What's up you guys. This year the annual staff and I chose the theme **VIBRANT**. Peabody High school is a very unique and diverse school, and we wanted to celebrate that. Throughout this book the staff has inserted words that describe the students, clubs, arts, and sports here at PHS. We hope you enjoy this year's Golden Torch!

# 2016-2017 Yearbook Dedication

The Annual Staff has worked diligently to produce another in a long line of excellent yearbooks that reflects all that is great about our school and the city of Trenton. It is my hope that you will find yourself referring back to this publication many times in the future and remembering your time here as one of the more positive experiences of your life.

Peabody has long been a source of community pride as an institution that provides a quality education for its youth. A lot of hard work by a dedicated faculty and staff coupled with the continued support of the above-mentioned community makes that quality education possible.

We take great pride in being an excellent school in the three big areas of academics, arts, and athletics. Academically, we consistently finish a year in line with or ahead of the state averages in standardized testing. Our academic and vocational offerings are staffed by excellent teachers doing outstanding work. As for the arts and athletics, we excel in many of those, also; for example, the band, baseball, basketball, and football programs are traditionally very competitive locally and on a statewide level. We attribute this to the determination and quality of a conscientious, professional faculty and an ambitious student body.

The Yearbook staff has their own page on our website: <http://peabody.trentonssd.schoolfusion.us/>. You can see which students work on this fine publication and track their progress.

I would like to welcome to the PHS faculty Coach Tab Vowell (ISS and football) and Coach Ben Di'Chiara (Ecology).

The enthusiasm for and spirit of participation demonstrated by our students in all things academic and extracurricular are traditions that continue to endure. It is our desire that the lessons learned and experiences gained here will contribute in a positive way to each of their lives.

To My Beautiful Lucy,  
The years that we have shared have passed far more quickly than my heart is ready to accept. It has been such an honor being your mother and watching you develop into the beautiful young lady that you have become. There are no words that can truly express how proud I am of you. For every game that you've played, Mama has always been in the stands cheering you on. As you go out into the world, I'll still be cheering you on from the sidelines. Mama loves you to the moon and back, Princess!  
Always your #1 fan!!

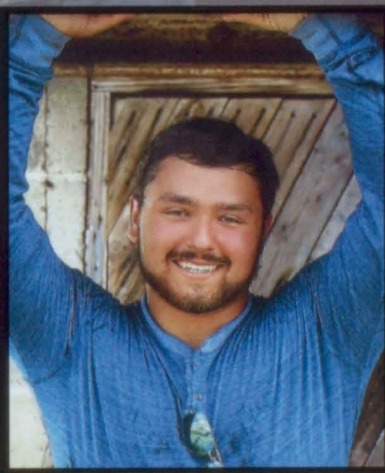

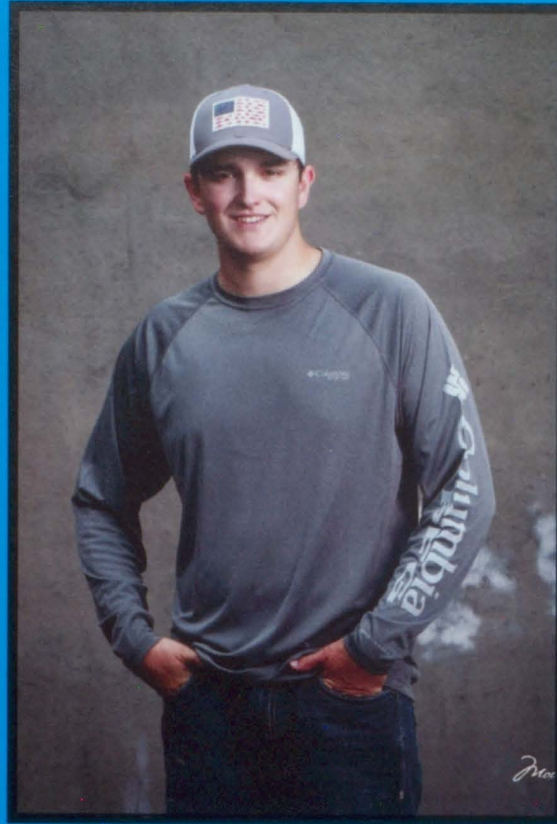

# Hunter Edmonds Class of 2017

Congratulations, Hunter!  
You have brought happiness  
and pride to all of us. We  
love you so much! Follow  
your dreams toward  
accomplishing the goals that  
you have set for your future.  
May God continue to bless  
you and direct your path.  
-Mom, Bubba, Jada, Logan,  
Amber, and family.

