Dedication

She has touched everyone around her with her kindness and compassion. She is loved by all who know her, both students and faculty. She has impressed us all with her ability to handle even the most difficult situations. Her students have accomplished things even they did not know they were capable of doing. Although she has not been with us for long, we have grown to love her and hope she will be at Peabody for many more years. That is why the 2012 yearbook staff would like to dedicate this yearbook to you, Mrs. Webb.

Faculty

The Annual Staff has worked diligently to produce another in a long line of excellent yearbooks that reflects all that is great about our school and the city of Trenton.

Peabody has long been a source of community pride as an institution that provides a quality education for its youth. A lot of hard work by a dedicated faculty and staff coupled with the continued support of the above-mentioned community makes the quality and education possible.

We entered the 2011-12 school year as a fully accredited SACS institution and for the eighth consecutive year as one in good standing as to Federal "No Child Left Behind" legislations. We take great pride in these facts and attribute them to the determination and quality of a conscientious, professional faculty and an ambitious student body. I think it is also worth mentioning that we have improved our ACT scores so that we now rank in the top third public schools in the state of Tennessee.

The Yearbook staff has their own page on our website: <http://phs.trentonssd.org/home>. You can see which students work on this fine publication and track their progress.

I would like to welcome to the PHS faculty Mrs. Tammy Smith (math), Mrs. Geraldine Overton (Alternative School), Mrs. Gina Hudson (health sciences) and Mrs. Nicole Sudberry (Guidance).

The enthusiasm for and spirit of participation demonstrated by our students in all things academic and extracurricular are traditions that continue to endure. It is our desire that the lessons learned and experiences gained here will contribute in a positive way to each of their lives.

D.A.R. Citizenship Award

The D.A.R. Citizenship award is chosen by a committee of teachers. It is based on outstanding character, dependability, community involvement, principles, and citizenship of the highest quality.

Boys State

Josh Lomax, Brent Hopper, Tucker Green, Tony Bufford

This past summer Holly Johnson and I had the wonderful opportunity to spend a week at Volunteer Girls' State on the Lipscomb University Campus. During our time at Girls' State, we learned how our government runs through a mock government system complete with elected officials. We were separated into two separate cities and were encouraged to step out of our comfort zones to expand our leadership skills. We were also given the chance to listen to Governor Bill Haslam and to see the Tennessee State Supreme Court hear a real court case. By the time the week was over, we had made friends and memories that will last a lifetime. We would like to thank the American Legion for giving us this life-changing opportunity.

-Christina Campbell

In May of 2011, Brent Hopper, Tucker Green, Tony Bufford, and I were given the wonderful opportunity to attend Boys' State held on the campus of Tennessee Technological University in Cookeville. During our week at Boys' State, we learned first-hand how our state and city governments work by running mock governments on campus. Both my peers and I made friends that will last a lifetime. Boys' State was an incredible experience, and I would highly recommend that experience to anyone.

Mr. and Miss PHS

Tyler Morris is the son of David Morris and Stephanie Allen. Tyler has a 3.55 grade point average and a score of 20 on his ACT. He has been a member of Pep Club, Beta Club, Science Club, Fellowship of Christian Athletes, and Junior Rotary. Tyler was an officer for the FCA. Tyler has played on the football and baseball team for four years. He was selected as Class Favorite two years and Mr. PHS his senior year. Tyler plans to attend Middle Tennessee State University, UT Knoxville, or the University of Tennessee at Martin during the fall.

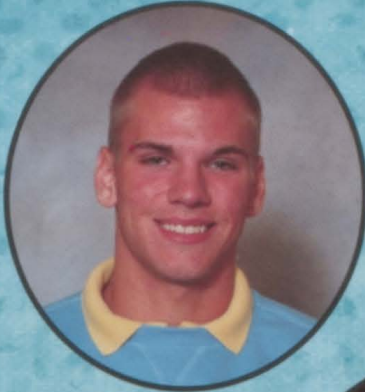

Nicole Newman is the daughter of Bryan and Betty Newman. Nicole has a 4.0 grade point average and a score of 25 on her ACT. She has been an honor student all four years. Nicole has been a member of the Pep Club, Beta Club, Student Council, Fellowship of Christian Athletes, and has been a member of the band all four years, and has served as field commander the past two years. She has also been a basketball cheerleader for four years and was a captain her fourth year. Nicole has been a homecoming representative for 3 years and was crowned homecoming queen her senior year. She was selected for Class Favorite her freshman, sophomore, and junior year, and Miss PHS her senior year. Nicole plans to attend Bethel University, University of Tennessee at Martin, or Union University in the fall.

