# Dedication

You brought music into our lives and our souls. You taught us what it means to work hard and then enjoy the rewards hard work brings. You taught us discipline and commitment. Under your leadership, we learned what it means to be a part of something greater than ourselves. We learned to function as a team whose one goal was to be the best we could be. You taught us how to love and appreciate music. Please know that you will be missed. For all these things, we would like to dedicate this 2006 - 2007 yearbook to you, Mr. Burriss.

# FAMILY TIES

Love is the greatest heirloom a family can possess.

- Trent Bivens

# Faculty and Staff

The annual staff has worked diligently to produce another in a long line of excellent yearbooks that reflects all that is great about our school and the city of Trenton.

Peabody has long been a source of community pride as an institution that provides a quality education for its youth. A lot of hard work by a dedicated faculty and staff coupled with the continued support of the above mentioned community, makes that quality education possible.

We entered the 2006-07 school year as a fully accredited SACS institution and for the third consecutive year as one in good standing as to the federal 'No Child Left Behind' legislation. We take great pride in these facts and attribute them to the determination and quality of a conscientious, professional faculty and an ambitious student body.

I also wish to bid farewell to seven faculty members that have been bedrocks of the foundation that is Peabody High School. Charlotte Hayes, Jamie Eubanks, Carlton Cherry, Frank Hodges, and John Prince left us upon completion of the 2005-06 school year and Jo Anne Simmons and Tony Burriss will say their good-byes after this year. We will continue with pride in the tradition of excellence here but these seven will be greatly missed.

The enthusiasm for and spirit of participation demonstrated by our students in all things academic and extracurricular are traditions that continue to endure. It is our desire that the lessons learned and experiences gained here will contribute in a positive way to each of their lives.

# GIRLS STATE

We would like to thank the American Legion for giving us the opportunity to attend such a wonderful program. Throughout the week we grew as individuals and learned almost everything there is to learn about city and state government. We also made many life-long friends. It was an experience we will never forget.

# BOYS STATE

In May of 2006, we were given the opportunity to attend Boys State at the Tennessee Tech University campus in Cookeville, Tennessee. We didn't spend much time together, but we were given the opportunity to meet hundreds of boys from all over the state. We studied Tennessee government and were involved in a mock government system. We also had a fun time listening to all of the wonderful speakers. Each one of us had a great time making new friends, and we never forget the new experiences we had. We would like to thank the American Legion for giving us this terrific opportunity.

