DEDICATION

We could write a research paper on all she has taught us about Shakespeare and Chaucer. She has worked tirelessly year after year to insure that we had a great prom. She taught us how to walk down the aisle for our senior walk and how to walk to the podium to receive our diplomas. In fact, she was the reason many of us were able to get a diploma. For all these things, and many more, the 2013 yearbook staff would like to dedicate this year's book to Mrs. Andrea Joyner. Thank you so much for all you have meant to our school. You will be missed.

The Annual Staff has worked diligently to produce another in a long line of excellent yearbooks that reflects all that is great about our school and the city of Trenton.

Peabody has long been a source of community pride as an institution that provides a quality education for its youth. A lot of hard work by a dedicated faculty and staff coupled with the continued support of the above-mentioned community makes that quality education possible.

We take great pride in being an excellent school (we met all our federal Annual Measurable Objectives, or AMO's) and attribute it to the determination and quality of a conscientious, professional faculty and an ambitious student body.

The Yearbook staff has their own page on our website: <http://peabody.trentonssd.schoolfusion.us/>. You can see which students work on this fine publication and track their progress.

I would like to welcome to the PHS faculty Coach Joe Gaddis (Head Football), Mrs. Debbie Grant (Family and Consumer Science), Mr. Jason Gullede (Science), Coach Mike Hart (Girls Basketball Head Coach), Coach Shane Jacobs (Math), Coach Ryan Muench (Science), and Mrs. Leigh Ann Newton (Special Education).

The enthusiasm for and spirit of participation demonstrated by our students in all things academic and extracurricular are traditions that continue to endure. It is our desire that the lessons learned and experience gained here will contribute in a positive way to each of their lives.

Class of 2013,

"This year has been great! I've had so much fun being your president these past two years. I want to thank each member of our class for giving me this privilege! I would also like to thank the other officers for all the help they've given me. The skills I've learned are skills that I know I will use time and time again.

I also want to say that I love our class very much and I can't wait to see everyone at our first reunion!"

Boys State

*Zach Bruketta,
Taylor Coomer*

This past summer, Zach Bruketta and I were invited to attend American Legion's Boy's State in Cookeville, TN. We arrived at Tennessee Technological University on May 26, 2012. The moment we were split into our separate cities we knew this experience would be a good one. We both learned a lot about the many young men from all over Tennessee. Most importantly, the camp pushed us out of our comfort zones. It was an experience like no other; opening our eyes to governmental issues and procedures, opportunities, and amazing people that you would never find inside our small town. I urge all those who can take advantage of this opportunity to do so!

-Taylor Coomer

Girls State

During this past summer, Allison Breece, Chelsea Dawson, and I were given the amazing opportunity of spending a week at Lipscomb University. While there, we learned how the government system works at local, state, and national levels by creating a mock government. We were urged to venture outside of our comfort zones and encouraged to participate in government elections. During that week, we also competed against the other cities in many events that helped to expand our knowledge of the government system. I believe I speak for us all when I say we made incredible friends and memories that will stay with us throughout the rest of our lives. We would like to thank American Legion for giving us the chance to experience this incredible opportunity!

Zach Scruggs

Watching you grow from a "Little Vols" fan to a "Peabody Tideman" has been very exciting and somewhat overwhelming. To watch you set goals and reach them, strive for success and accomplish it, to see your work ethics and then, lastly, your expectations of college and the future you want to build for yourself. We are so very proud of you and the man that you have become. Keep God first in your life and he will see you through...

We love you and are very proud of you!!!

Dad, Diane, Hanna
Shanna, Kainan & Kaliyah

Dream your dreams, set your goals and follow your heart and always know that I love you thoroughly and unconditionally. I celebrate with you and know that God's plan for your life is eternal.