Samuel Ryan Purdum,

We are so very proud of you! I have enjoyed watching you in band and hearing you play that Trumpet! You have been in Beta Club, run in Cross Country, and had numerous other achievements. Your curious and intellectual mind has given you the ability to work on one cool 1985 Chevrolet Monte Carlo with flames that you painted and detailed to your specifications. You are one that inspires others as nothing is too small or too difficult for you to achieve. With your character and positive attitude I know your life will be rewarding! I am so very honored to have had you as my son! Keep God in your heart always. "For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." -Jeremiah 29:11

We love you very much,
Mom and Jake

Ryan You have become one of the most intelligent and level headed men I know. It seems like just this morning I was in the hospital with your mother. I remember how blue your eyes were and how small you seemed as I held you. I was amazed at how strong you were, being only a few hours old and trying to hold your head up as you laid on my chest. It seemed like just a few minutes later you were this giant. You were always happiest watching me work on cars. You couldn't wait to get my old car parts to play with. Oh how many questions I tried to answer about motors and cars for you. I don't want to say how many times I had to look at the Chilton manuals just to make sure I wasn't telling you the wrong answer. Over the years you have never let me down, and you have always exceeded at anything you did. You and Jake have helped me become a better person. You have helped me be more mature and dependable. It really matters to me that I didn't let you down as your father. I wish I could have been around more the last few years for you. Right now I am eight thousand miles away from my sons. I know that in the next few months you will make grown up decisions that affect the rest of your life. I know you will be an excellent student, mechanic, designer, soldier, father, husband, no matter what you decide. Know that I will always be here to support and guide you no matter what. We have shared the same pains, struggles, and worked on cars when we didn't feel like it. We have spent hours together painting, fixing, and troubleshooting cars and women..... I look forward to doing that again. Samuel Ryan Purdum, I love and respect you so much and I wish you congratulations on your graduation!!

Love, Dad

Hunter,

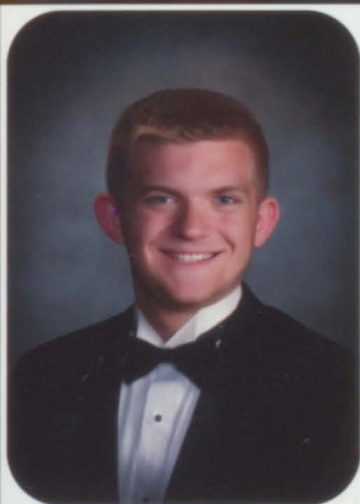

Oh, how you've grown from a boy into a wonderful young man. Always remember you're a winner in whatever you do.

We love you and are so very proud of you!

Kaelan Lester,

Congratulations, Class of 2012!!

Our Deepest Fear

Our Deepest Fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We were all meant to shine, as children do. It's not just in some of us it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others.

On June 13th, at 11:30 pm, our baby girl came into the world kicking and screaming and you have been kicking and screaming ever since. You tested all of our parenting skills, you pushed back at every turn we wanted you to take and you pushed us beyond our limits at times. If we wanted you to do it, you wouldn't. If we wanted you to wear it, you wouldn't. If we wanted you to go, you stayed. We will not only remember every minute of it, we will miss every minute of it too. You have grown into a gorgeous, highly-intelligent and very independent young lady. We are so very proud of you and know that you will accomplish everything you set out to do in life.

Nicole,

From a child to a beautiful young lady who we are so very proud of. It's been such a delightful adventure so far and our love for you is as infinite as the stars. Our precious little angel God has great plans for you.

We love you so very much.

Philippians 4:13

Sammie Jo ("Pook"),

It is so hard to believe that you are graduating high school! It seems like yesterday you were starting Kindergarten. Over the years we have had the privilege of watching you become a beautiful, talented, intelligent, strong and warm hearted young lady who would do anything for those she cares about. You have given us a few "sleepless nights" along the way, but seeing the remarkable person you have become was well worth it!

"What we are is God's gift to us. What we become is our gift to God." (Eleanor Powell) Always remember this as you go forward in life, and know that with God all things are possible! You will hear some say that the high school years are the best years of your life, but that isn't true. The best is yet to come for you! We love you. We are so very proud of you, and we pray God blesses you with an amazing future!

Love,

Daddy, Momma, Summer and Skylar

CC,

They told me you couldn't be and there still be a me, but the Lord spoke through the guidepost and said, "I put you on the trail, now finish the journey." By allowing him to navigate the train I found a guide I had always known the day you were born.

