors, four sophomores, the team experienced a lot of mistakes. However this team played extremely hard and never quit. I am very proud of them. The playing time, which has given them the much needed game experience, along with everyone returning next year, should make for an interesting season in 2001-2002.

WITH SIX RETURNING STARTERS, EXPECTATIONS WERE HIGH FOR A SUCCESSFUL SEASON. AFTER A TOUGH EARLY SEASON, SCHEDULE OF AA AND AAA TEAMS WE NEEDED OFF 8 STRAIGHT WINS TO CAPTURE THE REGULAR SEASON TITLE. WE THEN WON AN EXCITING 11 INNING GAME AGAINST HALLS TO CAPTURE THE DISTRICT CHAMPIONSHIP. WE FINISHED 2ND IN THE REGIONAL TOURNAMENT TO ADVANCE TO THE SUB-STATE TOURNAMENT IN JACKSON. ALTHOUGH WE DID NOT MOVE IN TO THE STATE TOURNAMENT, WE FEEL WE HAD A VERY SUCCESSFUL SEASON AND ARE VERY EXCITED ABOUT NEXT YEAR'S TEAM.

TENNIS

The girls and boys team both finished second in the District. Matthew Lofton and Dale Martin captured the first place title in doubles. Svenjo Berens and Brett Whaley finished second in Districts in doubles. Our exchange student this year, Anna Aschenbrenner, won first place in Districts and Regionals. she advanced to the State Competition in Chattanooga. The tennis team attended the ATP Tour in Memphis. Thanks to Coach Nunley for all his hard work and dedication.

Linsey Harper & Ashley Sullivan

Soccer

This year's senior girls started out the soccer program four years ago at Peabody, that is why this season was the greatest. We have all greatly improved and grown. The team came in runner up in the District. Martin was a tough team to come up against, but we stayed close behind and came up one goal short of a tie. The first round of the regionals was difficult to play. All the girls worked and played hard. We had a lot of Sophomores step up and take the roles they will need to be for next year's season. Good luck to you underclassmen! We will miss you.

Senior - Carla

The guys soccer team has been much better this year than our first year. We have made great strides and played against tough teams. Underclassmen stepped up and played hard. Jay Jewell and Nick Borrego were the leading scorers. Goal keepers, Erik Rowan & Justin Forrest made many saves that helped the team defeat their opponents.

Seniors - Erik Rowan & Jay Jewell

Jay Jewell, Brandon Gruber & Nick Borrego made all district.

Ashley, Your Jersey number has always been # 10, But you are #1 in our hearts. You came into our lives on December 14, 1982. Over the years you have brought us precious memories and much joy. It seems like only yesterday we were videotaping your kindergarten graduation. You have grown into a beautiful, caring, and admired young lady. The future lies ahead of you with all of its uncertainty. Attack it as you have your athletic contests and you will be successful. Always keep CynKenya's favorite Bible verse in your heart: "I can do all things thru Christ which strengthens Me" Phillipians 4:13

A Daughter's Gift

When I imagine
the life you will live,
I think of the pleasure
your presence will give.
I see the joy your smile will light
and the wonders you'll weave
when your dreams take flight.

I feel the hope
that will grow with your grace
and the difference you'll make
to each heart you embrace.

I imagine your life
as I know it will be;
for, my daughter, you've given
all this to me.

The love between a mother and her child is a bond of the strongest kind. It is a love of the present, interwoven with memories of the past and dreams of the future. It is strengthened by overcoming obstacles and facing fears and challenges together. It is having pride in each other and knowing that our love can withstand anything. It is sacrifice and tears, laughter and hugs. It is understanding, patience, and believing in each other. It is wanting only the best for each other and wanting to help anytime there is a need. It is respect, a hug, an unexpected kindness. It is making time to be together and knowing what to do and say. It is an unconditional forever kind of love.

My Angel AND Friend

I never thought that I would find
A friend so great and a friend so kind
I look up to you in every way
'cause I learn something from you every day.

Without you I don't know where I'd be
But you're still here, friends with me
You deserve so much more than I can give
But without you I wouldn't live.

You've given me more than money can buy
And for you I'd give my all and I would die
This feeling I feel gets stronger every day
Hoping not to screw it up, I constantly pray.

I know we have our problems every now and then
But once it's fixed our friendship is better times ten
And I want you to know that I truly so care
Even in fights when I say things that aren't fair.

You're an angel from God up above
And I'm thankful for your understanding love
Because when you're around everything seems right
and for you, until the end, I will fight.