# SENIOR OFFICERS

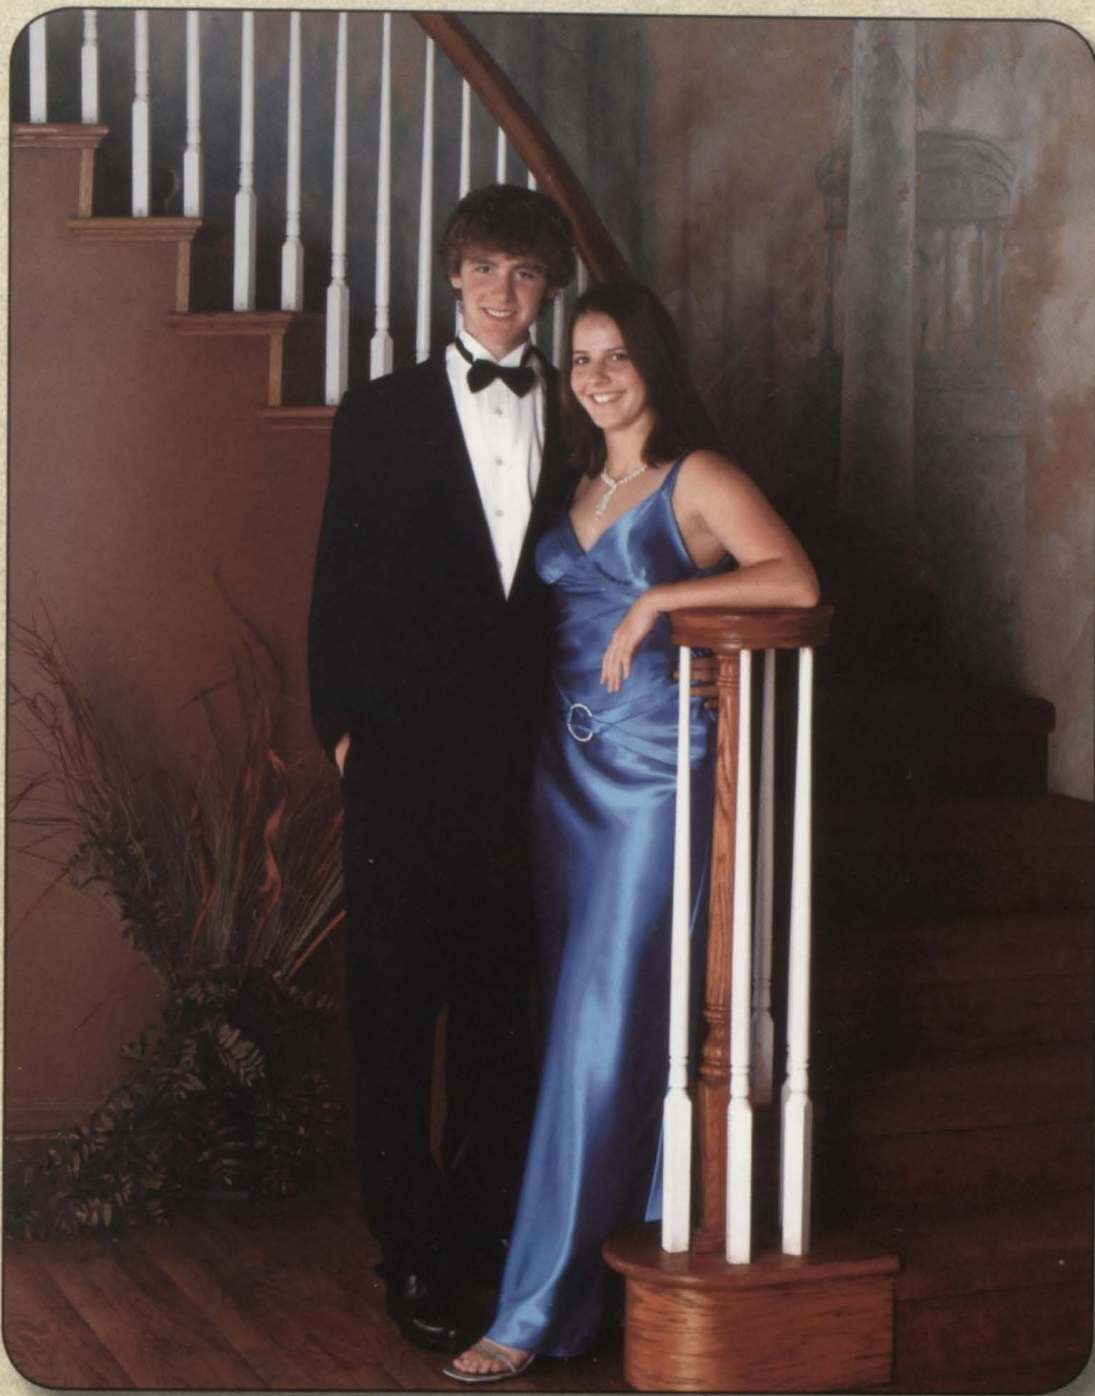

Words cannot express the emotion I feel as I think of each of you. I can never thank you enough for opening your hearts to me when I moved to Peabody. It wasn't long ago that I entered these familiar doors. I was timid and unsure of what was ahead. You welcomed me and graciously allowed me to become a part of the magical spirit of "The Black and the Gold." I am thrilled to have shared these years with you and am even more honored that our selected me to serve as your Senior Class President. Each of you will always hold a special place in my heart. To my fellow classmates, I wish you all health, happiness, and success in your future endeavors. May we build upon the foundation that Peabody High School has given to each of us. As we go our separate ways, always remember the words of Ralph Waldo Emerson, "Do not follow where the path may lead. Go instead where there is no path and leave a trail."

May God bless each of you,  
Brittany Branum, Senior Class President

*Congratulations Class Of 2007*

As we end this time spent together,  
Don't forget it's the start of something a whole lot better.

