He taught us how important it was to know about our past. He led us on a “walk through history.” We learned about events overseas as well as in our own backyard. He has dedicated himself to Peabody students for the last 31 years. Because of your dedication to us, we are proud to dedicate this 2010 yearbook to you, Mr. Blankinship.

AMERICAN LEGION
AND D.A.R.
CITIZENSHIP AWARD

The American Legion and D.A.R. Citizenship awards are chosen by a committee of teachers. It is based on outstanding character, dependability, community involvement, principles, and citizenship of the highest quality.

GIRLS STATE

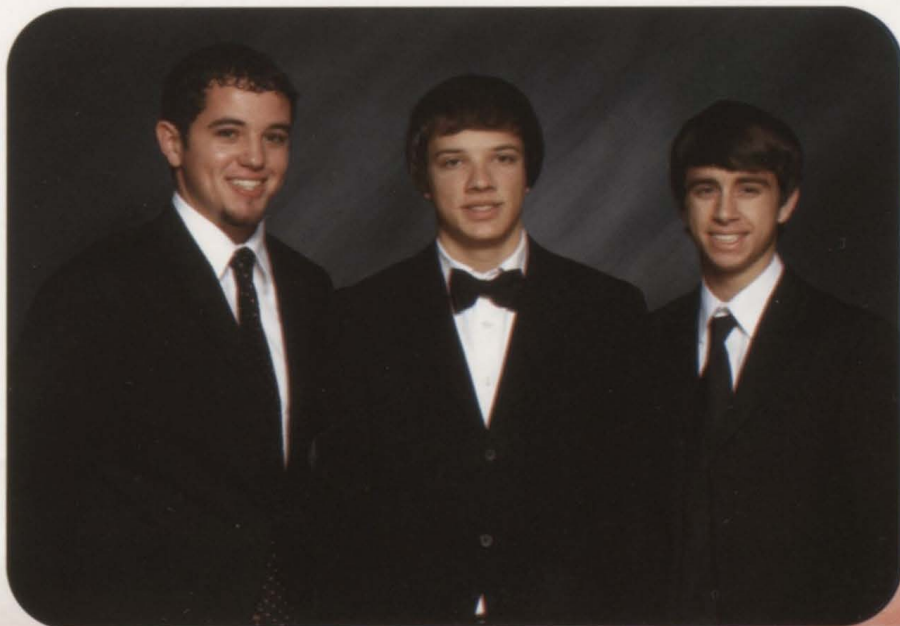

I had the most amazing experience this past summer while attending Volunteer Girls State. I was pushed out of my comfort zone and gained many new leadership skills. My knowledge concerning city, state, and national government greatly increased. Through the ALA's sponsorship of Girls State, I had the opportunity to meet the most amazing people and learn things that I will remember always! I encourage future delegates to make the most out of their Girls State experience.

