"I enjoy teaching school, and I do not see this job as a job or career, for me teaching is a calling, part of your soul that you cannot live without."

Katie Bruketta

Mrs. Bruketta has been selected for the 2014-2015 yearbook dedication. All these words describe the work ethic and dedication Mrs. Bruketta has shown these past ten years while she has taught here at Peabody High School. For the last ten years Mrs. Bruketta has been the sponsor for the Student Council. The Student Council has won the TASC Four Star Council award for the past seven years.

"Mrs. Bruketta works tirelessly to meet the needs of her students and positively affect their outcomes. Whether those needs are academic or extracurricular, she has exhibited a will to serve and help improve the lives of Peabody students."

-Coach Tim Haney, Principal

"Mrs. Bruketta inspires students to achieve higher standards in education while pushing them to explore their greatest potential. She is an expert in English, and an amazing student council adviser, and an even better friend. Peabody High School is lucky to have her."

- Ian Collins, Student Council President

# Principal Statement

The Annual Staff has worked diligently to produce another in a long line of excellent yearbooks that reflects all that is great about our school and the city of Trenton. It is my hope that you will find yourself referring back to this publication many times in the future and remembering your time here as one of the more positive experiences of your life.

Peabody has long been a source of community pride as an institution that provides a quality education for its youth. A lot of hard work by a dedicated faculty and staff coupled with the continues support of the above-mentioned community makes that quality education possible.

We take great pride in being an excellent school in the three big areas of academics, arts, and athletics. Last year we met all our federal Annual Measurable Objectives, or AMO's, and ranked as the number two school system in the state in Algebra I. We also rank in the top ten percent of schools in the state in Algebra II, English I

and III, and Biology. The rest of our academic and vocational offerings are staffed by excellent teachers doing outstanding work. As for the arts and athletics, we excel in many; for example, the band just finished third in the state and our football team is currently playing in round three of the TSSAA playoffs. We attribute this to the determination and quality of a conscientious, professional faculty and an ambitious student body.

I would like to welcome to the PHS faculty Mrs. Janice Wright who will be working in the Special Education department.

The enthusiasm for and spirit of participation demonstrated by our students in all things academic and extracurricular are traditions that continue to endure. It is our desire that the lessons learned and experiences gained here will contribute in a positive way to each of their lives.

# Assistant Principal Statement

Peabody High School, the students, faculty, and staff all work together to create a community of learners. This community strives to set the example for success, whether it be in the athletic arenas, in the extra-curricular clubs and organizations, or in the classrooms. With over a hundred years of experience behind it, Peabody High School has a legacy of excellence. The faculty strives to teach the students what they will need to know in terms of curriculum and in terms of life. The lessons given here to the students reach all populations, and the teachers work to foster a love of learning while providing a rigorous curriculum that adheres to the state and national standards. We have an excellent student body that cares about each other, embodying the ideals of compassionate volunteerism. We work together to fulfill Peabody High School's mission of being "productive, knowledgeable, and responsible citizens".

## Girls State

Girl's State was a remarkable experience and I am so thankful I was given the opportunity.

- Taryn Lester

Girl's State is something I would suggest to everyone. I learned about politics, government, and made friends I will never forget. It is an experience I will always be thankful for.

-Mary Grace Hayes

Girl's State was a wonderful and enlightening experience. It gave me a greater appreciation and a better understanding for government. I learned how important it is to become an active citizen in my community.