We may go our separate ways,  
But guess what, our ten year reunion will be in just a few days.

Thirteen years have flown by without a trace,  
But now we're moving up to get our own office space!

Some will move off and some will stay near,  
But always know that we are always here.

As seniors of Peabody High,  
On May 25th we will all say "Bye!"

It's not the end of time,  
It's just the beginning of the rest of our journey through life.

So fellow classmates, I wish you the best in all you do.  
I hope you go far and all of your dreams come true.

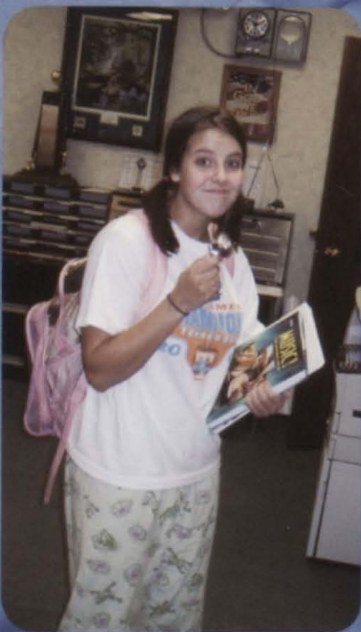

I will miss you all,  
But I know I can count on you to call.  
Whether just to say "hi" or "I need a shoulder on which to cry."  
Always remember the class of 2007 will NEVER die.

Dedicated to the graduating seniors,  
Class of 2007 of Peabody High School

Love always,

# FRESHMEN OFFICERS

This year I was greatly honored to be elected Freshman Class President. As freshmen we have made great "foot-prints" at Peabody High School. Our crowning achievement was being victorious during Football Homecoming week. I was proud of our class receiving first place overall.

Our close-knit group of students has made a positive impression on the student body. I firmly believe if we continue our present course throughout the next three years, we, as seniors, will really be a force to be reckoned with. As we leave this school in 2010, there will be a wide path of opportunities for this group of go-getters!

# Pep Club

We've got spirit- over 75% of Peabody High School has spirit and they joined one of the biggest Pep Clubs to date. Over 300 members strong, Peabody's Pep Club supports the teams and shows Tide Pride at all school functions. The main goal of this club is to promote school spirit and enthusiasm. So, of course, the Pep Club's showing at all athletic events makes the home court advantage have new meaning for the opposing teams- when they walk into PHS, they know they are in "Tide Country."

# Junior Rotary

The Junior Rotary Club is an organization centered around doing good deeds in the community. We are fortunate enough to have Mrs. Nunley sponsor us in this effort. We have participated in various projects this year. We have raised money for those who have lost loved ones, baked goods for people in the community, and purchased groceries and distributed them to the needy. The club's main goal is to give support and services to the city of Trenton.

# FCA

Fellowship of Christian Athletes is an organization in which Christian athletes, band members, and others meet in the gym on Wednesday mornings to participate in a few minutes of fellowship. We start the day with our Creator and strive to show Christ's light in the classroom and on the court or field.

# National FFA Organization

Our FFA chapter has had an excellent year. Our various teams have performed well in each contest. Our wonderful advisors gave eight lucky members the chance to attend the National FFA Convention, held in Indianapolis for the first time this year. We look forward to the Tennessee State FFA Convention, held in Gatlinburg this spring. At this convention, we are expecting a few of our members to receive their State Degree. The highlight of our year will be our banquet in May. We will say goodbye to four of our officers and many of our members who will be graduating. At this banquet our new officer team will be elected and many members will receive plaques, pins and degrees honoring their participation during this year. We would like to thank our advisors and our alumni for all of their help and support. Their time and effort is greatly appreciated by our chapter.

# History Club

This year the History Club has 30 members and we are involved in several projects in our community. The club elected the following officers: Jonathan Simpson, President; Clark Allen, Vice-President; Brittany Hill, Secretary; Lauren Jewell, Treasurer, Ashley Drumwright, Reporter; and Joseph Neely, Sergeant-at-Arms.

