# Faculty and Staff

Mickey Young  
Principal

Peabody High School is a very special place. As I have experienced my first year as Principal, I have come to realize and appreciate my good fortune in being given the opportunity to be here. The PHS faculty, staff, and student body have all been very supportive and encouraging in making me feel so welcome here.

Our community support, dedicated faculty, dedicated staff, and outstanding student body combine to provide the educational experiences that sustain school pride, school spirit, and special traditions.

I appreciate the special efforts of this annual staff and their sponsors in providing this special book of memories for us. It is my hope that your participation at Peabody High School has enriched your life and prepared you for the future.

# Dedication

She started her teaching career at Peabody in 1994. For the past eight years she has not only taught school subjects to her students but life lessons to all who listen. She is not only a teacher but also a mentor and friend. She is always supporting Peabody wherever she goes; she is truly our biggest fan. As teacher, cheerleading sponsor, and proud mom, she is at all events. Not only is she the embodiment of the Peabody Spirit, she is a wonderful mother and wife. Therefore, we, the annual staff of 2001-2002, are extremely honored to dedicate this year's annual to Mrs. Cindy Taylor.

*To the faculty,*

*We would like to thank you for molding us into the strong individuals we have become. You have guided us through the hard times, and taught us valuable lessons about life. We could not have made it this far without your love and understanding. You will always hold a special place in our hearts.*

*To our fellow classmates,*

*It has been a long hard journey, but we have finally arrived. We are now at a point in our lives where we will soon depart and go our separate ways. Work hard, but in all you do, never forget the memories we have made here at Peabody High School.*

# Boys' and Girls' State

*Last summer Jeri Jones, Nicole Seward, and I had the privilege of being selected as Volunteer Girls' State delegates. We travelled to Murfreesboro, TN and spent a week with girls from all over the state. While there, we participated in a mock government and were allowed to run for offices and hold elections. We also had the chance to meet hundreds of girls and establish relationships that will last a lifetime. Living and learning with them allowed us to expand our horizons and come together as a group. It was a learning experience that was nothing short of truly extraordinary.*

*-Laura Brown*

Last summer Jeremy Jenkins, Shawn Howard, Graham Bates and I were honored to have the opportunity to attend American Legion Boys' State and acquire more knowledge about our state government. At Tennessee Tech University we were divided into cities and assigned a dorm. We were allowed to choose from many different sports in which we participated. We met many new friends during the week and really enjoyed listening to great speakers such as our governor, Don Sundquist. This is an experience that we will always remember and take pride in. We would like to express our gratitude to the members of the American Legion and the teachers who nominated us.

*First, I want to thank the class and the officers for a great two years. They have been the two hardest years in my life, but I thank God for this blessing as your class president. We started off at Peabody knowing that we were never going to be the same. We learned that you have to love what you have and always remember what you had. After last year, we learned that the teachers were right that your high school years do go by so quickly. As juniors, we have grown as a family. We have been through so many things together good and bad. Somebody once told me that the family that prays together stays together. The Class of 2003 can do all things through Christ which strengthens us. - Phil 4:13 CCAK*

As Freshmen Class President I would like to say "thank you" to the freshmen class for making this an exciting year. I enjoyed working with the other class officers and student council members. Together we have learned and grown so much as a whole. In our remaining years at Peabody High School we will continue to grow together. This was an amazing year. So once again I would like to say, "thank you", to the freshmen class and I look forward to being a part of the class of 2005 for the next three years.

The Annual Staff has worked very hard this year to put a few new touches to Peabody's Year book. Besides selling ads, creating articles and taking pictures of everyday life here at school, it is our job to give the annual a style and format that reflects the personality of Peabody. Each year we hope to capture the memories of student life and moments we wish to carry with us long after our time here has ended. The surveys we took allow everyone a glimpse into the mind and heart of each of us. We have worked overtime to make the 2001-2002 annual the best it's ever been. We hope your dearest memories are captured on these pages and that you carry them with you always.

