Dedication

This year we want to dedicate our yearbook to a teacher who has given us nineteen years of lessons in math and life. She taught us everything from bridge math to trigonometry. She always told us that if we would be quiet and listen we might learn something. She was right. When we listened, we learned things that we will use throughout our lives. For all her years of dedication to us, we want to dedicate this 2014 yearbook to Mrs. Barbara Cole.

The Annual Staff has worked diligently to produce another in a long line of excellent yearbooks that reflects all that is great about our school and the city of Trenton. It is my hope that you will find yourself referring back to this publication many times in the future and remembering your time here as one of the more positive experiences of your life.

Peabody has long been a source of community pride as an institution that provides a quality education for its youth. A lot of hard work by a dedicated faculty and staff coupled with the continued support of the above-mentioned community makes that quality education possible.

We take great pride in being an excellent school (we met all of our federal Annual Measurable Objectives, or AMO's) and attribute it to the determination and quality of a conscientious, professional faculty and an ambitious student body.

The Yearbook staff has their own page on our website: <http://peabody.trentonssd.schoolfusion.us/>. You can see which students work on this fine publication and track their progress.

I would like to welcome to the PHS faculty Coach Ricky Woods (Head Football), Mrs. Susan Woods (Math), Coach Ron Oakes (Science), Coach Bradley Roberts (Girls Basketball Assistant Coach), and Mr. Robert Matthis .

The enthusiasm for and spirit of participation demonstrated by our students in all things academic and extracurricular are traditions that continue to endure. It is our desire that the lessons learned and experiences gained here will contribute in a positive way to each of their lives.

Boys State

*Robert Rayburn and
Dane Piazza*

This past summer, Robert Rayburn and I attended American Legion's Boy's State.

The camp was held at Tennessee Technological University in Cookeville, TN. As soon as we arrived, the camp began. We were all broken up into cities with many different campers. One of the biggest goals of Boy's State is to get you to meet new people. I met many great friends, and I still talk to a lot of them to this day.

Boy's State combines military school and governors school into one camp. For instance, you learn to march, but you also learn a lot about how the government works. You are forced out of your comfort zone and encouraged to participate in elections, to compete in sports, and even to pass a bill! Boy's State was an incredible experience that I will never forget!

-Dane Piazza

Girls State

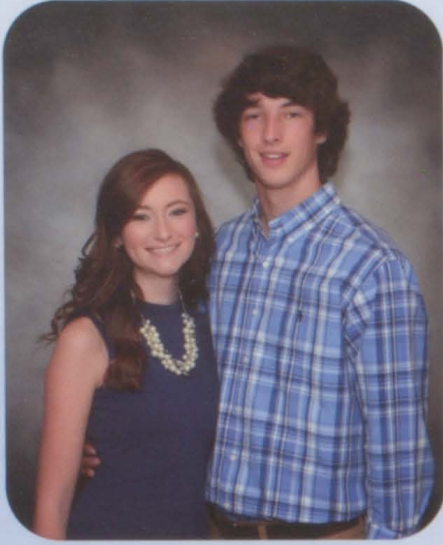

Over the summer, Makayla Keys and I were invited to American Legion Auxillary's Girl's State at Lipscomb University. We were forced out of our comfort zone immediately. We were each put into a group of forty girls that we didn't know. We had to elect local leaders. They created a mock government system from the city to state levels. We learned a lot about how our state government works. We competed against the other cities in many competitions that tested our knowledge of local government. Makayla was able to participate in the Girl's State choir and I know that she had an amazing time. We both made really close friends, had a great time, and learned a lot. Thanks American Legion Auxillary for giving us this amazing opportunity!

Senior Class Officers

Seniors,

Another great year behind us, and sadly this is our last. We pulled together during homecoming week and regardless of those outcomes, we're still the best class I know! I couldn't ask for better classmates than the ones I have now. I hope I, along with the other officers, exceeded y'all's expectations for this year! I also hope you all have made enough memories that you'll always remember even years from now! Thank you all again for electing me as your president this year. And thank you to my class officers for all of your hard work and for standing by me!

I'm so proud of our class and I love you all very much and I'm already looking forward to our first reunion!

Senior Cheerleader Farewell

To my girls...

I can't believe it's my time to leave you and be writing this Senior Farewell to you in the annual. It's so bittersweet. The past year was definitely the best year I had cheering for Peabody. We have progressed and advanced the cheer squad so much over such a short amount of time. I'm bummed that I won't be here with you girls the next year, but so happy I will have the chance to come back and see how much more you have accomplished. When you get frustrated, just remember my cartwheel attempts and then think "It could always be worse!" Make the most of your seasons; the last Meet The Players, pep rallies, Homecoming, Pink Out, especially Senior Night. And yes, the painful cheer camps this summer learning stressful dances! It doesn't seem like it then, but it will hit you later that it's over. Good luck and best wishes for your last years in school and on the squad!

