Us

Dedication

For more than thirty years, you have been opening students' minds to the wonders of science. We knew we could ask you any question except "May I go to the bathroom?" We learned that the first gong of the bell was all that mattered, and we knew that if we were nice to you, you would be nice to us. So now we would like for you to look into your baby blues and say to yourself, "Self, you have done a good job." And for that reason, the annual staff of Peabody High School would like to dedicate this 2004 annual to you, Mr. Weems, for all the years you have given to us.

Mr. & Miss PHS

Peyton Harper is the son of Dr. and Mrs. Mark Harper. He has been active in many clubs over the past four years, including the Beta Club, FCA, Art Club, Spanish Club, Science Club, and Junior Rotary. Peyton also served as Senior Class President. He played football and baseball all four years, and was a three year Starter/ All region during his football career. Peyton was a captain of the football team his senior year, and he won the Pepsi Scholar Award. He was a Boy State delegate and was selected as an Outstanding Senior by his teachers.

Felicia Anderson is the daughter of Mervin Anderson and Sherry Hooker. She served as Vice President of her class her sophomore year and secretary her junior year. Over the past four years she has been involved in many clubs such as: FCA, Junior Rotary, FCCLA, and Pep Club. Felicia has been a member of the Lady Tide Basketball team for four years and was a member of the softball team for one year. She was selected to attend Girls State her junior year.

Faculty and Staff

Tim Haney

Peabody has long been a source of community pride as an institution that provides a quality education for its youth. A lot of hard work by a dedicated faculty and staff coupled with the continued support of the above-mentioned community makes that quality education possible.

The enthusiasm and spirit of participation demonstrated by our student body are traditions that continue. It is our desire that the lessons taught here will contribute in a positive way to each of their lives.

*American Legion and D.A.R
Citizenship Award
Randall Hooker and Shannon Ashburn*

The American Legion and D.A.R Citizenship Awards were chosen by a committee of teachers. It was based on outstanding character, dependability, community involvement, and principles citizenship of the highest quality.