-Tori Johnson

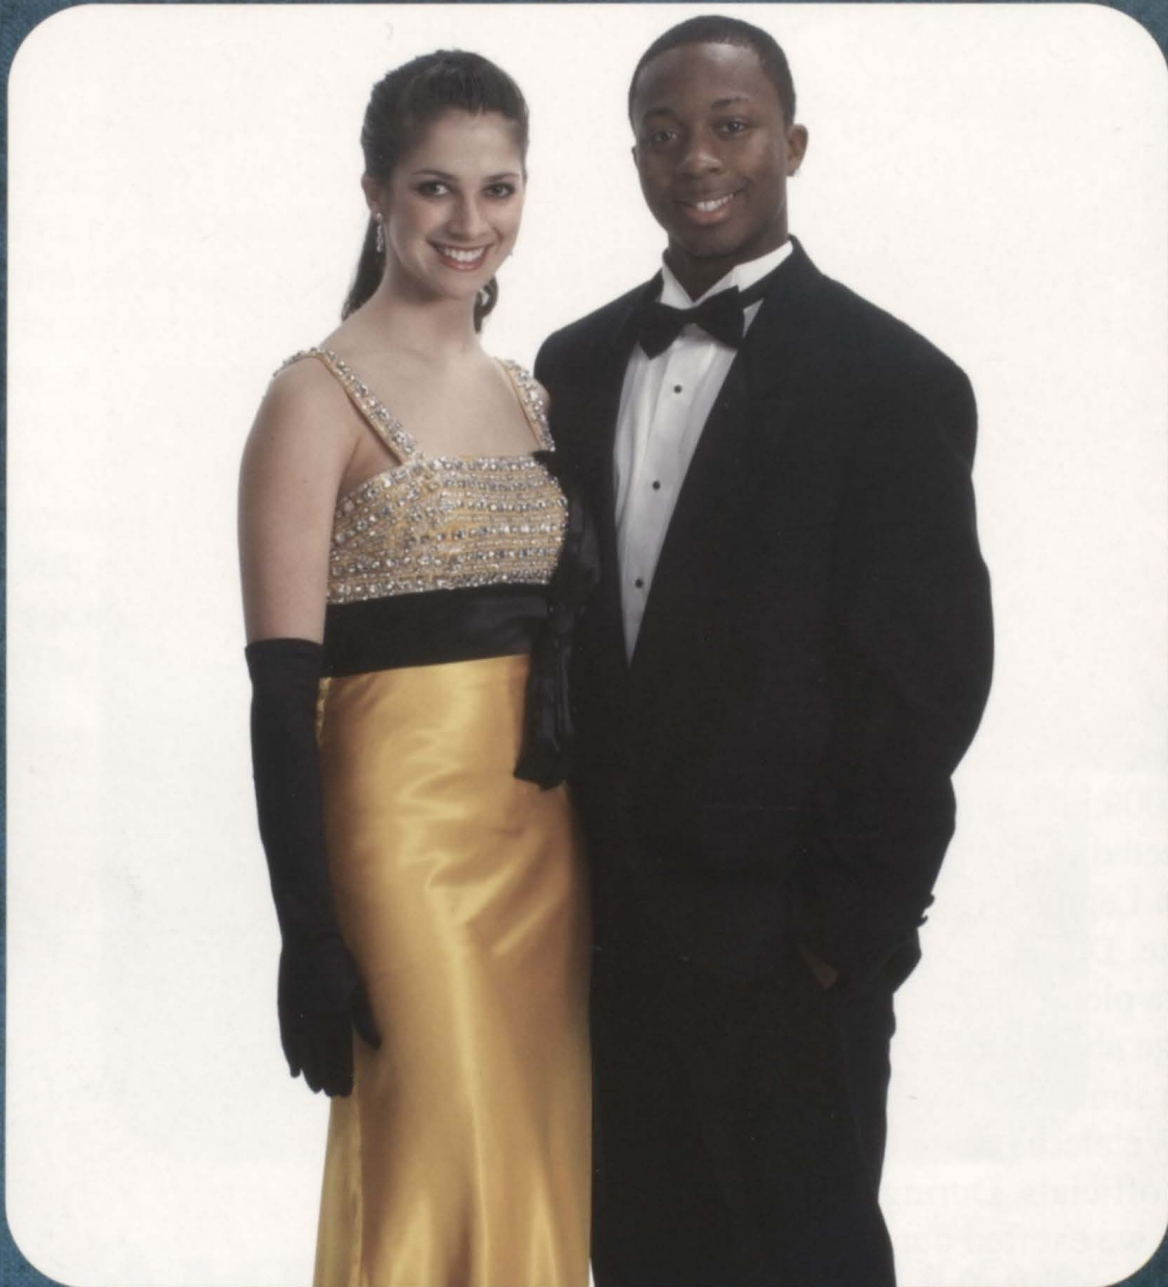

In May 2009, the three of us were selected to attend American Legion Tennessee Boys State. During State, we obtained a plethora of knowledge about government through a simulated government system. We elected city, county, and state officials. During our free time, we exerted our remaining energy into multifarious athletic competitions. Overall, this was an amazing experience. We would like to express our immeasurable gratitude to the American Legion for giving us this outstanding opportunity.

-Thomas Adams

BOYS STATE

Mr. and Miss PHS

Annie Williams is the daughter of Dr. Jim and Rene Williams. She is a member of the First Presbyterian Church in Trenton. She has served as president for Student Council, Junior Rotary, and the Spanish Club, vice-president of the Science Club, and secretary of the Beta Club. Annie also has participated in Pep Club, Art Club, and Fellowship of Christian Athletes. She is a four-year member of the Peabody Band of Gold and served as drum major her junior and senior years. She was selected to participate in the Mock Crash Drama Team of Gibson County her sophomore, junior and senior years. She attended Governor's School for the Arts for Theatre her junior year. Annie was chosen as an All-American Scholar by The United States Achievement Academy her senior year. She was also Valedictorian of her senior class and selected as one of the Top Ten Outstanding Seniors.