It was the first time I had experienced a true miracle. The realization that something so small would be the greatest gift of our life. I looked at you and knew there would never be anything or anyone that you touched that would not be better for it. We

knew you would own your destiny. You will never make a mistake that we can't forgive or do anything too great for us to believe. There is no limit to how far we will go to get you if you need us. We will always love you to the moon and back, bigger than the sky you will always have snowman pillow, a panda, and a warm place next to me. On good sleeping afternoons, Daddy will always be around to make some corny jokes that only we get. Now is your time go and soar with the eagles. Let the world see you fly, my super girl, with your bright red curls. Daddy and I love you unconditionally. You will never be able to imagine something so great as the pride in our swollen hearts.

Congratulations, 2012 is only the beginning.

JUNIOR CLASS OFFICERS

Thinking over the course of the year, I realized how much we, the Junior class, have accomplished. This year we pulled ourselves out of debt, created an awesome 3-D homecoming display, and designed class shirts, like no other. We have shown that our class can do so much! We couldn't have accomplished any of this without the help from all of you. I know that we will continue to do many great things. Thank you for allowing me to be your class president this year, and I'm proud to say that the Class of 2013 has, and always will be, one of the strongest classes Peabody has ever known!

SOPHOMORE CLASS OFFICERS

To the Members of the Class of 2014,
On behalf of your class officers, I want you to know that we consider it a privilege to be a part of such a great class. We've had another successful year at Peabody HS in sports, band, and academics, and the sophomores were a huge part of this success.

From school elections to homecoming activities to raising money for our classmates in need, we've worked together to help each other. Through the good times and the bad times, we've become stronger and made memories to last a lifetime - Always cherish these times!

Thank you for allowing me to serve you :)

FRESHMEN CLASS OFFICERS

Freshman class of 2015,
I'm greatly honored to be your class president. This year has been awesome! I'm so proud of all our accomplishments, especially when we came together to make an awesome display for homecoming and raised money for our class. We've made our mark as a Freshmen class here at Peabody, but we have three more years to accomplish so much more. Let's keep ROLLIN!!!

Beta Club

The PHS Beta Chapter of the National Beta Club is beginning its 75th year! Our chapter was one of the first six groups chartered in Tennessee. This past year has been one of many changes. Though we have not had as many large group projects, we have many members very active in smaller activities. As we prepare for conventions, we have a great group of students preparing for talent, and Adrienne Doaks has done a great job as club president. This year we celebrated our 75th year!

"Let Us Lead By Serving Others!"

Vice President-Brent Hopper
Secretary-Sarah Schulze
Treasurer-Christina Campbell
Reporter- Jake Crawford

The National Beta Club began as the dream of our founder, Dr. John W. Harris, a professor at Wofford College in Spartanburg, South Carolina. Since the first Beta Club was formed in Landrum, South Carolina in 1934, The National Beta Club has become the nation's largest independent, non-profit, educational youth organization. We are committed to recognizing and promoting high academic achievement, rewarding and nurturing worthy character, fostering leadership skills, and encouraging service to others.

The National Beta Club has worked with over six million young people in grades 5-9 (Junior Beta Club) and grades 9-12 (Senior Beta Club). There are now more than 420,000 active members and more than 8,000 clubs nationally and internationally.

The National Beta Club Mission Statement

To promote the ideals of academic achievement, character, service and leadership among elementary and secondary school students.

Achievement

Recognizing and honoring high academic achievement.

Character

Preparing young people for life and empowering them to be successful.

Leadership

Developing the leaders of tomorrow.