Boys State/Girls State

Darren Bush, Josh Lee, Bill Joyner, and Peyton Harper

Boys State

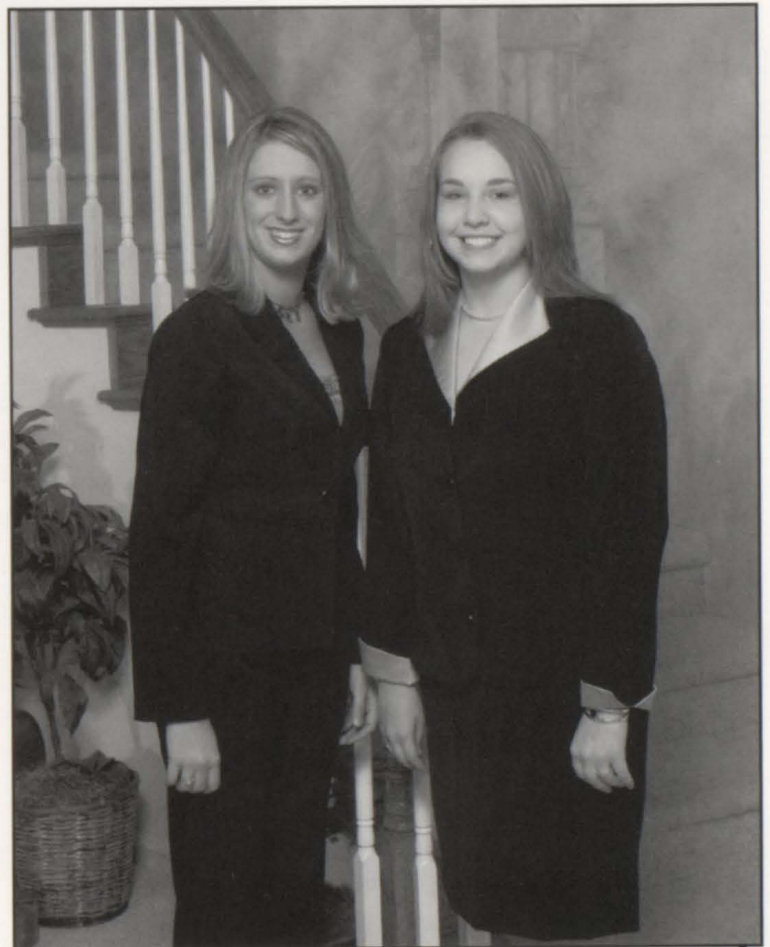

During May of 2003, Josh Lee, Darren Bush, Bill Joyner, and I were given the opportunity to attend the American Legion Boys' State. Throughout our stay at Tennessee Tech University in Cookeville, TN, we listened to amazing speakers, studied Tennessee Government, and came in touch with different, but interesting people. When you're around five hundred guys for a week the "no choice" of being sociable comes into play. Boys' State was an experience that I will never forget, and I just want to thank the American Legion for giving me and my three other delegates that opportunity.

Peyton Harper-
Boys' State Delegate

Girls State

This past June, Whitney Sullivan and I were fortunate enough to be selected to attend Volunteer Girls State in Murfreesboro, Tennessee. We spent an event-filled week on the Middle Tennessee State University Campus learning about our State government. We were very privileged to attend a luncheon with Governor Phil Bredesen. We met many people and acquired lifelong friendships. It was a wonderful experience and we would like to thank our teachers and the American Legion for allowing us to participate.

As the end of our journey together reaches a close, we would like to take this opportunity to thank the senior class for an outstanding year. The journey we've shared as classmates began some thirteen years ago with coloring books and crayons. Having reached this point, we must now depart and go our separate ways. Now is the time to reflect on all the memories we have shared throughout the years. The class of 2004 has stood above the rest, overcoming all obstacles in our way. Our lives are constantly changing and we must now choose new paths to follow.

Now in our final days, we can stand back and say that we have left our mark at Peabody High School. Again, thanks for an AWESOME senior year.

First and foremost, I would like to say congratulations on a great sophomore year here at Peabody. I would like to say thanks to all of the sophomore class sponsors and the sophomore class for all of the great participation thus far. We as a class have completed one more step toward being out of this stage in life, and I thank God that I was able to be a part of it with you. Even though we had our downfalls, we also had a great number of good times. When we are all looking back on this year, we will think, "Where did all of the time go?" Just remember... it went to make the "Class of 2006" the one that everyone remembers. Thank you for letting me represent the class to the best of my ability, and may God bless each and every one of you.

I would like to start by thanking all of my classmates, fellow officers, and sponsors because you are the people who make it all possible. Our class is unique, original. We have everything we need to succeed. Knowledge, wit, skill, and perseverance. Every individual has a quality to offer our class, a quality no one else possesses. Everyone is needed, and together, we can truly accomplish anything. We've had a great freshmen year, and I look forward to watching us grow closer at PHS. I look forward to seeing what the class of '07 can do.

Beta Club

To be in the Beta Club, you have to have at least a 90 overall average and be involved in club activities to be eligible to wear an honor tassel at graduation. As usual, we have been very active this year. Around Christmas we sold Christmas cards and gave gifts to underprivileged families. We raised money to go to the State Beta Convention in Nashville by having our second annual Valentines Day Steak and Chicken Dinner. We had a blast all year.

FCCLA

Our FCCLA chapter had a fun and exciting year. The year was started off by the election of our officers in the summer. In October, we participated in our annual fall leadership meeting at Union University, sub-regional meeting at Bradford High School and hosted a "pizza and a movie" night and a Halloween party for all members. In November, we began our volunteer work by baking for a person in need and sponsored a family for Thanksgiving. In December, we organized a food drive for the food pantry and collected items for the Carl Perkins Center. To continue offering our volunteer services, we baked for someone at least once a month, and helped community outreach services during holidays. We had our annual FCCLA week, which was the second week of February. To close our busy yet exciting year, we help our annual chapter banquet to honor all officers and members.

Art Club

ART IS COMMUNICATION

When you talk to someone or write a letter, you communicate. You share your ideas and feelings by using words. You can also communicate through the arts. Art is a language that artists use to express ideas and feelings that everyday words cannot express. Through the arts, artists can convey ideas in ways that go beyond describing and telling. In our art program, we strive to tell you how we feel about the world through our work. We are expressing our deepest feelings and emotions.

