the golden torch 2018

THE YEARBOOK STAFF

This years Golden Torch yearbook theme was newspaper! I wanted everyone to feel involved and the students of Peabody High School to understand other students and teachers point of view. I hope everyone enjoys this years Golden Torch as much as the yearbook staff and I enjoyed designing it.

PEABODY DEDICATION

Joseph Wuchter

"Coach Wuchter is my favorite teacher because he understands how tough being a student can be. Not only that, but he's a funny and great teacher"

- Austin Weaver

"Coach Wuchter is a free spirit. He does his best to help you understand his courses, and he's very energetic and funny"

- Trinity Powell

"He has a really eccentric, but fantastic teaching style. He always gets his students hyped for a lesson no matter how mundane the topic is. He is filled with unbridled energy, and I'm glad I got to know him"

- Jason Comer

Thank you Coach Wuchter for all that you do. Peabody High School wouldn't be as joyous or as lighthearted if you were not here.

PEABODY PRINCIPAL

On behalf of the faculty, staff, and students, I would like to extend our appreciation for the excellent job the yearbook staff has done creating this year's Golden Torch. Thanks to Mrs. Audra Hines' leadership and dedication combined with her staff's teamwork and energy, we now enjoy the result of this work.

As we entered the 2017-2018 school year, I was honored to be selected as Interim Principal at the school I love. Over the year, we have built upon the tradition of excellence at Peabody. We take pride in being a school where every student can find an avenue for success and in being a community where everyone in the Peabody family strives to find the best in themselves and others.

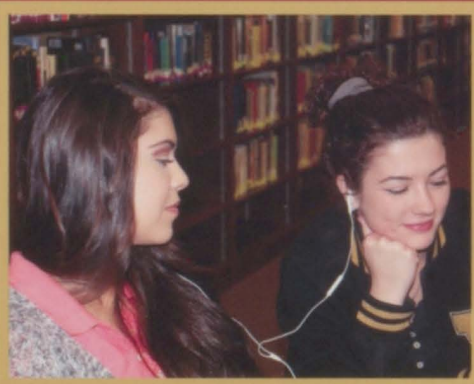

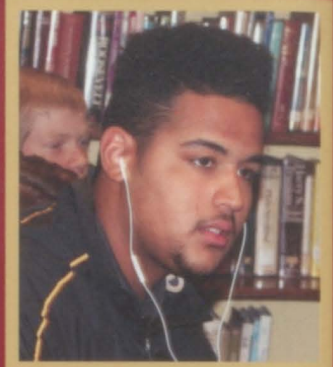

The success of our students is shared with our families and the community. I am grateful that we have family and community support. Our faculty and staff work very hard to create a positive environment where every person's unique strengths and talents are celebrated.

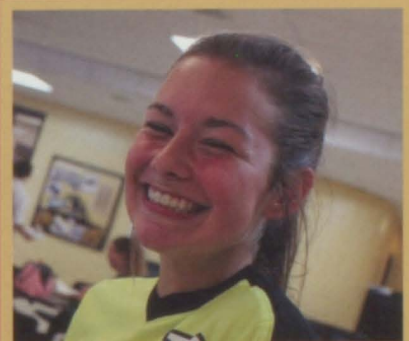

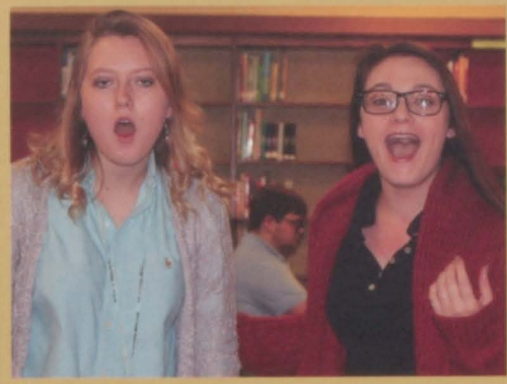

Our vision is that students be the sole focus of Peabody High School, creating a community of life-long learners who are accountable for their own academic and developmental progress. We believe that every student has the right to an education that promotes academic achievement and fosters personal and social growth.

We have a kind, caring, and highly-qualified staff who truly believe that every one of our students can and will succeed. I am proud to be a part of a tradition and family like this.

Editor: Jasmine Love

Faculty

Question: How was your first year teaching and representing STEM Club?

Coach Dichiaro: 'A class is only as good as its students, a club is only as good as its members. The first year of STEM has been a success because the students made it so. A huge thanks to all of our STEMsters!'

Question: How was your first year being principal?

Coach Hooker: 'I am experiencing a typical first year as Interim principal. The ability to make unnatural decisions instinctively is something that will come in time. The ability to build and to make a network of educators work together will come in time. The piece that I do possess, and probably always have, is love for the work and love for the students. Every single hour, every difficult day, every long night is worth it when I see students walk back through the doors the next day. This is a great place to work. I am blessed!!!!.'

Ms. Voigt: "I felt honored when the yearbook was dedicated to me last year."