-Belle Barnes

## Boys State

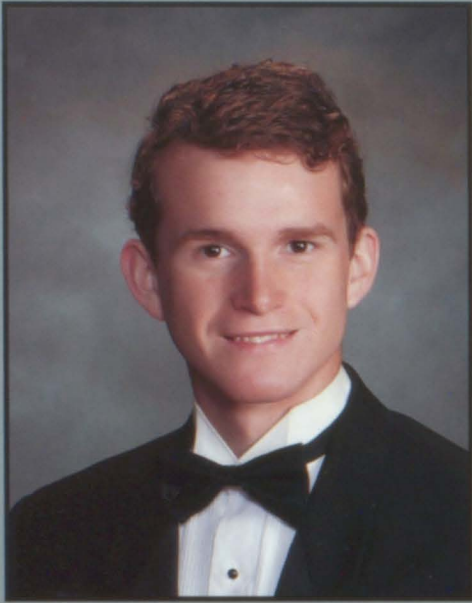

This summer, Daniel Hodges and I attended Tennessee American Legion Boy's State at Tennessee Technological University at Cookeville. Throughout the week we made friends from all over the state who we still talk to today. We also set up our own governing system and met with different state legislatures: a senator, the governor, and also the head of the Tennessee military. It was definitely a tiring week, but we met new friends, learned about Tennessee government, and also learned leadership skills. Daniel and I are very thankful that the Trenton American Legion sponsored us to attend this great opportunity.

## 2014 Blue Cross Bowl

"Winning is great, sure, but if you are really going to do something in life, the secret is learning how to lose. Nobody goes undefeated all the time. If you can pick up after a crushing defeat, and go on to win again, you are going to be a champion someday. I'm proud to be a Tideman!"

Jared Penn- Senior Wide Receiver

"The seniors had a motto: One shot at forever. I thought they took advantage of every opportunity they had. They put themselves in the position to conquer their dreams. I'm glad they brought me along for the ride!"

Coach E

"When I was a freshman one of my fellow cheerleaders told me that we were going to state before we graduated. At the time I wasn't sure, but they have come so far, and I am proud of our Tidemen!" Belle Barnes- Senior Cheerleader

"Champions never give up, and you never gave up!" Ricky Woods

"As a member of the Band of Cold, I have attended every football game for the last four years. Winning the state title was a great way to conclude our high school experience!" Tess Shelton- Senior Saxophonist

"Playing for a state championship has always been a dream for me. That day will always be a day I will never forget. It was a dream come true."

It seems like only yesterday you were a toddler knocking on my door, and now you've grown up and knocking on the door to your future. I pray that your future is every bit as beautiful as you are. I am incredibly proud of the young woman you have become, and no matter how far apart we are, my door will always be open for you.

Love,  
Sissy

Always put God first  
in your life!!  
Stand for what is right,  
even if you are the only one  
standing!  
Always follow your dreams!  
And NEVER, EVER settle!!

Be a leader,  
not a follower.  
Let those around you  
see the light of Jesus  
in your actions.  
You might  
be the only Jesus  
they ever see.

Always pray to have eyes that see  
the best in people, a heart that  
forgives the worst, a mind that  
forgets the bad, and a soul that  
never loses faith in God.

You will ALWAYS be our  
Sunshine, Mary Grace Hayes!!

Even youths grow tired and weary,  
and young men stumble and fall;  
but those who hope in the Lord  
will renew their strength.  
They will soar on wings like eagles;  
they will run and not grow weary,  
they will walk and not be faint.  
Isaiah 40:30-31

Behind you, all your memories,  
before you, all your dreams,  
around you, all who love you,  
within you, all you need.

We love you!  
Dad, Mom, and Gracey

Open your heart,  
open your mind,  
To a new world,  
Spread out your wings  
and learn to fly  
To a new world,  
to a new world

This world's yours  
for the taking  
This world's yours  
for the taking  
This world's yours  
for the taking  
Run free-eee-eee!

As your Granddaddy told me when I graduated, and I know he would say the same to you...*"This diploma does not guarantee for you a successful career. It does, however, guarantee that you have a solid foundation on which to stand your "ladder of success," and the knowledge and experience you have gained will assist you in climbing that ladder."* I love you and am also proud of you! -Momma

Son, we closed our eyes for a moment and suddenly a man stood where a boy used to be. We may not carry you now in our arms, but we will always carry you in our hearts. You have given us so many reasons to be proud of the man you have become, but the proudest moment for us is getting to tell others that you are our son. We love you now and forever. We are so proud of you and we know that you are going places! Continue to lead by your Christian example and always look to God. 1 Timothy 4:12