# Bible Club

Several years ago some students approached me about helping to start and sponsor a Bible Club. The response over the years has been great. We have meetings every Thursday at 7:30 in Mrs. Fairless' room and about 10-15 students attend regularly. We have a devotional usually led by a student and then we have a prayer time.

Every year the club has helped a child at Christmas and helped sponsor a food drive. We are committed to helping our school and our community. Hopefully we make an impact with our presence in the building and offer a place to share our love of Christ. The inspiration of the students is wonderful and I wish more would join our meetings. Everyone is welcome regardless of religious affiliation. God bless each one of our students and staff at Peabody.

# Future Business Leaders of America

## 2001-2002 Club Members

The 2001-2002 Future Business Leaders of America took on a more active role this year. For the first time in several years our club attended the state FBLA convention in Nashville. For Thanksgiving we visited a nursing home, bringing fruit baskets to the residents. At Christmas we sang carols in the community and in the spring we raised money for local charities. It was a fulfilling year.

# Family Career Community Leaders America

Our FCCLA organization had an exciting year. We started in the fall with the election of new officers. The officers attended our Sub-regional meeting at Gibson County High School, in September. In early October, members were treated to a "Pizza and a Movie" night and Halloween treats during break. In November, members had a chance to participate in "Power of One." "Power of One" is a national program developed for the recognition of individual members. Our chapter chose to support and help sponsor the Carl Perkins Center for Abused Children. Members participated in food, clothing, and supply drives during the winter and spring seasons. Members also participated in the Tennessee Reading Initiative by volunteering to read to children in grades K-4 at the elementary school. The FCCLA week, which we celebrated the second week in February, had members participating in daily events during and after school. Members looked forward to the District STAR Events, which were held at UTM, in March. The last thing on the agenda for this school term was the election of the new officers for the next school year. We had a wonderful year, and we know the coming year will be even better.

# FFA

History

The PHS FFA Chapter has had a great year with many members winning awards. The year begins in the summer showing livestock. One of our members Jake Mathenia had very successful show season with his Limousine Cattle. Eight members showed lambs with Peyton Harper winning Reserve Grand Champion at the fair. We also had several members showing hogs. Back in the spring our Forestry Team finished fifth in West TN and first in District 3. Chase Whitaker, Bryan Smith, Nathan Parrish, Jonathan Dodd were the team members. In July, 10 members attended Leadership Camp in Doyle, TN. Eight of the ten members attending received outstanding leader awards. Our Chapter was ranked third overall at camp, and the officer team placed second of sixteen chapters in attendance that week. Our Land Judging Team placed second at the Mid-South Fair, placed first out of thirty eight teams in Lexington, and first in district three in regionals. Graham Bates, Chase Whitaker, Nathan Parrish, and Andrew Harper were the team members. We are proud to announce that our membership has climbed to 95% of the total Ag enrollment this year. One hundred sixteen students are part of this year's chapter. At National Convention our chapter received a two Star Ranking from the National Organization. This ranking places us in the top 5% of the over 7000 chapters in the United States. Members have enjoyed a cookout in August and a Halloween Party with the FBLA and Beta Club in October.