Collin,

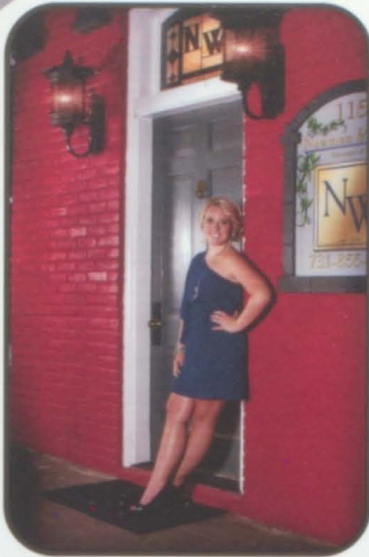

The day you were born God blessed us with a beautiful baby boy. What an awesome experience to have you as a son. You are a wonderful son, brother, grandson and uncle. We have watched you grow into an amazing young man who has a very bright future ahead of him. We are so proud of all that you have accomplished and look forward to seeing what the future holds. Always remember to keep God in your heart.

"In all thy ways acknowledge him, and he shall direct thy paths" Proverbs 3:16

We love you,
Mom and Dad

Janna,

I look at you and can't believe my little girl is a senior. From pig tails to make-up you have made my life so much fuller. Keep your heart & mind focused on God. Doesn't mean you won't have set backs, but you can make it with Him in your corner. I love you my precious angel to the moon & back forever & always. I can only imagine the wonderful things you will do & become in the future.

Love,

Mom & Dad

It has been a privilege and an honor to watch you grow
up to become such an incredible person. We're so
very proud of you, Trystan, and we hope you're happy
now and in the future. You deserve the very best that
life has to offer. We love you so much!

Love Tyty and Papa

Kaitlyn, Where do I start?
 It's hanging on when your heart has had enough
 It's giving more when you feel like giving up
 I've seen the light
 It's in my DAUGHTER'S eyes.

Since the day you were born you have inspired me.

There has never been a doubt in my mind you would achieve great things.

We can not express how proud we are of you and how much we love you.

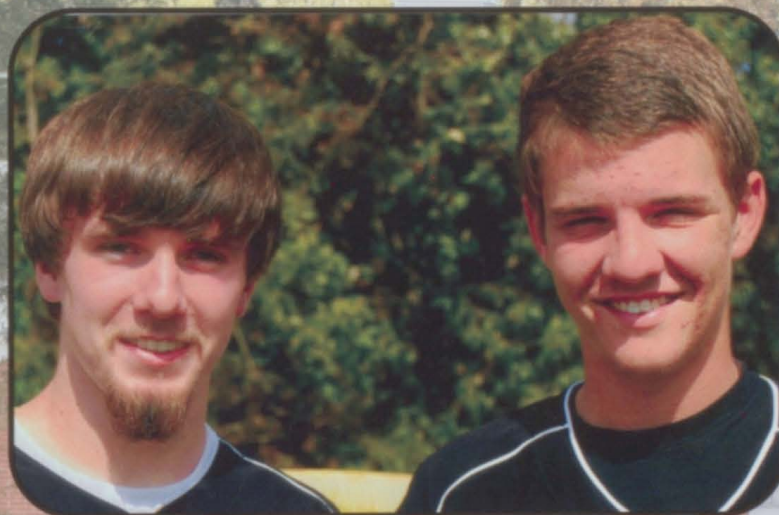

As you start your journey through life, never give up. Believe in every day the way I believe in YOU.

With ALL our love,

Dad, Mom, Philip, Kaileigh & Kyle

**Dalton Penn
Class of 2013**

Your high school years have flown by so quickly. I have watched you grow up to become a strong and determined young man. You will succeed in anything you do. I believe in you! There will be difficult times ahead. Turn to your faith. God will be there for you. I will too. You will always have a place to call home.

Love,
Mom

Seek not to be Rich, but Happy. The one lies in Bags, the other in Content; which Wealth can never give."

William Penn

Precious Gift

When times seem too hard to bear and I feel like giving up
 I envision your beautiful face, the twinkle of your eyes and things of such
 The bond we created from my womb to the day you were born
 Is a mother and daughter bond that can never be torn
 With the strength and guidance of God and the blessings he pours down from above
 I want to be the best mom I can be to you and embrace you with all my love
 You are precious as a flower and as gorgeous as a rose
 You have been specially made to the very tip of your nose
 You are as sweet as honey; such an innocent young child
 You are brighter than any star in the sky every time you smile
 I want you to be proud of who you are and strive to be the best
 Put forth your efforts to achieve your goals and let God do the rest
 I will always be your mother first, but I'm also your friend
 You are the most precious gift, that I've ever been given- you're heaven sent.