Jada Mackenzie Baker

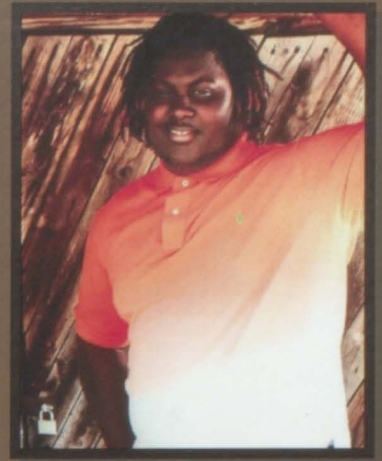

*Our prayer for her is that she will learn that her journey is where she will become strong. Her strength is from God not within herself. That she stands when no one else does. That she speaks for those who cannot. That she be the light when everything else is dark. That she has the eyes to see the lovely in the unlovely, for that is often where we see God. That she lives loved because she knows she is loved by Him. That she hears His song over her each and every day. And that she is able to forgive because she knows the depth of His forgiveness. We love you so much Jada!
Go forth and seek Him!*

I wish you the strength to face challenges with confidence... along with the wisdom to choose your battles carefully...

I wish you adventure on your journey and may you always stop to help someone along the way...

Listen to your heart and take risks carefully...

Remember how much you are loved... I am so proud of you!

Numbers 6:24-26 "May the lord bless you and keep you in His care. The Lord make His face shine on you and be gracious to you. The Lord turn His face toward you and give you peace."

Trust in the LORD with all your heart, And lean not on your own understanding; In all your ways acknowledge Him, And He shall direct your path.

Proverbs 3:5-6

FOR MANY YEARS WE'VE SHARED OUR LIVES
ONE ROOF WE ONCE LIVED UNDER
SOMETIMES WE LAUGHED, SOMETIMES WE CRIED
THROUGH WINTER STORMS AND THUNDER
THE YOUNGER YEARS HAVE FADED FAST
WE'VE GONE OUR SEPARATE WAYS
BUT THROUGH ALL TIME OUR FRIENDSHIP LASTS
OUR BOND IN LIFE REMAINS
AS SUMMER BRINGS THE HAPPY TIMES
THE AUTUMN WINDS WILL WHISPER
A CLOSER FRIEND I'D NEVER FIND
THAN THE ONE I CALL MY SISTER.

Seems like yesterday you were starting kindergarten and now you're graduating high school. We are so proud of the beautiful, intelligent hard working woman you have become. We want and wish the best for you now and always. Always put God first in your life! Stand for what is right,

even if you are the only one standing. Never, ever settle! Be a leader, not a follower. Always pray to have eyes that see the best in people, a heart that forgives the worst, a mind that forgets the bad and a soul that never loses faith in God.

We love you very much and are very proud of you!

Congratulations.

Words cannot express the love a parent has for a child. These years have passed by too quickly. As parents, we have taken time for granted but have cherished every moment with all our hearts. You come to us as a little ball of joy, and now you have grown into a handsome young man. We wish all of the best for you. It will take hard work and determination, but we know all your dreams are there for you to achieve. Never give up. You will do great things with your life, and we can't wait to see what you will become. Keep God first and your family close to your heart. We will always be here for you - never forget that. We love you with all our hearts and will always be your biggest fans.

We Love You!

From the moment you were born, you've changed lives. You have a sparkle in your eye, a smile on your face, and personal goals most never day dream about.

Yesterday you were barely able to crawl; today you're running towards your goals. You've set them high and one by one, you're reaching them. You've overcome obstacles that were in your way, and for that perseverance, we are so very proud of you.

We've had many adventures and those are only the beginning of the adventures yet to come for you. Keep reaching for greatness because you deserve the best life has to offer. Keep chasing your dreams and always know we're proud of you for everything you do.

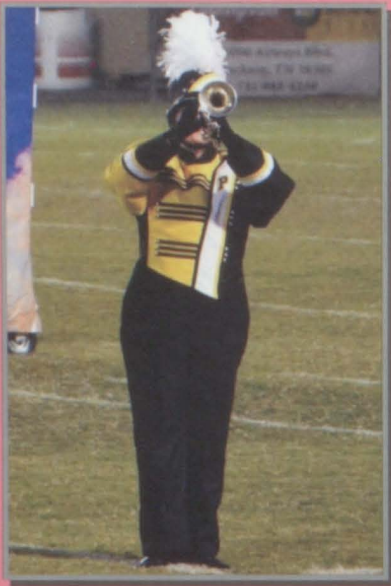

We love you,
Dad, Kimmerly, Grammy

Samuel J. Purdum

We are so very proud of the man you have become. You are kind, considerate, and a blessing in our lives! We know whatever you choose to do in life will be great. You will always be the best at being you; don't try to be anyone else. Find your own path. Life's lessons can't be taught; they are learned. Don't dwell on problems; figure out what you can do to solve them. Never rest on your accomplishments; focus on what's next.

Remember, not every issues is a battle, and you can't die on every hill. Choose your battles wisely; this is what will define you. Plan your day or your day will plan you, but always have a plan.

Surround yourself with great people. When you find you're the smartest in the room, you're in the wrong room. Family, friends, God, country; doing anything for anyone of these is always time well spent.