Service

Demonstrating our motto: *Let Us Lead by Serving Others*

Student Council

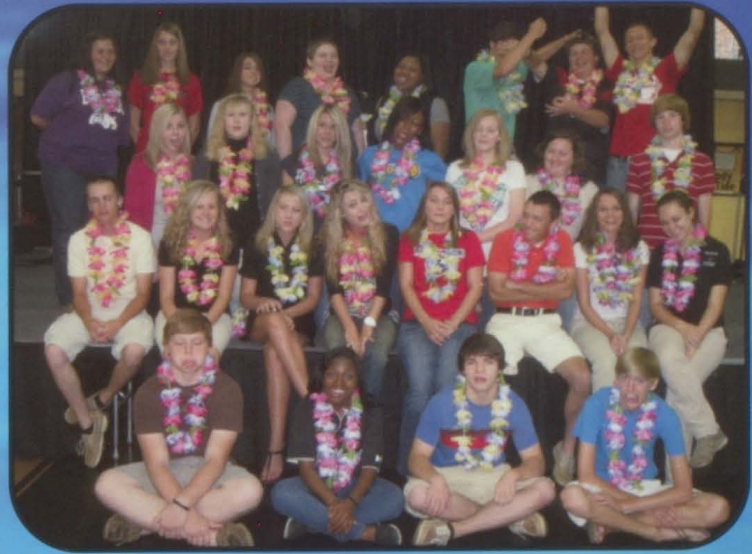

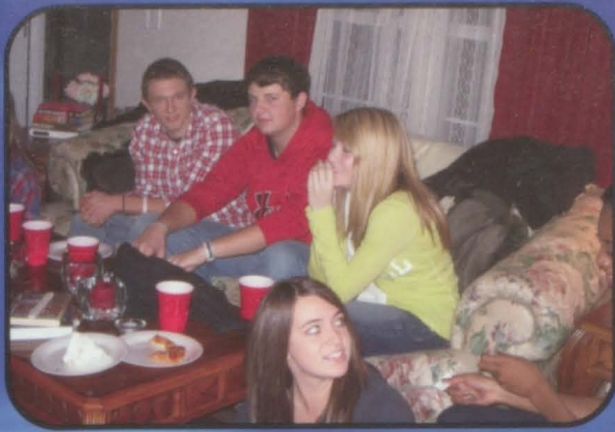

The Peabody Student Council is an organization devoted to serving our community and our student body. It is our job and our honor to represent the voice and ideas of the student body. This year, we have kept ourselves busy participating in many different events. We have held numerous casual days, a fall and winter coffee house, and winter road blocks to raise money for the Make-A-Wish Foundation. We have also volunteered at the Special Olympics this year. Throughout the past year, we have been represented at Leadership Camp, Southern Regional Convention, and State Convention. We are very proud of Christina Campbell who is the West Tennessee Representative. Due to her holding this position, we had the opportunity to host a very successful West Tennessee Leadership Workshop for the Tennessee Association of Student Councils.

HOSA

Mrs. Gina Hudson is the Health Sciences teacher and club sponsor for Health Occupation Students of America (HOSA). Health Science Education is designed for all students who are interested in a health career. The goals for Health Science Education include: providing students with adequate knowledge of health care careers and supply competent, trained workers from high school or a pathway for entrance into a one, two, or four-year, program at a college or university; recognizing health care needs and provide students with updated information on new and innovative technology in health care; supporting a cooperative effort between high school and postsecondary; providing education for allied health and nursing programs; and collaborating with the health care industry to update and change knowledge and skills for all students enrolled in health science education.

Upward Bound

Upward Bound, sponsored by DSCC and in operation at Peabody since 1933, is for the potential first-generation college student who wants to achieve a bachelor's degree, is financially challenged, and is eager to experience all the opportunities Upward Bound offers. These opportunities include college tours, cultural events such as symphonies and plays, tutoring, ACT Prep classes, and social occasions that further enhance the educational experience.

Bank of Gold

The Bank of Gold is a student led bank located in Ms. Sherry Seavers' room. This is the third year it has been open. Each year we continue to get more business, and would like to thank all of our customers for their continued support and patronage.

FFA

The 84-year-old Peabody FFA Chapter has had an exciting year. Our chapter has had various individuals perform well in our yearly events and contests. Our most successful team was the Horse Judging Team. The team traveled to The University of Tennessee at Martin where they competed against 29 other teams, and successfully placed first in the district and 4th in our region, with one of our team members placing 4th individually in our region. Also, this year seven members were given the opportunity to discover the "I Believe" theme at the National FFA Convention in Indianapolis, Indiana. We also got a chance to watch three former Peabody FFA chapter members receive their American FFA Degree. We are looking forward to the Tennessee State FFA Convention in Gatlinburg, TN this spring. At convention two members will receive their State FFA Degree. The chapter will also have the opportunity to watch one of our former FFA members, Olivia Fernandez, who is the 2011-2012 Tennessee State FFA Treasurer, give her Retiring Address. The highlight of our year is going to be our banquet in May. That night, many of our members will receive plaques, pins, and degrees honoring their hard work and participation throughout the year. Sadly, that night we will say goodbye to our five senior officers and many of our members who will be graduating, but before the night is over, a new officer team will be elected and installed. Thank you to our advisors and our alumni for their help and support throughout the year!