Bible Club

At Peabody, we are lucky enough to have a Bible Club that everyone is able to join. We hold our meetings on Thursday mornings at 7:30. This way everyone has a chance to attend. We are lucky enough to have Mrs. Cindy Taylor as our sponsor. She works with the Bible Club in any way possible. This year we co-sponsored a can food drive with the FCA. This year was also a very special year for our officers. We added the office of Chaplain to our officer line. We would like to invite everyone to attend our meetings on Thursdays. They are held in Mrs. Fairless's room. Also membership is free. We also want to wish the Class of 2004 the best of luck this year.

The Student Council would like to thank Mrs. Nunley for sponsoring us. We are lucky to have an organization where we can submit suggestions and have our voices heard. This year we organized the Homecoming activities and decorated for the dance. We have a good group of students who represent our school and make me proud to say that I am from Peabody High School.

Journalism

This is the first year Peabody High School has offered a journalism class. It is taught by Mrs. Joyner. One of our main projects is taking turns writing the weekly "Tidal Waves" in the Trenton Harold Gazette. Along with the "Tidal Waves" students interview a different teacher each week for the paper. We are also responsible for the Peabody newspaper, "The Black and Gold", and the district website. This is a very interesting class that will hopefully continue to be offered in the future.

Upward Bound

Upward Bound is a college bound program. To be eligible you have to be a rising sophomore, junior, or senior. You also have to be planning on attending college. It is sponsored by Dyersburg State. We tour colleges, see plays, performances, and much more. It's a great experience for college-bound students.

Baseball

The 2003 baseball season was a big success. The underrated Tide started nine juniors in route to their sub-state appearance and a 18-21 record. The Tide won their respected district and region and ended their season losing to Jackson Christian School in sub-state. Returning nine seniors, the Tide Baseball team is looking forward to the 2004 season and expects many good things to come. Last year's team was coached by Steve Wilder and assisted by Paul Hudson.

The 2003-2004 Peabody Golf team consisted of seniors Ben Avery, Nelson Brunson, Tanner Hensley, Jeff Orgain and John Edward Stovall and Freshman Brandon Middleton. The tidemen had an experienced team that competed in the district tournament but fell short. In individual district play golfers Tanner Hensley and John Edward Stovall qualified for the Regional tournament held in Troy, Tn, at Windridge Golf Club. It was an overall successful season. The team was coached by Steve Wilder.

This year's Lady Tide Soccer Team finished their season with a 10-1-3 record. Coach Terry Hickerson was our new coach. He started working with us two weeks before school started. We had a very successful season and finished second in our district. This year's team consisted of five seniors: Brandy Sturdivant, Sarah Hensley, Candace Gibson, Bridgette Criswell, and Becky Watson. We would also like to thank Ms. Barbara Cole for all her help throughout the season. Next year's season is looking very promising.

KELLIE

I always thought this would be the easiest letter I would ever write but I find myself not being able to put my thoughts and feelings on paper. There are not enough words to tell you what you mean to me. I feel such sadness that you are leaving the nest. The memories: dress up, shoes that make a racket, the rocking, taking care of your little brother, and all the books we have read. Those are permanent pictures in my heart. It is with great sadness that I clip the ties that bind my baby girl to me and watch as she spreads her beautiful wings and flies. Kellie, you are a compassionate, gentle, and caring young lady. Listen to your heart and I know you will soar above the clouds. I have always prayed that God would watch over you and protect you as I know he will. As you continue your journey on this road called life, I will always be here! Remember that! I will be cheering and standing watching in awe as you enter the next phase of your life. Thanks for being my daughter and touching my heart. I LOVE YOU, KELLIE!