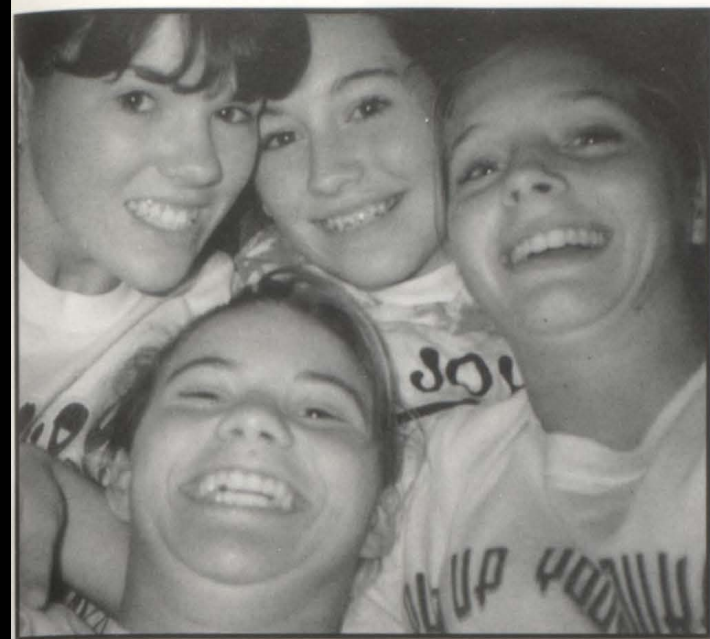

It doesn't matter what you do or say
Because you'll be my friend anyway
I know the real you that's down deep inside
And in you, I'll always confide.

Thanks for being the friend you are
You're my best friend, an angel by far
Everything in you is an inspiration to do great
And you'll be loved by all cause that's your fate!

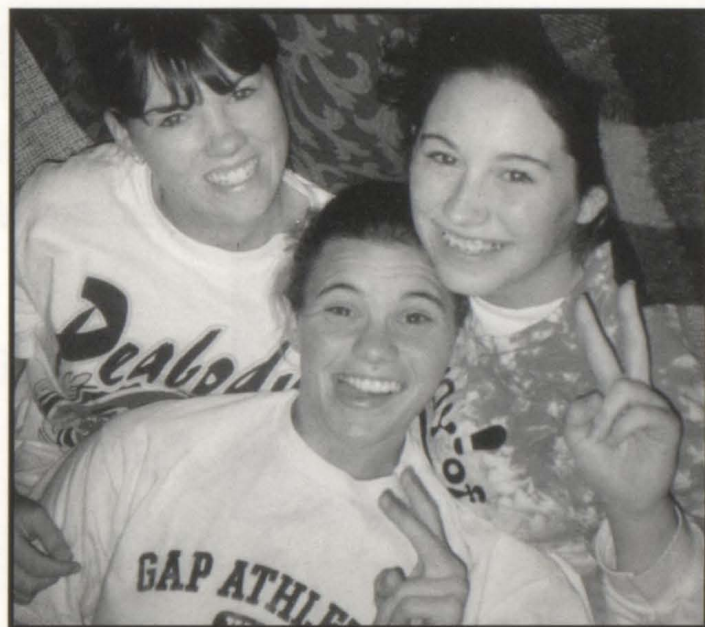

So never stop being the real and wonderful you
Cause God shines through in all that you do
And whenever it seems like I'm never there
Remember this: I love you & I'll always care!!!

True friendship multiplies the good in life and divides its evils. Strive to have friends, for life without friends is like a life on a desert island... to find one real friend in a lifetime is good fortune; to keep them is a blessing.

I will not shed a tear as graduation approaches
 Because I know it isn't the end.
 A friendship like ours will not be broken by absence,
 But strengthened as time goes by.
 I will hold on to the memories of the past
 And hope for the future.
 I will remember how we've strived,
 I will remember how we've laughed,
 I will remember you!

Eric,

We watched you eat your first french fries (which was a little messy) & and shoot your first bb gun (we knew you'd be a big sportsman after that) Those were just a few times we've spent with you that we'll never forget. We are very proud of you & we love you very much.

A special friend is someone who will always mean so much, someone who will always care and always keep in touch. There's a miracle called friendship that dwells within the heart, and you don't know how it happens or how it gets its start, but a special lift & you realize that friendship is God's most precious gift!

Best Friends

Adrienne,

God truly gave us a gift, (a birthday gift), on February 12, 1983. Since that day we have enjoyed everything you have been involved in. You have gone from homemade potions to Chemistry experiments, a Little Tikes car to a Pontiac Sunfire, and banging pots and pans to leading the band.

You have the most giving spirit and you put your heart and soul into everything you do. For this, we are most proud. Always, in all ways, share your light with those around you so that they may also shine.