Junior Rotary

The Peabody High School Junior Rotary/Interact Club is a self-governing and self-supporting service club that is both school and community based. The Jr. Rotary/Interact Club strives to create and engage youth to seek future leadership and service roles in their local community. The club has addressed community health awareness by providing free health literature and blood pressure checks during the annual Music on the Square. Through member held food drives for the local food pantry and in conjunction with the Trenton Rotary Club, Jr. Rotary initiated "The Soldiers Care Package Project." Through community donations, three boxes per month were sent to our local soldiers in Kuwait. Sponsor Kerri Ballentine stated, ""Service above self" is the motto of all Rotarians and an excellent description of the attitude of this year's members. These outstanding young leaders will shape the future and leave a positive imprint anywhere their path takes them in life."

History Of The Rotary Club

The world's first service club was founded on February 23, 1905, when a lawyer, Paul Harris, and three friends met in a small office in downtown Chicago. These men wanted to rekindle in the turn-of-the-century city the spirit of friendliness they had known in their home towns. Word of the club soon spread, and others were invited to join. They named their new club "Rotary" to describe the practice of meeting in rotation at the members' various places of business.

Originally formed for fellowship, the first Rotary Club quickly evolved using the talents and resources of its members to serve the community. By the end of 1905, the Rotary Club of Chicago had 30 members. Three years later a second club was established in San Francisco, California. The next year three more clubs were established on the West Coast of the United States and a fourth in New York City. Within a few years other groups formed service clubs based on the Rotary model.

The first Rotary convention was held in the Congress Hotel in Chicago in August 1910. The National Association of Rotary Clubs was organized at that time with 16 member clubs. Rotary founder Paul Harris was elected the association's first president.

Today, Rotary International encourages its clubs to focus on a broad spectrum of service activities such as hunger, the environment, violence prevention, illiteracy, drug abuse prevention, polio eradication, youth, the elderly, AIDS awareness, and education. Rotary clubs around the world are united under the motto "Service Above Self."

FCCLA

Our FCCLA organization had another exciting year. After the election of new officers in the fall, our officers were busy planning activities for this school year. FCCLA members participated in the Fall Leadership meeting, which was held at the University of Tennessee in Martin, Tennessee. We also had members to compete on the 4-H Consumer Decision making judging team, which was held in Wildersville, Tennessee.

Students stayed after school in October to complete their Halloween Safety Bucket Project, for a group of well deserving students.. In November, our organization had an informative and fun-filled trip to the Pink Palace Museum in Memphis. There we had a chance to visit the Christmas Tree exhibition and tour the museum.

FCCLA Week was the second week of February and members chose to take time to bake and sell cupcakes with proceeds going to the March of Dimes Organization. Our annual FCCLA lock-in is scheduled for April. FCCLA will be involved in other projects throughout the rest of the school year. We've had a great year and hope next year will be even better.

FBLA

FBLA stands for Future Business Leaders of America. The club is for students interested in business and the inner workings of companies. FBLA is a great national organization that aims to prepare students to be successful in the business world. We have paired up with Mrs. Webb's class to do monthly projects. We also attended a Leadership Day in Nashville, Tennessee.

Future Teachers Of America

The Peabody Future Teachers of America is a new organization that began last year. Future Teachers of America is a club that encourages students in the field of education. Students who are interested in becoming a teacher in the future are encouraged to join. This year, we had a Valentine Coffee House and offered support to teachers and staff workers by helping prepare classrooms and bulletin boards, and creating gift bags for the bus drivers and transportation staff. Throughout all of these activities, students got an insight into the numerous hats a teacher has to wear, and students also got an opportunity to have a close camaraderie with educators who are interested in helping them pursue their dreams.

P3

Peabody High School's newest student organization is called P3, Positive Peer Pressure. Clubs such as this one have been initiated in high schools across Tennessee and in other parts of the country. The P3 clubs follow the curriculum of the nationally recognized Students Against Destructive Decisions (SADD) program, and their mission is to provide students with the best prevention tools possible to deal with the issues surrounding underage drinking, drug use, impaired driving and other destructive decisions such as social networking, texting and driving, and cyber bullying. Our group meets once a month and is sponsored by Mrs. Helen Branum. Students are allowed to discuss topics of interest openly and are encouraged to serve as role models to their peers.