# History Club

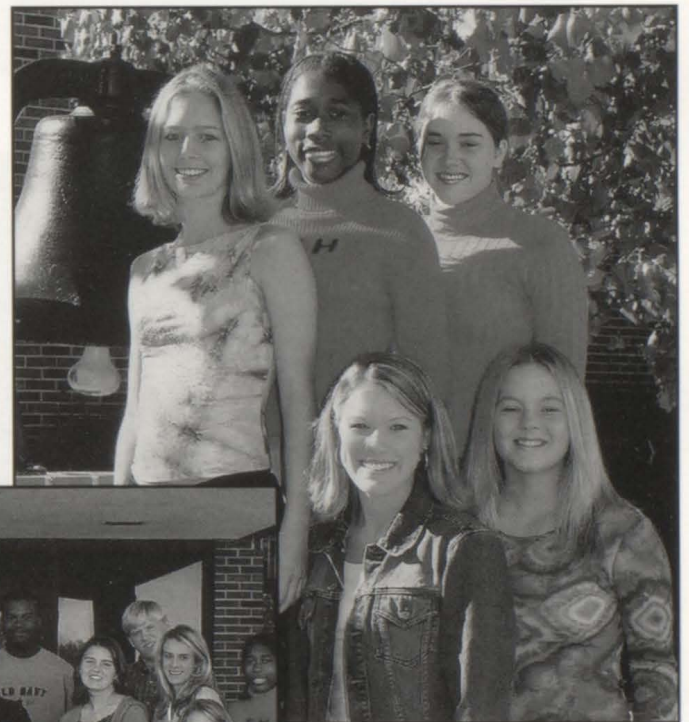

The History Club this year consists of thirty-five members. The officers are Jonathan Dodd, President; Bobby Scharmann, Vice President; Terra Bledsoe, Secretary; Laura Brown, Treasurer; Amanda Kelly, Reporter; and Adam Blackwell, Sergeant at Arms. We arrange community and school projects to increase the interest in history. Two of our major projects this year were the Veterans Day Program at PHS and "Walk Thru History" at Oakland Cemetery. Our sponsors are Gary Blankinship and Frank Hodges.

# Spanish Club

The purpose of the Spanish Club is to promote interest in a hispanic culture and to do a civic project which teaches humility and helpfulness while also having fun. In September we went to Southside High School to see a play called Don Qixote de la Mancha written by Miquel de Cevantes . The drama was educational, but enjoyable. At Christmas-time the members adopted underprivileged children for whom they bought presents. We had a party to wrap presents for the children at Mrs. Joyner's house. At the end of the year we ate at a restaurant in Humboldt and had a small awards ceremony.

Our Band's 2001-2002 field show "West Side Story" was a step forward for the band this year. Our field show featured harder music for the young band, which was played extremely well. Our band received first place in three out of four competitions this year, and received a very strong fourth place at the Division II State Band Championship. The Band placed ahead of bands that we have never placed above in the past four years we have entered Division II competition. Our band has continued to work hard and will continue to work hard in the years to come.

The Pep Club had a great year last year. We have about 125 members who support our teams at the pep rallies and the games. Our members pay a seven

9/14	Dresden	Home
9/21	Manassas	Home
9/28	Milan	Home

After beating Chester County in our first game of the season, we lost to Union City and McKenzie. We then rallied with strong outings against Dresden and Manassas on Homecoming to conclude the first half of the year at 3-2. We, unfortunately, lost four of our last five games with our lone, bright spot being Gibson County. On behalf of the Golden Tide football program, I would like to thank the Trenton community for all of its support. Without you, we would not only be deprived of our terrific facilities, but a part of us would also be lost.

This season so far has been very exciting. The team is very competitive. Having finished tied for second in a tough 16A district after being picked in a 4th place tie, the team has shown a tremendous amount of courage and determination to give themselves a chance for the district title. It has been an enjoyment as well as a privilege to coach a team that plays so hard.

# LADY TIDE BASKETBALL

This year the Lady Tide has six returning seniors, each of which has played since middle school. This tremendous amount of experience should prove very beneficial in the Lady Tide's upcoming season. This year's team has set many goals, and through hard work, dedication, and team unity we plan to accomplish each of them. The Lady Tide strives to be a good example for our school and community, both on and off the court. As always, the verse that exemplifies our success and character - Philippians 4:13 "I can do all things through Christ which strengthens me."

# Softball

This year our softball team returned with six starters. We were a very experienced team. We had an impressive season. We finished with an outstanding record of 21-8. We fell one game short of advancing to Chattanooga for our State Title. We finished our 2000-2001 season as the "Sweet 16" - we were one of the top sixteen teams in the state.