Love,
Mom & Joseph

Friendships like "the girls" will surely live on forever
 These are our best times, the decision, now or never.
 From preschool to prom our friendship has never been stronger
 From Barbie dolls to boys our relationships last longer.
 From sleeping in to staying up we've always felt like we were free
 From learning each other to living together, we knew something had to be.
 From Summer '02 to sneaking in we've been there to bail each other out
 From the basketball court to band competitions we've always been there to shout.
 From being grounded to being sick we still found a way to visit
 From homecoming hair-do's to flawless highlights we always looked exquisite.
 From breakups to breakdowns we can count on each other to know what to say
 From Florida to Murfreesboro we always knew we were just a phone call away.
 From riding back roads to reading lesson twelve, we know nothing will ever be the same
 From disagreements to death, we question God and wonder if life is a game.
 From loathing our enemies to Adrienne's laughs, we learn it's best not to hate
 From memorizing answers to moody days, we each try just to relate.
 From falling out of cars to falling in love, we've been a shoulder to cry on
 From dependable car drivers to depressing days, we know we'll never be alone.
 From memories to mistakes, we can say we've been through good and bad times
 From rebellious stunts to smarting off, you'd think we'd committed a crime.
 From baking Brandy's pasta to being bored at home, we always knew where to turn
 From being grounded to being upset, we'll stand by to help teach and learn.
 From graduation to greater things we'll remember to stand proud and tall
 From our first day here to our last tear cried let us be known as we walk these halls.
 Because every memory we've made we'll carry in our hearts
 No matter what the future holds, or even if we're miles apart.

Brandon,

We have been so blessed to have such a wonderful son like you. You make us proud every day, and have never disappointed us in any way. As you prepare for college, I know you will be extremely successful. You've worked hard and are ready for the challenge. I'm not sure about us. We will miss you terribly. Just always remember who you are and where you came from. Home is never far away and we can always be reached by a simple dial of the ever so busy cell phone. You have a strong faith and sound principles that will take you far. Always remember to let them be your guide. Seems like only yesterday that we brought you home from the hospital, and now are preparing to send you to college. Where did the time go? May the Lord Bless and Keep You and Hold You in the Palm of His Hand.

Amy,
 One of the hardest things I have ever done
 Is write this little rhyme
 There are not enough words or songs or poems
 And certainly not enough time

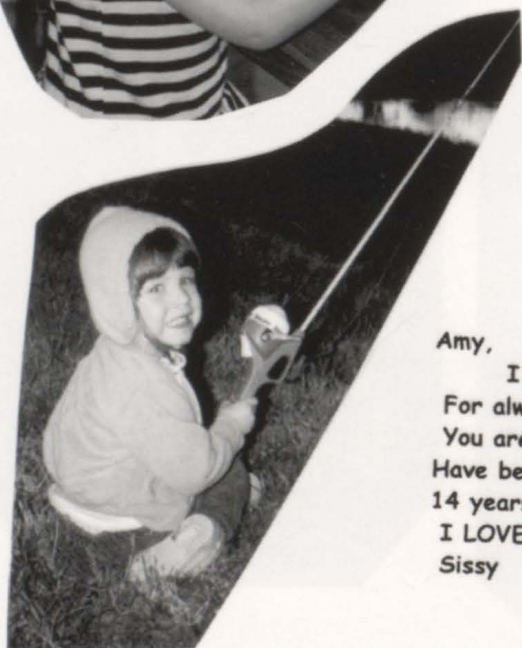

"Who's your buddy, who's your friend"
 Will always be our little song
 Through all the tears and all the laughter
 Even when you are all grown up and gone

I want you to know how proud I am of you
 And the person that you turned out to be
 I have loved you every second of your life
 And will continue to do so, you'll see.

Set goals and have dreams and follow your heart
 We are here for you always, even if we are apart.

Dearest Whitney,

We have enjoyed looking through old pictures to prepare for this ad – it made us realize what joy you have brought to our lives. It seems just yesterday that you were learning your first words and taking your first steps. Remember how you loved attending Montessori pre-school, and were thrilled with all your new friends there? Many of these are still your closest friends. And isn’t it nice that your love of music paved the way for piano, oboe, guitar, color guard, and more great friends? Did you realize that your inability to stay still for any period of time made you a natural with tap, jazz, acrobatics and cheerleading? And aren’t you glad you tried your hand at sports – everything from t-ball to basketball to soccer to tennis.