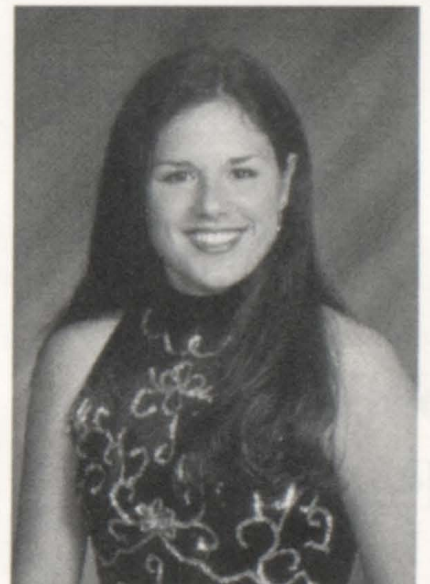

*I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I
Took the one less traveled by,
And that has made all the difference.*

We've made each other laugh when everything was going wrong, and even though we've had our problems, our friendship has grown strong. It's an understatement to say we've been through a lot, but we've pulled through it every time. Whenever we need each other, day or night, we're there at the drop of a dime. After we graduate we'll keep each other in our minds cause the memories we've made together will never be left behind.

The Election 2000

After five weeks of hand recounts, court appeals, concessions and retractions, Vice President Al Gore's final concession of the presidency to Texas Governor George W. Bush and his vice-presidential running mate Dick Cheney brought an end to one of the longest and most eventful elections in American history.

What happened? The Election at a Glance:

November 7 (Election Day): Shortly before 8 p.m. EST, the major television networks estimate Al Gore and vice-presidential running mate Joe Lieberman the winners.

With a too-close-to-call election throughout much of the nation, Florida becomes the key state in deciding the winner, as the next

president will need Florida's 25 electoral votes to win.

November 8: At 2:15 a.m., results from Florida begin to suggest George Bush carries the battleground state. Gore concedes the election to Bush, thinking Bush has at least a 50,000 vote lead. Forty-five minutes later, Gore gets word Bush's lead has shrunk to only a few thousand votes, and retracts his concession.

Due to the closeness of the election, the focus turns to questionable ballots and fair voting practices.

In St. Louis, Mo., a controversy arises over a lower court's ruling to keep the polls open past the 7 p.m. deadline.

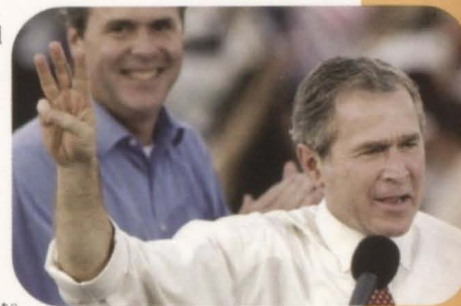

AP Photo/Phil Sandlin

In Palm Beach County, Fla., an unexpectedly large number of votes for Reform Party candidate Pat Buchanan lead to questions about the legitimacy of the punch-card-style "butterfly ballot."

AP Photo/Victor Cavano

November 9: Gore's team requests a hand recount of ballots in four Florida counties, Palm Beach, Miami-Dade, Broward and Volusia.

November 16: Bush's lawyers submit written arguments to the U.S. Federal Appeals Court to end recounts.

November 22-December 8: Hand recounts and legal battles continue, making the word "chad" (the small piece of paper punched out of the ballots) a household word.

December 9: The U.S. Supreme Court halts the manual recounts and sets a hearing for two days later.

December 13: In a public concession speech, Gore states he no longer wishes to prolong the election, and yields the presidency, making George W. Bush the nation's 43rd president, and the first chief executive since Benjamin Harrison in 1888 to claim the office with the majority of electoral votes but a minority of the popular vote nationwide.

A statue of wheelchair-bound **President Franklin Delano Roosevelt** was dedicated as the centerpiece of the Franklin Delano Roosevelt Memorial in Washington, D.C. Only two pictures exist showing the President in his wheelchair.

Stricken with polio at age 39, which caused him to lose the use of his legs, Roosevelt kept his handicap a secret for political reasons. The National Organization on Disability fought for six years to get a statue that showed the President as he lived.

Unusually cold temperatures and the lights of the holiday season put a crunch on the **California utility market**. Exorbitant electricity prices coupled with the threat of rolling blackouts angered consumers who were urged to conserve power, and even take down holiday lights. Despite a cap on the state's utility rates, the California Public Utilities Commission approved a 26 percent rate increase to help the two largest utility companies out of \$9 billion dollars of debt. Blackouts throughout the area caused local merchants to suffer and lose revenue.