# SOCCER

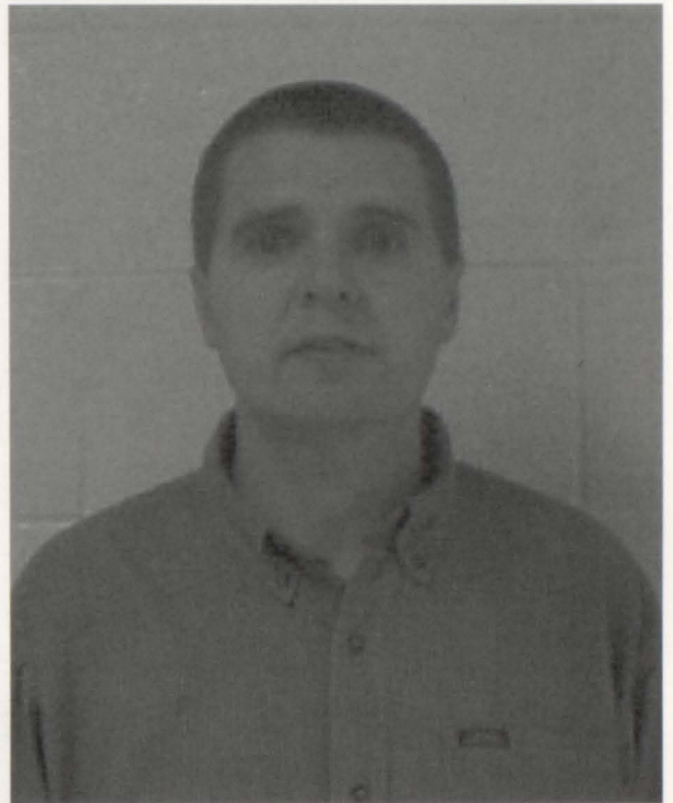

The soccer team finished with a 2-8-4 record. Two of the seniors, Jay Jewell and Nick Borrego were injured early in the season. But even without the leadership of several upperclassmen, the team played with tremendous heart and effort. We are looking forward to a much better season next year.