Bible Club

The Bible Club is a student-led organization. We meet at noon on Wednesday's in Mrs. Cindy Taylor's room, who is our sponsor. Everyone is welcome to come to our meetings. "I can do all things through Christ who strengthens me.." -- Philippians 4:13

FCA

As Christians, our goal is to lead as many people to Christ as possible, and to hold other Christians accountable, whether it is in the classroom, hallway, the court, the field, or in our community. We glorify God in everything we do. We meet every Friday at noon and eat lunch together in Coach Kent Scott's room. We would love to have anyone join us.

Library/Office Aides

The office assistants are always prepared to assist Mrs. Grant and Mrs. Joyner. They run errands, duplicate papers, and answer the phone. They are of great help to the office workers. The library assistants help Ms. Sharp by filing books and updating the magazine racks. They also assist Ms. Sharp in helping the other students locate books.

Annual Staff

The annual staff has worked very diligently this year to prepare to the best of our ability a yearbook Peabody can be proud of. In addition to selling ads, creating articles, and taking pictures of everyday life here at school, it is our job to give the annual a style and format that best reflects the personality of Peabody. We have tried our best to capture memories that will last a lifetime. We hope this is a yearbook that you will enjoy for years to come. -- The Annual Staff

You are such a blessing to me. You have grown into a young man who any father would be proud to call son. Remember to trust in the Lord with all your heart and He will make your paths straight. Proverbs 3:5-6