The History Club featured Coach M.C. Joyner as the honorary legend for the club shirts. Coach Joyner was appointed as Peabody's Director of Athletics, Principal, and head coach for both the football and basketball teams. He is the only Peabody coach to have both a state tournament basketball team and a Big Ten Conference Championship football team. During his tenure at Peabody, the team name changed from "Bulls" to "Golden Tide". Among Coach M.C. Joyner's many accomplishments, he began Peabody's first physical education program and was instrumental in getting Freed Field and its stadium built. Coach Joyner served with the Combat Engineers and was highly decorated in World War II. He is one of the many exceptional legends of Peabody High School. The History Club is honored to have him featured on our shirts. Mr. Gary Blankinship is our sponsor.

# Art Club

Peabody has a four year art program. It is built on three strands: production, critique and appreciation, and art history. The first year is a learning process which provides the foundation for the other three years. It is not necessary to be a good artist in the beginning; that will come with experience and practice. The art studio is a place where the students learn to use color, line, space, texture, and value to express his/her feelings. It is like speaking without language.

# FCCLA

Our FCCLA organization had an exciting year. We started in the fall with the election of new officers. Members and officers attended the fall Leadership meeting in Memphis, TN at the Cook Convention Center, in September. The students had a chance to participate in informative and fun workshops. Members also had an opportunity to participate in the "Power of One". "Power of One" is a national program developed for the individual recognition of members. Our chapter chose to help a family in need by making contributions to a holiday food box. Some of the activities during the year for members included, a school lock-in, an ice-cream sundae break day, group parties, and after-school baking. Our FCCLA week, which is celebrated the 2nd week of February, had members participating in events during and after school.

# Science Club

The Science Club is composed of students showing an interest in science and achieving academic excellence in some branch of science, biology, chemistry and/or physics. The fifty members of the club are responsible for building the bonfire for homecoming and selling refreshments at that event. We make one academic field trip per year, e.g. the M.E.R.I. center in Memphis or the Space Museum in Huntsville. This year we began a paper recycling project to help our field trip.

# Upward Bound / Chess Club

Upward Bound is a program offered to Peabody through Dyersburg State Community College. It is designed to further the education of high school students and prepare them for college. It is open to Freshmen who have a desire to attend college and are the first generation of their family to go to college. They typically show some sort of financial need. We tour colleges, attend plays and performances, and so much more.

The Peabody High School Chess Club was organized during the first quarter of the 2006-2007 school year with Mrs. Simmons as the sponsor. Approximately twenty students became members of the club which meets each Tuesday afternoon after school. A win/loss record is kept for each member so that a skills ranking can be made. As the club grows, plans will be made to enter competitions with other clubs in the state.

# Library Aids / Office Aids

The guidance assistants help Mrs. Nunley prepare for upcoming events and special occasions. They run errands for Mrs. Nunley allowing her more time to assist the other students.

The office assistants are always prepared to assist Mrs. Grant and Mrs. Moore. They run errands, duplicate papers, and answer the phone. They are of great help to the office workers.

The Library assistants help Ms. Sharp by filing books and updating the magazine racks. They also assist Ms. Sharp in helping other students locate the books they need.

# IN HONOR OF MR. BILL REED

“He’s our biggest sports fan.” “He’s stuck with the teams through thick and thin.” “He’s a dependable man that you can trust and rely on.” These are a few ways that the students and staff characterize Mr. Bill Reed. While we at P.H.S. are all equally proud of our school, none could be more proud than he. By taking care of our school’s needs with long hours of hard work and dedication, he also sees to the students needs with kind words and friendly smiles.

As one of Peabody’s staunchest sports fans, he has cheered us on through countless wins and supported us through defeat.

Mr. Bill Reed has brightened the halls of P.H.S. for 14 years and will be just as inspirational to new students in coming years.

You have exceeded all expectations I had for you. You are a wonderful, caring daughter. Keep your enthusiasm to learn and you will succeed in everything you do. Keep your faith in God and He will make the journey easier.

Fall brings football, Winter brings duck & deer,  
 Springs brings baseball, Summer brings cheer.  
 Your active in all seasons, each and every day,  
 But a new season in life is approaching after  
 graduation day.

You've been given the tools to succeed in life,  
 And you know all the wrongs and rights.  
 Apply what you know in your heart and mind,  
 And no matter what comes, you will be fine.  
 We love you more than words can say,  
 And to follow God's will is what we pray.