My name is A.J. Collier. I have enjoyed many great memories at Peabody High School. My freshman year, I was the starting running back for the freshman football team. I also played basketball that year and was elected Class Favorite. My sophomore year, I started as cornerback for the varsity football team. I won the "Sophomore of the Year" Award and was nominated for All-District Honorable Mention. I also was voted Class Favorite my sophomore year. Also, I was a member of the Pep Club and FCA. My junior year, I was injured and did not get to play for half the season. I was a member of Pep Club and was elected Class Favorite again. I have had a good senior year. I rushed for 1300 yards as starting running back for the football team. I was nominated as All-District Running Back and made the All-District Team. I was voted senior captain on offense and had the longest defensive return for 102 yards. This year I was voted Class Favorite, Mr. PHS, and Most Athletic. I am also a member of the Upward Bound program.

Being the Class President for the past four years has been fun. On the other hand, this position is definitely no piece of cake. When I ran for the office of President my Freshman year, I had no idea what I was getting into, but I have gained so many skills such as leadership and communication. I can easily say that I love the class of 2010 and am glad to be part of it.

I would like to personally thank my class for electing me and allowing me to be your president each year. Thank you all for your hard work! I really appreciate it and cannot wait to see you at our first class meeting!

Beta Club

The National Beta Club began as the dream of our founder, Dr. John W. Harris, a professor at Wofford College in Spartansburg, SC. Since the first Beta Club was formed in Landrum, SC in 1934, The National Beta Club has become the nation's largest independent, non-profit, educational youth organization. We are committed to recognizing and promoting high academic achievement, encouraging service to others, and developing character and leadership skills. Since its beginnings, The National Beta Club has worked with over five and a half million young people in grades 5-9 (Junior Beta Club) and grades 9-12 (Senior Beta Club). There are now more than 418,000 active members and more than 8,000 clubs in 42 states, District of Columbia, 3 U.S. territories and 4 foreign countries. PHS chartered a Beta Club in 1937, one of the first in Tennessee.

This year has been a great year of "firsts" for the PHS Beta Club. We began an "adopt-a-teacher" project which we hope to continue in the future. We also had a hugely successful "Beta Bears" drive for used stuffed animals, along with our first "Beta Angels Christmas Project." The Beta Club again wants to thank all the student body of PHS for their contributions in both of these projects. We had our first recipient of the "Dr. John W. Harris National Beta Club Leadership Award" with Greer Barnes. Only 25 students are given this award annually.

As sponsors, Mrs. Allen and Mr. Maxwell want to say thank you to all the club members for making this year a great one. We especially want to say thank you to our officers for your help during the year. We encourage all Beta Club members and alumni to remember: "Ducamas aliis serviendo" (Let Us Lead By Serving Others).

Junior Rotary

The PHS Junior Rotary is an affiliation with the Trenton Rotary Club. This year we have participated in many service projects, including delivering goods to the hospital and local nursing homes and making Valentine's cookies for people in the community. We also continue to send cards to our military men and women serving overseas. We encourage every student to join us in doing good deeds for our community as we practice living out our motto "Service Above Self."

FCA

The Fellowship of Christian Athletes is touching millions of lives.....one heart at a time.

We here at Peabody strive to do the same. Each summer we send some of our officers to Leadership Camp to learn the leadership skills they need to help make this program better. Our mission is to present to athletes and coaches and all whom they influence the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving him in their relationships and in the fellowship of church.

The club will attend a theatrical event and plans to participate in the DSCC Spanish competition.

FFA

The 83-year-old Peabody FFA Chapter has had an exciting year. Our chapter has had various teams and individuals perform well in our yearly events and contests. Our most successful team was the Dairy Judging Team. This team traveled to Nashville, TN to compete at the Tennessee State Fair, where they left successful, earning 2nd. in the state with two individual high scorers. Also, this year eleven members were given the opportunity to learn how to Lead Out Loud at the National FFA Convention in Indianapolis, Indiana. We are looking forward to the Tennessee State FFA Convention in Gatlinburg, TN this spring. There, seven Peabody FFA members will receive their State FFA Degree. The highlight of our year is going to be our banquet in May. That night, many of our members will receive plaques, pins, and degrees honoring their hard work and participation throughout the year. Sadly, that night we will be saying good-bye to our four senior officers and many of our members who will be graduating, but before the night is over, a new officer team will be elected and installed. Thank you to our advisors and our alumni for your help and support throughout the year!

History Club

Peabody's History Club participated in the "Walk through History" that was held at Oakland Cemetery on Oct. 17, 2009. Several club members were used as "Guides" lending assistance and giving historical information as they led groups to the various "Stations". The History Club has continued a project of collecting coats and jackets for those in the community that may be in need. The History Club honored the late Carolyn Satterfield to be this year's "Legend of Peabody". Past recipients have been: Coach Walter Kilzer, Mr. Fred Culp, Professor Gentry R. Mcgee, Coach M.C. Joyner, Dr. Edward Barker and Mr. Dave Brown. Carolyn Satterfield was the first woman elected to a Gibson County office. She was very active all her life in social and civic activities.

