

GOLDEN TORCH 2020

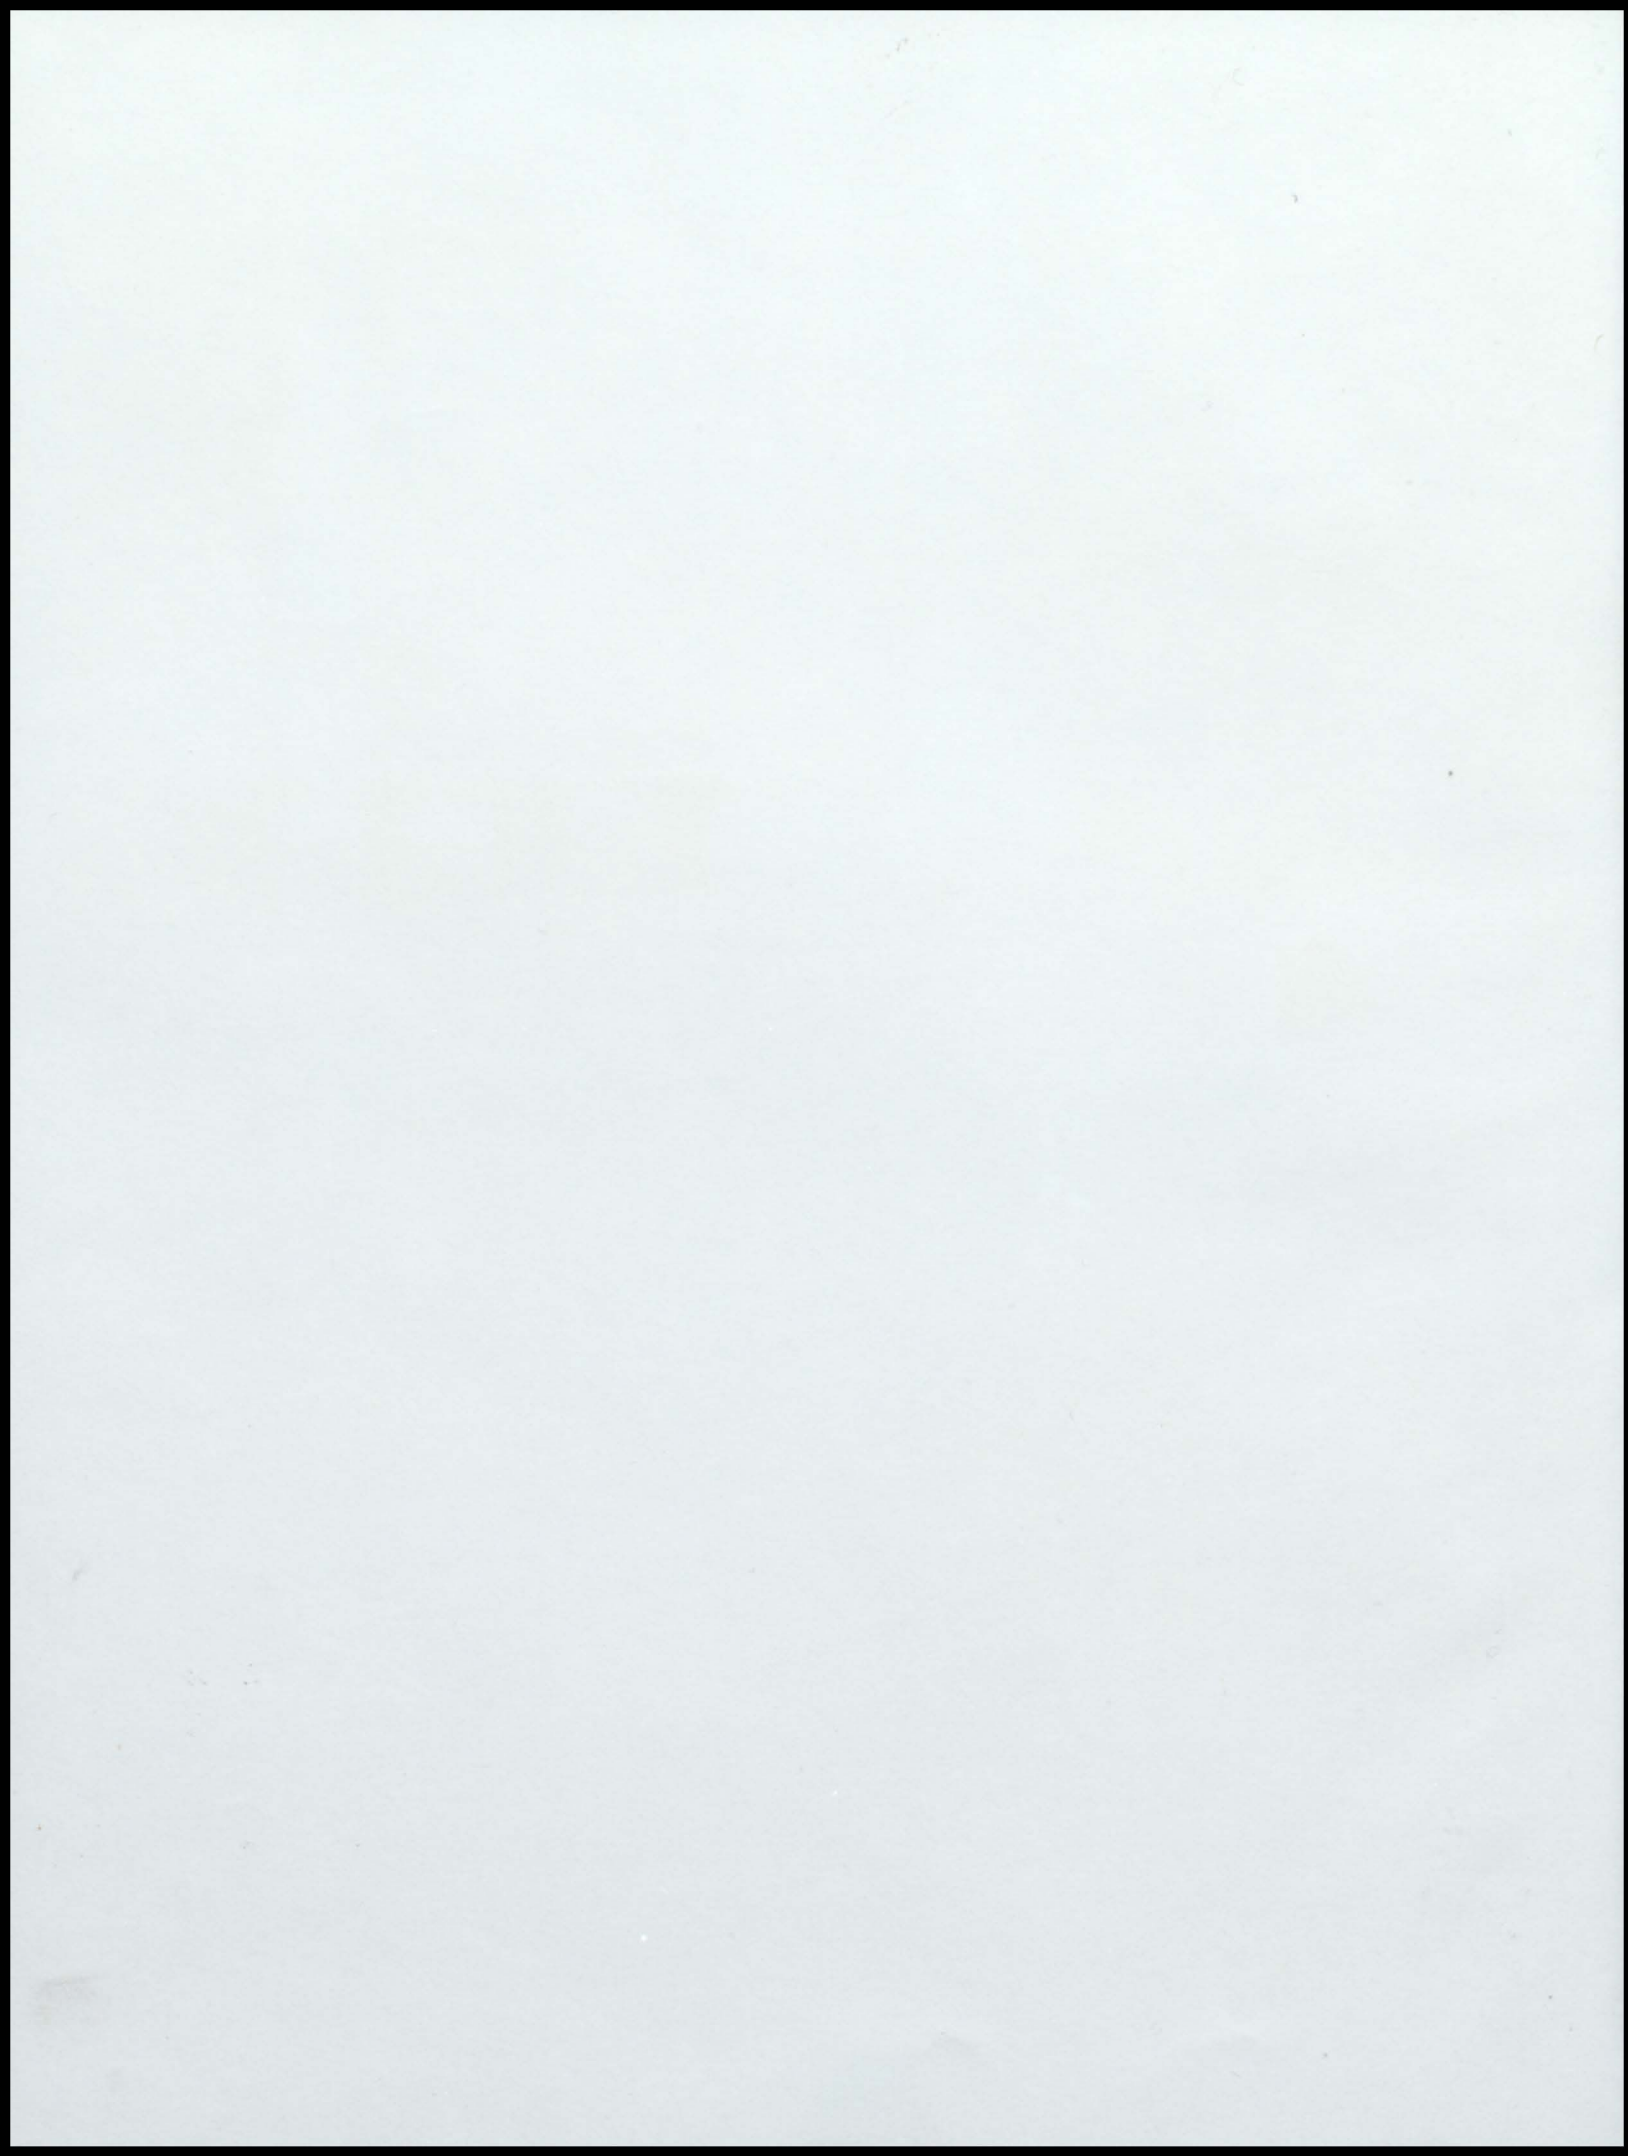

An aerial photograph of the ocean's surface, showing a dense pattern of white-capped waves and deep blue troughs. The water's texture is highly detailed, with foam and spray visible. The word "TIDE" is printed vertically in large, bold, black, sans-serif capital letters on the left side of the image. The letters are slightly shadowed, giving them a three-dimensional appearance as if they are floating or resting on the water.

Letter from the Principal

It is my pleasure to express that I am deeply committed to making a positive difference in the lives of