Through all of this we have watched you grow into a lovely young lady, one who has a kind heart and sweet spirit. We love you and are so proud of you. It is our prayer that God will bless you with much happiness.

Peyton Harper

I'm about to tell a story
About a special baby boy
Who was born to two proud parents
And he filled their hearts with joy.

The month was mid December
The year was eighty-five
The time had finally rolled around
For Peyton to arrive.

The doctor gently held him up
For his daddy and me to see
A fine young boy, Mrs. Harper
As he handed him to me.

My life was filled with only girls
I wasn't "informed" on what to do
Raising a boy would be a different twist
I didn't have a clue.

There's one thing that's for certain
That I would surely do
If I knew then what I know now
I'd ask the Lord for two.

It seems like only yesterday
We watched you start to school
Teeball at the baseball park
And splashing in the pool.

Little league and summer camps
You truly loved them all
But the high light of your childhood
Was riding combines in the fall.

Middle School comes quickly
Football, basketball, and band
Suddenly the girls show up
That wasn't in my plan.

High school days came calling
Football takes the throne
Between practice, games & girls
You're rarely ever home.

It's hard for me to realize
How quickly it's flown by
From kindergarten to senior
In the "blinking of an eye."

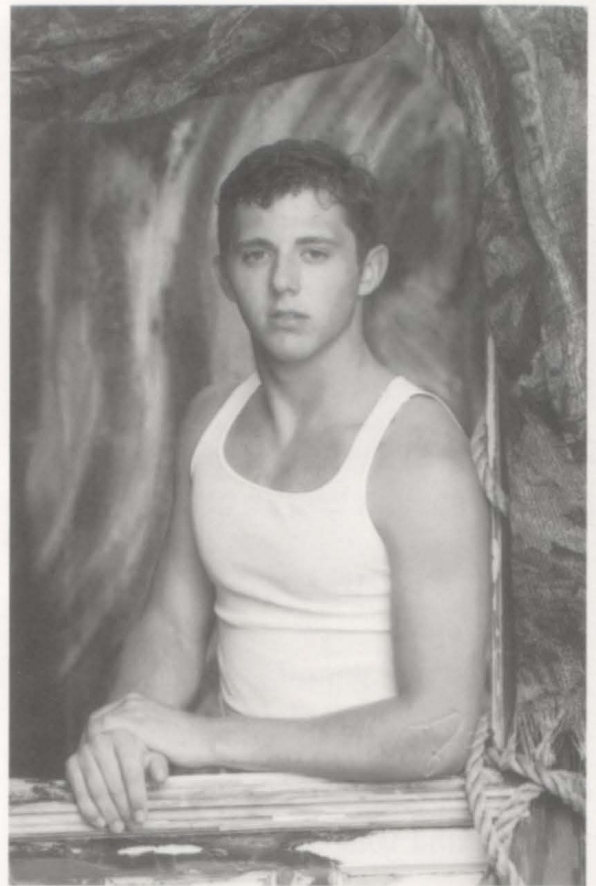

When you graduate next spring
And you begin your "Roam"
Remember Trenton is your birthplace
306 Rosemont is your HOME.

It's here you learned your values
And what life's all about.
You've been given good examples
You don't have to figure it out.

If you're ever in a quandry
And don't know what to do
Remember you're our "CALCULATOR"
And we can COUNT ON YOU!

We're honored to be your parents
And all that you stand for
You have blessed our lives immensely
Who could ask for more.

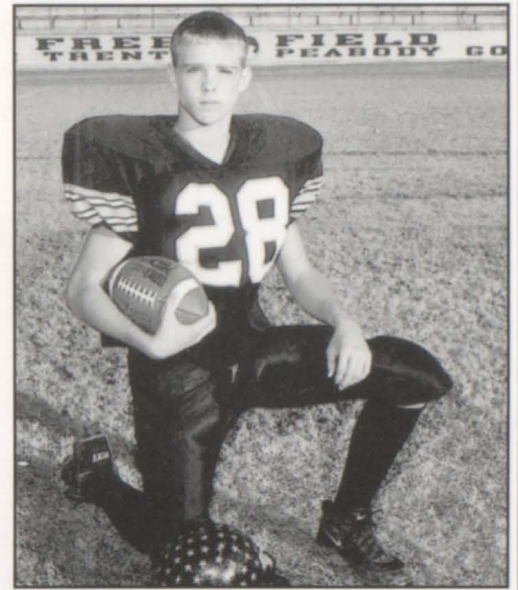

We are Proud of You!
We love you.