Nick Borrego

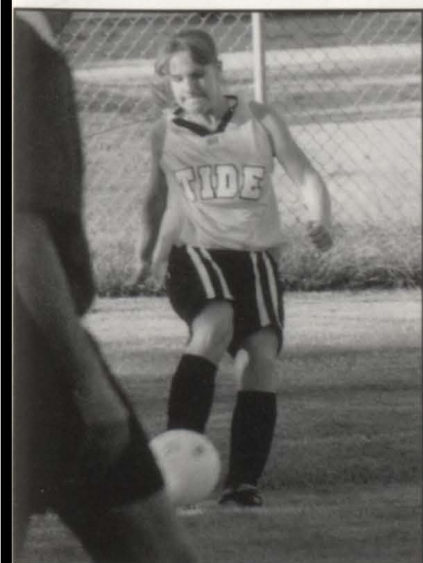

# SOCCER

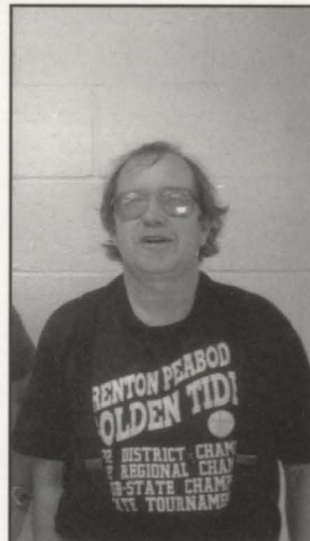

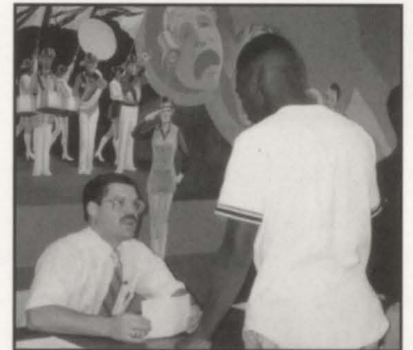

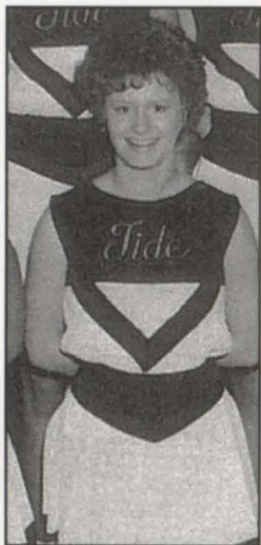

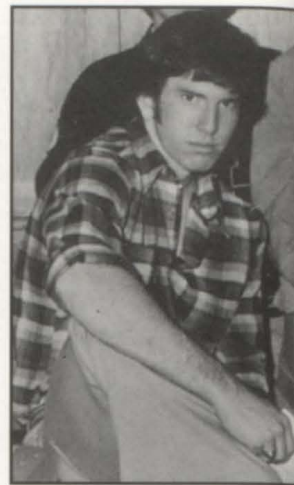

This year's soccer team was a little different, considering that we only had three returning players from last year. At first no one really knew what to think, but with the hard work and the dedication of this year's team, we became one of the best teams in the district. We finished 2nd in the district to advance to regionals in Martin. Although, we did not move on to substate, we feel we had a very successful season, and are very excited about next year's team.

Congratulations to you and the Class of 2002. Daddy (Frank-Wilson Sr.), Mama (Frankie-Mae), Grandmama and Bigdaddy

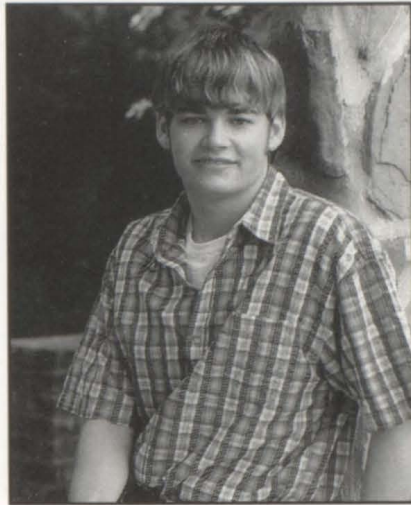

It's so weird to see my baby brother all grown up and ready to graduate. It seems like just yesterday you were that short chubby little boy following me around wanting to go everywhere I went. Now you've grown and passed me to become a smart, handsome young man. You may not know it, but I'm very proud of you. Just remember if you always put God first and trust in him you won't need luck. Congratulations!

### To My Friend

Of all the people in my life,  
 From beginning to the end.  
 You've been a special blessing,  
 My dear friend and faithful friend.  
 You've filled my life with laughter,  
 Shared sorrows, joys and tears.  
 You've stood by me & held my hand,  
 Walked with me through the years.  
 When I needed someone to listen,  
 I knew you would always be there.  
 When I weathered the storms of life,  
 You were always the one who cared.  
 So in the circle we call life,  
 From beginning to the end,  
 I was blessed to have you beside me

# Our "Holly Baby"

I look at you today and see the same beautiful eyes that looked at me with love on March 21, 1984 at 8:24 A.M. when you were first born. I look at you today and see the same beautiful mouth that made me cry with joy when you first smiled at me. It just seems like yesterday I was holding you in my arms, rocking you until you fell asleep and just kept rocking you holding you close to me all night long. Now I look at you today and see my precious daughter no longer a baby, but a very beautiful young lady with a full heart of love, emotions, feelings and intelligence. Everyday of your life is exciting as I continue to watch you grow and I want you to always know that I will always love you no matter what you do, how you think, or what you say, you can always depend on me for support, guidance, friendship and love every minute of every day. You have made me so very proud of you and I love being your mother. Last but not least you will always be my "Holly Baby".

Just to put it all in a nut shell Holly you are my "Little Cowgirl". You have a great future ahead of you and I am very proud of you. We all love you very much.

# YEAR IN REVIEW

01-02

Much like Dec. 7, 1941 (the attack on Pearl Harbor), Sept. 11, 2001 also became "a day that will live in infamy."

At 8:48 a.m., a hijacked American Airlines commercial jetliner crashes into one of New York City's World Trade Center towers. At 9:05, a second plane crashes into the second tower.

As people try to evacuate, the impact and heat from the crash cause the first tower to tumble to the ground in enormous clouds of smoke and debris. The second tower collapses shortly thereafter, leaving nothing but ash, rubble and destruction for miles where one of our nation's greatest landmarks once stood.