Love you mostest,
Your Senior Captain, Corri

WPHS

WPHS News is a student produced digital program which provides the school with a weekly show. Members of the WPHS News crew are involved in writing content, filming skits, and editing video. The news show gives the student body and faculty announcements for the week, sports standings, and highlights of other various student activities. WPHS News is uploaded onto the school's website each Friday. The sponsor for the group is Mrs. Veronica Minton.

Ryan White is WPHS's "Senior Superstar" and has been a part of the news crew for all four years.

Office Aides

The office assistants are always prepared to assist Mrs. Chelle and Mrs. Joyner. They run errands, duplicate papers, and answer the phone. They are of great help to the office workers.

Student Council

Our PHS Student Council is comprised of students who are hard working, dedicated, and compassionate. This year, our council has worked very hard to be community and school involved. We have worked with many projects and organizations such as: Homecoming festivities, Harlan Morris, Special Olympics, and Tennessee Association of Student Councils. I'm so proud of the council and everything that we have accomplished this year! Thank you all for your hard work and dedication to making this school year, the community, and the council a great one. Continue to show great leadership in all you do! I know the council will continue to grow and do great things! Lastly, I'd like to send a major shout out to our adviser Mrs. Bruketta! Thank you so much for everything you do for us. We appreciate you more than you know! You're the bomb! I love you all, my little chickadees, and I'll miss you all greatly next year!

Junior Rotary

The Peabody High School Junior Rotary Club is a self-governing and self-supporting service club that is both school and community based. The Jr. Rotary strives to create and engage youth to seek future leadership and service roles in their local community. This year, we supported the Paul's Partners campaign by giving a donation and assisting at the Buddy Walk during October, which is the Down Syndrome Awareness month. We also received the award for school spirit. All for the second consecutive year! Another service project we participated in was the food drive at Salem Baptist Church. The Rotary Club was generous enough to give us a donation, and with that money we got to give three children in the community Christmas. As president, I would like to thank Mrs. Sudberry for the support and opportunities that she has given us. All of our projects were a success due to our Jr. Rotarians' help. "Service above self" is the motto of the Rotary Club and perfect description of the attitude of this year's members.

Future Teachers of America

Future Teachers of America is a club that encourages students in the field of education. Students who are interested in becoming a teacher in the future are encouraged to join. This year, we had a Valentine Coffee House, a Fall Festival, and offered support to teachers and staff workers by helping prepare classrooms and bulletin boards, and creating gift bags for bus drivers and transportation staff. Throughout all of these activities, students got an insight into the numerous hats a teacher has to wear, and students also got an opportunity to have a close camaraderie with educators who are interested in helping them pursue their dreams. Our Philanthropy is Imagination Library.

FCCLA

Our FCCLA organization has had an exciting year. After the election of new officers in the fall, the club has been busy planning activities for this school year.

Students stayed after school in October and prepared hot chocolate and spiced tea to sell at the Fall Festival sponsored by Future Teachers of America. This was a fun and rewarding time for all who came and participated.

As cold weather approached, the FCCLA members led a coat drive and collected approximately 50 coats. After the coats were collected and cleaned, the students traveled to the Carl Perkins Center in Trenton to deliver the coats.

Cupcakes were prepared and sold by FCCLA members at the Pink Out basketball game. All proceeds collected were donated to breast cancer research and awareness. In the spring the FCCLA members will be taking a field trip to Memphis to visit several places of interest. They will be able to enjoy a day of fun and information before the end of the school year.

We have had a wonderful year and look forward to an even better one coming up in 2014 and 2015.

FFA

The 86-year-old Peabody FFA chapter has had various individuals perform well in our yearly events and contests. Also, this year seven members were given the opportunity to discover the "Ignite" theme at the National FFA Convention in Louisville, Kentucky. Also, two members received their American degree. Members are looking forward to state convention this spring in Gatlinburg, TN. Dalton Neisler and Hunter Partee will receive their state FFA Degree. The highlight of the year will be our chapter banquet in May. That evening, many of our students will receive plaques, pins, and degrees honoring their hard work throughout the year. Sadly, that night we will say goodbye to our senior FFA members, but before the night is over, a new officer team will be elected and installed. Thank you to our chapter advisors and alumni for their help and support.