our students here at Peabody High School. Our vision is that students be the sole focus, creating a community of lifelong learners who are accountable for their own academic and developmental progress. We believe that every student has the right to an education that promotes academic achievement and fosters personal and social growth.

We embrace the challenges of the future while we continue to cherish and celebrate the traditions of the past. Our remarkable staff, involved parents and committed students make up this great community.

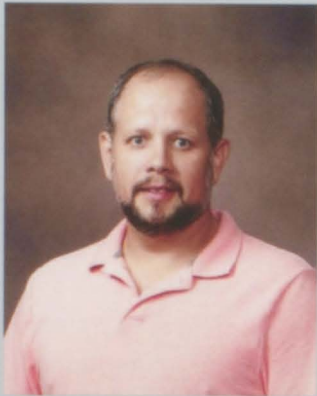

I encourage you to visit our website and become familiar with the PHS code of conduct and expectations. We welcome your involvement and participation in our great school as we strive toward an academically successful school year.

Sincerely,
Principal Rickey Hooker.

*To those who call me "Mama Jen"
I may not have given you the gift
of life, family isn't always blood
relations.
You may not have my eyes or even
my skin color, but you have my
heart, my support, & will always
have my never ending love.*

A sweet ending to a new beginning...
These are the years we'll never forget.

Have courage as you follow His plan and
always be kind throughout your journey.