▲ At 9:40 a.m., a third hijacked plane flies into the Pentagon, and within the hour, a fourth crashes near a wooded area in western Pennsylvania. More than 4,200 lives are lost in total.

▲ The hijackings are part of an intended multitude of terrorist attacks on America headed by Islamic radical and wanted terrorist leader Osama bin Laden and his al-Qaeda terrorist network. Bin Laden had been making open threats against America for several years, demanding the U.S. withdraw from the Middle East.

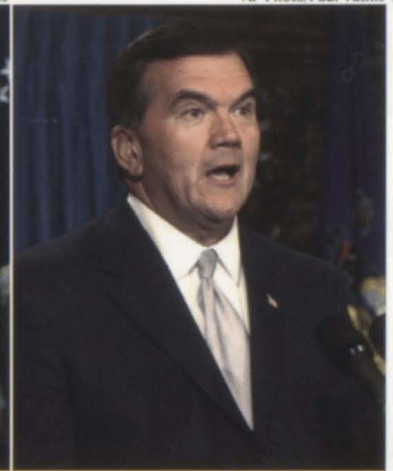

# "Today, our fellow citizens, our way of life, our very freedom came under attack..."

Thousands of lives were suddenly ended by evil, despicable acts of terror...The

pictures...have filled us with... terrible sadness and a quiet, unyielding sense of anger."

In an address to the nation, President George W. Bush ▲ demands Afghanistan's ruling party (the Taliban) hand over bin Laden. The Taliban attempts to negotiate the United States' demand, saying they will not cooperate without evidence of bin Laden's involvement in the attacks. Bush states the demand is non-negotiable, and the U.S. will take retaliatory action against Afghanistan if they refuse to hand bin Laden over.

Airlines around the world suffer major setbacks, many declaring bankruptcy. Congress approves an airline assistance package that includes \$15 billion in financial aid and a victim's compensation fund to limit expensive lawsuits that might bankrupt airlines like American and United.

▲ Former Pennsylvania Governor Tom Ridge is appointed by President Bush to head the newly created Office of Homeland Security Cabinet post, which involves coordinating and creating a strategic plan for homeland defense against future terrorist attacks.

"And tonight, the United States makes the following demands on the Taliban...These demands are not open to negotiation or discussion...This is the world's fight...the fight of all who believe in progress...tolerance, and freedom...We will rally the world to this cause by our efforts, our courage. We will not tire, we will not falter, and we will not fail."

President Bush announces plans to starve terrorist groups of all money, and signs an order to freeze all U.S. assets of suspected terrorists, ordering financial institutions do the same.

▲ After repeated refusals from the Taliban to turn over bin Laden, the U.S. and allied British forces begin launching air strikes on Afghan cities, military targets and terrorist camps.

▲ The U.S. continues bombing Afghan cities, while at the same time dropping food packages, called Humanitarian Daily Rations (or HDRs), from planes to help Afghan refugees at risk for starvation.

The World Health Organization warns Western governments to be on the alert for attacks using chemical and biological warfare.

◀ **Osama bin Laden** is the leader of al Qaeda, a worldwide network of terrorists, and is America's most wanted terrorist suspect. ▲ The discovery of letters containing anthrax in several states other than Florida (including D.C., N.J., N.Y., Ind., Mo., and Va.) raises the fear of bioterrorism. Traces of anthrax turn up in postal facilities around the country, and two Washington, D.C. postal workers die from the inhalation variety of the bacteria. Authorities are unable to pinpoint the letters' source, and are unsure whether they are connected to the al Qaeda terrorist attacks.

President Bush signs an anti-terrorism bill into law, giving police and intelligence agencies new powers against terrorism, including stronger penalties for harboring or financing terrorists, an increase in the number of crimes considered terrorist acts and tougher punishments for committing them. The bill also gives police new rights to secretly search people's homes and business records and to eavesdrop on suspect telephone or computer conversations.

The Bush Administration faces accusations from many that the array of new tactics implemented with the anti-terrorism bill, including military tribunals (trials held in secret in which the judges are military officers, a two-thirds vote is enough to convict, and there is no need for proof beyond a reasonable doubt), are the worst infringement on civil liberties in decades.