Bank of Gold

Left to Right: Sherry Seavers, Jerlisa Brown, Brienna Ferrari, Braxton Miller, Jessica Bell, Jasmine Latham

The Bank of Gold is a student-operated bank located in Ms. Seavers' room. The Bank of Gold is in its first year of operation and has experienced great success. The students have worked hard to bring new business to the bank. The staff of the Bank of Gold has been excellent. We hope to continue to grow as a business and strive to serve our clients in any way possible.

Student Council

The PHS Student Council is a committee of hard-working, community-involved students, who dedicate themselves to promote character, leadership, and school spirit. This year, the Council has moved towards a more student-led organization. Through our philanthropic project, Make-A-Wish, we were able to grant a second wish to a wish kid last spring. We have continued to support the foundation by sponsoring casual days, coffee houses, and roadblocks. We hosted the Homecoming festivities and participated in the Tennessee Association of Student Councils. We are very proud of member Beau Jackson, who has held office for the Student Council. As Seniors, we hope to leave our council in an ever-growing state, and we are anxious to see the great work that will be done.

Science Club

The Science Club is composed of students showing an interest in science and achieving academic excellence in some branch of Science, Biology, Chemistry, and/or Physics. The Science Club operates the school-wide paper recycling program. Money raised from this program helps to fund the club's activities and the annual trip. In October, the Science Club assisted the city of Trenton as we kicked off our city's Clean and Green Recycling Project. Several members of the club, along with Greengaroo, participated in various events around town to educate the children and people of Trenton of the importance of recycling.

Upward Bound

Upward Bound, sponsored by DSCC and in operation at PHS since 1993, is for the potential first-generation college students who want to achieve a Bachelor's Degree, who is financially challenged, and is eager to experience all the opportunities Upward Bound offers. These include college tours, cultural events like symphonies and plays, tutoring, ACT Prep classes, and social occasions to further enhance the educational experience.

FCCLA

Our FCCLA organization has had an amazing year. We elected officers in the fall. The officers this year decided to do a community project every month. In late October, we programmed a number of activities. The Halloween safety buckets that we decorated for children and their families were a big success. We also had a traditional installation ceremony held for the FCCLA chapter. In November, the members of FCCLA held a school-wide bake sale to raise money to donate a Thanksgiving meal to a needy family. In December, FCCLA held another school-wide bake sale to raise money to buy gifts for two young children from our school's angel tree. Also, we took a trip to the Pink Palace Museum where we visited the Christmas exhibition. We concluded the month of December with our Christmas Card fundraiser. Beginning the new year in January, we had a bake sale to raise money for our club T-Shirts. Because of our snow days, we were not able to plan a community project. FCCLA Week was the second week of February. In honor of this, we wore our shirts and had Teacher Appreciation Day. FCCLA will be having more community projects throughout the school year. We had a great year, and we hope next year will be even better.

Library Aids / Office Aids

The guidance assistants help Mrs. Nunley prepare for upcoming events and special occasions. They run errands for Mrs. Nunley, allowing her more time to assist the other students.

The office assistants are always prepared to assist Mrs. Grant and Mrs. Joyner. They run errands, duplicate papers, and answer the phone. They are of great help to the office workers.

The library assistants help Ms. Sharp by filing books and updating the magazine racks. They assist Ms. Sharp in helping the other students locate books.

Annual Staff

The annual staff has worked very diligently this year in preparing the best annual to our capability. Besides selling ads, creating articles, and taking pictures of everyday life here at school, it is our job to give the annual a style and format that best reflects the personality of Peabody. We have tried our best to capture memories that will last a lifetime. We hope this is a yearbook that will enjoy for years to come.

Precious, look how you've grown! We are so proud you, sissy and the young lady you've become. We know you will succeed at everything you do!

Will,

From pedal tractors to four wheelers to the real thing, you have proved yourself to be a man any parent would be proud to call their son. I have the gift of calling you mine... with a lot of help along the way.

Trust in God to walk every step with you and you will find the right path. Keep your goals in sight and make your life exactly what you want it to be. Don't settle for less... I will always have faith in you.

I love you-
Mom

"He has made all things

-Ecclesiastes 3:11

Cody,

I have always joked, "If you were born first, you would have been an only child." But, what I meant by that is, you keep me busy just trying to keep up with you. I would not trade you for all the "easy" kids in the world. Life is full of bumps in the road, learn from your mistakes, take one step at a time, and think before you leap. You can always count on me to help you through them. I love you during the good times, bad times and the unexplainable.