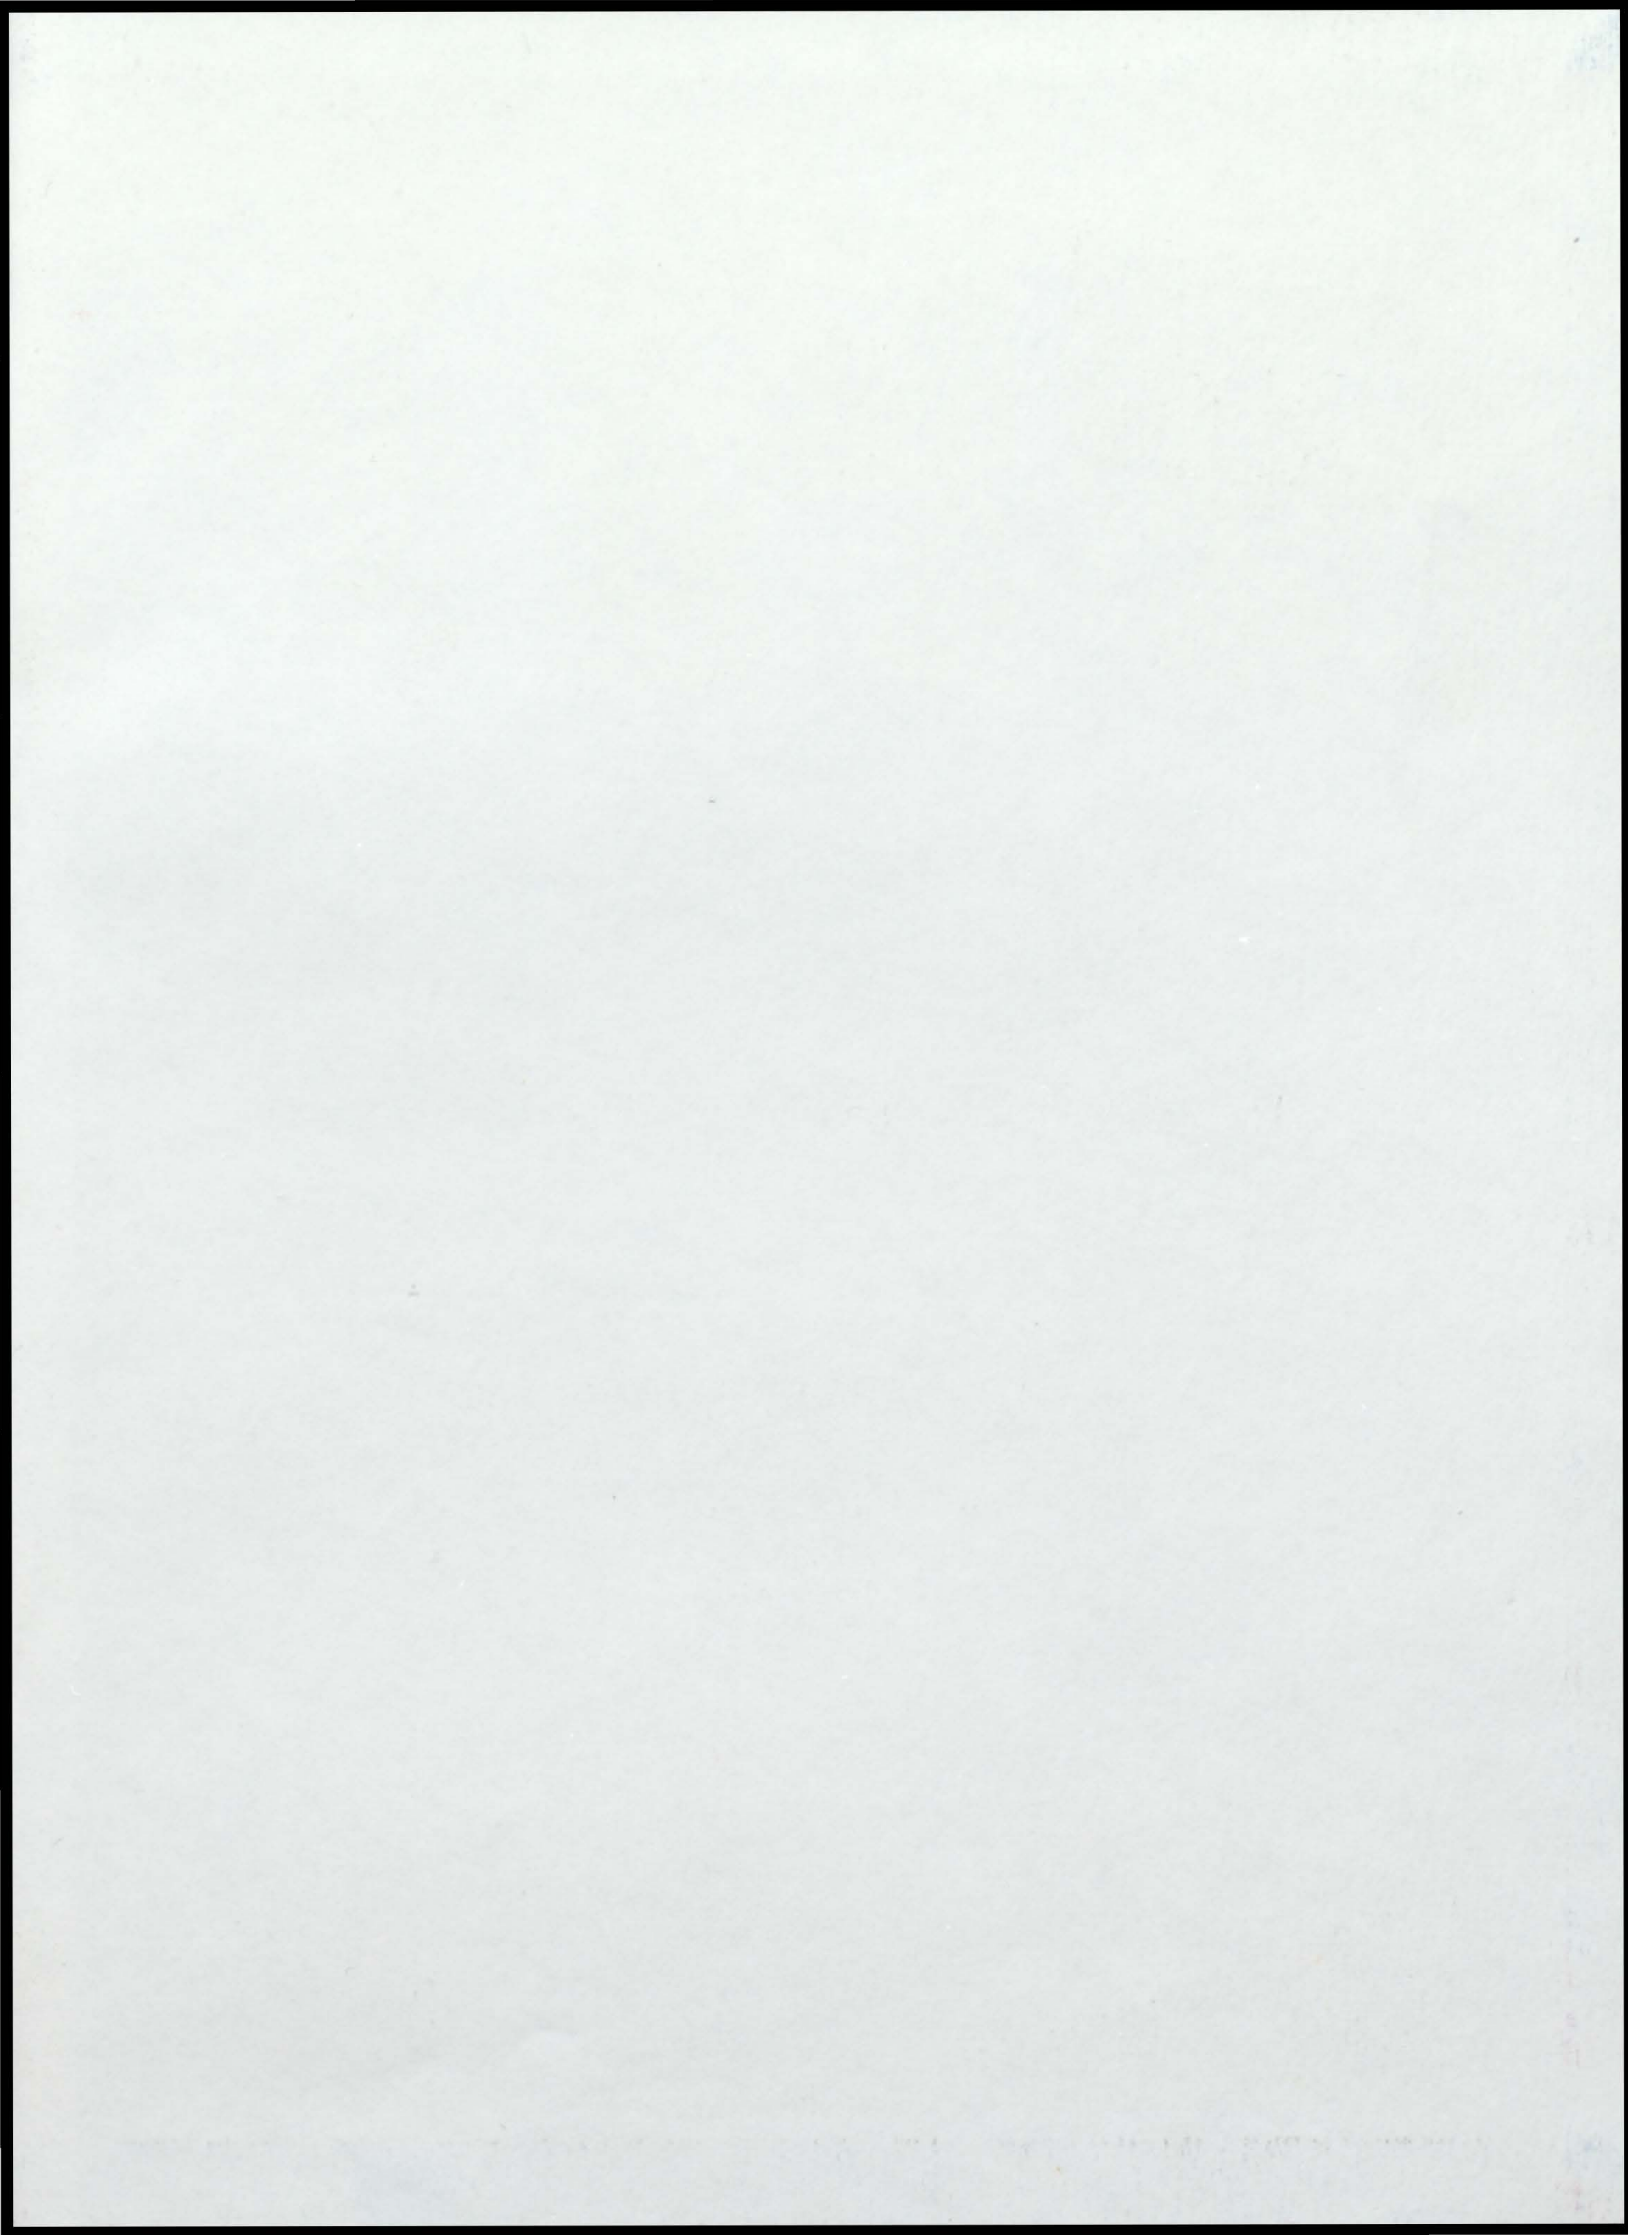

You have been a great example for Logan to follow.

Your Mee Maw was always proud of you.

I am blessed to call you Son.

**Always remember
Phil 4:13**

You are such a blessing to me. You have grown
and a young man who any father would be proud
to call son. Remember to trust in the Lord with
all your heart and He will make your paths
straight. Proverbs 3:5-6

You have been a great example for Logan as
well.

Your Mom Mom was always proud of you.

Love forward to call you Son.

Always remember
Mom & Dad