I love you with all my heart. You have been my light, just when I thought things were getting dark you would light things back up with your smile and your silly ways. You're one of my pride and joys. I love you so much.

Love, Mom

To Kendel Ann Dixon, I know you can do whatever you put your mind to in life. I'm very proud of you.

Love always,
 your mum Theresa Ann Dixon

Promise Yourself

To be strong that nothing can disturb your peace of mind.
To take health, happiness and prosperity to every person you meet.
To make all your friends feel that there is something special in them.
To look at the sunny side of everything and make your optimism come true.
To think only of the best, to work only for the best, and to expect only the best.
To be just as enthusiastic about success of others as you are about your own.
To forget the mistakes of the past and press on to the greater achievements of the future
To wear a cheerful countenance at all times and give every living creature you meet a smile.
To give so much time to the improvement of yourself that you have no time to criticize others.
To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.

-Christian D. Larson

Class of 2016,

"This year has been a lot of fun! I want to thank everyone for voting for me and giving me this opportunity. I would also like to thank the other officers for their help and support. I am very proud of our class and all we have accomplished. We had an amazing year this year, and I cannot wait to see what next year holds!"

Beta Club

The Beta Club is a national organization whose purpose is to recognize outstanding academic achievement, develop leadership, and promote uncompromising character in its members. The standards of membership are high and include a service component.

The Peabody Beta Club had another great year! After the yearbook was published last year, our talent group competed and won state last year! Our "Beta Angels" project at Christmas was again a great success. As of this writing, we are preparing for the state convention and looking forward to another great year.

Spending the last four years cheering for the tide & Lady Tide has been the most exciting part of our high school career.

We are so thankful for the experience and for the girls that we have become friends with along the way. We are so sad that this has come to an end, but we are so happy for all the memories it has brought us!

Thanks to both teams, the coaches, Kerri, and our girls for a great last season!

Love Macey and Janna

Student Council

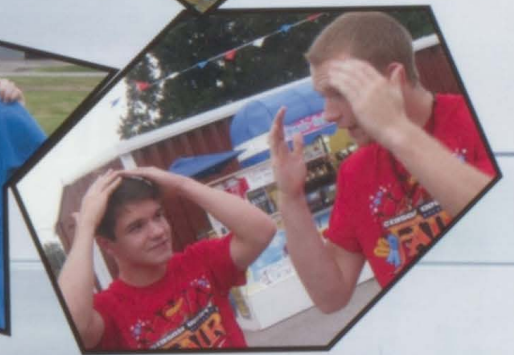

Our PHS Student Council is comprised of students who are hard working, dedicated, and compassionate. This year, our council has worked very hard to be very community and school involved. Homecoming festivities, Special Olympics, and Tennessee Association of Student Councils are just a few of the many projects and organizations we have worked with. I would like to thank all of our members for all of the work you have put in and all of the time you have spent volunteering in the community. The seniors know that the council will continue to grow and that we'll be left in good hands next year. Lastly, I want to thank Mrs. Bruketta for everything she does for us. The council couldn't function without you! I love ya'll and will miss you so much next year!

HOSA

Mrs. Gina Hudson is the Health Sciences teacher and club sponsor for Health Occupation Students of America (HOSA). Health Science Education is designed for all students who are interested in a health career. The goals for Health Science Education include: providing students with adequate knowledge of health care careers and supply competent, trained workers from high school or a pathway for entrance into a one, two, or four-year, program at a college or university; recognizing health care needs and provide students with updated information on new and innovative technology in health care; supporting a cooperative effort between high school and postsecondary; providing education for allied health and nursing programs; and collaborating with the health care industry to update and change knowledge and skills for all students enrolled in health science education.

Upward Bound

Upward Bound, sponsored by DSCC and in operation at Peabody since 1933, is for the potential first-generation college student who wants to achieve a bachelor's degree, is financially challenged, and is eager to experience all the opportunities Upward Bound offers. These opportunities include college tours, cultural events such as symphonies and plays, tutoring, ACT Prep classes, and social occasions that further enhance the educational experience.

Library/Office Aides

The office assistants are always prepared to assist Ms. Chelle and Mrs. Joyner. They run errands, duplicate papers, and answer the phone. They are of great help to the office workers.