You are fun, loving, kind-hearted, and always have a "I love you" and a hug for us. You have always addressed us with "yes-sir", "no-sir", "yes-ma'am", "no-ma'am". But, you are very serious about what you believe in. These are only a few qualities that make me proud of you. You have filled my life with love, laughter and taught me patience.

Life is just beginning for you and our dream for you is to be happy and succeed at whatever you choose for your future. Time goes by fast, live each day to its fullest and believe in your dreams. Always put "God" 1st and you will always get where you are headed in life. Remember "Only God can judge you." You will always be in my heart and prayers. Congratulations & we love you!

To My "Baby Girl"

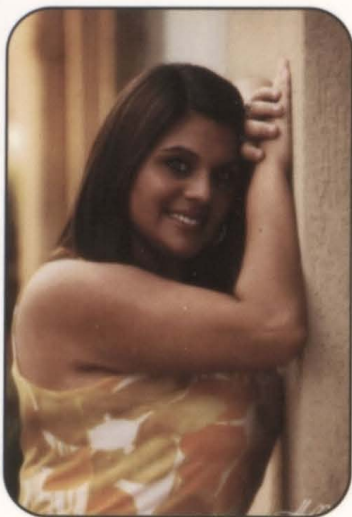

It's hard to imagine you are almost grown.
I will never forget seeing you for the first time.
You had the most beautiful "tipped-frosted" hair.
You instantly warmed my heart that day.
It's been the most awesome pleasure being your Mom.
You've given me a lifetime of great memories.
Your ever-changing style in clothes,
Bringing home Little Man,
Fixing my hair while watching movies,
Our trips to Six Flags and Gatlinburg,
Our European trip,
And watching you let God take control.
I am so proud of you and thank God for you.
I pray you have a Most Wonderful Life!
And You Know What-I Love You
With All My Heart
Love Mom

Callie,

You have made me so proud.
You have blossomed into this beautiful young lady
Who has such a great heart
I am continually amazed at what a wonderful person
You have turned out to be.
I want you to know I will always be here for you.
I love you with all my heart.

Before your Daughter comes into the world you love her.... Before she hears her 1st lullaby you have dreams of what she will look like, sound like, be like. You have hopes for her childhood and plans for her future. You imagine her limitless possibilities and promise yourself to be the best parent you can be... And then she arrives and you realize you could never have imagined this kind of happiness, this much joy, this many reasons to be grateful. For all we ever dreamed you'd be or hope you'd become, Thank You for being a constant and beautiful surprise touching our days, our lives and our hearts with love.

Another night, another day,
Another memory slips away.
Wonder why you're here at all.
Ambitions fade, times get tough,
You tried so hard, it's not enough.
Now your back's against the wall.
Just remember who you are...
You can be a lucky star.

Be everything you want to be,
You're Extraordinary.
Don't waste your time with

Take your own life in your hands.

Son, If we could have anything in the world...

We'd wish that you would always be happy, forever healthy, and that your life would be filled with all the things that bring you laughter and love.

We'd wish for you a life where your dreams come true and your goals are achieved; we would wish that we could always wipe any tears from your face and make everything okay again.

We hope you will always know that we are thinking of you And forever wanting nothing more than your complete happiness in life. It's your happiness that brings me such immense joy, because you are our son and we love you so much.

MAKE A WISH!

We salute the PHS Student Council for raising \$5000 for the Make a Wish Foundation. Through their efforts and the generosity of the Peabody community, we were able to grant a wish to a child. All of the students gathered in the gym to be a part of the wish granting ceremony.

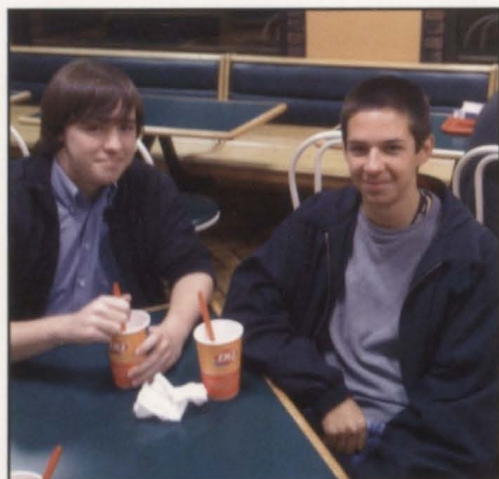

Dear Nicholas,

Thank you for being a Christian example to those at school, church and at home. We are so proud of you and all that you do. You make us feel that we have the epitome of God's blessings. Your future is so bright we're going to need shades. Best of luck at Freed-Hardeman.