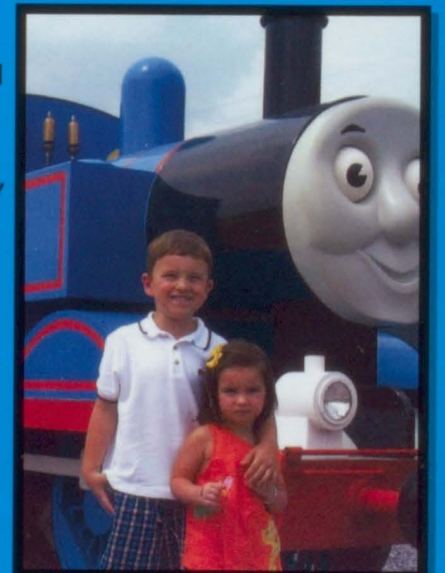

# Patrick Dudley

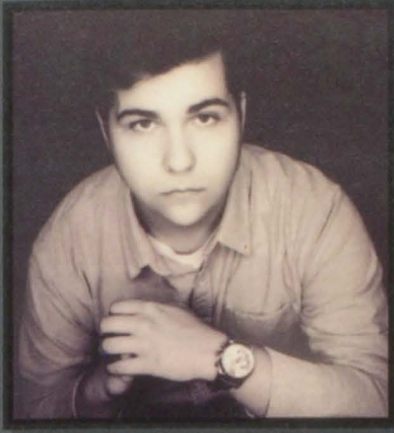

We don't have words to express how proud we are of the man you have become. We look forward to watching you exceed your dreams. As you continue your journey and enter a new chapter in your life, remember to stay true to who you are, what you believe in, and be proud of what you have accomplished so far. We love you, wish you happiness and success, and never forget...we will always be your biggest fans!

Love you more than anything,  
Daddy, Mama & Emma

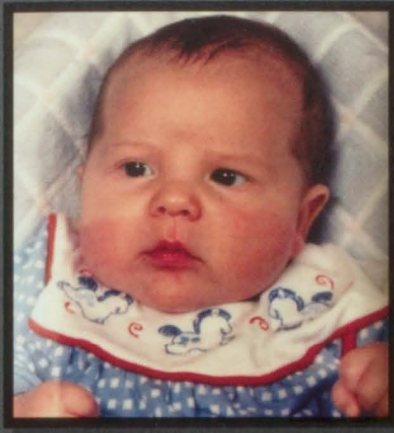

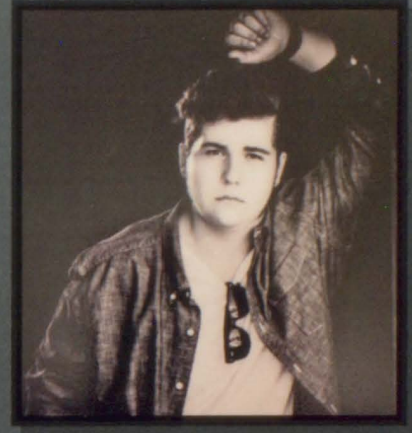

# Zachary Lee Girard

From the moment you were conceived, your daddy and I prayed for you to live. God answered our prayers and blessed us with a beautiful little boy. Since then, you have overcome so much adversity. I have watched it make you stronger and more determined. You are an amazing, handsome, intelligent young man. I am so proud of you, and I know your dad in heaven is too!

Just remember that no matter where life's journey takes you, I will always be here to cheer you on!

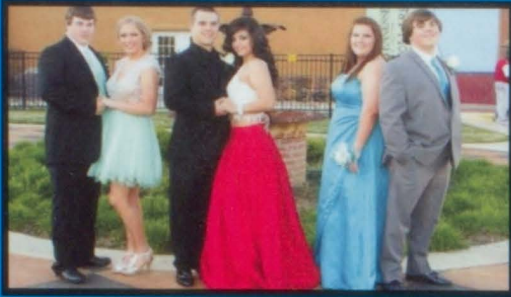

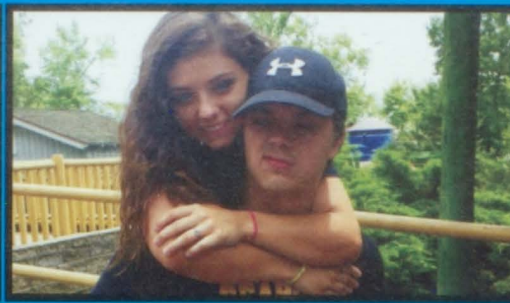

"I'll love you forever,  
I'll like you for always,  
As long as I'm living,  
My baby you'll be!"

Love you forever and always,  
Mom

To our Sweet, Beautiful Hannah Shelby Madison,

We are so proud of you. Even before your first breath you have been a wonder to behold that continues to capture our hearts. We laughed when you decided to make your grand appearance on Independence Day, 1999, not knowing the full scale of just how independent you would be.

You continue to amaze us with not only your beauty on the outside but with your beautiful character. You have always blessed us with your ability to never go at things halfway. You laugh until you cry, and when you get excited, it's contagious. Your compassion and empathy for others along with your ability to love any and all strays. You have blessed us with your friendship and your love for Jesus, family and friends. We pray that you carry these blessings with you through out your life and pass them on. But, first and foremost, we pray that when the world becomes too loud, that you will be still and listen to the Holy Spirit and always remember...

