Letter from the Principal

The Annual Staff has worked diligently to produce another in a long line of excellent yearbooks that reflects all that is great about our school and the city of Trenton. It is my hope that you will find yourself referring back to this publication many times in the future and remembering your time here as one of the more positive experiences of your life.

Peabody has long been a source of community pride as an institution that provides a quality education for its youth. A lot of hard work by a dedicated faculty and staff coupled with the continued support of the above-mentioned community makes that quality education possible.

We take great pride in being an excellent school in the three big areas of academics, arts, and athletics. Last year we ranked 8th of 374 schools in the state in Algebra I proficiency rates as 92% of our students passed. We also rank in the top 10% of schools in the state in Algebra II, English I, and English II, and in the top 20% in Biology, chemistry, and English III. The rest of our academic and vocational offerings are staffed by excellent teachers doing outstanding work. As for the arts and athletics, we excel in many; for example, the band finished 5th in the state and our football team advanced to the semi-finals in the TSSAA play-offs a year after winning the 2014 state championship. We attribute this to the determination and quality of a conscientious, professional faculty and an ambitious student body.

The Yearbook staff has their own page on our website: <http://peabody.trentonssd.schoolfusion.us/>. You can see which students work on this fine publication and track their progress.

I would like to welcome to the PHS faculty Ms. Jill Bibb (English I), Ms. Mary Bragg (Counselor), Coach Jason Driggers (A-School and football), Danielle Garner (Algebra I), Coach Steve Mathis (SPED and football), Coach Jay Taylor (Geometry and football), and Coach Alex Ward (Algebra II and softball).

The enthusiasm for and spirit of participation demonstrated by our students in all things academic and extracurricular are traditions that continue to endure. It is our desire that the lessons learned and experiences gained here will contribute in a positive way to each of their lives.

Each year PHS awards recognition to seniors who achieve a high level of academic success. A student's GPA and ACT score are the key components used to designate who receives this honor.

Lauren Smith

Christian Vandyke

Karen Allen

Dylan Grooms

A student's overall GPA is multiplied by 250. Next, their ACT score is multiplied by 27.777. These two numbers are then added together. A student must have a score of 1694 or higher to be named a Peabody Scholar!

To My Son

I sometimes wish you were still small
Not yet so big and strong and tall
For when I think of yesterday
I close my eyes and see you play.

I often miss that little boy
Who pestered me to buy a toy
Who filled my days with pure delight
From early morn till late at night

We watch our children change and grow
As seasons come then quickly go
But our God has a perfect plan
To shape a boy into a man

Today my son I'm proud of you
For all the thoughtful things you do
I'll love you till my days are done
And I'm so grateful you're my son.

We love you with all our hearts!