You are growing up to be an incredible young man. You are very unique and special and we know that your talents will give you many paths to choose from in the future. As you grow up always keep your many interests - they will keep you occupied.

Always keep your positive outlook - it will give you the energy to accomplish great things. Always keep your determination - it will give you the ability to succeed in meeting your goals. Always remember to keep your excitement about whatever you do - it will help you to have fun. Always keep your sense of humor - it will allow you to make mistakes and learn from them. Always keep your confidence - it will allow you to take risks and not be afraid of failure. And always keep your sensitivity - it will allow you to understand and do something about injustices in the world. As you continue to grow, in your own unique way, always remember to put God first and let him guide you. And always remember that we are more proud of you every day and that we love you very much.

Frank,

On June 25, 1986, we were blessed with your birth. You have given us so much love and happiness that it is impossible to express in words just how much you mean to us.

We are so very proud of you. We know that you can accomplish anything you set your mind to do. Our wish for you is complete happiness, good health, and dreams come true.

Always remember what you have been taught. Apply those things to your life and you will succeed.

We love you and thank you for being "you". May God bless you and keep you always.

Love,
Mom & Dad

There's a hundred years of history and a hundred before that
 all gathered in the thinking goin' on beneath his hat
 the cold flame burns within him till his skin's as cold as ice
 and the dues he paid to get here are worth every sacrifice
 all the miles spent sleepy drivin', all the money down the drain
 all the if I's and nearlys, all the bandages and pain
 all the female tears left dryin', all the fever and the fight
 are just a small downpayment on the ride he makes tonight
 It's guts and love and glory - one mortals chance at fame
 his legacy is rodeo and "COWBOY" is his name.

Mom, Randy, Pop, Chase & Chance

I know it's time for you to spread you wings but boy will it be hard for me to let you go. You always have been my best friend and a great son. Always set your sights high and go for the "gusto". Enjoy life and reach for the stars!!

Just remember-

I am always just a phone call away!!!!

Love,
 Mom

Amber-

It seems like only yesterday we were walking through the halls ignoring everyone's stares. I taught you how to not care about what everybody else thought and to just be yourself. You taught me something much better.... How to Love and BE LOVED. Since the time we have been together we have experienced many highs and many lows and you were there through lows just the same as you were the highs. I just want to thank you for seeing the good in me when no one else did. Back in the summer I was in the lowest points in my life and through all those dark clouds your hand remained out-stretched to pull me through. I just want you to know that I am there to give you my hand if you should ever fall in this new journey into your life. If I can show you half the love you have shown me over the course of our relationship then I will be happy. I am very proud of you and will always be here.

Love-

We love you!

Thru the years, we've had our ups and down, but you have always made us very proud of you!

You have accomplished so much in your life and there is still more to come.

Tanner, you have the biggest heart of anyone I know. As long as you follow your heart, you should ALWAYS be happy. That is all we want for you, and for you to always believe in yourself and your dreams.

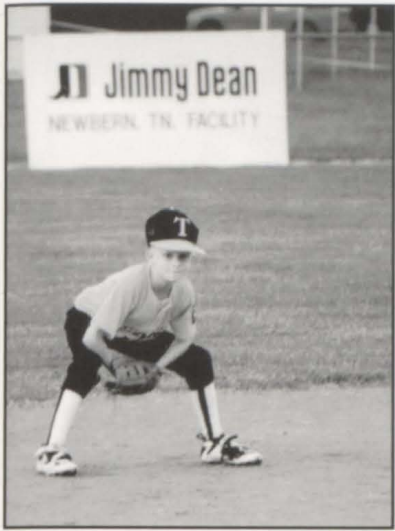

WE LOVE YOU!!

Mom and Dad

Tanner,
You are the best brother I could have, and I LOVE you!

