- C. Entering the classroom – You must enter class **silently**. Whispering is not allowed.
- D. Getting in the classroom – After you have walked through the front door to the classroom silently, sit down at your assigned seat. **Make sure you have all the material that you need for this class only!** Students will not be allowed to return to their locker after the 5 min transition is over.
- E. Handing in late work – **Late work will only be accepted the day after it is due with a parent signature. Anything handed in after that date will be counted as a zero (Parent will be contacted)**
- F. Movement in the classroom – **Students must have Mr. Burriss's permission to get out of their seat at any time throughout the class period.**
- G. Sharpening pencils – Pencils should be sharpened before class begins. If Mr. Burriss gives you permission to sharpen your pencil, only then may you silently walk to the pencil sharpener to do so. Mechanical pencils should have plenty of lead.
- H. Bathroom – The best thing for students to do is to use the restroom in between classes. Students will not be permitted to leave the room for the first 15 minutes of class or the last 15 minutes of class. ***Students will be allowed to go to the restroom only during emergencies, or if a doctor's note has been sent to the nurse.***
- I. Throwing out garbage – If you need to throw away trash, raise your hand and ask permission.
- J. Getting the teacher's attention – If a student needs to speak with Mr. Burriss, that student should **raise their hand but not call out with their voice.**
- K. Required supplies – Come to class prepared with the proper supplies. The first item you need to bring is your Chromebook. You should also bring your History book every day. Students should also bring pencils and highlighters. Students are not allowed to leave class for supplies or books once class has begun.
- L. End of class dismissal – Mr. Burriss, not the sound of the bell, will tell the class when it is time to get ready to go. When Mr. Burriss says, "See y'all later," then students may leave the classroom or talk with Mr. Burriss if they have questions.
- M. **Fire/Earthquake/Emergency – For emergency drills and real emergencies, we will remain calm, silent so students can hear potential lifesaving information, leave the classroom, and walk to the appropriate place as one group. As we walk together, no students should separate from the class group.**

- N. Cheating policy – Cheating cheats you out of your own education. Cheating doesn't help you learn, and we are here to learn. The punishment for cheating will be a zero on that assignment and a phone call home and an office referral.
- O. Visitor policy – Since we are a class with big goals that will achieve great results, we will have more visitors in our classroom than normal. Do not be distracted by visitors, but instead, show them why we are the most successful class in all of TRMS.