Bubba,

People often ask me how I got so tough and I simply say I live with Josh Holt. What do they expect? Growing up, you always taught me to be mentally tough and I had no choice but to be physically tough. Those simple lessons have given me the strength today to stand up for what i believe in. You may be the toughest guy around but to me you're the biggest softy cause your my Bubba. Use the strength you taught me to make the best decisions when your on your own and **NEVER** forget where you came from!

Our Daughter

A special little girl God gave to us one day,  
 You were placed into our arms for us to lead your way.  
 The love we had for you right from the very start,  
 Has grown so much and now it completely fills our hearts.

Our lives have had some laughter,  
 We've had our share of tears.  
 But God has given each their place,  
 With the passing of the years.

You stand before us now and its hard to understand,  
 How God has turned our little girl into a fine young woman.

But this one thing remember as you open each new door.

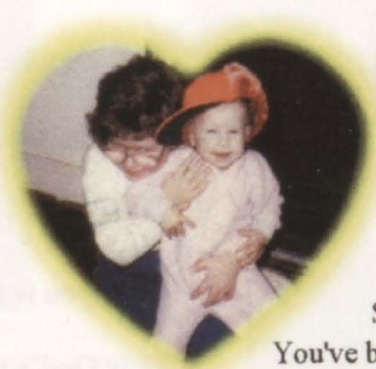

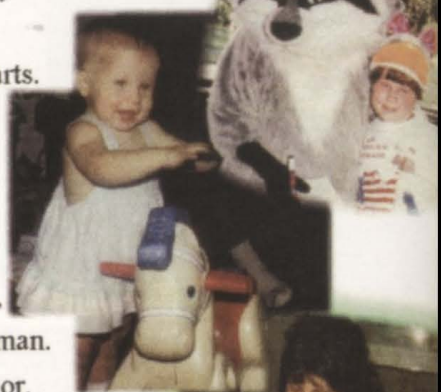

That as much as we do love you,

God still loves you more.

*We love you and are very proud of you!*

*Love, Mama and Daddy*

*Congratulations Class of 2007!*

Looking back through the years,  
 I can't believe how long  
 We have been best friends,  
 Through good times and bad.

When I needed someone to cry,  
 With me and laugh together  
 Give me a shoulder to lean on,  
 And a hug to make me feel better.

*Seems like it was only yesterday day we were in elementary school and wishing that we were older. Now we are and you're graduating. All these years have been tons of fun and I'm sure the years to follow will be also. Goodluck at college...*

Love ya, Lindsay

Dear Natalie,

Some of us are never given the chance to experience the love a mother has for her child. I thank God everyday for what he has given me. When I look at you today I see the same beautiful eyes that looked at me when you were a baby, and the same mouth that smiled back at me. When I look at you today I see my beautiful daughter no longer a baby but a beautiful person who has hopes and dreams. I want you to always know that in good and in bad times I will always LOVE you and no matter what you do, say, or think you can depend on my support, guidance, and love every minute of every day. I will always love you.

Love,  
Mom

## ANDREA M. SMITH

It was six years to the day your Mama and Daddy were wed  
 That you entered this world, ready to move ahead  
 Petite, with features so delicate they were  
 You captured our hearts, this new baby girl.

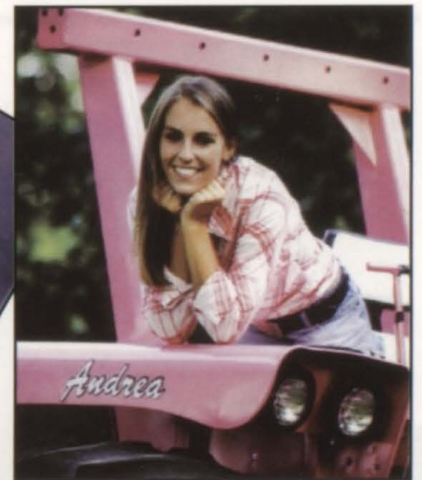

In childhood you amazed us with your wit,  
 Creative, energetic like a little sprite you did flit.  
 A curiosity beyond your years, kept us on our toes  
 What knowledge you have gained, Heaven only knows.