Will,

There is so much we want to say to you, but where do we begin?

When we look back at these pictures, all we see is the joy you bring into our lives. Not only ours but to all who know you!

You are always willing to help others and you've never been ashamed to be your own person. You are such a blessing to us. We are so very proud of you and proud to say you're our son!

You have grown into a fine young man and we know one day a lucky young lady will come into your life. Continue to serve the Lord and put God first in all you do. Base your life on Godly principles and you will be blessed.

Thank you for bringing us so much happiness, and being a happy, loving, hard working, caring and respectful person.

The day God placed you in our earthly care made us the happiest people in the world. You truly bless our lives!

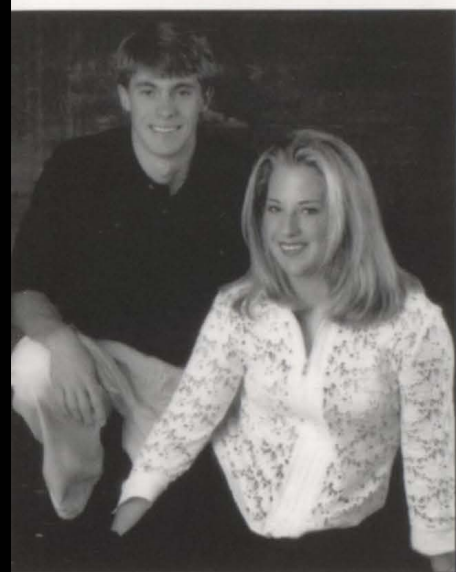

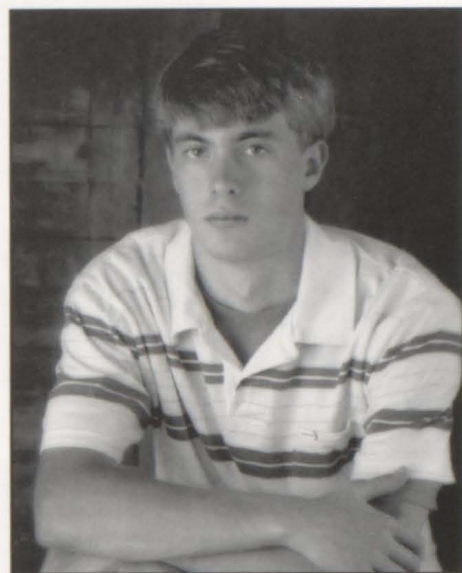

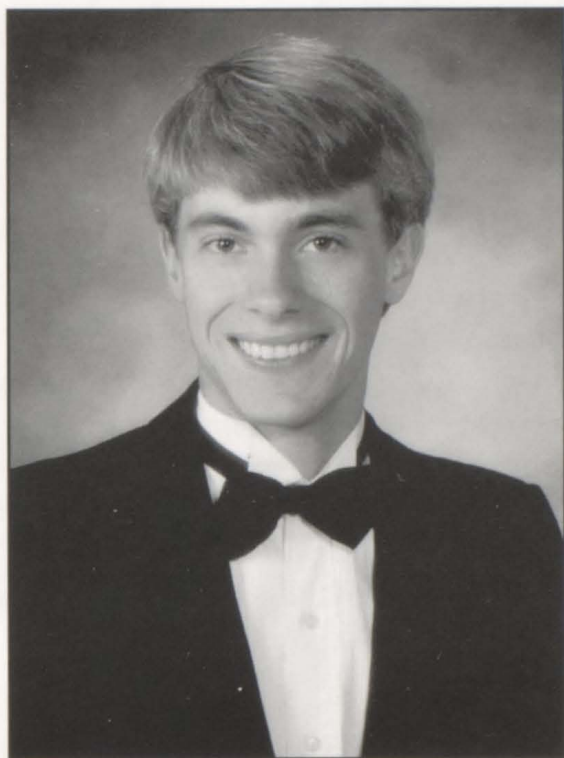

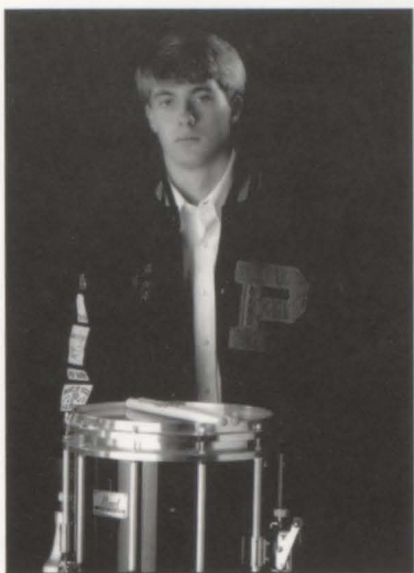

We Love You!
Momma & Daddy

Will,

I can't believe you are about to graduate. Just remember, you've made my Freshman year very special. I'll always be here for you if you need me! Everybody calls you bubba, but I'm the only one that can PROUDLY say you are MY BUBBA! Thanks for everything.

I love you and will miss you A LOT,

Ellen

To Our Daughter Susan

As parents we couldn't have been blessed with a child anymore than we have with you. The joy you have given us as parents can never be replaced.

The gray hair you have given us was worth each one.

The joy of parenthood couldn't have been easier than we have had with you.