Joshua 24:15

"But as for me and my household, we will serve the LORD."

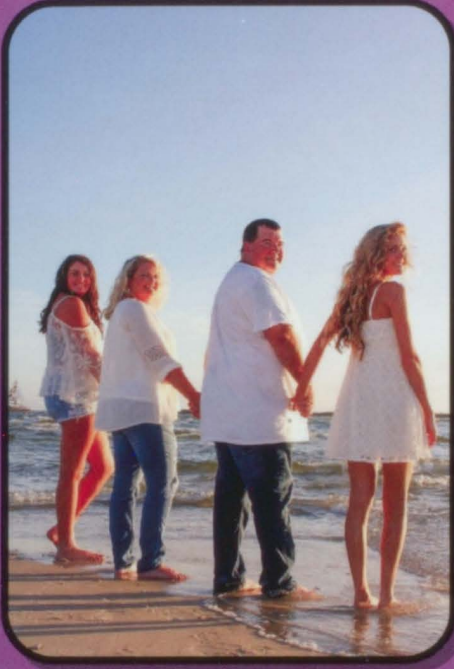

We love you,  
Mamma & Daddy

You are my Sunshine, My only Sunshine  
Grandma & Pawpaw.

# Class of 2017

Jacey,  
Congratulations on finishing this chapter of your life! You are a bright, beautiful person, and we have no doubt that you will accomplish great things. Stay true to yourself. We are so lucky to have you in our lives.  
We love you,  
-Mom-Dad and Shay

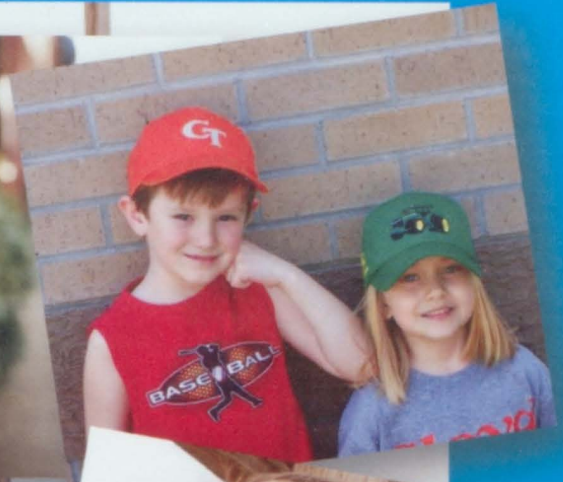

We are and  
will always be  
so proud of  
you!  
You are a  
wonderful  
blessing to us  
and a great  
joy in our  
lives!

You have brought us more joy and happiness than you will ever know. You have a kind heart and have grown into a beautiful young woman. You can do whatever you dream. Stay true to yourself and never lose your heart of gold.

We love you,  
Daddy & Momma

In loving memory:

I will always love you  
Dad.

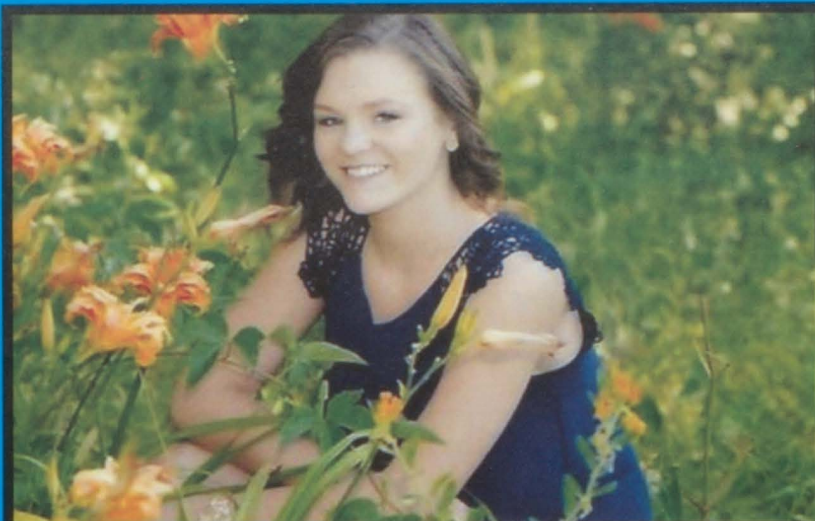

Lainey,

From the time I felt your first kick; heard your first cry and saw your beautiful angel face, I knew God had given me such a precious gift. I have watched you cry, laugh, learn and be amazed at this wonderful world. I am so proud of the young woman you have become. I believe your daddy is looking down beaming with pride knowing that you have such a bright future. So, with that said, I tell you from both of us-your future is out there so go get it. Always remember and never forget I love you more than all the stars in the sky.