Pretty in pink, you were always a girly-girl,  
 With ponytails, hair bows and dolls in a make believe world.  
 Teen years brought interests anew,  
 Boys, 4-wheelers and tractors to name a few.

Whatever you choose let it be known  
 You will give it your all, as past actions have shown.  
 To trust the Devine in all that you do  
 Will bring peace and acceptance when you don't have a clue.

Love and prayers,

Papa and Nana

Lauren,  
We have watched you grow from a  
sweet little girl to a pretty young woman.  
We are very proud of everything you have done.  
Best of luck in everything you do in the future.  
We love you very much!

**AUNT & NIECE**

*Ellen (Piglet)*

*We can't believe this year is already here! It feels like just yesterday you were given to us. We were so excited to find out we were having you and that you would be a girl! We all loved and spoiled you, even Bubba Will!*

*You have made us very proud to be your parents. You have a fragile but strong personality, with a heart as big as your smile. We love you and are proud of the beautiful person God created when he made you! You have been and will always be a blessing to us. We wish you all the best. Continue to stand up for what you believe in and always put God first!*

*All of our Love!  
Momma and Daddy*

Ellen,

The years have flown by since you were dragging me around the house by my hair, or you were waking up with a bunch of knots in yours!

I'm going to miss having you around to aggravate or just tell secrets to. You knew if you talk, I would whoop you! We have had our ups and downs but we always knew we loved each other! Even though i've missed out on alot of your fun times, I know you always remembered me. That's why you are special to me! I love you ellen, more than you will ever know. Remember, hat down, heels on and hold on! Life is tough, ride it out! God bless you always!

I Love you!  
Bubba  
Will

Ellen,

I am very proud of the beautiful and amazing young woman you have become. We have had our good days and our bad but somehow we have managed to learn to just smile and everything seems to work itself out. I wish you the best in all that you do and just remember that I will always be here for you no matter what. Just keep your head held high, that beautiful smile on your face, and god in your heart and you can accomplish anything you set your mind to.

Congratulations!!! I Love You

Love,  
Will

I AM SO PROUD OF YOU MEGAN.  
LOVE,  
MOM

### SAMANTHA ARNOLD

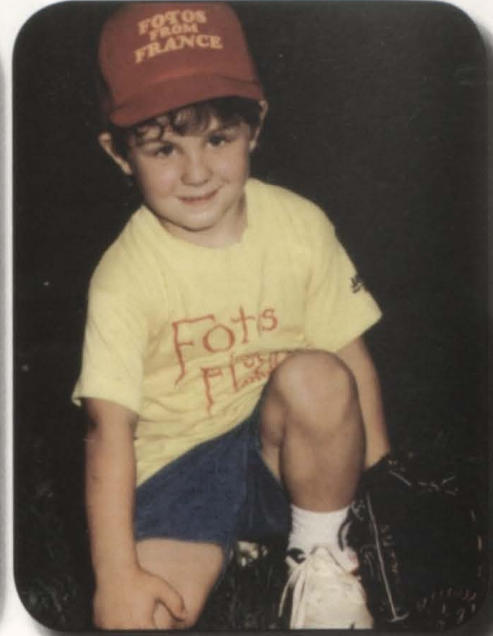

Our baby girl has now become a young woman. You are beautiful, smart, strong willed and have a soft heart (That you don't like to show). When some tried to bring you down, your heart was broke, but you held your head high and showed you were the better person. Always be strong, achieve your goals and always be happy! We are so proud of you.

We Love You Always  
Mom, Dad and John

Congratulations to the Class of 2007!

Cody,

God truly blessed us when He allowed us to be your parents. You have the most amazing heart and those who know you, know just how much character you have. Please don't ever forget the promise of God's blessing that was spoken over you several times. His words are forever true. And know that your family will always be your soft place to land.

We love you

# ANDREA

You must understand the whole of life, not just one little part of it. That is why you must read, that is why you must look at the skies, that is why you must sing and dance, and write poems and suffer and share the love you have been given, and understand for all that is life.

We Love You  
Momma and Daddy

Andrea,

Beginnings are scary. Endings are usually sad, but it's what's in the middle that counts. so when you find yourself at the beginning, just give hope a chance to float up and it will.

I Love You