The Library assistants help Ms. Sharp by filing books and updating the magazine racks. They also assist Ms. Sharp in helping the other students locate books.

FFA

The 85-year-old Peabody FFA Chapter has had an exciting year. Our Chapter has had various individuals perform well in our yearly events and contests. Also, this year three members were given the opportunity to discover the "Grow" theme at the National FFA Convention in Indianapolis, Indiana. Members are looking forward to state Convention this spring in Gatlinburg, TN. Logan Farley will receive his State FFA Degree while attending. The highlight of the year will be our chapter banquet in May. That evening, many of our students will receive plaques, pins, and degrees honoring their hard work throughout the year. Sadly, that night we will say goodbye to our senior officer, Logan Farley, and the rest of our senior members, but before that night is over, a new officer team will be elected and installed. Thank you to our chapter advisors and alumni for their help and support

Junior Rotary

The Peabody High School Junior Rotary/Interact Club is a self-governing and self-supporting service club that is both school and community based. The Jr. Rotary/Interact Club strives to create and engage youth to seek future leadership and service roles in their local community. This year, the club has been very busy. We initiated and carried out the Paul's Partner's campaign, which raised money for down syndrome awareness. By participating in this campaign, we were also given the amazing opportunity to assist with the Buddy Walk. At the Buddy Walk, our club won the "school spirit" award and our school received a gift certificate which was used on our students in our school system for down syndrome. We were also busy administrating food drives, which went to our "Drive-thru Santa". The "Drive-thru Santa" was a project that gave needy families toys and food for the holiday season. As president, I would like to thank Mrs. Kerri for all the help and opportunities that she's given us. Without her, none of this would be possible. "Service above self" is the motto of all Rotarians and an excellent description of the attitude of this year's members.

History Of the Rotary

The world's first service club was founded on February 23, 1905, when a lawyer, Paul Harris, and three friends met in a small office in downtown Chicago. These men wanted to rekindle in the turn-of-the-century city the spirit of friendliness they had known in their home towns. Word of the club soon spread, and others were invited to join. They named their new club "Rotary" to describe the practice of meeting in rotation at the members' various places of business

Originally formed for fellowship, the first Rotary Club quickly evolved using the talents and resources of its members to serve the community. By the end of 1905, the Rotary Club of Chicago had 30 members. Three years later a second club was established in San Francisco, California. The next year three more clubs were established on the West Coast of the United States and a fourth in New York City. Within a few years other groups formed service clubs based on the Rotary model.

The first Rotary convention was held in the Congress Hotel in Chicago in August 1910. The National Association of Rotary Clubs was organized at that time with 16 member clubs. Rotary founder Paul Harris was elected the association's first president.

Today, Rotary International encourages its clubs to focus on a broad spectrum of service activities such as hunger, the environment, violence prevention, illiteracy, drug abuse prevention, polio eradication, youth, the elderly, AIDS awareness, and education. Rotary clubs around the world are united under the motto "Service Above Self."

FTA

Future Teachers of America is a club that encourages students in the field of education. Students who are interested in becoming a teacher in the future are encouraged to join. This year, we had a Valentine Coffee House and offered support to teachers and staff workers by helping prepare classrooms and bulletin boards, and creating gift bags for the bus drivers and transportation staff. Throughout all of these activities, students got an insight into the numerous hats a teacher has to wear, and students also got an opportunity to have a close camaraderie with educators who are interested in helping them pursue their dreams.

**Over 5 decades of tax
expertise. Accept
nothing less.**

At H&R Block, we believe you should never have to settle for anything less than the best tax preparation. That's why we require our tax professionals to take more than 84 hours of specialty tax training. And then require them to pass hours of continuing education on all of the tax law changes each year. So you can feel confident you're claiming every credit you can and taking advantage of every deduction you have coming.

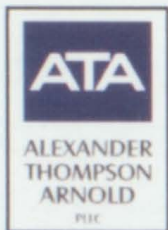

H&R BLOCK®
NEVER SETTLE FOR LESS™

If you discover an H&R Block error on your return that entitles you to a smaller tax liability, we'll refund the tax prep fee for that return. Refund claims must be made during the calendar year in which the return was prepared. ©2011 H&R Tax Group, Inc.