▲ About 1,000 U.S. Marines move into Afghanistan to tighten the squeeze on remaining Taliban and al Qaeda leaders by limiting their movements from Kandahar, Afghanistan's second largest city and center of trade.

The Taliban surrenders the city of Kandahar, their last major stronghold. The city falls to looters after the last Taliban fighters flee the area.

▲ An American is discovered among Taliban prisoners after a violent prison revolt that killed hundreds of the prisoners as well as an American CIA officer. John Walker Lindh, a 20-year-old non-Afghan Taliban fighter (originally from California), said he joined the Taliban six months earlier after converting to Islam and "jihadi" (fighter of holy wars). Walker is returned to the U.S. to face four criminal charges, including conspiracy to kill Americans abroad. Prosecutors consider other evidence that could carry the death penalty.

▲ Hamid Karzai is named the Prime Minister of Afghanistan's interim government. The title is passed to him by former Afghanistan president, Mullah Mohammed Omar, marking the first peaceful transfer of power in Afghanistan in more than two decades.

THE BIN LADEN TAPE  
CNN

Shaykh: A plane crashing into a tall building was out of anyone's imagination. This was a great job.

▲ A videotape is acquired by the Pentagon, showing Osama bin Laden boasting of his involvement in the Sept. 11 attacks, and rejoicing in the level of devastation "achieved" by the terrorists aboard the planes, some of whom did not even know what kind of mission they were on until they boarded the planes.

British citizen Richard Reid ▲ boards trans-Atlantic American Airlines Flight 63, and attempts to light explosives hidden in his shoes. He is subdued immediately by passengers and crew members, and sedated. The plane diverts to Boston, where Reid is arrested. He is later charged on nine counts, and it is discovered he received training in al Qaeda terrorist camps.

The U.S. military ▲ sends al Qaeda prisoners to a prison in Guantanamo Bay, Cuba. The detainees are questioned for information pertaining to the Sept. 11 attacks, the whereabouts of bin Laden and other attacks that may have been planned.

As the war on terrorism continues, the U.S. rallies the support of the international community. Taking the intelligence gained from prisoners as well as investigations at home, America turns attention to other terrorist havens around the world, such as Abu Sayyaf, a terrorist group in the Philippines allegedly connected with the al Qaeda network. ■

## Groups

### International Front for Fighting Jews and Crusades

This is a large coalition of groups dedicated to killing Americans and destroying U.S. interests worldwide. It was formed by Osama bin Laden in 1998, and includes al Qaeda (also founded by bin Laden), a network of small terrorist cells operating independently around the world, dedicated to overthrowing Middle Eastern rulers and removing westerners from Muslim countries.

The International Front is partnered with the Egyptian Islamic Jihad, or "Al Jihad." This group was established in the 1970s with the aim of overthrowing the Egyptian government and setting up an Islamic state. The group's leadership is divided between those who favor violent means and those who favor more peaceful means, particularly against U.S. targets.

### Northern Alliance

The Northern Alliance is an Afghanistan rebel faction that has actively opposed the Taliban for five years. Prior to the fall of the Taliban, the Northern Alliance claimed five percent of Afghanistan, while the Taliban controlled the other 95 percent.

### Abu Sayyaf

Abu Sayyaf is a smaller Islamist group fighting to establish an Iranian-style Islamic state in Mindanao, an island in the southern Philippines. The group, whose name means, "Bearer of the Sword," has ties to a number of Islamic fundamentalist organizations around the world, including Osama bin Laden's al Qaeda and Ramzi Yousef, an individual convicted of organizing the 1993 bombing of the World Trade Center in New York City. Abu Sayyaf has a membership of approximately several hundred young Islamic radicals, many of whom were recruited from universities and high schools.

### I.S.A.F. (Internal Security Assistance Force)

Also called the "peacekeepers," the I.S.A.F. was developed after the collapse of the Taliban to help keep peace in Afghanistan during the interim government's establishment. The peacekeepers consist of British Royal Marines as well as troops sent in by France.