We are proud of you for all your goals that you've set and met.

Stay sweet and loveable so we can always remember our joyous days from your birth to graduation day. Remember, no matter what, we will always be there and love you.

We are proud parents of our Peabody graduate.

Love you always,
Mom & Dad

It just seems like yesterday
When we met that August morning
To take our first steps to
Begin our high school journey

How could we forget our freshmen year
Or what was seen
Through Amber's white capris

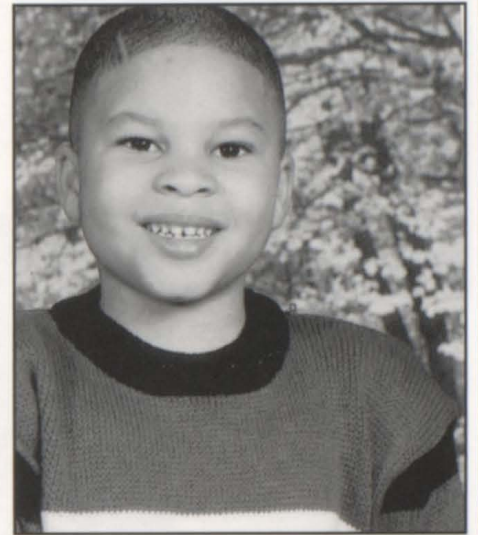

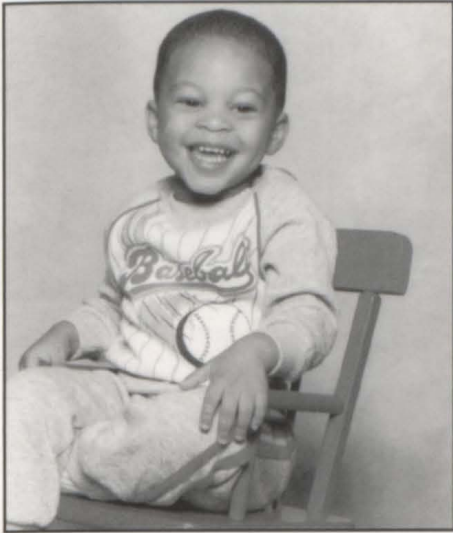

Our sophomore year we'll never forget
We learned how much our friendship really meant
When we lost one so dear to us

Our junior year came and went
So quickly, in our eyes,
But we both found the love of our lives

As our senior year comes to an end
And we both go our separate ways
We'll never forget the memories we've made
Throughout our high school days

To my one and only son:

On November 15, 1985, I waited with excitement to see and feel what a wonderful gift God had provided us with. You were a gift from God, not for your mother but for me. I have enjoyed every moment we've shared together. From Nite Lite Theater to the Marching Band you have always made me proud. you are a wonderful person both inside and out. Continue to carry yourself as a young man with a goal in life. Always put God first and you will succeed in whatever you do.

Children are a gift from God; they are a real blessing
Psalms 27:3

Remember: I Love You, more than anyone else in the world because God gave you to me.
