

Trenton Special School District

Districtwide Goals

Increase academic achievement: Mathematics

For the 2025-2026 school year, the district will maintain a TVAAS score of a level 3 or higher in Numeracy. For the 2025-2026 school year, the district will maintain or improve the number of students scoring on-track or mastery in mathematics by 3-4% for all students and an increase of 2% in subgroups.

Increase academic achievement: Reading/Language Arts

For 2025-2026 school year, the district will maintain a level 3 TVAAS score or higher in Literacy. For the 2019-20 school year, the district will maintain or increase the number of students scoring on track and mastery in ELA by 3-4% for all students and an increase of 2% in subgroups.

Foster a positive school climate

For the 2025-2026 school year, the district will increase the quality of the school climate in order to provide students, parents, and school personnel with a productive, safe school environment. Research shows that a positive school climate is directly associated with academic achievement.
